#### FIRST PROPOSAL

#### SHARE INCREASE AMENDMENT

The Board of Directors has approved, subject to stockholders' approval, an amendment to the Company's Articles of Incorporation ("Articles of Incorporation") to increase the number of authorized shares of Common Stock from one million (100,000,000) shares to five hundred million (500,000,000) shares, par value \$0.00001 per share. The Board of Directors has determined that this amendment is advisable and in the best interests of us and our stockholders.

At the Special Meeting, stockholders will be asked to consider and vote upon this amendment. The Board of Directors recommends that stockholders vote FOR the Share Increase Amendment.

#### Reasons for the Amendment

We are currently authorized to issue 100,000,000 shares of Common Stock. Currently, there are 43,086,666 shares of Common Stock outstanding. After the increase in the authorized number of shares of Common Stock, there will be available for issuance, 456,913,334 shares of our Common Stock. The par value of our Common Stock will be \$0.00001 per share. The terms of the additional shares of Common Stock will be identical to those of the currently outstanding shares of common stock. The Share Increase Amendment will not alter the current number of issued shares. The relative rights and limitations of the shares of Common Stock would remain unchanged under the Share Increase Amendment.

The availability of additional authorized shares of Common Stock will enable us (i) to satisfy our obligation to Jarr Capital to increase our authorized capital in order that we can proceed to raise capital required in the short term and long term and mitigate the risk of our business continuance due to lack of sufficient capital and (ii) to allow us to issue additional shares of common stock in the future as needed. Currently we have no plans to issue additional shares of common stock at this time, except the management of the company. We elected to increase our authorized shares of Common Stock to 500,000,000 shares to cover the foregoing contract condition and for other possible contingencies.

We are currently authorized to issue 100,000,000 shares of Preferred Stock. Currently, there are no shares of Preferred Stock outstanding. The relative rights and limitations of the shares of Preferred Stock would remain unchanged under the Share Increase Amendment.

More generally, the increase in the authorized number of shares of Common and Preferred Stock will enable us to engage in (i) possible future financings and (ii) such other corporate purposes as the Board of Directors determines in its discretion. These corporate purposes may include future stock splits, stock dividends or other distributions, future financings, acquisitions and stock options and other equity benefits under our employee benefit plans. Currently we have no plans to issue shares for the foregoing.

#### Certain Effects of the Amendment

The increase in authorized shares of Common or Preferred Stock is not being proposed as a means of preventing or dissuading a change in control or takeover of us. However, use of these shares for such a purpose is possible. Authorized but unissued or unreserved Common Stock and Preferred Stock, for example, could be issued in an effort to dilute the stock ownership and voting power of persons seeking to obtain control of us or could be issued to purchasers who would support the Board of Directors in opposing a takeover proposal. In addition, the increase in authorized shares of Common and Preferred Stock, if approved, may have the effect of discouraging a challenge for control or make it less likely that such a challenge, if attempted, would be successful. The Board of Directors and our executive officers have no knowledge of any current effort to obtain control of us or to accumulate large amounts of shares of our Common Stock.

The holders of shares of our Common and Preferred Stock are not entitled to preemptive rights with respect to the issuance of additional shares of Common and Preferred Stock or securities convertible into or exercisable for shares of Common Stock. Accordingly, the issuance of additional shares of our Common and Preferred Stock or such other securities might dilute the ownership and voting rights of stockholders.

The proposed amendment to the Articles of Incorporation does not change the terms of the Common and Preferred Stock. The additional shares of Common Stock for which authorization is sought will have the same voting rights, the same rights to dividends and distributions and will be identical in all other respects to the Common Stock now authorized. Voting rights of preferred stock is determined when the preferred shares have been designated for issuance.

We could also use the additional shares of Common and Preferred Stock for potential strategic transactions, including, among other things, acquisitions, spin-offs, strategic partnerships, joint ventures, restructurings, divestitures, business combinations and investments. We cannot provide assurances that any such transactions will be consummated on favorable terms or at all, that they will enhance stockholder value or that they will not adversely affect our business or the trading price of the Common Stock. Preferred Stock will not be listed for trading. Any such transaction may require us to incur non-recurring or other charges and may pose significant integration challenges and/or management and business disruptions, any of which could materially and adversely affect our business and financial results.

If approved by stockholders, it is anticipated that the amendment to the Articles of Incorporation will become effective upon the filing of a Articles of amendment with the Secretary of State for the State of Nevada, which filing is expected to occur as soon as practicable after the Special Meeting.

The Board of Directors recommends a vote FOR the proposal to amend our Articles of Incorporation to increase the number of authorized shares of Common Stock to five hundred million (500,000,000) shares, par value \$0.00001 per share.

Sincerely,

JOHN CECIL  
John Cecil  
CEO
