On the Record Date, there were 17,441,294 shares of common stock issued, outstanding and entitled to vote. The Company has no other voting securities outstanding. Each stockholder of record is entitled to one vote per share held on all matters submitted to a vote of stockholders, except that in electing directors, each stockholder is entitled to cumulate his or her votes and give any one candidate an aggregate number of votes equal to the number of directors to be elected (eight) multiplied by the number of his or her shares, or to distribute

Abstentions and broker non-votes are each included in the determination of the number of shares present. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders, and thus, have the effect of voting against a proposal, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved.

COMPENSATION COMMITTEE REPORT.

The Compensation Committee of the Board of Directors is composed of outside directors and is responsible for developing and making recommendations to the Board on the Company's executive compensation policies. The Committee also reviews and approves the Company's compensation and benefit plans and administers the 1992 Employee Stock Option Plan. The following report describes the basis on which the Compensation Committee made 2004 compensation determinations for executive officers of the Company.

The Board of Directors believes that executive compensation should reflect value created for stockholders in furtherance of the Company's strategic goals. The following objectives are among those utilized by the Compensation Committee:

1. Executive compensation should be meaningfully related to long-term and short-term value created for stockholders.
2. Executive compensation programs should support the long-term and short-term strategic goals and objectives of the Company.
3. Executive compensation programs should reflect and promote the Company's overall value, business growth and reward individuals for outstanding contributions.

Edgar Filing: AMERICAN ECOLOGY CORP - Form PRE 14A

4. Short and long term executive compensation are critical factors in attracting and retaining well-qualified executives.

Currently the Company has an executive compensation program based on three components: a base salary, bonus payments tied to Company performance, and a stock option program. The Compensation Committee regularly reviews the various components of the compensation program to ensure that they are consistent with the Company's objectives.

BASE SALARY -- The Compensation Committee, in determining the appropriate base salaries of its executive officers, generally considers the level of executive compensation in similar companies in the industry. The Compensation Committee also considers (i) the performance of the Company and contributing roles of the individual executive officers, (ii) the particular executive officer's specific experience and responsibilities, and (iii) the performance of each executive officer. The base salaries for 2003 were established by the Committee at levels believed to be competitive with amounts paid to executives of companies in the environmental industry with comparable qualifications, experience, responsibilities, and performance. On January 29, 2004 the Company's Board of Directors increased Mr.

11

Romano's annual base salary to \$230,000 effective January 1, 2004. No base salary adjustment was made for executive officers in 2005. The Committee previously approved an employment contract for Mr. Romano providing for a minimum annual base salary of \$205,000 and an expiration date of December 31, 2005.

ANNUAL INCENTIVES -- Effective January 1, 2003, the Committee recommended and the Board approved a Management Incentive Plan covering executive incentive compensation for Company performance through 2006. Based on the Company's financial performance in 2003, no cash bonuses were awarded to executives under the Company's Management Incentive Plan during 2004. Messrs. Cooper, Baumgardner and Gilberg, however, received discretionary cash bonuses of \$7,500, \$5,000 and \$3,000, respectively for 2003 performance.

On March 1, 2005 the following bonus payments were awarded in accordance with the Company's Management Incentive Plan based upon 2004 financial performance:

Executive	Bonus Payment
Stephen A. Romano	\$ 494,505
James R. Baumgardner	\$ 197,802
Michael J. Gilberg	\$ 123,626

LONG-TERM INCENTIVES -- The stock option program is the Company's long-term incentive plan for executive officers and key employees. The objectives of the stock option program are to align executive officer compensation and shareholder return, and to enable executive officers to develop and maintain a significant, long-term stock ownership position in the Company's common stock. In addition, grants of stock options to executive officers and others are intended to retain and motivate executives to improve long-term corporate and common share performance. Stock options are generally granted at or greater than market value on the grant date, and will only have value if the Company's stock price increases above the grant price. In furtherance of these objectives, the Committee approved the grant of 758,724 options to certain executives and key employees during 2003 of which 152,670 vested during 2004.

PROPOSAL NO. 3 DIRECTORS' PROPOSAL TO APPROVE THE AMERICAN ECOLOGY CORPORATION 2005 NON-EMPLOYEE DIRECTOR COMPENSATION PLAN

The American Ecology Corporation 1992 Amended and Restated Outside Director Stock Option Plan provides compensation to non-employee directors in the form of options to purchase shares of Company common stock. The Board of Directors believes that it is in the best interest of the Company and its shareholders to adopt a new plan, approved by our stockholders, that will provide a comprehensive revised compensation program which will attract and retain qualified individuals who are not employed by the Company to serve on the Board of Directors.

Accordingly, effective March 28, 2005, the Board of Directors adopted the American Ecology Corporation 2005 Non-Employee Director Compensation Plan (the "Plan"), subject to stockholder approval. At the same time, the Board terminated the 1992 Amended and Restated Outside Director Stock Option Plan, except for option grants then outstanding. The new Plan will bring the Company's director compensation in line with prevailing marketplace levels. It will also allow the Company to continue to provide equity compensation to non-employee directors, under a stockholder-approved plan, in order to enable the Company to enhance the equity interest of directors in the Company, and thereby to solidify the directors' common interest with the stockholders in enhancing the value and growth of the Company.

SUMMARY OF THE PLAN

The principal features of the Plan are summarized below. The summary does not contain all information that may be important to you. The complete text of the Plan is set forth at Exhibit A to this Proxy Statement.

Plan Administration. The Plan will be administered by the Board of Directors or by a committee of the Board, consisting of at least two outside directors, each of whom is a "non-employee director" under Rule 16b-3 of the Securities Exchange Act of 1934, as amended. The plan administrator has the sole authority to, among other things (a) interpret and administer the Plan, (b) make rules and regulations relating to the administration of the Plan, and (c) make any other determinations that it deems necessary to administer the Plan.

Eligibility. Only the Company's non-employee directors are eligible to participate in the Plan. As of March 28, 2005, eight non-employee directors were on the Board.

Annual Retainer. Each non-employee director shall be entitled to receive an annual retainer consisting of (i) \$16,000, payable in cash, and (ii) shares of restricted stock having a fair market value as of the date of grant of \$25,000. The cash portion of the annual retainer is payable in quarterly installments of \$4,000 each.

Annual Restricted Stock Award. As part of a non-employee director's annual retainer compensation, each non-employee director will receive a non-discretionary award of shares of restricted stock on the business day immediately following the annual meeting of shareholders at which such person is elected or re-elected to the Board of Directors. The number of shares of restricted stock awarded shall be equal to \$25,000, divided by the fair market

Edgar Filing: AMERICAN ECOLOGY CORP - Form PRE 14A

value of the Company's common stock on the date of the award. For purposes of the Plan, the "fair market value" of the Company's common stock is equal to the average closing price of the Company's common stock as reported on the Nasdaq National

18

Market or, if the common stock is no longer listed on such market, such other principal exchange or market (including the over-the-counter market), during the 10 trading days prior to the award date.

Meeting Fees. Each non-employee director will receive a fee of \$1,000 for each meeting of a standing committee of the Board and a fee of \$1,000 for each meeting of the full Board that he or she attends. Each non-employee director will receive a fee of \$750 for each telephonic meeting of the Board that he or she attends; provided, that no fee is payable with respect to any telephonic meeting which lasts less than 30 minutes.

Retainer Fees for Committee and Board Chairs. A non-employee director appointed to chair any standing committee of the Board will be paid an annual retainer of \$4,000; and a non-employee director appointed to chair the full Board of Directors will be paid an annual retainer of \$20,000. As of the date of this Proxy Statement, standing committees of the Board include the Audit, Compensation and Corporate Governance Committees.

Vesting of Restricted Stock. Shares of restricted stock issued to a non-employee director will vest on the day prior to the date of the regular annual meeting of stockholders next following the date of the award, provided the director has attended, in person or by telephone, at least 75% of the regularly scheduled Board meetings during the year. If the director does not attend at least 75% of the regularly scheduled Board meetings during the year, the shares of restricted stock are forfeited. Shares are also forfeited in the event a non-employee director ceases to serve on the Board during the year, for any reason other than death or disability. Upon the death or disability of a director, all shares of restricted stock will immediately vest. Shares of restricted stock also will vest in the event of a merger, consolidation or plan of exchange in which the Company is a party and in which the Company is not the survivor, or a sale of all or substantially all of the Company's assets, or a liquidation or dissolution of the Company.

Shares Subject to the Plan. The Plan authorizes the issuance of up to 200,000 shares of common stock. If any shares that are subject to an award under the Plan are forfeited, those shares will again be available for grant under the Plan. Likewise, any shares that are tendered to the Company in payment of any withholding tax incurred in connection with any award under the Plan will be available for issuance. The shares issued under the Plan may consist, in whole or in part, of authorized but unissued shares or treasury shares.

Adjustments. In the event of a merger, reorganization, consolidation, recapitalization, stock dividend, stock split or other change in the corporate structure or capitalization affecting the Company's common stock, the plan administrator will make appropriate adjustments to the number (including the aggregate number of shares authorized under the Plan) and kind of shares to be issued under the Plan.

Effective Date, Term, Amendment and Termination. The Plan will become effective as of the date of its adoption by the stockholders, and will remain in effect until the earlier of (a) the date that no additional shares of restricted stock are available for issuance, (b) the date the plan is terminated by the Board of Directors in accordance with its terms, or (c) May 25, 2015.

Edgar Filing: AMERICAN ECOLOGY CORP - Form PRE 14A

Termination will not affect awards then outstanding under the Plan. The Board of Directors may terminate or amend the Plan at any time without shareholder approval, unless such approval is necessary to comply with the Securities Exchange Act of 1934, the Internal Revenue Code, Nasdaq rules, or other applicable law. In any event, stockholder approval will be required to, among other things, (i) increase the maximum number of shares of restricted stock issuable under the Plan, or (ii) change the participants eligible to participate in the Plan.

19

Other Provisions. The plan administrator may establish procedures providing for the delivery of shares of Company common stock in satisfaction of withholding tax obligations. During the period that shares of restricted stock are subject to forfeiture, a non-employee director will be entitled to receive dividends or dividend equivalents with respect to the number of shares of common stock covered by the award.

Federal Income Tax Consequences. We believe that under present law, the following are the U.S. federal income tax consequences generally arising with respect to awards of restricted stock under the Plan. Generally, the recipient of a non-vested award of restricted stock, who has not made an election otherwise under the Internal Revenue Code, will not recognize income until the stock becomes vested, at which time the recipient will recognize ordinary compensation income equal to the excess, if any, of the fair market value of the stock on the date it becomes vested over any amount paid by the recipient in exchange for the stock. In the year that the recipient of a restricted stock award recognizes ordinary taxable income in respect of such award, the Company will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that the recipient is required to recognize, provided that the deduction is not otherwise disallowed under the Internal Revenue Code.

VOTE REQUIRED AND RECOMMENDATION OF BOARD OF DIRECTORS

The affirmative vote of the majority of the shares of common stock of the Company present in person or represented by proxy at the Annual Meeting and entitled to vote on this proposal will be required for approval of the Plan. Abstentions will be treated as being present and entitled to vote on the matter and, therefore, will have the effect of votes against the proposal. A broker "non-vote" is treated as not being entitled to vote on the matter and, therefore, is not counted for purposes of determining whether the proposal has been approved.

YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE AMERICAN ECOLOGY CORPORATION 2005 NON-EMPLOYEE DIRECTOR COMPENSATION PLAN.

Employee Directors who cease to be employees of the Company or any Parent or Subsidiary of the Company but who continue as Directors shall become eligible for Restricted Stock awards pursuant to this Plan, as if they were newly elected Directors, as of the date they cease to be employees.

6.2 SHAREHOLDER APPROVAL OF PLAN. No awards of Restricted Stock may be made under this Plan unless and until shareholder approval of the Plan has been obtained in accordance with Section 12 hereof.

6.3 ANNUAL RESTRICTED STOCK AWARD. Each Non-Employee Director shall be awarded shares of Restricted Stock (the "ANNUAL RESTRICTED STOCK AWARD"), in an amount determined in accordance with the formula set forth below, on an annual basis, each time he or she is elected to the Board (or, if Directors are elected to serve terms longer than one year, as of the date of each Annual Meeting of Shareholders during that term). The number of shares of Restricted Stock awarded shall be equivalent to the result of \$25,000, divided by the Fair Market Value of a share of the Company's Common Stock on the Award Date, rounded to the nearest 100 shares. Notwithstanding the foregoing, the Annual Restricted Stock Award made to any Non-Employee Director elected or appointed to the Board at any time other than at the Annual Meeting of Shareholders shall be made on the date of such election or appointment, and shall be equivalent to the product of such result (before rounding) multiplied by a fraction whose numerator is the number of days between the date of election or appointment to the Board and the next Annual Meeting of Shareholders, and whose denominator is 365, which product shall be rounded to the nearest 100 shares.

6.4 LIMITATIONS. If any Annual Restricted Stock Award granted under this Plan would cause the number of shares of Restricted Stock issued pursuant to this Plan to exceed the maximum aggregate number permitted hereunder, as provided in Section 3 above, then each such automatic award shall be for that number of shares of Restricted Stock determined by dividing the total number of shares remaining available for issuance under

this Plan by the number of Non-Employee Directors eligible for grant of an Annual Restricted Stock Award on the Award Date. Thereafter, no further awards of Restricted Stock shall be made until such time, if any, as additional shares of Restricted Stock become available under this Plan through action of the shareholders to increase the number of shares of Restricted Stock that may be issued under this Plan or through forfeiture of shares previously awarded hereunder.

7. VESTING AND FORFEITURE.

- 7.1 VESTING. Shares of Restricted Stock awarded pursuant to an Annual Restricted Stock Award shall vest in full on the day prior to the date of the regular Annual Meeting of Shareholders next following such Annual Restricted Stock Award (the "VESTING DATE"), if the Non-Employee Director has attended at least 75% of the regularly scheduled meetings of the Board, in person or by telephone, during that period. If a Non-Employee Director does not attend at least 75% of the regularly scheduled meetings of the Board between the Award Date and Vesting Date, the shares of Restricted Stock awarded pursuant to that Annual Restricted Stock Award shall be forfeited without having vested.
- 7.2 TERMINATION OF STATUS AS A DIRECTOR. If a Director ceases to be a Non-Employee Director for any reason other than death or disability before his or her last Annual Restricted Stock Award vests, the shares of Restricted Stock awarded pursuant to that last Annual Restricted Stock Award shall be forfeited.
- 7.3 DISABILITY OF DIRECTOR. Notwithstanding Section 7.1 or Section -----
7.2 above, if a Non-Employee Director is unable to continue his or her ---
service as a Director as a result of his or her permanent and total disability (as defined in Section 22(e)(3) of the Code), unvested shares of Restricted Stock awarded pursuant to an Annual Restricted Stock Award to such Non-Employee Director shall become immediately vested.
- 7.4 DEATH OF DIRECTOR. In the event of the death of a Non-Employee Director, unvested shares of Restricted Stock awarded to such Non-Employee Director shall become vested as of the date of death. Non-Employee Directors may designate a beneficiary to whom shares of Restricted Stock under this Plan may be delivered on his or her death, subject to such forms, requirements and procedures as the Plan Administrator may establish.
- 7.5 EFFECT OF MERGER, SALE OF ASSETS, LIQUIDATION OR DISSOLUTION. In the event of a merger, consolidation or plan of exchange to which the Company is a party and in which the Company is not the survivor, or a sale of all or substantially all of the Company's assets, or a liquidation or dissolution of the Company, any unvested shares of Restricted Stock shall vest automatically upon the closing of such transaction or event.
- 7.6 CERTIFICATES. As soon as practicable after each Award Date, the Company shall instruct its stock transfer agent to issue and deliver to the Plan Administrator one or more certificates in the name of each recipient of an Annual Restricted Stock Award representing the shares of Restricted Stock awarded pursuant thereto on that Award Date. Each recipient of an Annual Restricted Stock Award shall deposit with the Plan Administrator or its designee blank stock powers, duly executed and otherwise in form satisfactory to the Plan Administrator, for such Non-Employee Director's certificate(s). Alternatively, the Plan Administrator may hold all shares of Restricted Stock by means of book-entry registration. The Plan Administrator shall hold any certificates representing unvested shares of Restricted Stock and the stock powers related thereto until the shares of Restricted Stock have been vested in accordance with this Section 7. Any certificates -----
representing Annual Restricted Stock Awards that fail to vest shall be

Edgar Filing: AMERICAN ECOLOGY CORP - Form PRE 14A

returned to the Company's stock transfer agent for cancellation, and the affected recipient of the award shall execute any documents reasonably necessary to facilitate the cancellation. Any

25

certificates representing vested shares of Restricted Stock shall be delivered to the relevant Non-Employee Director as soon as practicable after the shares vest. Any certificates representing shares of Restricted Stock held by the Plan Administrator for a Non-Employee Director who has died shall be delivered as soon as practicable to the decedent's beneficiary previously designated to the Plan Administrator in writing by such Non-Employee Director, or if no such designation exists, to his or her estate.

7.7 STATUS BEFORE VESTING.

(a) Each recipient of an Annual Restricted Stock Award shall be a shareholder of record with respect to all shares of Restricted Stock awarded, whether or not vested, and shall be entitled to all of the rights of such a holder, except that the share certificates for Annual Restricted Stock Awards shall be held by the Plan Administrator until delivered in accordance with Section

7.6.

(b) Any dividend checks or communications to shareholders received by the Plan Administrator with respect to a certificate held by the Plan Administrator shall promptly be transmitted to the Non-Employee Director whose name is on the certificate.

(c) No Non-Employee Director may transfer any interest in unvested shares of Restricted Stock to any person other than the Company.

8. EFFECT OF MERGER, CONSOLIDATION, REORGANIZATION, ETC. In the event of any merger, consolidation, reorganization, recapitalization, stock dividend, stock split or other change in the corporate structure or capitalization affecting the Company's present Common Stock, at the time of such event the Board or the Plan Administrator shall make appropriate adjustments to the number (including the aggregate number specified in Section 3) and kind of shares to be issued under this Plan.

9. SECURITIES REGULATIONS.

9.1 COMPLIANCE WITH APPLICABLE LAW. Shares of Restricted Stock shall not be issued under this Plan unless the issuance and delivery of such shares pursuant hereto shall comply with all relevant provisions of law, including, without limitation, any applicable state securities laws, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, applicable laws of foreign countries and other jurisdictions and the requirements of any quotation service or stock exchange on which the Company's Common Stock may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance, including the availability of an exemption from registration for the issuance and sale of any shares of Restricted Stock hereunder. The inability of the Company to obtain, from any regulatory body having jurisdiction, the authority deemed by the Company's counsel to be necessary for the

Edgar Filing: AMERICAN ECOLOGY CORP - Form PRE 14A

lawful issuance and sale of any shares of Restricted Stock hereunder or the unavailability of an exemption from registration for the issuance and sale of any shares of Restricted Stock hereunder shall relieve the Company of any liability with respect to the non-issuance or sale of such shares as to which such requisite authority shall not have been obtained.

- 9.2 INVESTMENT REPRESENTATIONS. In connection with the issuance of shares of Restricted Stock under the Plan, the Company may require recipients to represent and warrant at the time of issuance that the shares are being acquired only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any relevant provision of the aforementioned laws. The Company may place a stop-transfer order against any shares

26

of Restricted Stock on the official stock books and records of the Company, and a legend may be stamped on stock certificates to the effect that the shares may not be pledged, sold or otherwise transferred unless an opinion of counsel is provided (concurred in by counsel for the Company) stating that such transfer is not in violation of any applicable law or regulation. The Company also may require such other action or agreement by award recipients as may from time to time be necessary to comply with federal and state securities laws. NO PROVISION OF THIS PLAN SHALL OBLIGATE THE COMPANY TO UNDERTAKE REGISTRATION OF SHARES OF RESTRICTED STOCK ISSUED PURSUANT TO THIS PLAN.

10. AMENDMENT AND TERMINATION.

- 10.1 PLAN. Subject to applicable limitations set forth in Nasdaq rules, the Code or Rule 16b-3, the Board may at any time suspend, amend or terminate this Plan; provided, however, that the approval of the Company's shareholders is necessary within twelve (12) months before or after the adoption by the Board of Directors of any amendment that will:

- (a) increase the number of shares of Restricted Stock that are to be reserved for issuance under the Plan;
- (b) permit awards to a class of persons other than those now permitted to receive awards under the Plan; or
- (c) require shareholder approval under applicable law, including Section 16(b) of the Exchange Act.

- 10.2 LIMITATIONS. Notwithstanding the foregoing, the provisions set forth in Section 2, Section 5 and Section 6 of this Plan (and any

additional Sections of the Plan that affect terms required to be specified in the Plan by Rule 16b-3) shall not be amended more than once every six (6) months, other than to comport with changes in the Code, the Employee Retirement Income Security Act, or the rules thereunder.

- 10.3 AUTOMATIC TERMINATION. Unless sooner terminated by the Board, this Plan shall terminate ten (10) years from the date on which this Plan is first adopted by the Board. No award may be made after such termination or during any suspension of the Plan. The amendment or

Edgar Filing: AMERICAN ECOLOGY CORP - Form PRE 14A

termination of the Plan shall not, without the consent of any Non-Employee Director who then has unvested shares of Restricted Stock, alter or impair any rights or obligations with respect to such shares theretofore granted under this Plan.

11. MISCELLANEOUS.

11.1 STATUS AS A DIRECTOR. Nothing in this Plan or in any award granted pursuant to this Plan shall confer on any person any right to continue as a Director of the Company or to interfere in any way with the right of the Company to terminate his or her relationship with the Company at any time. In addition, nothing in this Plan shall create an obligation on the part of the Board to nominate any Non-Employee Director for re-election by the shareholders.

11.2 RESERVATION OF SHARES. The Company shall, during the term of the Plan, reserve and keep available such number of shares of Restricted Stock as shall be sufficient to satisfy the requirements of this Plan. Shares subject to awards under this Plan may either be authorized but unissued shares or previously issued shares that have been reacquired by the Company.

11.3 PLAN EXPENSES. Any expenses of administering this Plan shall be borne by the Company.

27

11.4 INDEMNIFICATION. In addition to such other rights of indemnification as they may have as members of the Board of Directors, the members of the Plan Administrator shall be indemnified by the Company against all costs and expenses reasonably incurred by them in connection with any action, suit or proceeding to which they or any of them may be a party by reason of any action taken or failure to act in connection with the adoption, administration, amendment or termination of this Plan, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company), or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except a judgment based upon a finding of bad faith; provided, that upon the institution of any such action, suit or proceeding, a member of the Plan Administrator shall, in writing, give the Company notice thereof and an opportunity, at its own expense, to handle and defend the same before such Plan Administrator member undertakes to handle and defend it on such member's own behalf.

11.5 WITHHOLDING TAXES. The Company may, at its discretion, require a Non-Employee Director to pay to the Company at the time of an Annual Restricted Stock Award under the Plan, the amount that the Company deems necessary to satisfy its obligation to withhold Federal, state or local income, FICA or other taxes incurred by the reason of such issuance. Upon or prior to the receipt of shares of Restricted Stock requiring tax withholding, a Non-Employee Director may make a written election to have shares of Restricted Stock withheld by the Company from the shares otherwise to be received. The number of shares so withheld shall have an aggregate Fair Market Value on the date of issuance sufficient to satisfy the applicable withholding taxes. The acceptance of any such election by a Non-Employee Director shall be at the sole discretion of the Plan Administrator.

11.6 GOVERNING LAW. This Plan and all determinations made and actions taken pursuant hereto shall be governed by the law of the State of

Edgar Filing: AMERICAN ECOLOGY CORP - Form PRE 14A

Delaware and construed accordingly.

11.7 NO ASSIGNMENT. The rights and benefits under this Plan may not be assigned except for the designation of a beneficiary as provided in Section 7.4.

11.8 AWARD AGREEMENTS. The Plan Administrator is authorized to establish forms of agreement between the Company and each Non-Employee Director to evidence awards under this Plan, and to require execution of such agreements as a condition to receipt of an award.

12. EFFECTIVE DATE AND TERM OF THE PLAN. This Plan shall become effective on the date on which it is approved by the Company's shareholders (the "EFFECTIVE DATE"). No award may be granted under this Plan to any Director of the Company until the Plan is approved by the shareholders, and any award of Restricted Stock made before such approval shall be conditioned on and is subject to such approval. This Plan shall remain in effect until the earlier of: (i) the date that no additional shares of Restricted Stock are available for issuance under the Plan; (ii) the date that the Plan has been terminated in accordance with Section 10; or (iii) the close of business on May 25,

2015. Upon the Plan becoming effective, this Plan shall supersede and replace the American Ecology Corporation Amended and Restated 1992 Outside Director Stock Option Plan (the "1992 STOCK OPTION PLAN"), and no further stock option awards shall be made under the 1992 Stock Option Plan. Upon the termination or expiration of this Plan as provided in this Section 12, no awards of Restricted Stock shall be

granted pursuant to the Plan, but any award theretofore granted may extend beyond such termination or expiration.

13. COMPLIANCE WITH SECTION 16 OF THE EXCHANGE ACT. It is the Company's intent that this Plan comply in all respects with Rule 16b-3. If any provision of this Plan is found not to be in compliance with such rule and regulations, the provisions shall be deemed null and void, and the remaining provisions of this Plan shall continue in full force and effect. All transactions under this

28

Plan shall be executed in accordance with the requirements of Section 16 of the Exchange Act and regulations promulgated thereunder. The Board may, in its sole discretion, modify the terms and conditions of this Plan in response to and consistent with any changes in applicable law, rule or regulation.
