CLEARLY, YOUR VOTE COULD BE CRITICAL TO ENABLE THE FUND TO HOLD THE MEETING AS SCHEDULED, SO PLEASE RETURN YOUR PROXY CARD OR OTHERWISE VOTE PROMPTLY. YOU AND ALL OTHER SHAREHOLDERS WILL BENEFIT FROM YOUR COOPERATION.

PROPOSAL 1. ELECTION OF TRUSTEES

The Board of Trustees of the Fund is divided into three classes with the term of office of one class expiring at the annual meeting of shareholders of the Fund each year. It is proposed that shareholders of the Fund consider the election of two Class II Trustees to serve for three-year terms and until their respective successors are duly elected and qualified. The individual nominees (the Nominees) proposed for election are listed below. Each Nominee currently serves as a Trustee of the Fund. Each Nominee was nominated by the Fund's nominating committee and has consented to being named in this proxy statement and has agreed to continue to serve as a Trustee if elected. Neither of the Nominees nor any of the Continuing Trustees are interested persons of the Fund, as defined in the Investment Company Act of 1940, as amended (the 1940 Act).

The persons named as proxies on the accompanying proxy card intend to vote each such proxy for the election of the Nominees, unless shareholders specifically indicate on their proxies the desire to withhold authority to vote for elections to office. It is not contemplated that any Nominee will be unable to serve as a Trustee for any reason, but if that should occur prior to the meeting, the proxyholders reserve the right to substitute another person or persons of their choice as nominee or nominees. The address of each Nominee is 200 Park Avenue, New York, New York 10166.

Board Oversight Role in Management. As independent trustees of an investment company, the role of the Board of Trustees in management of the Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Fund, primarily the Investment Adviser and its affiliates, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board, acting at its scheduled meetings, or the Chairman, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including the Investment

Adviser's Chief Investment Officer (or a senior representative of his office), the Fund's and the Investment Adviser's Chief Compliance Officer and portfolio management personnel. The Board's audit committee (which consists of all Trustees) meets during its scheduled meetings, and between meetings the audit committee chair maintains contact, with the Fund's independent registered public accounting firm and the Fund's Chief Financial Officer. The Board also receives periodic presentations from senior personnel of the Investment Adviser or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas, such as business continuity, anti-money laundering, personal trading, valuation, credit, investment research and securities lending. The Board has adopted policies and procedures designed to address certain risks to the Fund. In addition, the Investment Adviser and other service providers to the Fund have adopted a variety of policies, procedures and controls designed to address particular risks to the Fund. Different processes, procedures and controls are employed with respect to different types of risks. However, it is not possible to eliminate all of the risks applicable to the Fund. The Board also receives reports from counsel to the Fund or counsel to the Investment Adviser and the Board's own independent legal counsel regarding regulatory compliance and governance matters. The Board's oversight role does not make the Board a guarantor of the Company's investments or activities.

Board Composition and Leadership Structure. The 1940 Act requires that at least 40% of the Fund's Trustees not be interested persons (as defined in the 1940 Act) of the Fund and as such are not affiliated with the Investment Adviser (Independent Trustees). To rely on certain exemptive rules under the 1940 Act, a majority of the Fund's Trustees must be Independent Trustees, and for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Trustees. Currently, all of the Fund's Trustees, including the Chairman of the Board, are Independent Trustees, although the Board could in the future determine to add Trustees who are not Independent Trustees. The Board has determined that its leadership structure, in which the Chairman of the Board is not affiliated with the Investment Adviser, is appropriate in light of the services that the Investment Adviser and its affiliates provide to the Fund and potential conflicts of interest that could arise from these relationships.

Specific information about the experience, qualifications, attributes or skills of the Fund's Trustees not standing for election at the meeting (the Continuing Trustees), information on each Continuing Trustee's ownership of Fund shares, and other relevant information is set forth on Exhibit A.

Each Nominee has been a Trustee of the Fund and other Dreyfus mutual funds for at least 10 years. Additional information about each Nominee follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Nominee possesses which the Board believes has prepared them to be effective Trustees (specific information for Continuing Trustees is set forth on Exhibit A). The Board believes that the significance of each Trustee's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Trustee may not have the same value for another) and that these factors are best evaluated at the board level, with no single Trustee, or particular factor, being indicative of board effectiveness. However, the Board believes that Trustees need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a Trustee's educational background; business, professional training or practice (*e.g.*, medicine, accounting or law), public service or academic positions; experience from service as a Trustee (including the Board of the Fund) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. To assist them in evaluating matters under federal and state law, the Trustees are counseled by their own independent legal counsel, who participates in Board meetings and interacts with the Investment Adviser, and also may benefit from information provided by the Fund's or the Investment Adviser's counsel; both Board and Fund counsel have significant experience advising funds and fund Trustees. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

James M. Fitzgibbons In addition to his tenure as a Trustee of various Dreyfus mutual funds, or their predecessor funds, Mr. Fitzgibbons has also served as an officer or a Trustee of numerous public and private companies for over 40 years. These positions included serving as Chairman of the Board of Davidson Cotton Company and as Chairman of the Board of Fieldcrest Cannon, Inc., a publicly traded diversified textile company. He also has served as President of the American Textile Manufacturers Institute (the domestic industry's trade association) and Chairman of the Board of the Tanners' Council of America (the U.S. leather manufacturing trade group). He has been a Trustee of Fiduciary Trust Company of Boston and of Brookline Savings Bank and a Trustee of significant charitable and non-profit organizations.

Roslyn M. Watson In addition to her tenure as a Trustee of various Dreyfus mutual funds, or their predecessor funds, Ms. Watson has been a business entrepreneur in commercial and residential real estate for over 15 years. Ms. Watson currently serves as President and Founder of Watson Ventures, Inc. a real estate development investment firm, and her current board memberships include American Express Bank, FSB,

Edgar Filing: DREYFUS HIGH YIELD STRATEGIES FUND - Form DEF 14A

SBLI USA Mutual Life Insurance Company, Inc., The Hyams Foundation, Inc., Pathfinder International and Simmons College. Previously, she held various positions in the public and private sectors, including General Manager for the Massachusetts Port Authority. She has received numerous awards, including the Woman of Achievement award from the Boston Big Sister Association and the Working Woman of the Year Award from Working Woman Magazine.

Evaluation of Potential Nominees/Diversity. In addition to the general experience, qualifications, attributes or skills described above, the Fund's Nominating Committee (see Fund Board Committees below) may consider whether a potential nominee's professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations. The Fund's Nominating Committee Charter (the Nominating Committee Charter), attached as Exhibit B to this proxy statement, contains certain other factors considered by the Committee in identifying and evaluating potential Trustee nominees (including any nominees recommended by shareholders as provided in the Nominating Committee Charter).

Nominees' Ownership of Fund Shares. The table below indicates the dollar range of each Nominee's ownership of Fund shares and shares of other funds in the Dreyfus Family of Funds for which he or she is a Trustee, in each case as of December 31, 2009.

Name of Nominee	Fund Shares	Aggregate Holdings of Funds in the Dreyfus Family of Funds for which Responsible as a Trustee
James M. Fitzgibbons	None	Over \$100,000
Roslyn M. Watson	None	\$10,001 - \$50,000

As of December 31, 2009, neither of the Nominees nor their immediate family members owned securities of Dreyfus or any person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with Dreyfus.

Fund Board Committees. The Fund has a standing audit committee comprised of all of the Independent Trustees. The function of the audit committee is (1) to oversee the Fund's accounting and financial reporting processes and the audits of the Fund's financial statements and (2) to assist in the Board of Trustees' oversight of the integrity of the Fund's financial statements, the Fund's compliance with legal and regulatory requirements and the qualifications, independence and performance of the Fund's independent registered public accounting firm. A copy of the Fund's Audit Committee Charter, which describes the audit committee's purposes, duties and responsibilities, is available at www.dreyfus.com in the Individual Investors' section. The Fund also has a standing nominating committee comprised of all of the Independent Trustees. The Fund's nominating committee is responsible for selecting and nominating persons as members of the Board of Trustees for election or appointment by the Board and for election by shareholders. Each nominating committee member is independent as defined by the New York Stock Exchange. A copy of the Fund's Nominating Committee Charter is not available on the Fund's or Dreyfus' website, but is attached as Exhibit B to this proxy statement. The committee will consider recommendations for nominees from shareholders submitted to the Secretary of the Fund, c/o The Dreyfus Corporation Legal Department, 200 Park Avenue, 8th Floor East, New York, New York 10166, and including information regarding the recommended nominee as specified in the Nominating Committee Charter. The Fund also has a standing pricing committee comprised of any one or more of the Trustees, the function of which is to assist in valuing the Fund's investments. The Fund also has a standing compensation committee comprised of Ms. Roslyn M. Watson (Chair), Mr. James M. Fitzgibbons and Ms. Benaree Pratt Wiley. The function of the compensation committee is to establish the appropriate compensation for serving on the Board.

For the fiscal year ended March 31, 2010, the Fund held seven Board meetings, five audit committee meetings, one nominating committee meeting and one compensation committee meeting. The pricing committee did not meet during the last fiscal year. Each Trustee (except Kenneth A. Himmel) attended at least 75% of all Board and committee meetings (of which the Trustee was a member) held during the last fiscal year. The Fund does not have a formal policy regarding Trustees' attendance at annual meetings of shareholders. Trustees did not attend last year's annual meeting.

Compensation. Prior to January 1, 2010, each Independent Trustee received \$15,000 per year, plus \$1,000 for each Board meeting attended, and \$2,000 for separate in-person committee meetings attended which were not held in conjunction with a regularly scheduled Board meeting and \$500 for Board meetings and separate committee meetings attended that are conducted by telephone. The Fund also reimbursed each

Independent Trustee for travel and out-of-pocket expenses. With respect to compensation committee meetings, the Chair of the compensation committee received \$100 per meeting. In the event that there was an in-person joint committee meeting of the Boards of The Dreyfus/Laurel Funds, Inc., The Dreyfus/Laurel Tax-Free Municipal Funds, The Dreyfus/Laurel Funds Trust, Dreyfus Investment Funds and Dreyfus Funds, Inc. (collectively, the Board Group Open-End Funds) and the Fund, the \$2,000 fee was allocated among the Board Group Open-End Funds and the Fund. In the event that there was a joint telephone Board and/or committee meeting of the Board Group Open-End Funds and the Fund, each Independent Trustee attending received \$150 from the Fund.

Effective January 1, 2010, each Independent Trustee receives \$15,000 per year, plus \$1,000 for each Board meeting attended, and \$2,500 for separate in-person committee meetings attended which are not held in conjunction with a regularly scheduled Board meeting and \$1,000 for Board meetings and separate committee meetings attended that are conducted by telephone. The Fund also reimburses each Independent Trustee for travel and out-of-pocket expenses. With respect to

compensation committee meetings, the Chair of the compensation committee receives \$150 per meeting. In the event that there is an in-person joint committee meeting of the Board Group Open-End Funds and the Fund, the \$2,500 fee will be allocated among the Board Group Open-End Funds and the Fund. In the event that there is a joint telephone Board and/or committee meeting of the Board Group Open-End Funds and the Fund, each Independent Trustee attending receives \$250 from the Fund.

The Fund does not have a bonus, pension, profit-sharing or retirement plan. The Fund has adopted a Director Emeritus Program whereby a Trustee (Director) who has served on a Dreyfus-managed fund board (or its predecessor) for a minimum of 10 years and who has reached age 72 is entitled to elect Emeritus status for each such fund board on which he or she then serves. Upon reaching age 80, Emeritus status is mandatory. The 10-year prerequisite for service as a fund Director is waived for a Director who reaches age 80 but has not served as a Director for 10 years. Directors Emeritus are entitled to serve in such position for a maximum of 10 years and receive an annual retainer of one-half the amount paid as a retainer at the time the Director became Emeritus and a per meeting attended fee of one-half the amount paid to Directors. A Director Emeritus is relieved of the formal responsibilities and the potential liability that being a Director ordinarily entails. J. Tomlinson Fort currently serves as Director Emeritus.

The aggregate amount of compensation paid to each Nominee by the Fund for the fiscal year ended March 31, 2010, and by all funds in the Dreyfus Family of Funds for which such Nominee was a Trustee, for the year ended December 31, 2009, was

as follows:

Name of Nominee	Aggregate Compensation from the Fund(*)	Total Compensation from the Fund and Dreyfus Fund Complex Paid to Nominee (**)
James M. Fitzgibbons	\$22,000	\$94,500 (42)
Roslyn M. Watson	\$21,000	\$102,000 (42)

* Amount does not include the cost of office space, secretarial services and health benefits for the Chairman and expenses reimbursed to Trustees for attending Board meetings, which in the aggregate amounted to \$2,940.

** Represents the number of separate portfolios comprising the investment companies in the fund complex, including the Fund, for which the Nominee served as a Trustee.

For the Fund's most recent fiscal year, the aggregate amount of compensation paid by the Fund to each Continuing Trustee who is not a Nominee, and the aggregate amount of compensation paid by all funds in the Dreyfus Family of Funds for which such person was a Trustee for the year ended December 31, 2009, is set forth on Exhibit A. Certain other information concerning the Fund's Trustees and officers also is set forth on Exhibit A.

Required Vote

The election of a Nominee requires the approval of a majority of shares of the Fund represented in person or by proxy and entitled to vote at the meeting, if a quorum is present.

ADDITIONAL INFORMATION**Selection of Independent Registered Public Accounting Firm**

The 1940 Act requires that the Fund's independent registered public accounting firm be selected by a majority of the Independent Trustees. The audit committee has direct responsibility for the appointment, compensation, retention and oversight of the Fund's independent registered public accountants. At a meeting held on April 28, 2010, the Fund's audit committee recommended, and at a meeting held on April 28 and 29, 2010 the Fund's Board, including a majority of the Independent Trustees, ratified and approved the selection of KPMG LLP as independent registered public accountants for the fiscal year ending March 31, 2011. KPMG LLP, a major international accounting firm, has acted as independent registered public accountants of the Fund

5

since the Fund's organization. At a meeting held on May 25, 2010, after reviewing the Fund's audited financial statements for the fiscal year ended March 31, 2010, the Fund's audit committee recommended to the Fund's Board (and the Board has approved) that such statements be included in the Fund's Annual Report to Shareholders. A copy of the audit committee's report for the Fund is attached as Exhibit C to this proxy statement.

Independent Registered Public Accountant Fees and Services

The following chart reflects fees to KPMG LLP in the Fund's last two fiscal years. For Service Affiliates (i.e., Dreyfus and any entity controlling, controlled by or under common control with Dreyfus that provides ongoing services to the Fund), such fees represent only those fees that require pre-approval by the audit committee. All services provided by KPMG LLP were pre-approved as required, and no services were approved by the audit committee pursuant to paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X.

	Fund1	Service Affiliates1
Audit Fees	\$87,070/\$87,070	N/A
Audited-Related Fees2	\$22,419/\$22,670	\$0/\$0
Tax Fees3	\$2,350/\$2,350	\$0/\$0
All Other Fees	\$0/\$0	\$0/\$0
Aggregate Non-Audit Fees4	N/A	\$4,864,625/\$2,106,220

¹ For the Fund's fiscal years ended March 31, 2009/March 31, 2010.

² Services to the Fund consisted of security counts required by Rule 17f-2 under the 1940 Act and agreed-upon procedures related to the Fund's credit facility.

³ Services to the Fund consisted of review or preparation of U.S. federal, state, local and excise tax returns. ⁴ Aggregate non-audit fees billed by KPMG LLP for services to the Fund and Service Affiliates.

None of the hours expended on KPMG's engagement to audit the Fund's financial statements for the most recent fiscal year were attributed to work performed by persons other than KPMG's full-time, permanent employees.

Audit Committee Pre-Approval Policies and Procedures. The Fund's audit committee has established policies and procedures (the Policy) for pre-approval (within specified fee limits) of KPMG LLP's engagements for non-audit services to the Fund and Service Affiliates without specific case-by-case consideration. The pre-approved services in the Policy can include pre-approved audit services, pre-approved audit-related services, pre-approved tax services and pre-approved all other services. Pre-approval considerations include whether the proposed services are compatible with maintaining KPMG LLP's independence. The Policy and services covered therein are considered annually. In addition, proposed services requiring pre-approval but not covered by the Policy are considered from time to time as necessary.

Registered Public Accounting Firm Independence. The Fund's audit committee has considered whether the provision of non-audit services that were rendered to Service Affiliates which did not require pre-approval are compatible with maintaining KPMG LLP's independence.

Edgar Filing: DREYFUS HIGH YIELD STRATEGIES FUND - Form DEF 14A

A representative of KPMG LLP is expected to be present at the meeting, will have the opportunity to make a statement, and will be available to respond to appropriate questions.

In addition to the use of the mails, proxies may be solicited personally or by telephone, and the Fund may pay persons holding shares of the Fund in their names or those of their nominees for their expenses in sending soliciting materials to their principals. Authorizations to execute proxies may be obtained by telephonic or electronically transmitted instructions in accordance with procedures designed to authenticate the shareholder's identity. In all cases where a telephonic proxy is solicited, the shareholder will be asked to provide or confirm certain identifiable information and to confirm that the shareholder has received the Fund's proxy statement and proxy card in the mail. Within 72 hours of receiving a shareholder's solicited telephonic voting instructions, a confirmation will be sent to the shareholder to ensure that the vote has been taken in accordance with the shareholder's instructions and to provide a telephone number to call immediately if the shareholder's instructions are not correctly reflected in the confirmation. Shares represented by executed and unrevoked proxies will be voted in accordance with the specifications made thereon, and if no voting instructions are given, shares will be voted FOR the proposals.

If a proxy is properly executed and returned accompanied by instructions to withhold authority to vote, represents a broker non-vote (that is, a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares of the Fund on a particular matter with respect to which the broker or nominee does not have discretionary power), or marked with an abstention (collectively, abstentions), the Fund's shares represented thereby will be considered to be present at the meeting for purposes of determining the existence of a quorum for the transaction of business. Under Massachusetts law, abstentions do not constitute a vote for or against a matter and will be disregarded in determining votes cast on an issue. A quorum is constituted by the presence in person or by proxy of the holders of a majority of the shares of beneficial interest issued and outstanding and entitled to vote at the meeting.

OTHER MATTERS

The Fund's Board is not aware of any other matter which may come before the meeting. However, should a matter properly come before the meeting, it is the intention of the persons named in the accompanying form of proxy to vote the proxy in accordance with their judgment on such matter.

EXHIBIT B

THE DREYFUS FAMILY OF FUNDS

Nominating Committee Charter and Procedures

ORGANIZATION

The Nominating Committee (the **Committee**) of each fund in the Dreyfus Family of Funds (each, the **Fund**) shall be composed solely of Directors/Trustees (**Directors**) who are not interested persons of the Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the **1940 Act**) (**Independent Directors**). The Board of Directors of the Fund (the **Board**) shall select the members of the Committee and shall designate the Chairperson of the Committee.

RESPONSIBILITIES

The Committee shall select and nominate persons for election or appointment by the Board as Directors of the Fund.

EVALUATION OF POTENTIAL NOMINEES

The Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. In evaluating potential Director nominees (including any nominees recommended by shareholders as provided below) in light of this standard, and to address certain legal and other requirements and considerations associated with composition of the Board, the Committee shall consider, among other factors it may deem relevant:

- the character and integrity of the person;
- whether or not the person is qualified under applicable laws and regulations to serve as a Director of the Fund;
- whether or not the person has any relationships that might impair his or her service on the Board;
- whether nomination of the person would be consistent with Fund policy and applicable laws and regulations regarding the number and percentage of Independent Directors on the Board;
- whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related fund complexes;
- whether or not the person is willing to serve and is willing and able to commit the time necessary for the performance of the duties and responsibilities of a Director of the Fund; and
- the educational background; business, professional training or practice (e.g., medicine, accounting or law), public service or academic positions; experience from service as a board member (including the Board) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences.

In addition, the Committee may consider whether a potential nominee's professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations.

While the Committee is solely responsible for the selection and nomination of Directors, the Committee may consider nominees recommended by Fund shareholders. The Committee will consider recommendations for nominees from shareholders sent to the Secretary of the Fund, c/o The Dreyfus Corporation Legal Department, 200 Park Avenue, 8th Floor East, New York, New York 10166. A nomination submission must include all information relating to the recommended nominee that is required to be disclosed in solicitations or proxy statements for the election of Directors, as well as information sufficient to evaluate the factors listed above. Nomination submissions must be accompanied by a written consent of the individual to stand for election if nominated by the Board and to serve if elected by the shareholders, and such additional information must be provided regarding the recommended nominee as reasonably requested by the Committee.

NOMINATION OF DIRECTORS

After a determination by the Committee that a person should be selected and nominated as a Director of the Fund, the Committee shall present its recommendation to the full Board for its consideration.

REVIEW OF CHARTER AND PROCEDURES

The Committee shall review the charter and procedures from time to time, as it considers appropriate.

EXHIBIT C

Dreyfus High Yield Strategies Fund

May 25, 2010

REPORT OF THE AUDIT COMMITTEE

The audit committee oversees the Fund's financial reporting process on behalf of the Board of Trustees. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed the audited financial statements in the Annual Report with management.

The committee reviewed with the independent registered public accounting firm, that is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Fund's accounting principles and such other matters as are required to be discussed with the committee under the standards of the Public Company Accounting Oversight Board (United States) (PCAOB). In addition, the committee has discussed with the independent registered public accountants the registered public accountants' independence from management and the Fund, including the registered public accountants' letter and the matters in the written disclosures required by the PCAOB, and considered the compatibility of non-audit services with the registered public accountants' independence.

The committee discussed with the Fund's independent registered public accountants the overall scope and plans for the audits. The committee met with the independent registered public accountants, with and without management present, to discuss the results of their audits, their evaluations of the Fund's internal controls, and the overall quality of the Fund's financial reporting.

In reliance on the reviews and discussions referred to above, the committee recommended to the Board of Trustees (and the Board has approved) that the audited financial statements be included in the Annual Report to Shareholders for the year ended March 31, 2010. The committee and the Board also have approved the selection of KPMG LLP as the Fund's independent registered public accountants.
