PART III -- NARRATIVE

State below in reasonable detail the reasons why the Form 10-K could not be filed within the prescribed time period.

The Administrative Office is responsible for the preparation and filing of Year end reports for 15 other Corporations. Thirteen (13) of these corporations were required to be filed via EDGAR for the first time this year end, all on the same due date. The preparation of this large number of reports for EDGAR filing has created administrative difficulties for the accounting and legal staff of the administrative office to prepare and file all of these reports via EDGAR simultaneously.
