**Item 4.02 (a). Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

In June 2005, as reported on the Company's 10-Q filings for the periods ended June 30, 2005 and September 30, 2005, the Company had billed one of its customers \$304 thousand for minimum contract billing amounts due in respect to the period August 2004 through April 2005. As the Company was not previously able to determine if the \$304 thousand that was invoiced to the customer during June 2005 was going to be paid or was collectible, the Company had not previously recognized the \$304 thousand as revenue. On December 15, 2005 the Company collected \$304 thousand from this customer in respect to these minimum contract billings, and as previously disclosed as noted above, will be recording this revenue in the period earned. The Company has discussed this matter with its Audit Committee and independent accountant.

As a result the Company has determined that the previously filed financial statements included in its Registration Statement S-1/A and its Quarterly Reports on Form 10-Q for the periods ended March 31, 2005, June 30, 2005, and September 30, 2005, as well as its earnings releases for these periods should not be relied upon. The Company will restate its financial statements for the year ended December 31, 2004 on Form 8-K/A and its quarterly reports on Form 10-Q for the periods March 31, 2005, June 30, 2005 and September 30, 2005 as soon as practical.
