DEREGISTRATION OF SECURITIES

The Registration Statement on Form S-8 (Registration No. 333-146553) (the "Registration Statement") of NAVTEQ Corporation, a Delaware corporation ("NAVTEQ"), pertaining to the registration of deferred compensation obligations (as such amounts may have adjusted for any stock split, stock dividend, spin-off, combination or exchange of shares, recapitalization, merger, consolidation, distribution to stockholder other than a normal cash dividend, or similar adjustment) of NAVTEQ, to which this Post-Effective Amendment No. 1 relates, was originally filed by NAVTEQ with the Securities and Exchange Commission on October 5, 2007.

On October 1, 2007, NAVTEQ entered into an Agreement and Plan of Merger ("Merger Agreement") with Nokia Inc., a Delaware corporation ("Parent"), North Acquisition Corp., a Delaware corporation and a wholly-owned subsidiary of Parent and, for certain purposes set forth in the Merger Agreement, Nokia Corporation, a corporation organized and existing under the laws of the Republic of Finland. The Merger Agreement was adopted and approved by NAVTEQ stockholders at a special meeting on December 12, 2007.

The parties have filed a Certificate of Merger with the Secretary of State of the State of Delaware pertaining to the merger contemplated by the Merger Agreement and the merger became effective as of 7:45 a.m. on July 10, 2008 (the "Effective Time"). At the Effective Time, NAVTEQ stockholders are entitled to receive \$78.00 in cash without interest and less any applicable withholding taxes, for each share of common stock they owned immediately prior to the effective time of the merger.

As a result of the merger, NAVTEQ has terminated all offerings of its securities (including any deferred obligations) pursuant to its existing registration statements under the Securities Act of 1933, as amended, including the Registration Statement. In accordance with an undertaking made by NAVTEQ in the Registration Statement to remove from registration, by means of a post-effective amendment, any securities which remain unsold at the termination of the offering, NAVTEQ hereby removes from registration all securities (including deferred obligations) registered under the Registration Statement which remained unsold or unpaid as of the Effective Time.
