## Edgar Filing: REGIS CORP - Form 8-K

### Regis Corporation Current Report on Form 8-K

#### ITEM 5.02 DEPARTURE OF DIRECTORS OF CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.

On December 31, 2008, Regis Corporation (the Company) entered into amended and restated versions of employment agreements with certain of the Company's executive officers. The principal changes to the agreements were made to ensure that the benefits provided under the agreements would comply with, or fall outside the coverage of, the requirements of Internal Revenue Code Section 409A (Section 409A). In addition to certain technical, administrative or clarifying changes, the following changes were made to the employment agreements:

- Provide for payment of retirement benefit as a lump sum upon termination of employment equal to the present value of the monthly retirement benefit payments to replace former right to monthly payments for life.
- Provide for lump sum payment of any and all annual life insurance premiums (plus tax gross-up payment) owed but unpaid at termination of employment.

In addition to the changes required by Section 409A, the definition of change in control in the agreements was modified to conform the definition to more current standards. The primary changes to the definition include adding acquisition of beneficial ownership of 20% or more of voting securities as a change in control trigger (in addition to the trigger upon acquisition of 20% or more of common stock), revising the triggering event for a merger, consolidation or sale of assets to require consummation of the transaction instead of shareholder approval of the transaction, and including a statutory share exchange as a structure that may trigger a change in control.

The foregoing amendments to the agreements were previously approved by the Compensation Committee of the Company's Board of Directors. The executive officers receiving amended agreements include the following executive officers who were named in the Summary Compensation Table of the Company's proxy statement for its 2008 Annual Meeting of Shareholders: Paul D. Finkelstein, Chairman of the Board, President and Chief Executive Officer; Randy L. Pearce, Senior Executive Vice President, Chief Financial and Administrative Officer, Gordon Nelson, Executive Vice President, Fashion, Education and Marketing; and Mark Kartarik, Executive Vice President, Regis Corporation and President, Franchise Division.

In addition to the changes made to agreements with the Company's current executive officers described above, changes were also made to the agreement with Myron Kunin, the former Vice Chairman of the Company. Mr. Kunin's agreement was amended to modify the change in control definition in the same way as the change made to the agreements with the Company's executives, except that, for purposes of the lump-sum payment of the retirement benefit to Mr. Kunin, a change in control occurs only if the event also is a change in control under Section 409A.
