Item 1.01 Entry into a Material Definitive Agreement.

Merger Agreement

On December 5, 2016, Synchronoss Technologies, Inc., a Delaware corporation (*Parent*), GL Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Parent (*Merger Sub*), and Intralinks Holdings, Inc., a Delaware corporation (*Intralinks*) entered into an Agreement and Plan of Merger (the *Merger Agreement*). The Merger Agreement provides that, upon the terms and subject to the conditions of the Merger Agreement, Merger Sub will commence a cash tender offer (the *Offer*) to purchase all of the outstanding shares (the *Shares*) of Intralinks common stock, \$0.001 par value, at a price of \$13.00 per share (the *Offer Price*), without interest and subject to any required withholding taxes. The Offer is expected to be completed in the first quarter of 2017.

Consummation of the Offer is subject to various conditions set forth in the Merger Agreement, including, but not limited to (i) at least a majority of shares of Intralinks common stock then outstanding being validly tendered into, and not withdrawn from, the Offer, (ii) the receipt of required approvals, waivers and consents, and (iii) other conditions set forth in Exhibit A to the Merger Agreement.

The Offer will expire at one minute after 11:59 P.M., New York City time, at the end of the 20th business day (calculated in accordance with the rules of the Securities Exchange Act of 1934) following the commencement date of the Offer unless extended in accordance with the terms of the Offer and the Merger Agreement and the applicable rules and regulations of the United States Securities and Exchange Commission (the *SEC*).

Following consummation of the Offer, Merger Sub will merge with and into Intralinks with Intralinks surviving as a wholly-owned subsidiary of Parent (the *Merger*). Pursuant to the terms of the Merger, each outstanding Share that is not validly tendered and accepted pursuant to the Offer (other than the Shares held in the treasury of Intralinks, Shares held directly or indirectly by Parent or its subsidiaries, and Shares as to which appraisal rights have been perfected in accordance with applicable law) will be cancelled and converted into the right to receive the Offer Price, on the terms and conditions set forth in the Merger Agreement.

The Merger Agreement provides that the Merger will be governed by Section 251(h) of the Delaware General Corporation Law (the *DGCL*) and shall be effected by Merger Sub and Intralinks as soon as practicable following the consummation of the Offer without a stockholders meeting pursuant to the DGCL.

Parent intends to fund the acquisition with cash on hand, including proceeds from the Divestiture described below in Item 2.01 of this Current Report on Form 8-K, and up to \$900 million under a new term loan facility. On December 5, 2016, Parent entered into a commitment letter (the *Commitment Letter*) with Goldman Sachs Bank USA, Credit Suisse AG and Credit Suisse Securities (USA) LLC (the *Lenders*), pursuant to which, subject to the terms and conditions set forth therein, the Lenders have committed to provide a \$900 million term loan, the proceeds of which may be used for the payment of the Offer Price contemplated by, and the payment of fees and expenses incurred in connection with, the Merger Agreement and the Offer. The commitment to provide the financing is subject to certain conditions, including the negotiation of definitive documentation and other customary closing conditions consistent with the Merger Agreement and Commitment Letter. The definitive agreement for the term loan facility will contain, among other terms, affirmative covenants, negative covenants, financial covenants and events of default, in each case to be negotiated by the parties consistent with the Commitment Letter. Parent will pay customary fees and expenses in connection with obtaining the term loan facility. The foregoing description of the Commitment Letter does not purport to be complete and is qualified in its entirety by reference to the Commitment Letter, which is filed as Exhibit 10.1 hereto and is incorporated herein by this reference.

Edgar Filing: SYNCHRONOSS TECHNOLOGIES INC - Form 8-K

The Merger Agreement contains customary representations and warranties by Parent, Merger Sub and Intralinks. The Merger Agreement also contains customary covenants and agreements, including with respect to the operations of the business of Intralinks and its subsidiaries between signing and closing, restrictions on responses by Intralinks with respect to alternative transactions, governmental filings and approvals and other matters.

The Merger Agreement generally prohibits Intralinks' solicitation of proposals relating to alternative business combination transactions and restricts Intralinks' ability to furnish non-public information to, or participate in any discussions or negotiations with, any third party with respect to any such transaction, subject to certain limited exceptions.

The Merger Agreement contains termination rights for each of Parent, Merger Sub and Intralinks. The Merger Agreement

further provides that upon termination of the Merger Agreement under specified circumstances (i) Intralinks may be required to pay Parent a termination fee of \$24.6 million and (ii) Parent may be required to pay Intralinks a termination fee of \$49.2 million.

A copy of the Merger Agreement is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about Parent, Merger Sub or Intralinks. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential disclosure schedules provided by the parties thereto in connection with the signing of the Merger Agreement. These disclosure schedules include information that modifies, qualifies and creates exceptions to the representations, warranties and covenants set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between Parent, Merger Sub and Intralinks, rather than establishing matters of fact. Accordingly, the representations and warranties in the Merger Agreement may not constitute the actual state of facts about Parent, Merger Sub or Intralinks.

Tender and Support Agreements

Concurrently with the execution of the Merger Agreement, Intralinks' Chief Executive Officer and certain greater than 10% holders of the Company's common stock entered into Tender and Support Agreements with Parent and Merger Sub (the "Tender and Support Agreements"), which provide, among other things, that such persons will tender their Shares in the Offer. The Tender and Support Agreements will terminate upon termination of the Merger Agreement and certain other specified events.

The foregoing description of the Tender and Support Agreements does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the form of Tender and Support Agreement, which is attached as Exhibit 99.1 hereto and incorporated herein by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On December 5, 2016, Parent entered into a purchase and sale and amended and restated operating agreement (the "Operating Agreement") by and among Sequential Technology International, LLC ("STI"), Parent and Sequential Technology International Holdings, LLC ("Sequential") pursuant to which Parent sold a 70% interest (the "Divestiture") in STI to Sequential in return for a cash payment of \$146 million to Parent. Parent previously formed STI and contributed certain of its activation business assets to STI in return for its initial membership interest in STI. As part of the transactions contemplated by the Divestiture, Parent issued a promissory note to Sequential, which is secured by Sequential's interest in STI. In addition, Parent is retaining a 30% interest in STI. Pursuant to the terms of the Operating Agreement, Parent has certain put rights whereby Sequential would be required to purchase Parent's interest in STI in certain circumstances and Sequential has a corresponding call right where Sequential would be required to purchase Parent's interest in STI in certain circumstances.

Item 7.01 Regulation FD Disclosure.
