Materials provided

Edgar Filing: Primoris Services Corp - Form DEF 14A

The Board sent you this Proxy Statement and the enclosed proxy card in order to solicit your proxy to vote your shares at the Annual Meeting. As a stockholder, you are invited to attend the meeting and are entitled to vote on the items of business described in this Proxy Statement.

Annual Meeting attendance

All stockholders as of April 6, 2017 (the Record Date), or their duly appointed proxies, may attend the Annual Meeting. You may need to bring personal identification. Gaining admission to the Annual Meeting depends on how your stock ownership is recorded with our transfer agent, Continental Stock Transfer & Trust Company (the Transfer Agent). If your stock is held in the name of a bank, broker or other holder of record and you plan to attend the Annual Meeting, please obtain proof of ownership, such as a current brokerage account statement or certification from your broker. If your stock is registered directly in your name with our Transfer Agent, all you need is proof of identity; no proof of ownership is needed.

Voting at the Annual Meeting

Holders of our common stock (Common Stock) as of the close of business on the Record Date will be entitled to vote at the Annual Meeting. On the Record Date, there were 51,437,305 shares of Common Stock outstanding, each of which is entitled to one vote with respect to each matter to be voted on at the Annual Meeting. There is no stockholder statutory right of appraisal or dissent with respect to any matters to be voted on at the Annual Meeting.

Quorum requirement

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the voting power of all outstanding shares of Common Stock entitled to vote shall constitute a quorum for the transaction of business. Proxies marked as

Table of Contents

abstaining (including proxies containing broker non-votes) on any matter to be acted upon by stockholders will be treated as present at the meeting for purposes of determining a quorum but will not be counted as votes cast on such matters.

Stockholder of record & beneficial owner

All stockholders are invited to attend the Annual Meeting. All shares that have been properly voted and not revoked will be voted at the Annual Meeting. Most of our stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with the Transfer Agent, you are considered the stockholder of record, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. We have enclosed a proxy card for you to use.

Voting in person at the Annual Meeting You may vote in person at the Annual Meeting. If you choose to do so, please bring the enclosed proxy card and proof of identification. Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

Voting without attending the Annual Meeting Please complete and properly sign and date the accompanying proxy card and return it to the Transfer Agent in the accompanying pre-addressed envelope.

Changing your vote after returning your proxy card You can revoke your proxy before it is exercised by:

- delivering written notice of revocation of the proxy to our Secretary prior to the Annual Meeting; or
- executing and delivering a later dated proxy card to our Secretary; or
- attending and voting by ballot in person at the Annual Meeting.

Beneficial Owner of Shares

If your shares are held in a stock brokerage account, by a bank or other nominee, you are considered the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct the stockholder of record how to vote your shares. Your broker, bank or nominee has enclosed a voting instruction card for your use.

Voting without attending the Annual Meeting Please follow the instructions provided by your broker, bank or nominee. You may vote by mail by completing, signing and dating the voting instruction cards provided by your broker, bank or nominee and mailing them to such entities in the accompanying pre-addressed envelopes.

Changing your vote after returning your proxy card You may submit new voting instructions by contacting your broker, bank or other nominee. You may also vote at the Annual Meeting in person by following the instructions in the next section below.

Voting in person at the Annual Meeting You may vote in person at the Annual Meeting by obtaining a signed legal proxy from the record holder (e.g., your broker, bank or nominee) prior to the meeting. Please bring your signed legal proxy and proof of identification to the meeting.

Required votes to approve each item

Each outstanding share of Common Stock is entitled to one vote on each proposal at the Annual Meeting. All matters require the existence of a quorum at the Annual Meeting. All proposals require an affirmative vote of the majority of shares represented in person or by proxy. Election of Directors is determined by plurality voting. The individual receiving the largest number of votes for each position will be elected.

In voting on Proposal 1, the election of Directors, you may vote FOR the nominee or your vote may be WITHHELD with respect to the nominee. A properly executed proxy marked ABSTAIN with respect to any other matter will not be voted,

Table of Contents

although it will be counted for purposes of determining whether there is a quorum. An abstention on any matter other than election of Directors will have the effect of a negative vote on that matter. If you are a beneficial owner, shares represented by broker non-votes (when the broker indicates they do not have their customer's direction on how to vote, nor has discretionary authority on how to vote) will be counted in determining whether there is a quorum but will not be counted as votes cast on any matter.

Inspector of elections

Our Executive Vice President, General Counsel and Secretary, John M. Perisich, will act as Inspector of Elections and oversee the voting results. The Inspector of Elections will also determine the presence of a quorum.

Voting results of the Annual Meeting

We will announce preliminary voting results at the Annual Meeting and will publish final results in a Current Report on a Form 8-K filing with the Securities and Exchange Commission (SEC) within four business days of the Annual Meeting.

Board recommendations

The Board recommends a vote:

- FOR Proposal No. 1 to elect each of the three Class C Directors.

- FOR Proposal No. 2, the advisory, non-binding vote approving the Company's executive compensation program.

- FOR Proposal No. 3, the advisory, non-binding vote on the proposed timeline for seeking executive compensation advisory votes in the future, the Board recommends a 3-year timeline.

- FOR Proposal No. 4 to ratify the appointment of Moss Adams, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017.

Unless you give other instructions on your proxy card, the individual(s) named as proxy holder on the proxy card will vote in accordance with the recommendations of the Board.

Expense of soliciting proxies

We will pay the costs for the solicitation of proxies, including the cost of preparing and mailing this Proxy Statement. Proxies are being solicited primarily by mail, but the solicitation by mail may be followed-up by solicitation in person, or by telephone or facsimile, by our regular employees without additional compensation for such proxy solicitation activity or by a proxy solicitation firm. We will reimburse brokers, banks and other custodians and nominees for their reasonable out-of-pocket expenses incurred in sending proxy materials to our stockholders.

within a reasonable time prior to our mailing of the proxy materials for the subsequent year's Annual Meeting of Stockholders. We expect to announce the date of the 2018 Annual Meeting of Stockholders in early 2018.

Any stockholder who intends to present a proposal at the 2018 Annual Meeting of Stockholders must send the proposal via standard mail, overnight delivery or other courier service, to Primoris Services Corporation, 2100 McKinney Avenue, Suite 1500, Dallas, Texas 75201, Attention: Secretary.

MATTERS TO COME BEFORE THE MEETING

PROPOSAL 1 ELECTION OF DIRECTORS

(Item 1 on Proxy Card)

General Information

We currently have a classified Board consisting of eight members. Five of our Directors are independent Directors as determined under NASDAQ listing rules. Our Directors are divided into three classes (Class A, Class B and Class C). Directors in each class are elected to serve for three-year terms that expire in successive years. The terms of the Class C Directors Robert A. Tinstman, David L. King and John P. Schauerman expire at the upcoming 2017 Annual Meeting.

In February 2017, the Board of Directors Nominating and Corporate Governance Committee recommended to the Board the nomination of Robert A. Tinstman, David L. King and John P. Schauerman for re-election as Class C Directors for three-year terms expiring at the 2020 Annual Meeting, or until their successors are elected and qualified or their earlier death, resignation or removal. These recommendations were adopted unanimously by the Board. If the nominees become unavailable for any reason, or if any vacancy occurs before the election at the 2017 Annual Meeting (although we know of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominees as the Board may designate.

Each nominee has consented to being named in this Proxy Statement and has agreed to serve if elected. If a quorum is present and voting, the nominees receiving the highest number of votes will be elected as Class C Directors. Abstentions and broker non-votes have no effect on the result of the vote; however, abstentions and broker non-votes will be counted as shares present for purposes of determining the presence of a quorum.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR ROBERT A. TINSTMAN, DAVID L. KING AND JOHN P. SCHAUERMAN AS CLASS C DIRECTORS TO HOLD OFFICE UNTIL OUR ANNUAL MEETING OF STOCKHOLDERS TO BE HELD IN 2020 OR UNTIL THEIR RESPECTIVE SUCCESSORS ARE DULY ELECTED AND QUALIFIED OR UPON THEIR EARLIER DEATH, RESIGNATION OR REMOVAL.

Information Regarding Directors and Director Nominees

The following table sets forth information regarding our current Directors, including the Class C Director nominees up for election at the Annual Meeting. There are no family relationships among any Directors, nominees or named executive officers of the Company. To our knowledge, there are no material proceedings to which any Director or executive officer is a party adverse to the Company or has a material interest adverse to the Company.

STEPHEN C. COOK has served as one of our Directors since July 2008 and in May 2010 was appointed by the Board as Lead Director of the Company. Since 1990 he has served as President and principal stockholder of Fieldstone Partners, a Houston, Texas-based investment banking firm, focused primarily on corporate merger and acquisition advisory services. He has over 30 years of experience in the investment banking business, including 10 years with Rotan Mosle, Inc., a Texas-based regional investment firm and underwriter where he served as co-head of the corporate finance department and as a director of the firm. Mr. Cook received an A.B. in Economics from Princeton University and an MBA from Harvard Business School.

We believe that Mr. Cook's qualifications to serve on our Board include his business and investment banking experience and his wealth of knowledge of mergers and acquisitions. The Board has determined that Mr. Cook meets the NASDAQ rules for independence and is therefore an independent Director.

PETER J. MOERBEEK was named our Executive Vice President, Chief Financial Officer effective February 6, 2009. He has served as one of our Directors since July 2008 and was Chairman of the Audit Committee until February 2009. From 2006 through February 2009, he was the Chief Executive Officer and a founder of a private equity-funded company engaged in the acquisition and operation of water and wastewater utilities. From August 1995 to June 2006, Mr. Moerbeek held several positions with publicly traded Southwest Water Company, a California based company which provided water and wastewater

services, including director from 2001 to 2006; President and Chief Operating Officer from 2004 to 2006; President of the Services Group from 1997 to 2006; Secretary from 1995 to 2004; and Chief Financial Officer from 1995 to 2002. From 1989 to 1995, Mr. Moerbeek was the Vice President of Finance and Operations for publicly traded Pico Products, Inc., a manufacturer and distributor of cable television equipment. Mr. Moerbeek received a B.S. in Electrical Engineering and an MBA from the University of Washington and is a licensed certified public accountant.

We believe that Mr. Moerbeek's qualifications to serve on our Board include his prior experience as the chief operating officer and the chief financial officer of a NASDAQ listed company, as well as his in-depth knowledge and understanding of generally accepted accounting principles, experience in analyzing financial statements, understanding of internal control over financial reporting and his understanding and knowledge of public company rules and regulations.

PROPOSAL 2
TO PROVIDE A NON-BINDING ADVISORY VOTE
APPROVING THE COMPANY'S EXECUTIVE COMPENSATION PROGRAM
(Item 2 on Proxy Card)

At the meeting, the stockholders will vote on a non-binding, advisory resolution regarding the compensation of the Company's named executive officers.

We believe that our compensation policies and procedures are competitive and strongly aligned with the long-term interest of our stockholders. This advisory stockholder vote, commonly known as "Say-on-Pay", gives you as a stockholder the opportunity to express approval or withhold approval of the compensation we pay our named executive officers through voting for or against the following resolution:

Resolved, that the stockholders approve the compensation of the Company's named executive officers as disclosed in the Company's 2017 proxy statement pursuant to the disclosure rules of the Securities and Exchange Commission (which disclosure includes the Compensation Discussion and Analysis, the Summary Compensation Table and the other executive compensation tables and related discussions).

The Company and the Compensation Committee remain committed to the compensation philosophy, policies and objectives outlined under the heading "Compensation Discussion and Analysis" in this proxy statement. The Compensation Committee will continue to review all elements of the executive compensation program and take any steps it deems necessary to continue to fulfill the objectives of the program.

Stockholders are encouraged to carefully review the "EXECUTIVE COMPENSATION" section of this proxy statement for a detailed discussion of the Company's executive compensation program.

Because your vote is advisory, it will not be binding upon the Company or the Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE ADVISORY (NON-BINDING) PROPOSAL ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS.

PROPOSAL 3

**TO PROVIDE A NON-BINDING ADVISORY VOTE ON THE PROPOSED
TIMELINE FOR SEEKING EXECUTIVE COMPENSATION ADVISORY VOTES IN THE FUTURE**

(Item 3 on Proxy Card)

At the meeting, the stockholders will vote on a non-binding, advisory proposal regarding the frequency of the advisory stockholder vote on executive compensation discussed in Proposal 2 above in this proxy statement. Stockholders will have the opportunity to cast an advisory vote on whether the stockholder vote on executive compensation should occur every three years, two years or one year. Stockholders may also abstain from voting on the matter.

Because your vote is advisory, it will not be binding upon the Company or the Board of Directors. However, the board of directors will take into account the outcome of the vote when considering the frequency of the advisory stockholder vote on executive compensation.

We believe this approach provides the most efficient form of communication and lends itself to the long-term nature of the compensation plans for our management. The vote corresponds to the information presented in the accompanying proxy statement for the annual stockholders meeting. We emphasize that you are not voting to approve or disapprove the Board of Directors' recommendation. Instead, your proxy card provides you with four options regarding this advisory, non-binding proposal. You may cast an advisory vote for the stockholder vote on executive compensation to occur every third year, every other year, or every year, or you may abstain from voting on the matter.

Based on the Company's history, levels of management compensation and compensation practices, we believe that an advisory, non-binding vote for the stockholder on executive compensation should occur every third year.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR AN ADVISORY STOCKHOLDER VOTE ON EXECUTIVE
COMPENSATION EVERY THIRD YEAR.**

PROPOSAL 4 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

(Item 4 on Proxy Card)

General

We are asking the stockholders to ratify the Audit Committee's appointment of Moss Adams, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. The firm is a registered public accounting firm with the Public Company Accounting Oversight Board (PCAOB), as required by the Sarbanes-Oxley Act of 2002 and the rules of the PCAOB. In the event the stockholders fail to ratify the appointment, the Audit Committee will reconsider this appointment. If the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and our stockholders.

A Moss Adams, LLP representative is expected to attend the 2017 Annual Meeting of the Stockholders. The representative will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate stockholder questions.

The affirmative vote of a majority of the shares of Common Stock present, in person or by proxy, entitled to vote at the Annual Meeting is required to approve the ratification of the appointment of Moss Adams, LLP as our independent registered public accounting firm for 2017.

THE BOARD RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF MOSS ADAMS, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2017.

CORPORATE GOVERNANCE

We believe that effective corporate governance is an important element of our long-term success and ability to create value for our stockholders. Our Board periodically reviews our existing corporate governance policies and practices, as well as related provisions of the Sarbanes-Oxley Act of 2002, current and proposed rules of the SEC, and the corporate governance requirements of NASDAQ. Based on its review, the Board has approved charters, policies, procedures and controls that we believe promote and enhance our corporate governance, accountability and responsibility and promote a culture of honesty and integrity.

Charters for each of our Board committees are available on the Investor Relations section of our website at www.prim.com, and copies are available free of charge upon request to our Secretary at Primoris Services Corporation, 2100 McKinney Avenue, Suite 1500, Dallas, Texas 75201.

Board Independence

The listing standards of NASDAQ require that companies have a board of directors with at least a majority of independent directors. Determining director independence requires that the Board affirmatively determine that the director has no material relationship with us, either directly or as a partner, stockholder or officer of an organization that has a relationship with us which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

To assist it in making independence determinations, the Board has adopted independence standards, which include the standards required by NASDAQ for independent directors. Under these standards, a director is not independent if:

- The director is, or has been within the last three years, one of our or our subsidiaries' employees, or the director has an immediate family member who is, or has been within the last three years, one of our executive officers;
- The director has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in compensation from us (other than compensation for Board or Committee service, compensation to a family member who is an employee but not an executive officer, or benefits under a tax-qualified retirement plan or non-discretionary compensation);
- The director is, or has a family member that is, a partner in, or a controlling stockholder or an executive officer of, any organization to which we made, or from which we received, payments for property or services in the current year or in any of the last three years, that exceed 5% of the recipient's consolidated gross revenues for that year or \$200,000, whichever is greater, other than payments arising solely from investments in our securities or payments

under non-discretionary charitable contribution matching programs;

- The director, or an immediate family member, is currently employed, or has been employed within the last three years, as an executive officer of another company where any of our present executive officers serves or has served on that company's compensation committee; or
- The director is, or has a family member, that is a current partner of our outside auditor, or was a partner or employee of our outside auditor who worked on our audit at any time during any of the past three years.

On the basis of the Board independence standards identified above, and such other factors as the Board may consider from time to time, the Board has affirmatively determined that Messrs. Brown, Cook, Schauerman, Tinstman and Tucker are independent.

Board Structure and Committee Composition

The Board has: (i) an Audit Committee, (ii) a Compensation Committee, (iii) a Nominating and Corporate Governance Committee and (iv) a Succession Planning Committee. The Board and its Committees meet throughout the year on a set schedule and also hold special meetings, both telephonically and in person, and act by written consent from time to time, as appropriate. During 2016, the Board held a total of seven meetings, the Audit Committee held five meetings, the Compensation Committee held two meetings, the Nominating and Corporate Governance Committee held four meetings and the Succession Planning Committee held one meeting. The independent Directors meet in executive session at meetings of the Board and Committees as necessary. During the Board meetings, all of the independent Directors met in executive session without any management members four times during 2016.

Table of Contents

On November 15, 2016, Mr. John P. Schauerman became a member of the Board. In May 2010, Mr. Cook was appointed by the Board as the Lead Director, responsible for chairing the Board meetings in the absence of the Chairman, chairing executive sessions of independent Directors, acting as the principal liaison between the Chairman and the independent Directors and serving as the contact Director for stockholders.

The Board and the Compensation Committee do not make decisions regarding an executive officer's compensation in the presence of such executive officer. The compensation of our Chief Executive Officer and all other executive officers is recommended to the Board of Directors for approval by the Compensation Committee. The Board of Directors act on the recommendations in a vote in which only independent Directors participate and which takes place during executive sessions of independent Board members.

Director nominees are selected or recommended for the Board of Directors' selection by the Nominating and Corporate Governance Committee. The Board of Directors act on the recommendation in a vote in which only independent Directors participate and which takes place during executive sessions of independent Board members.

Each Director attended all of the Board and Committee meetings held in 2016. Mr. Pratt recused himself from one meeting where the purchase of related party property was to be discussed. In addition, each Director attended all of the meetings held by all Board committees on which such person served (during the periods that such person served).

The Audit, Compensation and Nominating and Corporate Governance committees operate under written charters adopted by the Board. The Board committee charters are available on the investor relations section of our website at www.prim.com.

The members of the Board committees are identified in the following table:

Director	Audit Committee	Compensation Committee	Nominating and Corporate Governance Committee	Succession Planning Committee
Brian Pratt				X
Stephen C. Cook	X	Chair	X	X
Thomas E. Tucker	X		Chair	
Peter C. Brown	Chair	X

(1) Messrs. Brown, Cook, Schauerman, Tinstman and Tucker are independent Directors.

Audit Committee

Edgar Filing: Primoris Services Corp - Form DEF 14A

The Audit Committee consists of four persons, all of whom are independent under the NASDAQ listing standards. Members of the Audit Committee must also satisfy additional SEC independence requirements, which provide that they may not accept directly or indirectly any consulting, advisory or other compensatory fee from the Company other than compensation in their capacity as Director, or otherwise be an affiliated person of us. The Board has determined that Audit Committee members Messrs. Brown, Cook, Schauerman and Tucker all satisfy the applicable SEC independence requirements. The Board has also determined that each member of our Audit Committee qualifies as independent under Rule 10A-3 of the Exchange Act.

The Audit Committee oversees our accounting and financial reporting processes, internal control systems, independent auditor relationships and the audits of our financial statements. Among other matters, the Audit Committee's responsibilities include the following:

- Selecting and hiring our independent registered public accounting firm;
- Evaluating the qualifications, independence and performance of our independent registered public accounting firm;
- Reviewing and approving the audit and non-audit services to be performed by our independent registered public accounting firm;
- Reviewing with management and our independent registered public accounting firm the results of our annual and quarterly financial statements. On a quarterly basis, the independent Audit Committee members meet with the auditors without the presence of management. During these independent sessions, the Committee and the auditors discuss,

among other things, the acceptability of the Company's accounting principles, critical accounting policies and sensitive accounting estimates;

- Overseeing the administration of management's process for the design, review of adequacy, implementation and effectiveness of our internal controls established for finance, accounting, legal compliance and ethics;
- Reviewing management's assessment of internal control and steps taken to monitor and control our exposure to financial risk;

- Overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to our financial statements of accounting matters; and
- Reviewing and approving any related party transactions.

Audit Committee Financial Expert. The Board has also determined that Mr. Brown and Mr. Schauerman are the Audit Committee financial experts as defined under SEC rules and regulations. Management has the primary responsibility for the preparation of the financial statements and the financial reporting processes of the Company.

The Audit Committee Report is included on Page 22.

Compensation Committee

The members of the Compensation Committee of the Board are Messrs. Cook (Chairman), Brown and Tinstman. All of the members of the Compensation Committee meet the independence requirements of NASDAQ listing standards.

The Compensation Committee monitors and assists the Board in determining compensation for our executive officers and Directors. The Board and the Compensation Committee do not make decisions regarding an executive officer's compensation in the presence of such executive officer.

Edgar Filing: Primoris Services Corp - Form DEF 14A

After the Compensation Committee analyzes compensation issues related to our Chief Executive Officer and other executive officers, it makes a recommendation to the Board's independent Directors for determination by independent Directors in a vote in which only independent Directors participate. The Compensation Committee has the following authority and responsibilities, among others, with respect to our Director and executive compensation plans:

- Reviewing the goals and objectives of our executive compensation programs and recommending to the Board any changes to these goals and objectives;
- Reviewing our executive compensation plans including incentive, equity-based and benefit plans, and recommending to the Board the adoption of new plans or amendments to existing plans;
- Evaluating annually the performance of the Chief Executive Officer and recommending to the independent members of the Board his or her compensation level based on this evaluation;
- Evaluating annually the performance of the other executive officers of the Company and its subsidiaries and recommending to the independent members of the Board the compensation level of each based on this evaluation;
- Reviewing and recommending to the independent members of the Board, concurrently with the Board's Audit Committee, any employment, severance or termination arrangements made with any executive officer of the Company or its subsidiaries; and
- Evaluating the appropriate level and types of compensation for Board and Committee service by non-employee Directors and recommending any changes to the Board.

The Compensation Committee has the power to form subcommittees for any purpose that it deems appropriate and may delegate to such subcommittee such power and authority as the Compensation Committee may deem appropriate, provided it does not delegate to a subcommittee any power or authority required by any law, regulation or listing standard to be exercised by the Compensation Committee as a whole. The Compensation Committee may consider the recommendations of our Chief Executive Officer in determining the level of compensation of the executive officers of the Company and its subsidiaries. The

Table of Contents

Compensation Committee has the authority to retain such independent consultants or advisers as it deems necessary and appropriate, including compensation consultants, to advise it with respect to amounts or forms of executive or Director compensation, and may rely on the integrity and advice of any such advisers. The Compensation Committee also has the sole authority to retain a compensation consultant to assist it in carrying out its responsibilities, including the sole authority to approve the consultant's fees and other retention terms, such fees to be borne by us, and to terminate any such consultant.

The Committee engaged Pay Governance, LLC as its independent advisor in 2012. Prior to their engagement, Pay Governance did not perform any services for the Company. The Committee considered independence factors under Dodd-Frank and NASDAQ rules and concluded that the work performed by Pay Governance did not present any conflicts of interest. As requested by the Committee, Pay Governance advises and consults with the Committee on compensation issues, compensation design and trends, and keeps the Committee apprised of regulatory, legislative, and accounting developments and competitive practices related to executive compensation. Pay Governance reviews, at the direction of the Committee, compensation levels, trends and practices at the discretion of the Committee. Pay Governance does not determine the exact amount or form of executive compensation for any executive officers. See EXECUTIVE COMPENSATION Compensation Discussion and Analysis on page 23. Pay Governance reports directly to the Committee, and a representative of Pay Governance, when requested, attends meetings of the Committee, is available to participate in executive sessions and communicates directly with the Committee Chair or its members outside of meetings. Pay Governance does no other work for the Company.

Compensation Committee Interlocks and Insider Participation

No interlocking relationship exists between any member of our Board and any member of the Board of Directors or compensation committee of any other companies, nor has such interlocking relationships existed in the past.

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are Messrs. Tucker (Chairman), Cook, and Tinstman. All of the members of the Committee meet the independence requirements of NASDAQ listing standards.

The Nominating and Corporate Governance Committee assists the Board by identifying individuals qualified to become Directors consistent with criteria established by the Board. After the Nominating and Corporate Governance Committee identifies qualified individuals, it makes a recommendation to the Board's independent Directors. Director nominees are selected by a majority of the Board's independent Directors in a vote in which only independent Directors participate. Among other matters, the Committee's responsibilities include the following:

- Evaluating the composition, size and governance of the Board and its committees and making recommendations regarding future planning and the appointment of Directors to committees of our Board;
- Administering a policy for evaluating and considering nominees for election to the Board;

- Overseeing the evaluation of our Board as a whole;
- Reviewing our corporate governance principles and providing recommendations to the Board regarding possible changes; and
- Developing and reviewing our Code of Ethics and assuring that it is appropriate for us.

Selection of Board Nominees

In identifying Board nominees, we may consider individuals who are known to our officers or Directors, or individuals with significant industry or other relevant experience. The Nominating and Corporate Governance Committee's consideration of a candidate as a Director includes assessment of the individual's understanding of our business, the individual's professional and educational background, skills, expertise, potential time commitment, and other criteria established by the Nominating and Corporate Governance Committee from time to time.

To provide such a contribution to us, a Director must generally possess one or more of the following, in addition to personal and professional integrity:

- Experience in corporate management;

Table of Contents

- Experience in our industry;
- Experience as a board member or officer of a publicly held company;
- Experience in financial and accounting matters;
- Diversity of expertise and experience in substantive matters related to our business; and
- Practical and mature business judgment.

The Nominating and Corporate Governance Committee has adopted its own procedures for evaluating the suitability of potential Director nominees, including qualifications for a financial expert and financially literate members for the Audit Committee.

Succession Planning Committee

In May 2011, the Board of Directors established a Succession Planning Committee and appointed Mr. Tinstman as Committee Chair with Mr. Pratt, our Chairman, and Mr. Cook, our independent Lead Director, as members. The purpose of the Committee is to coordinate the efforts of the Board and executive management in establishing the processes, procedures and practices that the Board and management will use to meet their succession planning responsibilities, including succession with respect to the position of CEO. In addition, the Committee has established contingency plans for the departure, death or disability of our CEO.

Board Role in Risk Oversight

Our Board is responsible for oversight of our Company's risks. As with all companies, and especially with construction companies, we face a variety of risks in our business. Many of these risks are discussed in Item 1A, *Risk Factors* in our most recent Annual Report on Form 10-K, which was filed with the SEC on February 28, 2017.

The Board believes that having a system in place for risk management and implementing strategies responsive to our risk profile and exposures is the best way to identify in a timely manner specific material risks, but we can give no assurances that we will be able to identify or mitigate all possible risks in advance. In order to more efficiently provide oversight of these material risks, the Board has designated certain risk oversight responsibilities to relevant Board committees. The Audit Committee has the direct responsibility for risk oversight relating to accounting

Edgar Filing: Primoris Services Corp - Form DEF 14A

matters, financial reporting, enterprise, legal and compliance risks. To assist in this risk oversight function, the Audit Committee obtains assistance from the following: (1) our Chief Financial Officer, who is responsible for managing our risk management function, (2) our General Counsel, who is responsible for the Company's third party insurance programs and (3) our independent registered public accounting firm. The Audit Committee meets periodically with management and the independent auditors to review financial exposures. The Compensation Committee is responsible for risks related to employment policies and our compensation and benefits systems. The Nominating and Corporate Governance Committee oversees risks associated with our Code of Conduct, including compliance with listing standards for independent Directors and committee assignments. As necessary, the committee chairmen report any risk-related matters to the full Board at Board of Directors meetings.

While the Board is responsible for risk oversight, the day-to-day risk management is the responsibility of the operating management and executive officers. Our executive officers maintain a significant ownership interest which results in an increased level of awareness of the need of risk management and risk oversight for the long-term benefit of the Company.

Code of Ethics

The Company has a Code of Ethics that complies with the rules and regulations adopted by the SEC and NASDAQ listing standards and are applicable to all of our Directors, officers and employees. The Code of Ethics also includes a supplement with additional policies that are applicable to the CEO, CFO and all senior financial officers of the Company. The Code of Ethics is available on the Investor Relations/Governance section of our website at www.prim.com. We intend to post amendments to, or waivers, if any, from our Code of Ethics (to the extent applicable to our Directors or Chief Executive Officer, Principal Financial Officer, or Principal Accounting Officer) at this location on our website. Among other matters, this Code of Ethics is designed to promote:

- Honest and ethical conduct;

Table of Contents

- Avoidance of conflicts of interest;
- Full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the SEC and in our other public communications;
- Compliance with applicable governmental laws and regulations and stock exchange rules;
- Prompt internal reporting of violations of the Code of Ethics to an appropriate person or persons identified in the Code of Ethics; and
- Accountability for adherence to the Code of Ethics.

Policy Regarding Director Attendance at Annual Meetings of Stockholders

Directors are strongly encouraged to attend our Annual Meetings of Stockholders, and we currently expect all of our Directors to be in attendance at the Annual Meeting on May 5, 2017. All the Directors were in attendance at the 2016 Annual Meeting.

Stockholder Communications with the Board of Directors

Stockholders may communicate with any of our Directors, either individually or as a group, by writing to them at Primoris Services Corporation, c/o Secretary, 2100 McKinney Avenue, Suite 1500, Dallas, Texas 75201. Please specify to whom your correspondence should be directed. The Secretary will promptly forward all correspondence to the Board or any specific committee member, as indicated in the correspondence, except for mass mailings, job inquiries, surveys, business solicitations or advertisements, or patently offensive or otherwise inappropriate material. Our Secretary may forward certain correspondence, such as product-related or service-related inquiries, elsewhere within the Company for review and possible response.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Our Board has adopted a written policy requiring review, approval and ratification of any related party transaction. All related party transactions may be consummated and continued only if the Audit Committee has approved or ratified such transaction after a review of the relevant facts

and circumstances.

The following is a description of related party transactions to which we have been a party, in which the amount involved exceeded \$120,000, other than compensation and employment arrangements described elsewhere in this Proxy Statement. The descriptions are for the annual periods of 2016, 2015 and 2014. We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions below were comparable to terms available or the amounts that would be paid or received, as applicable, in arm's length transactions with independent third parties. In addition, any new leases, extensions of lease terms and changes in lease terms or amounts must be approved in advance by the independent directors of the Audit Committee.

Primoris has entered into leasing transactions with Stockdale Investment Group, Inc. (SIGI). Our Chairman of the Board of Directors and our largest stockholder, Brian Pratt along with his family, hold a majority interest of SIGI. John M. Perisich, our Executive Vice President and General Counsel, is secretary of SIGI. The leases are for three properties used by the Company in California, with various expiration dates, with the last expiring in 2023. During the years ended December 31, 2016, 2015 and 2014, the Company paid \$849,000, \$831,000 and \$862,000, respectively, in lease payments to SIGI for the use of these properties. Primoris purchased the SIGI properties on March 31, 2017. Primoris leases properties from other individuals that were past sellers of acquisitions or are current employees. The amounts leased are not material and each arrangement was approved by the Board of Directors.

DIRECTOR COMPENSATION

Directors who also are employees of the Company do not receive additional compensation for serving as Directors. Compensation for employee Directors is determined by the Board's Compensation Committee and is discussed further in the Compensation Discussion and Analysis section of this proxy.

Current compensation for independent Directors of the Company includes the following components:

- Cash payments of \$35,000 made for the second and fourth calendar quarters of each year.

Table of Contents

- In lieu of cash payments for the first and third calendar quarters of each year, the Directors are issued Common Stock with an approximate aggregate value of \$46,667 each. The Common Stock cannot be traded for a period of one year from the date of issuance. The number of shares is determined using the average of the closing prices of the Company's Common Stock on NASDAQ for the one-month period prior to the beginning of the quarter. The shares are issued pursuant to the Primoris 2013 Equity Incentive Plan, approved by the stockholders on May 3, 2013 (2013 Equity Plan).

- Additional annual cash compensation as follows:

- \$25,000 to the Chairman of the Board;

- \$20,000 to the Chairman of the Audit Committee

- \$15,000 to the Chairman of the Compensation Committee; and

- \$15,000 to the non-employee chairman of any other committees established by the Board of Directors.

In addition, Directors are reimbursed for expenses incurred in connection with Board and Board Committee meetings and assignments.

On August 5, 2015, the Board of Directors approved a four year agreement for Brian Pratt (our former CEO) as a Senior Strategic Advisor. The agreement provides for an annual fee of \$325,000, medical insurance benefits equal to those provided to Company employees, Company-provided automobile insurance coverage, up to 100 hours of personal use of any Company owned or leased aircraft per year, and reimbursement of personal use of Company-paid club memberships in Dallas County, Texas and Orange County, California.

The table below details the compensation earned by our non-employee Directors in 2016.

Our management has represented to the Audit Committee that the consolidated financial statements for the fiscal year ended December 31, 2016 were prepared in accordance with generally accepted accounting principles and that the Company's internal control over financial reporting was effective as of December 31, 2016. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This section discusses the oversight of our executive compensation program by the Compensation Committee of the Board of Directors and provides a discussion of the compensation earned in 2016 by our executive officers. At December 31, 2016, the following four persons were designated by the Board of Directors as the executive officers of the Company:

- David L. King, 64, President and Chief Executive Officer (CEO);
- Peter J. Moerbeek, 69, Executive Vice President, Chief Financial Officer (CFO);
- Thomas E. McCormick, 54, Executive Vice President, Chief Operating Officer (COO); and
- John M. Perisich, 52, Executive Vice President, General Counsel and Secretary.

In addition, the discussion will encompass compensation earned by our two most highly compensated employees who are not executive officers:

- Timothy R. Healy, 57, Co-President, ARB, Inc. (Industrial); and
- Scott Summers, 58, Co-President, ARB, Inc. (Underground).

These six persons are referred to as Named Executive Officers (NEOs) in the following discussion.

Overview

Our management compensation programs apply broadly to all officers and management persons at the Company with modifications to reflect the different management levels, experience levels and types of responsibilities. The Company's goal is to align compensation so that the entire

Edgar Filing: Primoris Services Corp - Form DEF 14A

management team is committed to the Company's corporate objectives of achieving both near- and long-term profitable growth.

In overseeing the executive compensation policies and practices for the Company, the Compensation Committee recognizes two unique cultural elements associated with (1) the transition in July 2008 from a successful privately owned company to a successful publicly traded company, and (2) the major acquisitions made since becoming a publicly traded company. At the time that we became a publicly traded company, ownership was held by 42 employees, directors and associates, all of whom had purchased their ownership interest. The 2008 transaction provided many of these former owners with a significant number of shares of the publicly traded company. Similarly, our acquisitions of James Construction Group in 2009 and Rockford in 2010 involved the issuance of a significant amount of Company stock to a number of executives and managers. Many of these former owners have remained as executives and managers, and a significant portion of their personal wealth results from their ownership of our stock. This ownership has helped align the interests of many of the Company's executives and managers with those of our stockholders.

To help maintain the ownership culture, the Compensation Committee has approved our Long-term Retention Plan (LTR Plan) which includes the offering of discounted shares to executives and managers.

To date the Company has not had a program to grant awards of equity through either grants of stock or stock options. At the time of his hiring in 2014, our CEO received a grant of 48,512 Restricted Stock Units (Units) vesting over a three-year period, and at the time of his hiring in 2016, our COO received a grant of 92,321 Units vesting over a three-year period. In 2013, our CFO received a grant of 100,000 Units vesting over a four-year period.

Prior to becoming a public company, it was our practice to provide annual discretionary bonus awards based both on overall financial and non-financial performance. These discretionary awards were not tied to attaining a specific financial result; that is, there was no mathematical formula for determining bonus amounts. For the most part, the Compensation Committee has retained this practice. The Committee believes that based on the history and culture of the Company, the discretionary approach has served to recognize performance and motivate the executive management team. The largest annual discretionary bonus amount awarded since 2008 has been \$500,000.

Table of Contents

At the time of David L. King's promotion to CEO in August 2015, the Compensation Committee separated his total annual bonus into two parts: a performance-based formula (as that concept is used in Section 162(m) of the Internal Revenue Code); and a discretionary amount. At the time of hiring Thomas McCormick as COO in April 2016, the Compensation Committee also separated his total annual bonus into a performance-based formula and a discretionary amount.

The Compensation Committee recognizes that as the Company grows, as some executives roles change and as new executives are recruited, we may need to consider making changes that could more closely align our practices with those typically utilized by other publicly traded companies. These practices may include establishment of more formulaic annual incentive calculations, a more formulaic total bonus amount and an increased emphasis on equity awards within the total compensation structure. In addition, more regular participation in equity awards may be required to attract executives.

Based on our overall financial performance since becoming a public company and the fact that there has been minimal turn-over at the senior and executive management levels of the Company, we believe that our current compensation practices and ownership culture have served our stockholders well.

Shareholder Say-on-Pay Vote

At our Annual Meeting of Stockholders in May 2014, 93.6% of votes cast on our advisory vote on executive compensation (say-on-pay proposal) were voted in favor of the proposal.

2016 Performance Highlights

To put the compensation decisions in context, the following summarizes the Company's financial results for 2016:

- Revenues increased by \$67.5 million (3.5%) to \$2.0 billion from 2015; operating income decreased by \$10.1 million (14.9%) from 2015; and earnings per share decreased by 28.2% to \$0.51 per share compared to \$0.71 per share in 2015. The primary reason for the declines in operating income and earnings per share was the impact of pre-tax job losses of \$54.8 million for five Texas Heavy Civil Division projects. The Company has announced a process through which it intends to sell that division.
- Total stockholder return for the year 2016 increased by 4.5%. During 2016, our share price increased from \$22.03 per share at December 31, 2015 to \$22.78 per share at December 30, 2016.

- In 2016, cash flow from operations was \$62.6 million, an increase of \$14.2 million, compared to 2015 cash flow from operations of \$48.4 million. At December 31, 2016, year-end cash and cash equivalents was \$135.8 million, a decrease of \$25.3 million, compared to December 31, 2015 year-end cash and cash equivalents of \$161.1 million.
- Total backlog increased by \$710 million to a record level of \$2.798 billion at December 31, 2016 from \$2.088 billion at December 31, 2015.
- Tangible net worth increased by \$14.7 million to \$337.3 million.

Compensation Philosophy

Our goal is to create an executive compensation program that will appropriately reward our executives for their roles in creating both near-term and long-term value for our stockholders without encouraging or rewarding excessive risk. The Compensation Committee is charged with reviewing our executive officers' cash compensation and equity holdings to determine whether these provide adequate incentives and motivation to our executive officers and whether they adequately compensate the executive officers relative to comparable officers in other companies within our industry in light of our performance. Our goal is to be competitive with other similarly situated companies in our industry and to attract, retain and motivate key executives.

Processes and Procedures for Determining Executive Compensation

The following describes the roles of the key participants and sources of information in the process of setting compensation.

The Role of the Compensation Committee

The Compensation Committee reviews and approves compensation and benefit policies and objectives, determines whether our officers, directors and employees are compensated in general in accordance with these objectives, and carries out certain of

Table of Contents

the Board's responsibilities relating to the compensation of our executives. The Compensation Committee operates under a charter approved by the Board. All of the Compensation Committee members meet the NASDAQ independence standards, are Non-employee Directors as defined by the Exchange Act and are outside Directors as defined by Section 162(m) of the Internal Revenue Code.

For our executive's compensation, the Compensation Committee approves the structure of the compensation program. In addition, the Committee directly sets compensation for the Company's senior officers, including all NEOs. The Compensation Committee is involved in all matters where approval is appropriate for tax or regulatory reasons.

The Role of the Board of Directors

The Board provides final approval of Compensation Committee recommendations for compensation changes for the executive officers. This approval is obtained at an independent Director session without the presence of management Directors.

The Role of Executives

Our CEO is responsible for reviewing the compensation and performance of all the executive officers. He makes recommendations to the Compensation Committee for adjustments in compensation, for annual short-term bonus amounts and for any other compensation changes. The Compensation Committee uses the CEO's recommendations and its evaluation of current individual and business performance and historical individual and business performance to review and approve annual bonus amounts. Our CEO is not present during and does not participate in the discussion of any elements of his compensation with the Compensation Committee.

Our CFO facilitates the sharing of information among the Company, the compensation consultant and the Compensation Committee. In this role, he communicates with the compensation consultant at the direction of the Compensation Committee.

The Role of External Advisors

The Compensation Committee has engaged Pay Governance, LLC as an independent consulting resource to help it with its responsibilities. When requested, information and advice provided by Pay Governance may include reviews and critique of our executive compensation philosophy and strategies; a competitive analyses of competition program design; and presentations updating market trends. Pay Governance attends Compensation Committee meetings as requested by the Compensation Committee and conducts private meetings with the Compensation Committee without management representatives at the Committee's request.

The Role of Benchmarking

We believe that it is helpful when making compensation-related decisions to be aware of current practices at similarly situated publicly held companies in engineering, construction and related industries. The Compensation Committee periodically considers the compensation levels at other companies in our industry. We do not view benchmarking as a stand-alone tool for setting compensation due to the aspects of our business and objectives that may be unique to us. In using its collective judgment in setting executive pay, the Compensation Committee may use benchmarking as one consideration; however, at this time the Compensation Committee's decisions are based primarily on recommendations from our CEO, the Compensation Committee's evaluation of the executive's performance, the overall Company performance and our compensation strategy. We reviewed the most recent proxy information available for the following 10 publicly traded engineering and construction companies (primarily 2015 information): Chicago Bridge & Iron Company, EMCOR Group, Inc., Fluor Corporation, Granite Construction, Inc., KBR, MasTec, Inc., Matrix Service Company, Quanta Services, Inc., Sterling Construction Company, Inc. and Willbros Group, Inc. We found that our CEO's total 2016 compensation was in the lower third of the peer companies' CEOs on an absolute basis and in the lower third when total compensation was normalized for annual revenue.

Components of Executive Officer Compensation

The primary elements of our executive officer compensation program are base salary and an annual short-term bonus. While the two primary components of executive compensation are related, each is a distinct part of overall compensation. The executive officers also participate in the Company's LTR Plan through which can accumulate equity at a discounted price.

- Base salary provides a fixed level of cash compensation that recognizes the value of an individual's role in the Company. Salary is influenced by the executive's specific role and responsibilities, the executive's skill and performance and the executive's experience, as well as the executive's future potential and internal pay equity. Salary is also influenced by the Committee's view on internal equity and consistency.

Table of Contents

- Annual short-term bonuses provide a cash incentive bonus to focus executives on achieving key operational and financial objectives within a yearly time horizon and to provide a reward for annual performance results. In general, we do not have a specific award opportunity target amount. All our executive officers are participants in the LTR Plan and annual bonus amounts are paid out under the terms of that Plan.

The LTR Plan combines elements of an annual bonus and a longer-term equity opportunity with the intent to provide an incentive for continuing employment. Under terms of the LTR Plan, annual bonus amounts are paid over a two-year period with one-half of the amount payable immediately and one-half deferred for one year. The deferred amount is a general obligation of the Company, but provides no interest or other income to the participants. Except in the case of death, disability or involuntary separation from service, the deferred compensation is generally vested to the participant only if employed by the Company on the payment date of bonus amounts the following year. The amount of compensation deferred under this plan is calculated each year based on 50 percent of the current year bonus amount. Participation in the LTR Plan is based on the recommendation of a senior manager and approval of the CEO and is elective to each participant. Participants can voluntarily resign from the plan prior to the end of each calendar year.

For the 2016 participants, the LTR Plan allows each participant the opportunity to designate 1/6 (16.67%) of their annual bonus to purchase Company Common Stock at a 25% discount to the average market price of the Company's shares for the month of January 2017, which was \$23.38 per share, resulting in LTR Plan shares available for purchase at \$17.54 per share. The designation must have been made prior to the end of January 2017. Discounted shares purchased cannot be sold for six months after issuance. Shares are issued under the provisions of our 2013 Long-term Incentive Equity Plan (2013 Equity Plan) which was approved by our stockholders and adopted by the Company on May 3, 2013. For 2016, all the NEOs designated the maximum number of shares allowed under the Plan.

- Benefit plans provide for opportunities to contribute to retirement savings and promote health and wellness. We have established and maintain various employee benefit plans, including medical, dental, life insurance and 401(k) plans. These plans are available to all employees and do not discriminate in favor of executive officers. From time to time, we may provide perquisites to our executives that are not available to our employees generally.
