Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 2, 2016, Jacqueline Lemke informed the board of directors of Bioanalytical Systems, Inc. (the "Company") of her intent to resign from her positions of President and Chief Executive Officer. On November 8, 2016, Ms. Lemke's attorney provided a letter to Company's counsel, which indicates that Ms. Lemke believes her resignation to be for "good reason" under the terms of her employment agreement and her expectation of severance compensation commensurate therewith. The board of directors disagrees with the characterization of the events set forth in the letter, including the statements to the effect that Ms. Lemke was deprived of her authority as President and Chief Executive Officer, and disagrees that she has met the requirements under her employment agreement to resign for "good reason". The board of directors has confirmed that Ms. Lemke has also stepped down from her position on the Company's board of directors and has accepted Ms. Lemke's respective resignations effective immediately. The board of directors is in the process of identifying Ms. Lemke's successor.

The Company has provided Ms. Lemke with a copy of the disclosures contained in this Form 8-K no later than the date on which this report is being filed with the Securities and Exchange Commission. The Company has also provided Ms. Lemke with the opportunity to furnish the Company with a letter stating whether she agrees or disagrees with the statements made in this report and, if she disagrees, the respects in which she disagrees.
