Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(c) Compensatory Arrangements of Certain Officers

On February 8, 2012, the Board of Directors (the “Board”) of Asbury Automotive Group, Inc., a Delaware corporation (the “Company”), approved and adopted the Asbury Automotive Group, Inc. Amended and Restated 2002 Equity Incentive Plan (the “2002 Equity Incentive Plan”). The 2002 Equity Incentive Plan was previously amended and restated effective March 25, 2009, and was subsequently amended on February 17, 2010.

The 2002 Equity Incentive Plan was amended and restated primarily to implement a so-called “double-trigger” vesting provision with respect to any new awards granted under the 2002 Equity Incentive Plan. The “double-trigger” vesting provision generally provides that awards will not be accelerated upon a change of control of the Company if (1) an acquiror replaces or substitutes outstanding awards in accordance with the requirements of the 2002 Equity Incentive Plan and (2) a participant holding the replacement or substitute award is not involuntarily terminated within two years following the change of control. Awards previously granted under the 2002 Equity Incentive Plan will not be affected by the addition of the “double-trigger” vesting provision.

The 2002 Equity Incentive Plan amends and restates the prior Asbury Automotive Group, Inc. Amended and Restated 2002 Equity Incentive Plan, as it was subsequently amended, in its entirety. The foregoing summary of the 2002 Equity Incentive Plan is qualified in its entirety by reference to such Plan, filed as Exhibit 10.1 hereto and incorporated herein by reference.

In addition to the amendment and restatement of the 2002 Equity Incentive Plan, the corresponding restricted share award and performance share award agreements were revised to reflect changes to the Plan, and to include certain restrictive covenant provisions, including, without limitation, non-compete, non-solicitation and confidentiality provisions. The foregoing summary of these award agreements is qualified in its entirety by reference to the form of restricted share award agreement and performance share award agreement, filed hereto as Exhibits 10.2 and 10.3, respectively, and incorporated herein by reference.

Also on February 8, 2012, the Board approved the termination of the Asbury Automotive Group, Inc. Amended and Restated Wealth Accumulation Plan, a deferred compensation plan offered to certain highly-paid employees.

(b) Departure of Director

On February 8, 2012, Michael J. Durham, who has served on the Board of Directors (the “Board”) of Asbury Automotive Group, Inc. (the “Company”) for over 9 years, notified the Board that he has elected not to stand for re-election at the Company's 2012 annual meeting of stockholders (the “2012 Annual Meeting”). Mr. Durham will, however, continue to serve as a member of Board until the 2012 Annual Meeting.

During his tenure on the Board, Mr. Durham has served in many roles, including as the Company's Non-Executive Chairman from January 2004 until February 2011, as a member of the Audit Committee from February 2003 until July 2006, and as Chair of the Governance and Nominating Committee from April 2005 until May 2007, and he remains a member of such Committee. Mr. Durham has also served as a member of the Risk Management Committee since January 2009, and was appointed the Chair of the Risk Management Committee in February 2011.

As Mr. Durham completes his term on the Board, the Company wishes to express its appreciation for his many contributions and years of dedicated service.

On February 8, 2011, the Board also determined that, effective upon the expiration of Mr. Durham's term, the size of the Board shall be decreased from ten to nine directors.
