Item 1.01 Entry into a Material Definitive Agreement.

On November 13, 2017, Energy Transfer Partners, L.P. (the “Partnership”) entered into an Underwriting Agreement (the “Underwriting Agreement”) with J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Goldman Sachs & Co. LLC, MUFG Securities Americas Inc. and TD Securities (USA) LLC (the “Underwriters”), with respect to the issuance and sale in an underwritten public offering (the “Offering”) by the Partnership of 950,000 of its 6.250% Series A Fixed-to-Floating Cumulative Redeemable Perpetual Preferred Units representing limited partner interests in the Partnership (the “Series A Preferred Units”) at a price to the public of \$1,000 per unit and 550,000 of its 6.625% Series B Fixed-to-Floating Cumulative Redeemable Perpetual Preferred Units representing limited partner interests in the Partnership (the “Series B Preferred Units” and, together with the Series A Preferred Units, the “Preferred Units”) at a price to the public of \$1,000 per unit.

The Offering was registered under the Securities Act of 1933, as amended (the “Securities Act”), pursuant to a Registration Statement on Form S-3 (File No. 333-221411) of the Partnership, which became effective on November 8, 2017, as supplemented by the Prospectus Supplement dated November 13, 2017 relating to the Preferred Units, filed with the Securities and Exchange Commission (“Commission”) pursuant to Rule 424(b) of the Securities Act on November 15, 2017.

The Offering closed November 16, 2017. The Partnership received proceeds before expenses from the Offering of approximately \$1.48 billion. The Partnership intends to use the net proceeds from the Offering to repay amounts outstanding under its existing revolving credit facilities and for general partnership purposes.

The Underwriting Agreement contains customary representations, warranties and agreements by the Partnership, and customary conditions to closing, indemnification obligations of the Partnership and the Underwriters, including for liabilities under the Securities Act, other obligations of the parties and termination provisions.

The Underwriters may, from time to time, engage in transactions with and perform services for the Partnership and its affiliates in the ordinary course of business. Affiliates of each of the Underwriters are lenders under the revolving credit facilities and, accordingly, may receive a portion of the net proceeds from this Offering.

The foregoing description of the Underwriting Agreement is not complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is attached as Exhibit 1.1 to this Current Report on Form 8-K and incorporated into this Item 1.01 by reference. Legal opinions relating to the Preferred Units are included as Exhibits 5.1 and 8.1 to this Current Report on Form 8-K.

Item 3.03. Material Modification to Rights of Security Holders.

The information set forth under Item 5.03 is incorporated by reference into this Item 3.03.

Item 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On November 16, 2017, in connection with the issuance of the Preferred Units, Energy Transfer Partners GP, L.P. (the “General Partner”) adopted Amendment No. 1 to the Fourth Amended and Restated Agreement of Limited Partnership of the Partnership to established the rights and obligations of the Preferred Units and make other miscellaneous revisions. The Preferred Units entitle their holders to certain rights that are senior to the rights of holders of common units representing limited partner interests in the Partnership (“Common Units”), such as rights to certain distributions and rights upon liquidation of the Partnership.

The Preferred Units rank senior to the Common Units and to any other class or series of the Partnership’s equity interests that may be established after the original issue date of the Preferred Units (the “Original Issue Date”) and that are not expressly made senior to or on parity with the Preferred Units as to the payment of distributions and amounts payable upon a liquidation event. The Preferred Units rank junior to any other class or series of the Partnership’s equity interests that may be established after the Original Issue Date and that are expressly made senior to the Preferred Units to the payment of distributions and amounts payable upon a liquidation event. The Preferred Units have no stated maturity and are not subject to mandatory redemption or any sinking fund and will remain outstanding indefinitely unless repurchased or redeemed by the Partnership, as described below.
