CORPORATE GOVERNANCE

Code of Business Conduct and Ethics

The Company has a Code of Business Conduct and Ethics that is applicable to all of the Company's employees, officers and directors, including its Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer. This Code addresses a variety of issues, including conflicts of interest, the protection of confidential information, insider trading, and employment practices. It also requires strict compliance with all laws, rules and regulations governing the conduct of the Company's business.

The Code of Business Conduct and Ethics is posted in the Corporate Governance area of the Investor Relations section of the Company's website at www.invtitle.com. The Company intends to disclose future amendments to or waivers from the Code of Business Conduct and Ethics on its website within two business days after such amendment or waiver.

Executive Sessions

Executive sessions that include only the independent members of the Board of Directors are held regularly.

Communication with Directors

Shareholders can communicate with members of the Company's Board of Directors in one of two ways. Shareholders may mail correspondence to the attention of the Corporate Secretary, P.O. Box 2687, Chapel Hill, North Carolina 27515-2687. Any correspondence sent via mail should clearly indicate that it is a communication intended for the Board of Directors. Shareholders may also use electronic mail to contact the Board of Directors at boardofdirectors@invtitle.com. The Corporate Secretary regularly monitors this email account. Any communication that is intended for a particular Board member or committee should clearly state the intended recipient.

The Corporate Secretary will review all communications sent to the Board of Directors via mail and email and will forward all communications concerning Company or Board matters to the Board members within five business days of receipt. If a communication is directed to a particular Board member or committee, it will be passed on only to that member or the members of that committee; otherwise, relevant communications will be forwarded to all Board members.

Director Qualification Standards

The Nominating Committee considers a variety of factors before recommending potential new Board members or the continued service of existing Board members. At a minimum, the Nominating Committee believes that a director nominee must demonstrate character and integrity, have an inquiring mind, possess substantial experience at a strategy or policy setting level, demonstrate an ability to work effectively with others, possess either high-level managerial experience in a relatively complex organization or experience dealing with complex problems, have sufficient time to devote to the affairs of the Company and be free from conflicts of interest with the Company and its subsidiaries.

Other factors the Nominating Committee considers when evaluating a director nominee are:

1. Whether the nominee assists in achieving a diverse mix of Board members;
2. The extent of the nominee's business experience, technical expertise, and specialized skills or experience;
3. Whether the nominee, by virtue of particular experience relevant to the Company's current or future business, will add specific value as a Board member; and
4. Any factors related to the ability and willingness of a new nominee to serve, or an existing nominee to continue his or her service to, the Company.

The Nominating Committee believes that a majority of the directors should be independent as defined by applicable NASDAQ listing standards and, as a result, it also considers whether a director nominee is independent under the Company's Board of Director Independence Standards. The Committee also requires that all members of the Audit Committee be financially literate pursuant to applicable NASDAQ listing standards and that at least one member of the Audit Committee be an audit committed financial expert as defined by Securities and Exchange Commission rules and regulations. Therefore, the Nominating Committee considers whether a director nominee meets these criteria when evaluating his or her qualifications.

It is the policy of the Nominating Committee to consider all director candidates recommended by shareholders, provided that such recommendations are made in accordance with the procedures outlined in the section entitled "The Nominating Committee." The Nominating Committee evaluates such candidates in accordance with the same criteria it uses to evaluate all other director candidates.

Independent Directors

The Board of Directors has determined that, under the Company's Board of Director Independence Standards, Mr. Francis, Mr. Harrell, Mr. Kennedy, Mr. King, Mr. Morton and Mr. Parker are independent directors. The Board of Director Independence Standards can be found on the Investor Relations section of the Company's website at www.invtitle.com under the heading "Corporate Governance."

INDEPENDENT AUDITOR

On September 24, 2004, the Audit Committee of the Board of Directors appointed Dixon Hughes PLLC as the Company's independent accountants to audit the consolidated financial statements for 2004 and 2005 and approved the terms of its engagement. Dixon Hughes PLLC replaced Deloitte & Touche LLP. Also, effective September 24, 2004 the Committee dismissed Deloitte & Touche LLP.

In connection with Deloitte & Touche LLP's audits during the two years ended December 31, 2002 and 2003, and through the date of the Audit Committee's action dismissing Deloitte & Touche LLP, there were no disagreements with Deloitte & Touche LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Deloitte & Touche LLP's satisfaction, would have caused it to make reference to the subject matter of the disagreement in connection with its reports on the Company's financial statements. During 2002 and 2003, and through

Edgar Filing: INVESTORS TITLE CO - Form DEF 14A

the date of the Audit Committee's action dismissing Deloitte & Touche LLP, there were no reportable events requiring disclosure pursuant to Item 304(a)(1)(v) of Regulation S-K.

Deloitte & Touche LLP's audit reports on the Company's consolidated financial statements as of and for the years ended December 31, 2002 and 2003 did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two most recent fiscal years ended December 31, 2002 and December 31, 2003, and the subsequent interim period through the date of the Company's appointment of Dixon Hughes PLLC on September 24, 2004, neither the Company nor anyone on its behalf consulted with Dixon Hughes PLLC regarding any of the matters or events set forth in Item 304 (a)(2)(i) and (ii) of Regulation S-K.

The Audit Committee selected Dixon Hughes PLLC as the Company's independent auditor for the fiscal year ended December 31, 2005. Dixon Hughes PLLC served as the Company's independent auditor for the fiscal year ended December 31, 2004 and its representatives are expected to attend the 2005 Annual Meeting of Shareholders and to be available to respond to appropriate questions. They will have the opportunity to make a statement if they wish to do so.

Audit and Non-Audit Fees

Aggregate fees for professional services rendered by the Company's principal accounting firm, Dixon Hughes PLLC, for the year ended December 31, 2004 and by the Company's prior principal accounting firm for the year ended December 31, 2003, are set forth below.

	<u>2004</u>	<u>2003</u>
Audit Fees (1)	\$ 152,250	\$ 125,850
Audit-Related Fees	0	0
Tax Fees (2)	28,200	35,400
All Other Fees (3)	0	0
	<u> </u>	<u> </u>
Total Fees (4)	<u>\$ 180,450</u>	<u>\$ 161,250</u>

(1) Audit fees consisted of the audit of the Company's financial statements, reviews of the Company's quarterly financial statements and services rendered in connection with statutory and regulatory filings.

(2) Tax fees consisted primarily of tax compliance services. For the year ended December 31, 2004, Dixon Hughes PLLC rendered services in connection with tax compliance fees.

(3) The Company generally does not engage the principal accounting firm to perform other services.

(4) All of the above services either were approved by the Audit Committee, or the Audit Committee Chair or Vice-Chair under the authority of the Audit Committee, prior to entering into the engagement or the engagement to render such services was pre-approved pursuant to the Company's Audit and Non-Audit Services Pre-Approval Policy.

Audit and Non-Audit Services Pre-Approval Policy

The Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy for pre-approving all audit and permissible non-audit services provided by the Company's independent auditor.

Edgar Filing: INVESTORS TITLE CO - Form DEF 14A

Each year prior to engaging the independent auditor for the following year's audit, the Audit Committee pre-approves independent auditor services and associated fees within the categories of Audit Services, Audit-Related Services, Tax Services, and Other Services.

Throughout the year, circumstances may arise that require the engagement of the independent auditor for additional services that were not contemplated by the existing pre-approval categories. In that case, the Audit and Non-Audit Services Pre-Approval Policy requires specific approval of such services before engaging the independent auditor. To ensure the prompt handling of such matters, the Audit Committee has granted pre-approval authority to both its Chair and its Vice-Chair. The Chair or Vice-Chair reports any pre-approval decisions made at the next Audit Committee meeting.

Audit Committee Report

The Audit Committee is directly responsible for appointing, compensating and overseeing the work of the Company's independent auditor. In order to effectively carry out its duties, the Audit Committee has established procedures for pre-approving all audit and permissible non-audit services provided by the independent auditor. Management is responsible for the financial reporting process, including the system of internal controls, for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

The Company's independent auditors provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, that describes all relationships between the Company and its independent auditors that might bear on the auditors' independence. The Audit Committee discussed with the independent auditors any relationships that may have an impact on the auditors' objectivity and independence. Finally, the Audit Committee considered whether the independent auditors' performance of services, other than audit services, is compatible with maintaining the independence of the auditors.

The Audit Committee discussed and reviewed with management and the independent auditors the audited financial statements of the Company as of and for the year ended December 31, 2004.

The Audit Committee discussed with the independent auditors those matters required to be discussed by Statement on Auditing Standards No. 61, as amended. The Audit Committee discussed and reviewed the audited financial statements for 2004 with management and the independent auditors. The Audit Committee reviewed with the independent auditors their audit plans, audit scope and identification of audit risks.

Based on the reviews and discussion referenced above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

Executive Employment Agreements

Investors Title Insurance Company (ITIC), a wholly owned subsidiary of the Company, entered into an employment agreement with J. Allen Fine effective November 2003, as amended June 2004. The initial term of this agreement is five years and, on the first day of each calendar month, the term is extended one additional month so that at all times the term is five years, unless terminated sooner pursuant to the agreement. Under the agreement, Mr. Fine is entitled to a base salary of not less than \$259,500 per

year, subject to increase (as determined by the compensation committee of ITIC's Board of Directors, subject to the approval of the Compensation Committee of the Company's Board of Directors) and may also receive discretionary cash bonuses (subject to the approval of the Compensation Committee of the Company's Board of Directors). In the event of a change in control of ITIC or the Company (as defined in the agreement), Mr. Fine's base salary in effect at such time will double. Under the agreement, ITIC also agrees to make quarterly contributions on Mr. Fine's behalf to a Non-Qualified Supplemental Retirement Benefit Plan in an amount equal to 22% of his base salary and bonus for the quarter for a minimum of 20 calendar quarters. In the event Mr. Fine's employment terminates before ITIC makes such contributions for 20 quarters, the agreement provides that ITIC will make a lump sum payment to Mr. Fine equal to the deficiency. The agreement also contains provisions relating to protection of the confidential information of ITIC and its parent, subsidiaries and affiliates and prohibits Mr. Fine from competing with any such party in the State of North Carolina, or soliciting the employees of any such party, while employed by ITIC and for a period of two years following termination of his employment.

Pursuant to Mr. Fine's employment agreement, he receives certain payments and benefits, described generally below, in the event of the termination of his employment. If Mr. Fine's employment is terminated due to his death, disability or retirement (following his 70th birthday), he is entitled to receive, among other things, his then current base salary for three years, three times his average bonus compensation during the preceding three years, accrued benefits under the Non-Qualified Supplemental Retirement Benefit Plan and Non-Qualified Deferred Compensation Plan, accelerated vesting in full of all his stock options, and continued participation in the Company's health insurance plans at no expense until his death.

If ITIC terminates Mr. Fine's employment other than for cause (as defined in the agreement) or if ITIC materially breaches the agreement and Mr. Fine terminates his employment as a result thereof, Mr. Fine is entitled to receive, among other things, his then current base salary for a period of five years, five times his average bonus compensation during the preceding three years, accrued benefits under the Non-Qualified Supplemental Retirement Benefit Plan and Non-Qualified Deferred Compensation Plan, accelerated vesting in full of all his stock options and the continued health insurance coverage as described above.

If Mr. Fine terminates his employment because of a change in control (as defined in the agreement) of the Company or ITIC, he is entitled to receive, among other things, payments equal to 2.99 times his then base salary, 2.99 times his average bonus compensation during the preceding three years, and accrued benefits under the Non-Qualified Supplemental Retirement Benefit Plan and Non-Qualified Deferred Compensation Plan, as well as accelerated vesting in full of all his stock options and the continued health insurance coverage as described above. If any portion of these payments and benefits, or payments and benefits under any other plan, agreement or arrangement, would constitute an excess parachute payment for purposes of the Internal Revenue Code, such payments and benefits payable under the agreement will be reduced until no portion thereof would fail to be deductible by reason of being an excess parachute payment.

ITIC entered into substantially identical employment agreements with James A. Fine, Jr. and W. Morris Fine also effective November 2003 and amended June 2004; except that the current base salary for each James A. Fine, Jr. and W. Morris Fine as provided in each of their employment agreements is \$207,000 per year, and their agreements also provide for continued health insurance coverage, following certain employment terminations, for their spouses and dependent children at no expense until death.

Non-Qualified Supplemental Retirement Benefit Plan

The Company's Compensation Committee adopted a Non-Qualified Supplemental Retirement Benefit Plan of the Company's wholly owned subsidiary, Investors Title Insurance Company, in November 2003. This plan is an unfunded defined contribution plan designed to provide additional retirement benefits on a tax deferred basis for select management or highly compensated employees. Participants in the plan are determined by the Compensation Committee and currently only the named executive officers participate. The rights of the participants are those of general, unsecured creditors.

Under the Non-Qualified Supplemental Retirement Benefit Plan, beginning in January 2004, ITIC makes quarterly hypothetical contributions to each participant's account under the plan equal to 22% of the participant's salary and bonus compensation during the quarter. Once ITIC has contributed this amount for 20 quarters, additional contributions to a participant's account will be discretionary. If a participant terminates employment before ITIC has made contributions for 20 quarters, then a lump sum hypothetical contribution to the terminated participant's account equal to the number of quarters less than 20 will be made. The hypothetical rate of return on amounts credited to a participant's account will be determined by the Compensation Committee from time to time.

Amounts in a participant's account (reflecting the hypothetical contributions and any deemed returns) are paid at the participant's termination of employment or death during employment in a lump sum, equal annual installments payable over five, 10 or 15 years or life annuity payments, as the participant elects.

The amounts credited to the Non-Qualified Supplemental Retirement Benefit Plan accounts of the named executive officers reflecting the hypothetical contributions for 2004 are included in the All Other Compensation figure shown in the Summary Compensation Table above.

Non-Qualified Deferred Compensation Plan

The Company's Compensation Committee adopted a Non-Qualified Deferred Compensation Plan of the Company's wholly owned subsidiary, Investors Title Insurance Company, in June 2004. The plan is an unfunded defined contribution plan designed to permit select management or highly compensated employees to set aside additional retirement benefits on a pre-tax basis. Participants in the plan are determined by the Compensation Committee and currently only the named executive officers participate. The rights of the participants are those of general, unsecured creditors.

The Deferred Compensation Plan permits, for 2005 and subsequent calendar years, each participant to annually defer any portion of his salary or bonus and have the amount deferred credited to the participant's account under the plan. The plan also provides that on or before December 31st of each year, beginning in 2004, ITIC will make a hypothetical contribution to a participant's account under the plan equal to the amount that ITIC would have contributed to the participant's Simplified Employee Pension Plan if ITIC's contributions to this plan were not limited under the federal tax laws. Amounts credited to a participant's account under the plan will be deemed invested as the participant shall from time to time determine in various investment funds approved by ITIC. Amounts in a participant's account (reflecting compensation deferred, ITIC's hypothetical contributions and any deemed returns) are paid at the participant's termination of employment in a lump sum.

The amounts credited to the Deferred Contribution accounts of the named executive officers for 2004 are included in the All Other Compensation figure shown in the Summary Compensation Table above.

COMPENSATION COMMITTEE REPORT

All members of the Company's Compensation Committee are independent directors as determined by the Company's Board of Directors. The Company's Board of Director Independence Standards can be found in the Corporate Governance area of the Investor Relations section of the Company's website at www.invtile.com.

Overview of Compensation Philosophy

The Company strives to provide an overall competitive compensation package that allows it to both attract and retain qualified and experienced corporate officers and key employees while motivating its employees to perform to their fullest extent. To ensure this environment, the Company considers factors such as job performance, experience and contribution to the growth of the Company in determining an employee's annual compensation. Investors Title Company's compensation package remains competitive with compensation packages offered by other employers of comparable size engaged in similar lines of business. All annual salaries and cash bonuses are paid by a subsidiary of the Company as the Company functions as a holding company and has no payroll.

Evaluation of Executive Performance

In evaluating the performance and establishing the incentive compensation of the Chief Executive Officer and other executive officers, the Compensation Committee has reviewed and taken into account the efforts of those employees to expand the Company's agent base, to grow income from non-title sources, and various financial profitability measures including the Company's profit margin and return on equity.

Total Compensation

The major elements of compensation for each of the Company's executive officers, including the Chief Executive Officer, consists of an annual base salary and cash bonus, stock options, and contributions under a Simplified Employee Pension Plan, a Non-Qualified Supplemental Retirement Benefit Plan and a Non-Qualified Deferred Compensation Plan. In determining the amount of each such element of the compensation package for these executive officers, the Compensation Committee takes into consideration the value of each executive's total compensation. Each element of the Chief Executive

Officer's compensation is set forth below under Compensation for the Chairman and Chief Executive Officer .

Salaries and Bonuses

The annual salary is paid in recognition of ongoing performance throughout the year. Additionally, the executive officers named in the Summary Compensation Table and other senior executives of the Company may receive stock and/or cash bonuses based upon their job performance throughout the year. Each March, the approved bonus is paid to reward performance in the prior year. The salary, bonus and other compensation of our Named Executive Officers are shown in the Summary Compensation Table.

Stock Options

The Compensation Committee periodically considers issuing stock options to its employees in order to link the interests and concerns of the Company's executives with those of its shareholders. Stock option grants provide an incentive for executives to focus on managing the Company from the perspective of an owner with an equity stake in the Company. In the Committee's opinion, past stock option grants were successful in focusing senior management on building profitability and shareholder value. The Chief Executive Officer is eligible to participate in the same executive compensation plans, including stock option plans, which are available to the other senior executives.

All stock option grants are made under the Investors Title Company 1997 and 2001 Stock Option and Restricted Stock Plans, which shareholders approved on May 13, 1997 and May 16, 2001, respectively. Stock option grants generally become exercisable in ten equal annual installments beginning on grant date, and no more than 50,000 options may be granted to one individual under each Plan. No new stock option grants were made to the Named Executive Officers in 2004.

Non-Qualified Supplemental Retirement Benefit Plan

The Committee approved a Non-Qualified Supplemental Retirement Benefit Plan effective November 1, 2003. The purpose of this Plan is to provide additional retirement benefits to eligible employees on a non-qualified, tax-deferred basis, for the purpose of providing deferred compensation for a select group of management or highly compensation employees. Benefits under this Plan are paid upon termination of employment. Currently, only executive officers participate in this plan. For a more detailed description of the plan and the benefits to the participants there under, see Executive Compensation Non-Qualified Supplemental Retirement Benefit Plan above.

Non-Qualified Deferred Compensation Plan

The Committee approved a Non-Qualified Deferred Compensation Plan effective June 1, 2004. The purpose of this Plan is to permit selected members of management and/or highly compensated employees to set aside additional retirement benefits on a pre-tax basis. All benefits under this Plan are paid to the participant upon termination of employment. Currently, only executive officers participate in this plan. For a more detailed description of the plan and the benefits to the participants there under, see Executive Compensation Non-Qualified Deferred Compensation Plan above.

Compensation for the Chairman and Chief Executive Officer

The Committee increased J. Allen Fine's annual salary from \$259,500 to \$267,200 effective March 1, 2005, and approved a discretionary cash bonus payable on March 15, 2005 of \$250,000. This annual salary increase of 3% remains consistent with the majority of management salary adjustments for this time

period, and the cash bonus remains the same amount as granted in 2004. The cash bonus awarded for 2004 was given in recognition of his leadership efforts in the Company improving its profitability, the formation of Investors Trust Company, and the overall performance of the Company. The Company also credited amounts to Mr. Fine's accounts under the Non-Qualified Supplemental Retirement Benefit Plan and the Non-Qualified Deferred Compensation Plan, in accordance with the terms of each plan.
