PROXY STATEMENT FOR THE ANNUAL MEETING OF STOCKHOLDERS

To be held on July 19, 2011

THE ANNUAL MEETING

General

This proxy statement (the "**Proxy Statement**") is furnished in connection with the solicitation of proxies by the Board of Directors (the "**Board of Directors**") of Uranium Energy Corp. ("**we**", "**us**", "**our**" or the "**Company**") for use in connection with our annual meeting of our stockholders (the "**Annual Meeting**") to be held on July 19, 2011, at 12:00 p.m. (Vancouver time), at Suite 1500, 1055 West Georgia Street, Vancouver, British Columbia, Canada, V6E 4N7, or at any adjournment thereof, for the purposes set forth in the accompanying Notice of Meeting.

In accordance with rules and regulations recently adopted by the Securities and Exchange Commission (the "**SEC**"), instead of mailing a printed copy of our proxy materials to each stockholder of record, we may now furnish proxy materials to our stockholders on the Internet. On or about June 9, 2011, the Company mailed to all stockholders of record, as of May 24, 2011 (the "**Record Date**"), a Notice of Internet Availability of Proxy Materials (the "**Notice**"). If you received only a Notice by mail, you will not receive a printed copy of the proxy materials.

Please carefully review the Notice for information on how to access our proxy materials, consisting of the notice of annual meeting, proxy statement and proxy card, on

www.proxyvote.com. You may also access our Annual Report on Form 10-K for our fiscal year ended July 31, 2010, including financial statements for such period. However, our Annual Report on Form 10-K does not constitute any part of the material for the solicitation of proxies.

The Notice also includes instructions as to how you may submit your proxy on the Internet or over the telephone.

If you received only a Notice by mail and would like to receive a printed copy of our proxy materials, including a proxy card, or a copy of our Annual Report on Form 10-K, you should follow the instructions for requesting such materials included in the Notice. There is no charge to you for requesting a paper copy of these documents.

Our principal executive office is located at #320 - 1111 West Hastings Street, Vancouver, British Columbia, Canada, V6E 2J3.

Manner of Solicitation and Expenses

Proxies will be solicited by us initially by mail. Further solicitation may be made by our directors, officers or regular employees, by telephone, facsimile or other acceptable manner. We will bear the expenses incurred in connection with the solicitation of proxies for the Annual Meeting. Upon request, we will also reimburse brokers, dealers, banks or similar entities acting as nominees for their reasonable expenses incurred in forwarding copies of the proxy materials to the beneficial owners of the shares of our common stock as of the Record Date.

Record Date and Voting Shares

Our Board of Directors has fixed the close of business on May 24, 2011, as the Record Date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. As of the Record Date there were approximately 72,334,698 shares of our common stock issued, outstanding and entitled to vote at the Annual Meeting. Holders of common stock are entitled to one vote at the Annual Meeting for each share of common stock held of record as of the Record Date. There is no cumulative voting in the election of directors.

Quorum

A quorum is necessary to hold a valid meeting of our stockholders. The required quorum for the transaction of business at the Annual Meeting is one-third of our issued and outstanding shares of common stock as of the Record Date.

In order to be counted for purposes of determining whether a quorum exists at the Annual Meeting, shares must be present at the Annual Meeting either in person or represented by proxy. Shares that will be counted for purposes of determining whether a quorum exists will include:

- ◆ shares represented by properly executed proxies for which voting instructions have been given, including proxies which are marked "Abstain" or "Withhold" for any matter;
- ◆ shares represented by properly executed proxies for which no voting instruction has been given; and
- ◆ broker non-votes.

Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker

does not have discretionary authority to vote such shares.

Entitlement to Vote

If you are a registered holder of shares of our common stock as of May 24, 2011, the Record Date for the Annual Meeting, you may vote those shares of our common stock in person at the Annual Meeting or by proxy in the manner described below under "Voting of Proxies". If you hold shares of our common stock in "street name" through a broker or other financial institution, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution in respect of voting your shares.

2

Voting of Proxies

You can vote the shares that you own of record on the Record Date by either attending the Annual Meeting in person or by filling out and sending in a proxy in respect of the shares that you own. Your execution of a proxy will not affect your right to attend the Annual Meeting and to vote in person. You may also submit your proxy on the Internet or over the telephone by following the instructions contained in the Notice.

You may revoke your proxy at any time before it is voted by:

- (a) filing a written notice of revocation of proxy with our corporate secretary at any time before the taking of the vote at the Annual Meeting;
- (b) executing a later-dated proxy and delivering it to our corporate secretary at any time before the taking of the vote at the Annual Meeting; or
- (c) attending at the Annual Meeting, giving affirmative notice that you intend to revoke your proxy and voting in person. Please note that your attendance at the Annual Meeting will not, in and of itself, revoke your proxy.

All shares of common stock represented by properly executed proxies received at or prior to the Annual Meeting that have not been revoked will be voted in accordance with the instructions of the stockholder who has executed the proxy. If no choice is specified in a proxy, the shares represented by the proxy will be voted FOR all matters to be considered at the Annual Meeting as set forth in the accompanying Notice of Meeting. The shares represented by proxy will also be voted for or against such other matters as may properly come before the Annual Meeting in the discretion of the persons named in the proxy as proxyholders. We are currently not aware of any other matters to be presented for action at the Annual Meeting other than those described herein.

Any written revocation of a proxy or subsequent later-dated proxy should be delivered to the executive offices of the Company, located at #320 - 1111 West Hastings Street, Vancouver, British Columbia, Canada, V6E 2J3, Attn: Corporate Secretary.

Votes Required

Proposal One - Election of Directors: The affirmative vote of the holders of a plurality of our shares of common stock represented at the Annual Meeting in person or by proxy is required for the election of our directors. This means that the nominees who receive the greatest number of votes for each open seat will be elected. Votes may be cast in favor of the election of directors or withheld. Votes that are withheld and broker non-votes will be counted for the purposes of determining the presence or absence of a quorum, but will have no effect on the election of directors.

Proposal Two - Appointment of Accountants: The affirmative vote of the holders of a majority of our common stock represented at the Annual Meeting in person or by proxy is required for the ratification of the appointment of our independent registered public accountants. Stockholders may vote in favor or against the proposal or they may abstain. Abstentions are deemed to be "votes cast" and will have the same effect as a vote against this proposal. Broker non-votes are not deemed to be votes cast and, therefore, will have no effect on the vote with respect to this proposal.

Proposal Three - Executive Compensation:

The vote on the compensation of our named executive officers (commonly known as a "say-on-pay" vote) is advisory, and therefore not binding on

3

the Company, the Compensation Committee or our Board of Directors.

The affirmative vote of the holders of a majority of our common stock represented at the Annual Meeting in person or by proxy is required for the non-binding advisory vote on executive compensation. Stockholders may vote in favor or against the proposal or they may abstain. Abstentions are deemed to be "votes cast" and will have the same effect as a vote against this proposal. Broker non-votes are not deemed to be votes cast and, therefore, will have no effect on the vote with respect to this proposal.

Proposal Four - Frequency of Executive Compensation Votes:

The vote on how often the Company should include a say-on-pay vote in its proxy materials for future annual meetings of stockholders is advisory, and therefore not binding on the Company, the Compensation Committee or our Board of Directors. The affirmative vote of the holders of a majority of our common stock represented at the Annual Meeting in person or by proxy is required for the non-binding vote on frequency of executive compensation votes. Stockholders may vote in favor of one of the options for the proposal or they may abstain. Abstentions are deemed to be "votes cast" and will have the same effect as a vote against this proposal. Broker non-votes are not deemed to be votes cast and, therefore, will have no effect on the vote with respect to this proposal. The option receiving the greatest number of votes (every one, two or three years) will be considered the frequency selected by stockholders.

Stockholder Proposals

No proposals have been received from any stockholder for consideration at the Annual Meeting.

Other Matters

It is not expected that any matters other than those referred to in this Proxy Statement will be brought before the Annual Meeting. If other matters are properly presented, however, the persons named as proxyholders will vote in accordance with their best judgment on such matters. The grant of a proxy also will confer discretionary authority on the persons named as proxyholders to vote in accordance with their best judgment on matters incident to the conduct of the Annual Meeting.

Solicitation of Proxies

This proxy solicitation is made on behalf of our Board of Directors. We will solicit proxies initially by mail. Further solicitation may be made by our directors, officers and employees personally, by telephone, facsimile, e-mail, internet or otherwise, but they will not be specifically compensated for these services. Upon request, we will reimburse brokers, dealers, banks or similar entities acting as nominees for their reasonable expenses incurred in

forwarding copies of the Notice or any requested proxy materials to the beneficial owners of the shares of our common stock they hold as of the Record Date. We will bear the expenses incurred in connection with printing, filing and mailing of the Notice and this Proxy Statement.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the following persons has any substantial interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Annual Meeting, other than elections to office and as named executive officers in respect of whose compensation the non-binding advisory vote on executive compensation will be held:

4

- ◆ each nominee for election as one of our directors; or
- ◆ any associate of any of the foregoing persons.

- ◆ each person who is known by us to beneficially own more than 5% of our shares of common stock; and
- ◆ each executive officer, each director and all of our directors and executive officers as a group.

The number of shares beneficially owned and the related percentages are based on 72,334,698 shares of common stock outstanding as of May 24, 2011.

For the purposes of the information provided below, shares that may be issued upon the exercise or conversion of options, warrants and other rights to acquire shares of our common stock that are exercisable or convertible within 60 days following May 24, 2011, are deemed to be outstanding and beneficially owned by the holder for the purpose of computing the number of shares and percentage ownership of that holder, but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person.

Board Independence

The Board of Directors has determined that Erik Essiger, Ivan Obolensky, Vincent Della Volpe and David Kong each qualify as independent directors under the listing standards of the NYSE Amex Equities stock exchange (the "NYSE Amex").

Committees of the Board of Directors

Our Board of Directors currently has three Board of Director Committees: an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee. These Committees operate pursuant to charters adopted in respect of each Committee; copies of which are posted on the Company's website at www.uraniumenergy.com

The following sets forth information relating to the Company's Board of Director Committees:

Audit Committee

Our Audit Committee has been structured to comply with Rule 10A-3 under the United States *Securities Exchange Act of 1934*, as amended (the "**Exchange Act**"). During fiscal period ended July 31, 2010, our Audit Committee was comprised of Ivan Obolensky, Vincent Della Volpe and Mark A. Katsumata, all of whom qualified as independent directors under NYSE Amex rules. Mr. Katsumata was a director of our Company and the Chairman of our Audit Committee from May 11, 2009 until January 5, 2011 and our Board of Directors has determined that he satisfied the criteria for an audit committee financial expert under applicable SEC rules. Mr. Kong was appointed as a director on January 5, 2011 to fill the vacancy left by Mr. Katsumata's resignation. The Board of Directors appointed Mr. Kong as a member and the Chairman of the Company's Audit Committee. Mr. Kong qualifies as an independent director under NYSE Amex rules, and our Board of Directors has determined that Mr. Kong satisfies the criteria for an audit committee financial expert under applicable SEC rules. Each Audit Committee member is able to read and understand fundamental financial statements, including the Company's consolidated balance sheets, consolidated statements of operations and consolidated statements of cash flows.

The Audit Committee meets with management and our external auditors to review matters affecting the Company's financial reporting, the system of internal accounting and financial controls and procedures and audit procedures and audit plans. The Audit Committee reviews significant financial risks, is involved in the appointment of senior financial executives and annually reviews our insurance coverage and any off balance sheet transactions.

The Audit Committee is mandated to monitor our Company's audit and the preparation of financial statements and to review and recommend to the Board of Directors all financial disclosure contained in our Company's public documents. The Audit Committee is also mandated to appoint external auditors, monitor their qualifications and independence and determine the appropriate level of their remuneration. The external auditors report directly to the Audit Committee and to the Board of Directors. The Audit Committee and Board of Directors each have the authority to terminate the external auditor's engagement (subject to confirmation by our stockholders). The Audit Committee also approves in advance any permitted services to be provided by the external auditors which are not related to the audit.

We will provide appropriate funding as determined by the Audit Committee to permit the Audit Committee to perform its duties and to compensate its advisors. The Audit Committee, at its discretion, has the authority to initiate special investigations and, if appropriate, hire special legal, accounting or other outside advisors or experts to assist the Audit Committee to fulfill its duties.

The Audit Committee discharged its mandate in respect of the financial period ended July 31, 2010, including the review and recommendation to the Board of Directors of all financial disclosure contained in our Company's public documents. The Audit Committee held four meetings during the period ended July 31, 2010, and also acted through the adoption of written consent resolutions as permitted under the *Nevada Revised Statutes* and our Company's Bylaws.

Report of the Audit Committee

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal period ended July 31, 2010, with the Company's management. In addition, the Audit Committee has discussed with the Company's independent registered public accounting firm, Ernst & Young LLP, the matters required by Statement on Auditing Standards No. 61, *Communication with Audit Committees*. The Audit Committee has received the written disclosures and the letter from Ernst & Young LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding Ernst & Young LLP's communications with the Audit Committee concerning independence, and has discussed with Ernst & Young LLP their independence. The Audit Committee considered the compatibility of non-audit services with the auditors' independence. Based on the discussions and reviews referenced above, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal period ended July 31, 2010, be included in the Company's Annual Report on Form 10-K, for the period ended July 31, 2010. The Audit Committee has selected Ernst & Young LLP to serve as the Company's Independent Registered Public Accounting Firm for fiscal 2011. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Oversight of Executive Compensation Program

The Compensation Committee of the Board of Directors of the Company is responsible for establishing and administering the Company's executive and director compensation.

The Compensation Committee is composed entirely of independent, non-management members of the Board of Directors. The Board of Directors has determined that none of the Compensation Committee members have any material business relationships with the Company. Independency is re-assessed annually.

The responsibilities of the Compensation Committee, as stated in its charter, include the following:

- review and approve the Company's compensation guidelines and structure;

17

- ◆ review and approve on an annual basis the corporate goals and objectives with respect to compensation for the chief executive officer;
- ◆ review and approve on an annual basis the evaluation process and compensation structure for the Company's other officers, including salary, bonus, incentive and equity compensation; and
- ◆ periodically review and make recommendations to the Board of Directors regarding the compensation of non-management directors.

Overview of Executive Compensation Program

The Company recognizes that people are our primary asset and our principal source of competitive advantage. In order to recruit, motivate and retain the most qualified individuals as senior executive officers, the Company strives to maintain an executive compensation program that is competitive in the mining industry which is a competitive, global labor market.

The Compensation Committee's compensation objective is designed to attract and retain the best available talent while efficiently utilizing available resources. The Committee compensates executive management primarily through

base salary and equity compensation designed to be competitive with comparable companies, and to align management's compensation with the long-term interests of shareholders. In determining an executive management's compensation, the Compensation Committee also takes into consideration the financial condition of the Company and discussions with the executive.

In order to accomplish our goals and to ensure that the Company's executive compensation program is consistent with its direction and business strategy, the compensation program for our senior executive officers is based on the following objectives:

- ◆ encourage and reward performance which supports the Company's core values and business objectives;
- ◆ emphasize a "pay for performance" system, in which an individual's short and long-term compensation and career advancement are dependent upon both individual and Company performance, with an objective of increasing long-term shareholder value; and
- ◆ provide competitive total compensation and reward programs to enhance the Company's ability to attract, motivate and retain knowledgeable and experienced senior executive officers.

Compensation Elements and Rationale

There are three basic components to the Company's executive compensation program: base salary, short term incentive cash awards and long-term incentive equity compensation.

(i) *Base Salary*

Annual base salary must be considered in the context of the overall compensation package. Generally, the Company will target being competitive within the peer group and market place where we compete for talent, therefore the Company has conducted an internal survey of companies within our industry and has found our annual base salaries to be aligned with those within the peer group.

18

(ii) *Short Term Incentive (Cash)*

The objective of the short term incentive program is to motivate the executive officers to achieve pre-determined objectives and provide a means to reward the achievement of corporate milestones and fulfillment of the annual business plan. During the fiscal years 2008 and 2009 the Company did not award any short term incentive, which we considered appropriate due to the decline of the global capital markets. During 2010 the Company was in transition from an operating company to a producing company, whereby the process for the award of short term incentives was formalized. During 2010 corporate and individual goals were set for each executive officer and every award of short term incentive payments or bonuses was made after evaluation of demonstrated results measured pursuant to pre-established measurement criteria. As significant corporate milestones were achieved by the Company during 2010, short term incentive compensation awards became a more significant element of the overall executive officer compensation program.

(iii) *Long Term Incentive (Equity)*

The Company's long term incentive program provides for the granting of stock options to senior executive officers to both motivate executive performance and retention, as well as align executive officer performance to shareholder

value. In awarding long term incentives, the Company compares the long term incentive program to that of peer group companies and evaluates such factors as the number of options available under its stock option plans and the number of options outstanding relative to the number of shares outstanding. The Company has historically sought to award stock options on a competitive basis therefore the Company has conducted an internal survey of companies within our industry and has found our long term incentive to be aligned with those within the peer group.

Option award compensation is defined as the fair value of stock options granted during the period. Fair value is estimated at the date of the stock option grant using the Black-Scholes option-pricing model utilizing variables such as expected volatility, expected life and expected forfeiture rates. The fair value of the stock options are not indicative of the actual value received by the optionees, and could be materially different upon exercise of their stock options. All stock options granted have an exercise price equal to the market value of the underlying common shares on the date of grant.

(iv) *Non-cash Compensation*

The Company provides standard health benefits to its executives.

Due to the economic downturn in 2009, all director and officer cash compensation amounts were voluntarily reduced by 20% effective January 1, 2009 through July 31, 2009 inclusive.

Review of Senior Executive Officer Performance

The Compensation Committee reviews, on an annual basis, the overall compensation package for the senior executive officers and evaluates executive officer performance relative to corporate goals. The Compensation Committee has the opportunity to meet with the senior executive officers at various times during the year, which assists the Compensation Committee in forming its own assessment of each individual's performance.

In determining the compensation for the senior executive officers, the Compensation Committee considered compensation paid to other executive officers of other companies within the industry, the executive's performance in meeting goals, and the complexity of the management position and the

19

experience of the person. Of the amount of the compensation paid to the executive officer, the majority of the compensation was in the form of options. The number of options granted was determined in large part due to the financial condition of the Company which currently has no revenues.

When reviewing the executive's performance for fiscal year 2010, the Compensation Committee took into consideration both, individual and corporate performance levels. The following milestones were attained by the Company as a result of the success of the executives meeting their performance targets:

- ◆ a non-brokered financing of \$22 million;
- ◆ the completion of the South Texas Mining Venture acquisition;
- ◆ the disposition of the Cebolleta project for \$11 million;
- ◆ addition to the Russell 2000 and Russell 3000 indexes; and
- ◆ the establishment of NI 43-101 resource established at Palangana.

(1) These amounts represent fees paid by us to the Named Executive Officers during the past year pursuant to various employment and consulting services agreements, as between us and the Named Executive Officers, which are more particularly described below.

(2) Option award compensation is defined as the fair value of stock options granted during the period. Fair value is estimated at the date of the stock option grant using the Black-Scholes option-pricing model utilizing variables such as expected volatility, expected life and expected forfeiture rates. The fair value of the stock options are not indicative of the actual value received by the optionees, and could be materially different upon exercise of their stock options. All stock options granted have an exercise price equal to the market value of the underlying common shares on the date of grant. See Note 12 to the audited annual consolidated financial statements for the year ended July 31, 2010 contained in our annual report on Form 10-K for the year ended July 31, 2010

(3) The Company did not record any non-equity incentive compensation plan expense, or non-qualified deferred compensation expense for the Named Executive Officers.

We granted options to purchase shares of our common stock to the Named Executive Officers in the fiscal year ended July 31, 2010 as follows:

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL TO RATIFY THE APPOINTMENT OF ERNST & YOUNG LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS OF THE COMPANY FOR THE FISCAL PERIOD ENDING JULY 31, 2011.

PROPOSAL NUMBER THREE:

NON-BINDING VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the *Dodd-Frank Wall Street Reform and Consumer Protection Act*) and the related rules of the SEC, we are providing the Company's shareholders with the opportunity to vote on a non-binding advisory resolution to approve the compensation of the Company's Named Executive Officers as described in this Proxy Statement in accordance with the SEC's compensation disclosure rules. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on our Named Executive Officers' compensation as a whole. This vote is not intended to address any specific item of compensation or any specific named executive officer, but rather the overall compensation of all of our named executive officers and the philosophy, policies and practices described in this Proxy Statement.

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board of Directors. The say-on-pay vote will, however, provide information to us regarding investor sentiment about our executive compensation philosophy, policies and practices, which the Compensation Committee will be able to consider when determining executive compensation for the remainder of the current fiscal year and beyond. Our Board of Directors and our Compensation Committee value the opinions of our stockholders and, to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this Proxy Statement, we may communicate directly with stockholders to better understand the concerns that influenced the vote, but in all events we will consider our stockholders' concerns and will share them with the Compensation Committee which will evaluate whether any actions are necessary to address those concerns.

The key points of our 2010 executive compensation program are set forth in the "Executive Compensation" section beginning on page 17.

We believe that the information provided above and within the Executive Compensation section of this Proxy Statement demonstrates that our executive compensation program was designed appropriately and is working to ensure management's interests are aligned with our stockholders' interests to support long-term value creation. Accordingly, our Company is asking our shareholders to indicate their support for our Named Executive Officer compensation as described in this Proxy Statement by voting "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's shareholders hereby approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company's Proxy Statement for the 2011 Annual Meeting of Shareholders."

Adoption of this resolution will require the affirmative vote of a majority of the shares present or represented by proxy at the Annual Meeting and entitled to vote on the matter. Abstentions will have the same effect as votes against the Proposal. Brokers and other nominee holders do not have discretion to vote uninstructed shares with respect to this Proposal. Accordingly, if brokers or other nominee holders do not receive voting instructions from beneficial owners of the shares, they will not be able to vote the shares and broker non-votes may occur with respect to this Proposal. However, broker non-votes will not affect the outcome of the voting on this Proposal because it requires the affirmative vote of a majority of the shares present or represented by proxy at the Annual Meeting (as opposed to a majority of the shares outstanding).

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ADVISORY (NON-BINDING) VOTE APPROVING EXECUTIVE COMPENSATION.

PROPOSAL NUMBER FOUR:

NON-BINDING VOTE ON THE FREQUENCY OF
THE NON-BINDING VOTE ON EXECUTIVE COMPENSATION

As described in Proposal 3 above, the Company

's shareholders are being provided the opportunity to cast a non-binding advisory vote on the compensation of the Company's Named Executive Officers. The advisory vote on executive compensation described in Proposal 3 is commonly referred to as a "say-on-pay" vote. Section 14A of the Exchange Act (which was added by the *Dodd-Frank Wall Street Reform and Consumer Protection Act*) and the related rules of the SEC also enables the Company's shareholders to indicate, at least once every six years, how frequently the Company should seek a non-binding advisory "say-on-pay" vote.

This Proposal 4 affords shareholders the opportunity to cast a non-binding advisory vote on how often the Company should include a say-on-pay vote in its proxy materials for future annual shareholder meetings (or a special shareholder meeting for which the Company must include executive compensation information in the proxy statement for that meeting). Under this Proposal 4, shareholders may vote to have the say-on-pay vote every year, every two years or every three years.

Our Board of Directors believes that say-on-pay votes should be conducted every year so that our stockholders may provide us with their direct feedback on our named executive officer compensation decisions, as disclosed in our proxy statement each year. If say-on-pay votes are held less frequently than annually, then it would be more difficult for us to understand which compensation decisions are supported by our stockholders and which are not.

We understand that our stockholders may have different views as to what is the best approach for the Company, and we look forward to hearing from our stockholders on this Proposal.

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on executive compensation that has been selected by stockholders. However, because this vote is advisory and not binding on the Company, the Compensation Committee or our Board of Directors in any way, the Board of Directors may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option approved by our stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS AN ANNUAL VOTE AS THE FREQUENCY WITH WHICH STOCKHOLDERS ARE PROVIDED AN ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION. THE OPTION RECEIVING THE GREATEST NUMBER OF VOTES (EVERY ONE, TWO OR THREE YEARS) WILL BE CONSIDERED THE FREQUENCY SELECTED BY STOCKHOLDERS.

Stockholders who intend to submit a proposal for the Annual Meeting of stockholders to be held in 2011 and desire that such proposal be included in the proxy materials for such meeting must follow the procedures prescribed by Rule 14a-8 under the Exchange Act. To be eligible for inclusion in the proxy materials, stockholder proposals must be received by the Corporate Secretary of the Company at the Company's principal executive offices no later than February 5, 2012. Upon receipt of such a proposal, the Company will determine whether or not to include the proposal in such proxy statement and form of proxy in accordance with applicable law.
