### PROXY STATEMENT

---

#### 2003 ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is being furnished to the stockholders of CONSTELLATION BRANDS, INC. (the Company) in connection with the solicitation of proxies by the Board of Directors of the Company. The proxies are for use at the 2003 Annual Meeting of Stockholders of the Company and at any adjournment thereof (the Meeting). The Meeting will be held on Tuesday, July 15, 2003 at 11:00 a.m. (local time) at One HSBC Plaza, 100 Chestnut Street, Rochester, New York.

The shares represented by your proxy, if the proxy is properly executed and returned, and not revoked, will be voted at the Meeting as therein specified. You may revoke your proxy at any time before the proxy is exercised by delivering to the Secretary of the Company a written revocation or a duly executed proxy bearing a later date. You may also revoke your proxy by attending the Meeting and voting in person.

The shares represented by your proxy will be voted **FOR** the election of the director nominees named herein (Proposal No. 1), unless you specifically withhold authority to vote for one or more of the director nominees. Further, unless you indicate otherwise, the shares represented by your proxy will be voted **FOR** the ratification of the selection of KPMG LLP as the Company's independent public accountants for the fiscal year ending February 29, 2004 (Proposal No. 2).

The outstanding capital stock of the Company consists of Class A Common Stock, par value \$.01 per share (Class A Stock), and Class B Common Stock, par value \$.01 per share (Class B Stock). The enclosed proxy card has been designed so that it can be used by stockholders owning any combination of the Company's outstanding Class A Stock and Class B Stock. *All share, option and similar information included in this Proxy Statement reflects the effect of the Company's two-for-one stock splits that were distributed in the form of stock dividends on May 14, 2001 and May 13, 2002 to stockholders of record on April 30, 2001 and April 30, 2002, respectively.*

This Proxy Statement and the accompanying proxy card are being first mailed to stockholders on or about June 13, 2003.

## Edgar Filing: CONSTELLATION BRANDS INC - Form DEF 14A

The cost of soliciting proxies will be borne by the Company. In addition to the solicitation by use of the mail, directors, officers or regular employees of the Company, without extra compensation, may solicit proxies in person or by telephone or facsimile. The Company has requested persons holding stock for others in their names or in the names of nominees to forward these materials to the beneficial owners of such shares. If requested, the Company will reimburse such persons for their reasonable expenses in forwarding these materials.

## VOTING SECURITIES

The total outstanding capital stock of the Company, as of May 20, 2003 (the Record Date), consisted of 82,459,606 shares of Class A Stock and 12,070,770 shares of Class B Stock. Each share of Class B Stock is convertible into one share of Class A Stock at any time at the option of the holder.

Of the 82,459,606 shares of Class A Stock outstanding on the Record Date, 2,654,085 shares were held by CHESS Depository Nominees Pty Ltd. (ACN 071 346 506) (CDN), a wholly-owned subsidiary of the Australian Stock Exchange Limited (ACN 008 624 691) (the ASX). CDN has issued Constellation CHESS Depository Interests (Constellation CDIs) that represent beneficial interests in the Class A Stock held by CDN. Constellation CDIs are traded on the electronic transfer and settlement system operated by the ASX. As of the Record Date there were 26,540,850 Constellation CDIs outstanding that were held by 1,127 holders of record. All references in this Proxy Statement to outstanding shares of Class A Stock include the shares of Class A Stock held by CDN and all references to holders of Class A Stock include CDN.

Holders of Constellation CDIs receive all the economic benefits of actual ownership of Class A Stock at a ratio of ten (10) Constellation CDIs to each share of Constellation Class A Stock. Constellation CDIs can be converted to Class A Stock at any time at the option of the holder of the Constellation CDI at a ratio of one share of Class A Stock for each ten (10) Constellation CDIs. Holders of Constellation CDIs have the right to attend stockholders' meetings of the Company and to direct the vote of the shares of Class A Stock which underlie their CDIs. However, the holders of the Constellation CDIs are not entitled to vote at the stockholders' meeting. CDN, as the holder of record of the shares of Class A Stock underlying the Constellation CDIs, will vote such shares in accordance with the directions of the holders of the Constellation CDIs. If CDN does not receive a direction from a holder of Constellation CDIs as to how to vote the shares represented by those Constellation CDIs, those shares will not be voted and will not be considered present at the Meeting for quorum purposes. A form to be used to direct CDN how to vote shares of Class A Stock represented by Constellation CDIs is being delivered with this Proxy Statement to each holder of Constellation CDIs.

Only holders of record of Class A Stock and Class B Stock on the books of the Company at the close of business on May 20, 2003, the Record Date for eligibility to vote at the Meeting, are entitled to notice of and to vote at the Meeting and at any adjournment thereof. However, under arrangements established between the Company and CDN in connection with the issuance of Constellation CDIs, the holders of Constellation CDIs are entitled to notice of and to attend the Meeting. Except as otherwise required by Delaware law, the holders of Class A Stock and the holders of Class B Stock vote together as a single class on all matters other than the election of directors. Each holder of Class A Stock is entitled to one (1) vote for each share of Class A Stock registered in such holder's name, and each holder of Class B Stock is entitled to ten (10) votes for each share of Class B Stock registered in such holder's name. Therefore, holders of Class A Stock are entitled to cast a total of 82,459,606 votes and holders of Class B Stock are entitled to cast a total of 120,707,770 votes at the Meeting.

The holders of a majority of the outstanding aggregate voting power of Class A Stock (including the shares evidenced by and underlying Constellation CDIs) and Class B Stock present at the Meeting, in person or by proxy, will constitute a quorum. Shares represented by proxies marked as abstentions will be counted toward determining the presence of a quorum. Proxies relating to shares held in street name by brokers or other nominees that may be voted with respect to some, but not all, matters without instruction from the beneficial owner (broker non-votes) are counted as shares present for determining a quorum.

Under Delaware law and the Company's Restated Certificate of Incorporation and By-laws, directors are elected by a plurality of the votes cast (the highest number of votes cast) by the holders of the shares entitled to vote and actually voting, in person or by proxy. Pursuant to the Company's Restated Certificate of Incorporation, the holders of Class A Stock (including the shares evidenced by and underlying Constellation CDIs), voting as a separate class, are entitled to elect one-fourth of the number of directors to be elected at the Meeting (rounded up to the next number if the total number of directors to be elected is not evenly divisible by four). The holders of Class B Stock, voting as a separate class, are entitled to elect the remaining number of directors to be elected at the Meeting. Since the Board of Directors nominated seven (7) directors, the holders of Class A Stock will be entitled to elect two directors and the holders of Class B Stock will be entitled to elect five directors. Because the directors are elected by a plurality of the votes cast in each election, votes that are withheld will not be counted and, therefore, will not affect the outcome of the elections.

The ratification of the selection of KPMG LLP as the Company's independent public accountants for the fiscal year ending February 29, 2004 (Proposal No. 2) requires the affirmative vote of a majority of the votes entitled to be cast by stockholders present in person or represented by proxy at the Meeting. With respect to this proposal, holders of Class A Stock (including the shares evidenced by and underlying Constellation CDIs) and Class B Stock are entitled to vote as a single class at the Meeting, with holders of Class A Stock having one (1) vote per share and holders of Class B Stock having ten (10) votes per share. Therefore, abstentions will have the effect of negative votes. However, because broker non-votes are not considered entitled to vote, they will not affect the outcome of the vote.

of Class B Stock beneficially owned by each person. The number of shares and percentage of ownership assuming conversion of Class B Stock into Class A Stock are contained in the footnotes. For purposes of calculating the percentage of ownership of Class A Stock in the table and in the footnotes, additional shares of Class A Stock equal to the number of presently exercisable options and, as appropriate, the number of shares of Class B Stock owned by each person are assumed to be outstanding pursuant to Rule 13d-3(d)(1) under the Securities Exchange Act. Where the footnotes reflect shares of Class A Stock as being included, such shares are included only in the Class A Stock table and where the footnotes reflect shares of Class B Stock as being included, such shares are included only in the Class B Stock table.

The members of the Group disclaim that an agreement to act in concert exists. Except with respect to the shares subject to the Stockholders Agreement, the shares owned by CWCP-I and CWCP-II and the shares held by the trust described in footnote (10) below and the Master Trust, no member of the Group is required to consult with any other member of the Group with respect to the voting or disposition of any shares of the Company. No stock options or stock appreciation rights ( SARs ) were granted to any of the Named Executives during the fiscal year ended February 28, 2003 because each of the Named Executives received a special option grant during the 2002 fiscal year. Accordingly, the Company has not included in this proxy statement a table reflecting Option Grants in Last Fiscal Year.

The following table sets forth information regarding: (i) shares acquired and the value realized upon the exercise of stock options by the Named Executives during the fiscal year ended February 28, 2003; and (ii) the number and value of exercisable and unexercisable stock options held by the Named Executives as of February 28, 2003. **Report with Respect to Executive Compensation**

The following report is required by the Securities and Exchange Commission's executive compensation rules in order to standardize the reporting of executive compensation by public companies. This information shall not be deemed incorporated by reference in any filing under the federal securities laws by virtue of any general incorporation of this Proxy Statement by reference and shall not otherwise be treated as filed under the securities laws.

**General**

The Human Resources Committee of the Board of Directors administers the Company's executive compensation program. The Human Resources Committee is composed of Jeananne Hauswald, Thomas McDermott and Paul Smith, each of whom is a non-employee director.

The objectives of the Company's executive compensation program are to (i) be competitive with the pay practices of other companies of comparable size and status, including those in the beverage alcohol industry, and (ii) attract, motivate and retain key executives who are vital to the long-term success of the Company. As discussed in detail below, the Company's executive compensation program consists of both fixed (base salary) and variable, incentive-based compensation elements. These elements are designed to operate together to comprise performance-based annual cash compensation and stock-based compensation which align the interests of the Company's executives with the interests of its stockholders.

Executive compensation is determined in light of the Company's performance during the fiscal year and takes into account compensation data of comparable companies. Specifically considered in fiscal year 2003 with respect to annual management incentives was the Company's operating income for fiscal 2003, adjusted for certain items, as compared to that set forth in its fiscal 2003 operating plan.

### **Base Salary**

With respect to annual compensation, the fundamental objective in setting base salary levels for the Company's senior management is to pay competitive rates to attract and retain high quality, competent executives. Competitive pay levels are determined based upon input of compensation consultants, independent industry surveys, proxy disclosures, salaries paid to attract new managers and past experience. The Human Resources Committee reviews data generated by Mercer Human Resource Consulting, Inc., a consultant to the Company, for competitive analyses. Base salary levels are determined based upon factors such as individual performance (e.g., leadership, level of responsibility, management skills and industry activities), Company performance and competitive pay packages.

### **Annual Management Incentives**

In addition to their base salary, the Company's executives have the opportunity to earn an annual cash bonus. The annual bonus for executive officers for fiscal 2003 was based on attainment of certain target financial performance goals for the Company. Awards were based on a percentage of base salary, with target awards ranging from 45% to 75% of base salaries for executive officers. The purpose of the annual bonus is to motivate and provide an incentive to management to achieve specific business objectives and initiatives as set forth in the Company's annual operating plan and budget. Because the financial performance of the Company met or exceeded the established targeted goals, actual bonuses paid executive officers generally exceeded the target awards. For fiscal 2003, annual cash bonuses were awarded to each of the Named Executives in the amounts indicated in the Summary Compensation Table.

Future cash bonuses for the participating executives will be determined by the Human Resources Committee pursuant to, or in a manner similar to that contemplated by, the Company's Annual Management Incentive Plan. Pursuant to that plan, the Committee would award cash bonuses to the participating executives in the event that the Company attains one or more pre-set performance targets.

### **Stock Options, SARs and Restricted Stock**

In connection with the executive compensation program, long-term incentive awards in the form of, among others, stock options, stock appreciation rights and restricted stock are available for grant under the Company's Long-Term Stock Incentive Plan and Incentive Stock Option Plan. Awards have been primarily in the form of non-qualified stock options granted under the Company's Long-Term Stock Incentive Plan. These arrangements balance the annual operating objectives of the annual cash incentive plan with the Company's longer-term stockholder value building strategies. The Human Resources Committee and the Board of Directors grant these stock-based incentive awards from time to time for the purpose of attracting and retaining key executives, motivating them to attain the Company's long-range financial objectives, and closely aligning their financial interests with long-term stockholder interests and share value.

The Company believes that through the use of stock options, executives' interests are directly tied to enhanced stockholder value. The Human Resources Committee of the Board (as well as the full Board) has the flexibility of awarding non-qualified stock options, restricted stock, stock appreciation rights and other stock-based awards under the Company's Long-Term Stock Incentive Plan and incentive stock options under the Company's Incentive Stock Option Plan. This flexibility enables the Company to fine-tune its grants in order to maximize the alignment of the interests of the stockholders and management.

During fiscal 2003, the Human Resources Committee awarded nonqualified options to an executive officer who joined the Company as a new hire, taking into account relevant market survey data and the individual's position with the Company. The exercise price of the stock options awarded was equal to the market value of the underlying shares on the date of grant. Accordingly, the value of the award depends solely upon future growth in the share value of the Company's Class A Stock. No awards were made to any executive officers of the Company, including the Company's Chief Executive Officer, who had received option grants in fiscal 2002 because each of such persons had received a special option grant during fiscal 2002. No additional grants of options in fiscal 2003 were necessary in order to provide appropriate incentives to such persons.

### **Compensation of Chief Executive Officer**

For fiscal year 2003, the compensation of Richard Sands, the Company's Chief Executive Officer, was based on a variety of factors, as noted above. In this regard, the Human Resources Committee considered the Company's performance, as well as Mr. Sands' individual performance. In addition, the compensation packages of chief executive officers of certain comparable companies selected by Mercer Human Resource Consulting, Inc. were considered. Also taken into account was the Company's current executive salary and compensation structure.

Richard Sands' base salary is believed to be in line with salaries of executives of similar companies and chief executive officers with similar responsibilities. Mr. Sands' annual cash incentive for fiscal 2003 was a percentage of his base salary based upon the Company's fiscal 2003 operating income, adjusted for certain items, as compared to that set forth in the Company's fiscal 2003 operating plan. The range for Mr. Sands' cash incentive award, from threshold, target and maximum (18.75%, 75% and 150%, respectively), was comparable to industry compensation survey data for executives in Richard Sands' position. For the fiscal year ended February 28, 2003, Richard Sands received a bonus of \$1,108,613, which is equal to 130.4% of his salary. As noted elsewhere in this Proxy Statement, because Mr. Sands had received a special option grant during fiscal 2002, he received no additional stock options during fiscal 2003 to purchase shares of Class A Stock of the Company.

### **Deductibility of Executive Compensation**

Section 162(m) of the Internal Revenue Code provides that certain compensation in excess of \$1 million per year paid to a company's chief executive officer and four other most highly paid executive officers may not be deductible by the company unless it qualifies as performance-based compensation. The Human Resources Committee recognizes the benefits of structuring executive compensation so that Section 162(m) does not limit the Company's tax deductions for such compensation, and the Company's Long-Term Stock Incentive Plan, Incentive Stock Option Plan and Annual Management Incentive Plan have been designed so that the Human Resources Committee may award performance-based compensation that is not subject to the limits imposed by Section 162(m). Under certain circumstances, the Human Resources Committee may decide to award executive compensation in an amount and form that is not deductible under Section 162(m).

The foregoing report is given by the members of the Human Resources Committee.

#### **Certain Relationships and Related Transactions**

Alexander Berk and Barton Incorporated, a wholly-owned subsidiary of the Company, are parties to an employment agreement dated as of September 1, 1990, as amended on November 11, 1996 and October 20, 1998, that provides for Mr. Berk's compensation and sets forth the terms and conditions of Mr. Berk's employment with Barton. Under his employment agreement, Mr. Berk serves as the President and Chief Executive Officer of Barton and, by virtue of his current responsibilities with Barton, he is deemed an executive officer of the Company. While the initial term of the employment agreement expired on February 28, 2001, in accordance with the agreement, the term is automatically extended for one-year periods unless either Mr. Berk or Barton notifies the other that such party does not wish to extend it. The agreement will terminate prior to the expiration of the current term (i) upon Mr. Berk's death or Retirement, (ii) at Barton's election, for Cause or upon Mr. Berk's Complete Disability, and (iii) at Mr. Berk's election, for Good Reason (all as set forth in the agreement). If Barton decides not to extend the term of the agreement, or if the agreement terminates by reason of Mr. Berk's death, Complete Disability, or Retirement, or for Good Reason, Barton is obligated to pay to Mr. Berk a post-termination benefit equal to 100% of his then current base salary plus the amount of the bonus paid to him for the immediately preceding fiscal year. If Mr. Berk decides not to extend the term of the agreement, then Barton is obligated to pay to Mr. Berk a post-termination benefit equal to one-half of the foregoing amount. In the event that Mr. Berk's employment is terminated for Good Reason, or is terminated by Barton for reasons other than death, Complete Disability, Cause, or Barton's decision not to extend the term of the agreement, then Mr. Berk is entitled to be paid (i) if the applicable conditions are satisfied, a supplementary post-termination benefit equal to what he otherwise would have been entitled to receive as his share of Barton's contribution to its profit-sharing and retirement plan for the fiscal year in which such termination occurs and (ii) an amount equal to the product of his then current base salary multiplied by the number of years remaining in the then current term of the agreement. Post-termination benefits are payable to Mr. Berk in a lump sum as soon as practicable after his employment terminates, except that any supplementary post-termination benefit is payable promptly after Barton's contribution to the retirement plan. The agreement requires Mr. Berk to keep certain information with respect to the Company confidential during and after his employment with the Company.

Under the terms of a letter agreement between the Company and Thomas Summer, Executive Vice President and Chief Financial Officer of the Company, if Mr. Summer's employment is

terminated without cause or if he voluntarily resigns within thirty (30) days after a demotion or a material diminishment in his responsibilities, in either case without cause, or if there is a change in control of the Company, he will be entitled to receive severance compensation equal to his then current base compensation for a period of twelve (12) months.

Under the terms of a letter agreement between the Company and Thomas Mullin, Executive Vice President and General Counsel of the Company, if Mr. Mullin's employment is terminated without cause, he will be entitled to receive severance compensation equal to his then current base compensation for a period of twelve (12) months.

In April 2002, Peter Aikens, who was the President and Chief Executive Officer of Matthew Clark plc ( Matthew Clark ), retired from his employment with Matthew Clark. Matthew Clark is a wholly-owned subsidiary of the Company. During his employment, Mr. Aikens was deemed an executive officer of the Company by virtue of his responsibilities with Matthew Clark. Mr. Aikens' son has an equity interest in Harold Whitehead and Partners, which provides consulting services to Matthew Clark on an as needed basis. Over the course of the last year, approximately £120,844 (equivalent to \$190,015 based on the exchange rate at the end of the Company's fiscal year) was paid to Harold Whitehead and Partners for services rendered to Matthew Clark for projects begun prior to Mr. Aikens' retirement.

Agustin Francisco Huneus ( Mr. Huneus ) is the President and Chief Executive Officer of Franciscan Vineyards, Inc. ( Franciscan ), a wholly-owned subsidiary of the Company, and by virtue of his responsibilities with Franciscan, during fiscal 2003 he was deemed an executive officer of the Company. His father, Agustin Huneus, and other members of his immediate family, as well as Mr. Huneus, individually and through various family owned entities (the Huneus Interests ) engaged in certain transactions with Franciscan during the last fiscal year that are expected to be of an ongoing nature from year to year. The Huneus Interests (a) engage Franciscan for certain wine processing services; (b) engage Franciscan as the exclusive distributor of Quintessa wines under a long-term contract; (c) sell grapes to Franciscan pursuant to existing long-term contracts; (d) participate as partners with Franciscan in the ownership and operation of a winery and vineyards in Chile; (e) lease a vineyard to Franciscan; (f) render brand management consulting and advisory services in the United States and internationally with respect to the Veramonte brand; and (g) render consulting services to Franciscan and the Company. Payments to the Huneus Interests pursuant to these transactions and arrangements totaled approximately \$6,479,397 for the last fiscal year. Payments from the Huneus Interests to Franciscan for certain wine processing services and shared consulting services totaled approximately \$255,202 for the last fiscal year.

By an Agreement dated December 20, 1990, the Company entered into a split-dollar insurance agreement with a trust established by Marvin Sands of which Robert Sands is the trustee. Pursuant to the Agreement, in prior years the Company has paid the annual premium on an insurance policy (the Policy ) held in the trust, and the trust has reimbursed the Company for the portion of the premium equal to the economic benefit to Marvin and/or Marilyn Sands, calculated in accordance with the United States Treasury Department rules then in effect. The Policy is a joint life policy payable upon the death of Marilyn Sands, as the survivor of the two insureds, with a face value of \$5 million. Pursuant to the terms of the trust, Richard Sands, Robert Sands (in his individual capacity) and the children of Laurie Sands (the deceased sister of Richard and Robert Sands) will each receive one-third of the proceeds of the Policy (after the repayment of the indebtedness to the Company out of such proceeds as described below), if they survive Marilyn Sands. While the Company made no premium payment on behalf of the trust in fiscal 2003, from the inception of the agreement through the end of fiscal 2003, the Company has paid aggregate premiums, net of reimbursements, of \$2,382,327. The aggregate amount of such unreimbursed premiums constitutes indebtedness from the trust to the

Company and is secured by a collateral assignment of the Policy. Upon the termination of the Agreement, whether by the death of Marilyn Sands or earlier cancellation, the Company is entitled to be repaid by the trust the amount of such indebtedness.

Richard Sands, Robert Sands and four trusts formed under the will of Laurie Sands are the beneficial owners of a limited partnership that owns railroad cars. These cars were leased by the Company from the limited partnership at fair market rates. During fiscal year 2003, with respect to leasing these cars, the Company made payments to this limited partnership in the amount of \$30,240. At the end of fiscal 2003, the limited partnership sold the railroad cars to an unaffiliated third party, and the Company entered into a lease agreement with the unaffiliated third party to lease the railroad cars at fair market rates. The Company has discontinued its relationship with the limited partnership.

Richard Sands, Robert Sands and their mother, Marilyn Sands, are beneficial owners of L, R, R & M, LLC, a Delaware limited liability company, which owns the Inn on the Lake in Canandaigua, New York (the Inn). The Inn is leased and operated by a third party. The Inn is frequently used by the Company for Company functions and for its out-of-town employees visiting the Company on business. During the last fiscal year, the Company paid the operators of the Inn approximately \$32,259 (exclusive of employee reimbursed expenses).

George Bresler, a director of the Company, is a partner of the law firm of Kurzman Eisenberg Corbin Lever & Goodman, LLP in New York, New York. The Company pays to Mr. Bresler individually an annual retainer of \$30,000 for his legal services to the Company. The Company also includes Mr. Bresler under its non-working group medical policy and pays a monthly premium of approximately \$301 for his coverage. James A. Locke III, a director of the Company, is a partner in the law firm of Nixon Peabody LLP, Rochester, New York, the Company's principal outside counsel.

#### **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act requires the Company's directors and executive officers, and persons who beneficially own more than 10% of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission reports of ownership and changes in ownership of the Company's Class A Stock and Class B Stock. Executive officers, directors and greater than 10% stockholders are required to furnish the Company with copies of all such reports they file. Based solely upon review of copies of such reports furnished to the Company and related information, the Company believes that all such filing requirements for fiscal 2003 were complied with in a timely fashion. The Company has determined that MLR&R was inadvertently late in filing an initial statement of beneficial ownership and one statement of changes in beneficial ownership reporting one transaction, both of which statements were due during the Company's fiscal year ended February 28, 2002.

#### **STOCK OWNERSHIP OF MANAGEMENT**

The following table and notes thereto set forth, as of May 20, 2003, the beneficial ownership of Class A Stock and Class B Stock by the Company's directors and nominees, the Named Executives, and all of the Company's directors and executive officers as a group. This information is based on information furnished to the Company by or on behalf of each person concerned. Unless otherwise noted, the named individual has sole voting power and investment discretion with respect to the shares attributed to him or her and the percentages of ownership are calculated on the basis of 82,459,606 shares of Class A Stock and 12,070,770 shares of Class B Stock outstanding as of the close of business on May 20, 2003.

Name of Beneficial Owner	Class A Stock (1)			Class B Stock

All Executive Officers and Directors as a Group (12 persons) (7)	836,071(6)	2,466,440	3.9%(7)	11,335,616	93.9%

\* Percentage does not exceed one percent (1%) of the outstanding shares of such class.

- The shares and percentages of Class A Stock set forth in this table do not include (i) shares of Class A Stock that may be acquired within sixty (60) days by an employee under the Company's Employee Stock Purchase Plan (because such number of shares is not presently determinable) and (ii) shares of Class A Stock that are issuable pursuant to the conversion feature of the Company's Class B Stock, although, such information is provided in a footnote where appropriate. For purposes of calculating the percentage of Class A Stock beneficially owned in the table and in the footnotes, additional shares of Class A Stock equal to the number of presently exercisable options and, as appropriate, the number of shares of Class B Stock owned by the named person or by the persons in the group of executive officers and directors are assumed to be outstanding only for that person or group of persons pursuant to Rule 13-3(d)(1) under the Securities Exchange Act.
- Reflects the number of shares of Class A Stock that can be purchased by exercising stock options that are exercisable on May 20, 2003 or become exercisable within sixty (60) days thereafter. Such number does not include the number of option shares that may become exercisable within sixty (60) days of May 20, 2003 due to certain acceleration provisions in certain awards, which accelerations cannot be foreseen on the date of this Proxy Statement.
- Includes shares in which the named individual shares voting power or investment discretion. See tables and footnotes under Beneficial Ownership above for information with respect to such matters and for the number and percentage of shares of Class A Stock that would be owned assuming the conversion of Class B Stock into Class A Stock.
- Mr. Summer shares the power to vote and dispose of 18,151 shares with his spouse. He has no voting power or investment discretion with respect to 800 shares that his spouse holds as a custodian.
- Assuming the conversion of Mr. Locke's 132 shares of Class B Stock into Class A Stock, Mr. Locke would beneficially own 32,764 shares of Class A Stock, representing less than one percent (1%) of the outstanding Class A Stock after such conversion.

- (6) Includes 9,755 shares of Class A Stock that underlie CHESSE Depository Interests held by an executive officer. Does not include 14,561 shares of Class A Stock that underlie CHESSE Depository Interests held by the spouse of an executive officer and for which the executive officer disclaims beneficial ownership with respect to such securities.
- (7) This group consists of the Company's current executive officers and directors. Assuming the conversion of a total of 11,335,616 shares of Class B Stock beneficially owned by the executive officers and directors as a group into Class A Stock, all executive officers and directors as a group would beneficially own 14,638,127 shares of Class A Stock, representing 15.2% of the outstanding Class A Stock after such conversion.

### **PROPOSAL NO. 1**

### **ELECTION OF DIRECTORS**

#### **Director Nominees**

The Board of Directors of the Company nominated seven directors to be elected by the stockholders to hold office until the next Annual Meeting of Stockholders and until their successors are elected and qualified. The nominees for election to the Board of Directors are Richard Sands, Robert Sands, George Bresler, Jeananne K. Hauswald, James A. Locke III, Thomas C. McDermott and Paul L. Smith, all of whom currently serve as directors of the Company. Of the seven nominees, Messrs. McDermott and Smith have been designated as the nominees to be elected by the holders of the Class A Stock, voting as a separate class. The remaining five nominees are to be elected by the holders of the Class B Stock, voting as a separate class.

Management does not anticipate that any of the nominees will become unavailable for any reason, but if that should occur before the Meeting, proxies will be voted FOR another nominee or nominees to be selected by the Board of Directors of the Company. ### **Audit Committee Report**

The following report shall not be deemed incorporated by reference in any filing under the federal securities laws by virtue of any general incorporation of this Proxy Statement by reference and shall not otherwise be treated as filed under the securities laws.

The Audit Committee of the Board of Directors provides oversight to the Company's financial reporting process through periodic meetings with the Company's independent public accountants, internal auditors and management. The management of the Company is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The independent public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Committee, in carrying out its role, relies on the Company's senior management and its independent public accountants.

In connection with the preparation and filing of the Company's Annual Report on Form 10-K for the fiscal year ended February 28, 2003, the Audit Committee reviewed and discussed the audited financial statements of the Company with the Company's management. Also, the Committee discussed with KPMG LLP, the Company's independent public accountants with respect to the fiscal year ended February 28, 2003, the matters required to be discussed by Statement on Auditing Standards (SAS) No. 61, as amended by SAS 89 and SAS 90 (Codification of Statements on Auditing Standards, AU § 380).

In addition, the Committee received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with KPMG LLP the independence of that firm as the Company's independent public accountants.

Based on the review and discussions described above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended February 28, 2003 for filing with the Securities and Exchange Commission.

## PROPOSAL NO. 2

### SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

The firm of KPMG LLP, Certified Public Accountants, served as the independent public accountants of the Company for the fiscal year ended February 28, 2003. On April 3, 2003, the Board of Directors of the Company, based on the recommendation of its Audit Committee, determined to engage KPMG LLP to serve as the Company's independent public accountants for the fiscal year ending February 29, 2004. The selection of KPMG LLP as the Company's independent public accountants will be presented to the stockholders for their ratification at the Meeting. If the stockholders do not ratify the selection of KPMG LLP, the Board of Directors will reconsider its choice.

The firm of Arthur Andersen LLP, Certified Public Accountants, served as the independent public accountants for the Company for the fiscal year ended February 28, 2002. On April 4, 2002, the Board of Directors of the Company, based on the recommendation of its Audit Committee, determined to dismiss Arthur Andersen LLP as its independent public accountants and to engage KPMG LLP to serve as the Company's independent public accountants for the fiscal year ending February 28, 2003, effective upon the filing by the Company of its Annual Report on Form 10-K for the fiscal year ended February 28, 2002 with the Securities and Exchange Commission. As contemplated, upon the filing of the Company's Annual Report on Form 10-K on May 21, 2002, each of Arthur Andersen LLP's dismissal and KPMG LLP's engagement as the Company's independent public accountants became effective. The Company's stockholders ratified the selection of KPMG LLP at their Annual Meeting held on July 23, 2002.

Arthur Andersen LLP's reports on the Company's consolidated financial statements for each of the fiscal years ended February 28, 2002 and February 28, 2001, did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended February 28, 2002 and February 28, 2001, and the subsequent interim period through May 21, 2002, there were no disagreements between the Company and Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure that, if not resolved to Arthur Andersen LLP's satisfaction, would have caused Arthur Andersen LLP to make reference to the subject matter of any such disagreements in connection with its reports on the Company's consolidated financial statements for such years.

None of the reportable events described under Item 304(a)(1)(v) of Securities and Exchange Commission's Regulation S-K occurred during the Company's fiscal years ended February 28, 2002 and February 28, 2001, and the subsequent interim period through May 21, 2002.

During the fiscal years ended February 28, 2002 and February 28, 2001, and the subsequent interim period through May 21, 2002, the Company did not consult with KPMG LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as described in Item 304(a)(2)(i) and (ii) of Regulation S-K.

The following sets forth information regarding fees billed to the Company by KPMG LLP:

**Audit Fees:** The aggregate fees billed by KPMG LLP for professional services rendered in connection with the audit of the Company's annual consolidated financial statements for the year ended February 28, 2003 and for the review of the consolidated financial statements included in the Company's quarterly reports on Form 10-Q for such year were approximately \$638,000. This amount includes approximately \$60,000 of out-of-pocket expenses.

**Financial Information Systems Design and Implementation Fees:** KPMG LLP did not provide any services to the Company for the design and implementation of financial information systems during the Company's 2003 fiscal year.

**All Other Fees:**

*Audit-Related Fees:* The aggregate fees billed by KPMG LLP for assurance and related services that are reasonably related to performance of the audit of the Company's annual financial statements for the year ended February 28, 2003 and for the review of the financial statements included in the Company's quarterly reports on Form 10-Q for such year and are not reported above were approximately \$291,000. The services comprising the fees disclosed in this category were in the nature of statutory audits for various international subsidiaries and employee benefit plans, fees associated with certain due diligence in connection with the acquisition of BRL Hardy Limited (now known as Hardy Wine Company Limited), and fees related to a proposed financing transaction.

*Tax Fees:* The aggregate fees billed for professional services rendered by KPMG LLP for tax compliance, tax advice and tax planning were approximately \$2,187,533.

*Other Fees:* The aggregate fees billed by KPMG LLP for all other products and services provided to the Company, other than services disclosed in categories above, during the Company's 2003 fiscal year were approximately \$33,348. These fees consisted primarily of fees for services relating to business continuity consultations.

The Audit Committee reviewed and determined that the non-audit services provided by KPMG LLP during the Company's 2003 fiscal year are compatible with maintaining the independence of such auditors.

A representative of KPMG LLP is expected to be present at the Meeting and will be given an opportunity to make a statement if he or she so desires and will be available to respond to any appropriate questions.

### **Vote Required**

The adoption of Proposal No. 2 to ratify the selection of KPMG LLP as the Company's independent public accountants requires the affirmative vote of a majority of the votes entitled to be cast by stockholders present in person or represented by proxy at the Meeting. With respect to this proposal, holders of Class A Stock and Class B Stock will vote together as a single class at the Meeting, with holders of Class A Stock having one (1) vote per share and holders of Class B Stock having ten (10) votes per share.

**The Board of Directors recommends that the stockholders ratify the selection of KPMG LLP as the independent public accountants of the Company for the fiscal year ending February 29, 2004 and, accordingly, recommends that you vote FOR Proposal No. 2. Unless otherwise directed therein, the shares represented by your proxy, if properly executed and returned, and not revoked, will be voted FOR such proposal.**

### **STOCKHOLDER PROPOSALS FOR THE 2004 ANNUAL MEETING**

Any notice of a proposal submitted outside the processes of Rule 14a-8 promulgated under the Act, which a stockholder intends to bring forth at the Company's 2004 Annual Meeting of Stockholders, will be untimely for purposes of Rule 14a-4 of the Act and the By-laws of the Company, if received by the Company after February 14, 2004.
