**Item 5. Other Events and Regulation FD Disclosure**

On April 14, 2004, The E.W. Scripps Company (Scripps) completed its acquisition of Summit America Television (Summit), which includes Summit's 30 percent minority interest in the Shop At Home television retailing network and Summit's five Shop At Home-affiliated broadcast television stations. Total consideration for the transaction is approximately \$235 million.

The merger transaction results in Scripps attaining 100 percent ownership of the Shop At Home network and Summit's five television stations. The television stations broadcast Shop At Home programming in key major metropolitan markets, including San Francisco, Boston, Cleveland, Bridgeport, Ct., and Raleigh/Durham, N.C.

Scripps paid \$4.05 in cash per share, or approximately \$184 million, for approximately 45 million fully-diluted outstanding shares of Summit common stock. We financed the acquisition through additional borrowings on our existing credit facilities.

As part of the transaction, Scripps has agreed to forego repayment of a \$47.5 million secured loan extended to Summit as part of the 2002 acquisition of Shop At Home. Scripps also has agreed to forego redemption of \$3 million in Summit preferred stock that we hold.
