Item 29. Indemnification.

Reference is made to Section 2-418 of the General Corporation Law of the State of Maryland, Article V of the Registrant's Articles of Incorporation, Article VI of the Registrant's By-laws and Section 6 of the Purchase Agreement, which provide for indemnification.

C-3

Article VI of the By-laws provides that each officer and director of the Registrant shall be indemnified by the Registrant to the full extent permitted under the Maryland General Corporation Law, except that such indemnity shall not protect any such person against any liability to the Registrant or any stockholder thereof to which such person would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his or her office. Absent a court determination that an officer or director seeking indemnification was not liable on the merits or guilty of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his or her office, the decision by the Registrant to indemnify such person must be based upon the reasonable determination of independent legal counsel or the vote of a majority of a quorum of non-party independent directors, after review of the facts, that such officer or director is not guilty of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his or her office.

Each officer and director of the Registrant claiming indemnification within the scope of Article VI of the By-laws shall be entitled to advances from the Registrant for payment of the reasonable expenses incurred by him or her in connection with proceedings to which he or she is a party in the manner and to the full extent permitted under the Maryland General Corporation Law; provided, however, that the person seeking indemnification shall provide to the Registrant a written affirmation of his or her good faith belief that the standard of conduct necessary for indemnification by the Registrant has been met and a written undertaking to repay any such advance, if it ultimately should be determined that the standard of conduct has not been met, and provided further that at least one of the following additional conditions is met: (i) the person seeking indemnification shall provide a security in form and amount acceptable to the Registrant for his or her undertaking; (ii) the Registrant is insured against losses arising by reason of the advance; or (iii) a majority of a quorum of non-party independent directors, or independent legal counsel in a written opinion shall determine, based on a review of facts readily available to the Registrant at the time the advance is proposed to be made, that there is reason to believe that the person seeking indemnification will ultimately be found to be entitled to indemnification.

The Registrant may purchase insurance on behalf of an officer or director protecting such person to the full extent permitted under the Maryland General Corporation Law from liability arising from his or her activities as officer or director of the Registrant. The Registrant, however, may not purchase insurance on behalf of any officer or director of the Registrant that protects or purports to protect such person from liability to the Registrant or to its stockholders to which such officer or director would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence, or reckless disregard of the duties involved in the conduct of his or her office.

In Section 7 of the Purchase Agreement relating to the securities being offered hereby, the Registrant agrees to indemnify Merrill Lynch and each person, if any, who controls Merrill Lynch within the meaning of the Securities Act of 1933 (the "1933 Act") against certain types of civil liabilities arising in connection with the Registration Statement or Prospectus and Statement of Additional Information.

Insofar as indemnification for liabilities arising under the 1933 Act may be provided to directors, officers and controlling persons of the Registrant and Merrill Lynch, pursuant to the foregoing provisions or otherwise, the Registrant has been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in connection with any successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
