Item 1.01. Entry in a Material Definitive Agreement

On May 19, 2005 Celsion Corporation ("Celsion" or the "Company") announced that it had entered into an employment agreement (the "Agreement") with Dr. Lawrence Olanoff in connection with his appointment, effective July 29, 2005 (the "Effective Date"), as President, Chief Executive Officer and a member of the Board of Directors (the "Board") of the Company. A copy of the Agreement is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference. The following summary of the terms of the Agreement is qualified in its entirety by the actual terms and conditions of the Agreement.

Pursuant to the Agreement, Dr. Olanoff will receive an initial annual base salary of \$350,000, subject to annual adjustment by the Board or its Compensation Committee (the "Base Salary"). Dr. Olanoff also is eligible for an annual performance bonus from the Company. The amount of such bonus will be determined by the Board or its Compensation Committee and will not exceed 50% of current Base Salary except pursuant to a specific finding by the Board or the Compensation Committee that a higher percentage is appropriate. Dr. Olanoff will receive a guaranteed performance bonus of \$50,000 for (partial) calendar year 2005. The Company will provide Dr. Olanoff with housing and will reimburse him for weekly travel expenses during the initial three-year term of the Agreement. Dr. Olanoff also is entitled to an automobile allowance of \$5,400 annually. In addition, on the Effective Date Dr. Olanoff will receive a grant of nonstatutory options to purchase 6,440,000 shares of the Company's Common Stock, which will vest in four equal installments on the first, second, third and fourth anniversaries of the Effective Date. If the Agreement is terminated by the Company prior to the first anniversary of the Effective Date other for cause (as defined in the Agreement) or on account of death or disability, the first installment will vest on the termination date. Once vested, these options will be exercisable for a period of ten years, measured from the Effective Date, at a price per share equal to the closing price of the Common Stock on The American Stock Exchange on the Effective Date.

in the event (A) that the Company terminates the Agreement other than for cause (as defined in the Agreement) or upon death or disability or (B) Dr. Olanoff terminates the Agreement upon the occurrence of (i) a material adverse change in his duties or authority, (ii) a prohibited event (as described below), (iii) a bankruptcy filing or similar action by or against the Company; or (iv) another material breach of the Agreement by the Company (a "Triggering Event"), Dr. Olanoff will be entitled to receive a severance payment equal to two times his base salary at the time of termination plus a pro rata portion of his performance bonus for the prior fiscal year (the "Reference Amount"). In the event of termination of his employment upon a Triggering Event within two years following a Change in Control (as described below), or, if within such two-year period (i) there is a material adverse change in his compensation or benefits, or (ii) any successor to the Company does not assume the Company's obligation under the Agreement, and he terminates his employment, Dr. Olanoff also is entitled to a severance payment equal to two times the Reference Amount. The Agreement also provides that such severance is payable upon a Change in Control if Dr. Olanoff elects to terminate employment commencing with the sixth and ending with the 12th month following the Change in Control. Under the Agreement, a Change of Control is deemed to occur (i) if any person becomes the direct or indirect beneficial owner of more than 40% of the combined voting power of the Company's then-outstanding securities; (ii) there is a change in a majority of the directors in office; (iii) the Company engages in a merger, asset sale, tender offer or

other transaction after which the holders of the Company's voting securities before the transaction do not continue to hold at least 50% of the voting securities of the Company or its successor after the transaction; or (iv) upon the complete liquidate or dissolution of the Company or the disposition of substantially all of its assets. The Agreement also contains customary confidentiality and other provisions.
