Item 1.01. Entry into a Definitive Material Agreement.

On October 25, 2006, Insert Therapeutics, Inc. (Insert), a majority owned subsidiary of Arrowhead Research Corporation (the Company), entered into a Subscription Agreement (the Subscription Agreement) with the Company for the sale of 5 Million units. Each unit was sold for \$1.00 and consisted of one (1) share of Series C-2 Preferred Stock of Insert and 40% warrant coverage evidenced by a warrant (a Warrant) to acquire shares of Series D Preferred Stock of Insert. The Warrants are exercisable at any time at an exercise price of \$1.25 per share and are callable by Insert anytime after July 1, 2007.

The Company was the lead investor in Insert's larger private financing transaction in which Insert sold an aggregate of approximately 10.6 Million units, Insert received an aggregate of \$10.3 million in cash and cash commitments, and Insert issued 300,000 units in exchange for the extinguishment of \$300,000 of Insert debt. After giving effect to the offering and the Company's additional investment in Insert, the Company holds approximately 64.4% of Insert's outstanding capital stock, reduced slightly from the Company's pre-offering ownership of 68.3% of Insert's outstanding capital stock.

The foregoing is intended only as a summary of the terms of the Subscription Agreement and related transactions. Please refer to the Form of Subscription Agreement and Form of Warrant, filed as Exhibits 10.1 and 10.2 hereto, for the complete terms of such agreements. Also attached is the Company's press release, released on October 26, 2006, announcing the Company's investment in Insert and Insert's overall financing.
