PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON WEDNESDAY, MAY 9, 2007

ABOUT THE ANNUAL MEETING

We are furnishing this proxy statement to shareholders of record of Spectrum Brands, Inc. (*Spectrum* or the *Company*) in connection with the solicitation of proxies for use at the annual meeting of shareholders (the *Annual Meeting*) to be held on Wednesday, May 9, 2007, at Spectrum's North American headquarters located at 601 Rayovac Drive in Madison, Wisconsin, at 8:00 a.m., local time, and at any adjournments or postponements thereof, for the purposes set forth in the foregoing Notice of Annual Meeting of Shareholders. The Notice of Annual Meeting of Shareholders, this proxy statement and the enclosed proxy card are first being mailed to shareholders on or about April 13, 2007.

Matters to be Voted Upon at the Annual Meeting

At the annual meeting you will be voting upon the following:

- (1) To elect three Class II directors to the Board of Directors for a three-year term expiring at the 2010 annual meeting;
- (2) To ratify the appointment by the Board of Directors of KPMG LLP as our independent registered public accounting firm for our fiscal year ending on September 30, 2007 (*fiscal 2007*); and
- (3) To act on one shareholder proposal, described in this proxy statement.

You will also be voting on such other business as may properly come before the meeting or any adjournment thereof.

Recommendations of Our Board of Directors

Our Board of Directors recommends that you vote your shares as follows:

- (1) **FOR** the election of three Class II directors to the Board of Directors for a three-year term expiring at the 2010 annual meeting (**PROPOSAL NO. 1**);
- (2) **FOR** the ratification of the appointment by the Board of Directors of KPMG LLP as our independent registered public accounting firm for fiscal 2007 (**PROPOSAL NO. 2**); and
- (3) **AGAINST** the approval of the shareholder proposal, described below (**PROPOSAL NO. 3**).

Shareholders Entitled to Vote at the Meeting

Shareholders of Record

Only shareholders of record of the Company's common stock, par value \$.01 per share, (the *Common Stock*) as of the close of business on March 27, 2007 (the *Record Date*) are entitled to receive notice of and to vote at the Annual Meeting. You are considered the shareholder of record with respect to your shares if your shares are registered directly in your name with Mellon Investor Services LLC, the Company's stock transfer

Table of Contents

agent. On the Record Date, there were 52,459,976 shares of Common Stock issued and outstanding, constituting all of our issued and outstanding voting securities. Shareholders of record are entitled to one vote for each share of Common Stock they held as of the Record Date.

Shares held with a Bank, Broker, or other Nominee

If your shares are held in a brokerage account or by a bank or other nominee, you are considered the beneficial owner of these shares, and your shares are referred to as being held in street name. If you hold your shares in street name, you must vote your shares in the manner provided for by your bank, broker or other nominee. Your broker or nominee has enclosed or provided a voting instruction card with this proxy statement for you to use in directing the bank, broker or other nominee how to vote your shares.

If your shares are held by a bank broker or other nominee they may not be voted or may be voted contrary to your wishes if you do not provide your bank or broker with instructions on how to vote your shares. Brokers, banks and other nominees have the authority under New York Stock Exchange Rules to vote shares held in accounts by their customers in the manner they see fit, or not at all, on routine matters if their customers do not provide them with voting instructions. Proposal No. 1 (election of directors) and Proposal No. 2 (ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for fiscal 2007) are considered to be routine matters. Proposal No. 3 (the shareholder proposal) is not considered routine. When a proposal is not routine and the bank, broker or other nominee has not received your voting instructions, a bank, broker or other nominee will not be permitted to vote your shares and a broker non-vote will occur. To ensure your shares are voted in the manner you desire, you should provide instructions to your bank, broker or other nominee on how to vote your shares for each of the proposals to be voted on at the Annual Meeting in the manner provided for by your bank, broker or other nominee.

Shares held in Company Retirement Accounts

If you are a company employee, former employee, retiree or other person who is participating or has participated in the Spectrum Brands 401(k) Retirement Savings Plan, or any predecessor thereof (the Plan), then you may be receiving this material in part because of shares held for you in the Plan. Shares of Common Stock held in the Plan (Plan Shares) are registered in the name of the trustee of the Plan. As a participant in the Plan you do not have actual record ownership of the Plan Shares and may not vote the Plan Shares directly at the Annual Meeting. However, as a plan participant you are allocated interests in the Plan Shares and may instruct the trustee of the Plan how to vote such interests. You may use the enclosed proxy card to instruct the trustees of the Plan how to vote your Plan Shares. Plan Shares can be voted only by mailing the enclosed proxy card in the enclosed addressed envelope; Plan Shares cannot be voted at the Annual Meeting and prior voting instructions given for Plan Shares cannot be revoked at the Annual Meeting. If you are a Plan participant, your proxy card must be received by no later than May 8, 2007.

If you sign and return the proxy card but do not provide instructions for any or all of the matters to be voted on at the meeting, the trustee has been instructed *NOT* to vote the shares of Common Stock held in your Spectrum 401(k) account on any matter to be considered at the meeting for which you fail to provide instructions. Should you fail to return your proxy card for this Annual Meeting by May 8, 2007, the Plan trustee has been instructed *NOT* to vote the shares of Common Stock held in your Spectrum 401(k) account in the absence of your instructions. In order to ensure that your securities are voted as you wish, please return your proxy card by May 8, 2007.

Quorum

A quorum of shareholders is necessary to hold the Annual Meeting. A quorum will exist at the Annual Meeting if the holders of record of a majority of the number of shares of Common Stock outstanding as of the

Table of Contents

Record Date are present in person or represented by proxy at the Annual Meeting. Broker non-votes and shares held as of the Record Date by holders who are present in person or represented by proxy at the Annual Meeting but who have abstained from voting or not voted with respect to some or all of such shares on any proposal to be voted on at the Annual Meeting will be counted as present for purposes of establishing a quorum.

Vote Required

To be elected as a Class II director at the Annual Meeting (Proposal No. 1), each candidate for election must receive a plurality of the votes cast by the shareholders present in person or represented by proxy at the Annual Meeting. A plurality vote means that the director nominee with the most affirmative votes for a particular directorship is elected for that directorship.

The affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting is required to ratify the Board of Directors' appointment of KPMG LLP as our independent registered public accounting firm for fiscal 2007 (Proposal No. 2) and to approve the shareholder proposal (Proposal No. 3).

Shares represented by proxies that are marked **WITHHELD** and shares that are not voted with regard to Proposal No. 1 (Election of Directors), will be excluded entirely from the vote and will have no effect. Shares represented by proxies that are marked **ABSTAIN** and shares which are not voted with regard to Proposal No. 2 (Ratification of KPMG LLP's Appointment as auditor) and Proposal No. 3 (Shareholder Proposal) will be considered present in person or represented by proxy at the Annual Meeting and will have the effect of a vote against each of these proposals because approval of this proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting.

Proxies and Voting Procedures

What is a Proxy?

A proxy is another person that you legally designate to vote your stock. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. For the purposes of the annual meeting, if you complete the attached proxy card and return it to us by the date of the Annual Meeting, you will be designating the officers of the Company named in the proxy card to act as your proxy at the Annual Meeting.

Voting by Proxy

Shareholders of Record

If you are a shareholder of record you may vote in person at the Annual Meeting or by proxy. We recommend that you vote by proxy even if you currently plan to attend the Annual Meeting so that your vote will be counted if you later decide not to or are unable to attend the Annual Meeting. You can always change your vote by either completing another proxy card with a later date and delivering it to us by the date of the Annual Meeting or by attending in person and voting at the Annual Meeting.

If you are a shareholder of record, to vote by proxy you must complete, sign, date and return the attached proxy card in the enclosed envelope. For your proxy to be counted at the Annual Meeting, we must receive your proxy at the address listed on the attached proxy card prior to the start of the Annual Meeting.

Table of Contents

Voting instructions are included on your proxy card. If you properly complete, date and sign your proxy and return it to us in time for it to be voted at the Annual Meeting, one of the individuals named as your proxy, each of whom is one of our officers, will vote your shares as you have directed on the proxy card. **If you sign and timely return your proxy card, but do not indicate how your shares are to be voted with respect to one or more of the proposals to be voted on at the Annual Meeting, as necessary to vote your shares on each proposal, your shares will be voted in accordance with the recommendations of our Board of Directors: (1) FOR the election of the director nominees, (2) FOR the ratification of the appointment KPMG LLP as the Company's independent registered public accounting firm for fiscal 2007, (3) AGAINST the shareholder proposal and (4) in accordance with the best judgment of the named proxies on other matters properly brought before the Annual Meeting.**

Our Board of Directors has no knowledge of any matters that will be presented for consideration at the Annual Meeting other than those described herein. The named proxies will also have discretionary authority to vote upon any adjournment or postponement of the Annual Meeting, including for the purpose of soliciting additional proxies.

Shares held with a Bank, Broker, or other Nominee

If you hold your shares in street name, you must vote your shares in the manner provided for by your bank, broker or other nominee. Your bank, broker or other nominee has enclosed or provided a voting instruction card for you to use in directing the bank, broker or other nominee on how to vote your shares. To ensure that your shares are voted according to your wishes, be certain that you provide instructions to your bank, broker or other nominee on how to vote your shares in the manner that they specify. Your bank, broker or other nominee will be permitted to vote your shares without instruction from you on Proposal No. 1 (Election of Directors) and Proposal No. 2 (Appointment of Independent Registered Public Accounting Firm) and will not be permitted to vote on Proposal No. 3 (the shareholder proposal) without your instructions. As a result, if you do not provide your bank, broker or other nominee with instructions on how to vote your shares with respect to Proposal Nos. 1 and 2, your bank, broker or other nominee may vote your shares in a different manner than you would have voted if you had provided instructions to your bank, broker or other nominee and your vote will not be cast for Proposal No. 3.

Shares held in Company Retirement Accounts

Plan Shares can be voted only by mailing in the attached proxy card; they cannot be voted in person at the Annual Meeting and prior voting instructions cannot be revoked at the Annual Meeting. If you are a Plan participant, your proxy card must be received no later than May 8, 2007. Please see *Shareholders Entitled to Vote at the Meeting* *Shares held in Company Retirement Accounts* above for additional information about how your shares will be voted if you fail to return your proxy card or if you mail and sign, but fail to complete your proxy card.

Revoking Your Proxy

If you are a shareholder of record, you may revoke your proxy before it is voted by:

completing a new proxy with a later date and delivering it to us before the Annual Meeting;

notifying the Secretary of the Company in writing before the Annual Meeting that you have revoked your proxy; or

voting in person at the Annual Meeting.

Table of Contents

If you hold your shares in street name, you must contact your bank, broker or other nominee to revoke your proxy.

If you are a company employee or retiree who holds shares as a participant in the Plan, pursuant to the terms of the Plan you may not revoke your voting instructions once your proxy card has been delivered to the Plan trustee.

Voting in Person

If you are a shareholder of record and you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting.

If your shares are held in the name of your broker, bank or other nominee, and you plan to attend the Annual Meeting and wish to vote in person, you must bring a legal-proxy from your broker, bank or other nominee authorizing you to vote your street name shares held as of the Record Date in order to be able to vote at the Annual Meeting. A legal proxy is an authorization from your bank, broker or other nominee to vote the shares that it holds in its name.

If you are a company employee, retiree or other person who holds shares as a participant in the Plan you may not vote your shares held in the Plan in person at the Annual Meeting.

Proxy Solicitation

We, on behalf of the Board of Directors, are soliciting proxies in connection with this Annual Meeting. The Company will bear the costs of the solicitation. We have engaged Georgeson Inc. to assist us in soliciting proxies for a fee of approximately \$8,000 plus reasonable out-of-pocket expenses. In addition to the solicitation of proxies by mail, proxies may also be solicited by our directors, officers and employees in person or by telephone or fax, for which they will receive no additional compensation. We will also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to shareholders.

Delivery of Proxy Materials and Annual Report to Households

The Rules of the Securities and Exchange Commission (the SEC) permit companies and brokers, banks or other intermediaries to deliver a single copy of an annual report and proxy statement to households at which two or more shareholders reside (commonly referred to as householding). Beneficial owners sharing an address who have been previously notified by their broker, bank, nominee or other intermediary and who have consented to householding, either affirmatively or implicitly by not objecting to householding, will receive only one copy of our annual report to shareholders for our last fiscal year (the Annual Report) and this proxy statement. If you hold your shares in your own name as a holder of record, householding will not apply to your shares.

Beneficial owners who reside at a shared address at which a single copy of our Annual Report and this proxy statement is delivered may obtain a separate copy of our Annual Report and/or this proxy statement without charge by sending a written request to Spectrum Brands, Inc., 6 Concourse Parkway, Suite 3300, Atlanta, Georgia 30328, Attention: Vice President, Investor Relations, by calling us at (770) 829-6200 or by writing to us via electronic mail at investorrelations@spectrumbrands.com. We will promptly deliver an Annual Report and/or this proxy statement upon request.

Table of Contents

Not all brokers, banks or other nominees or intermediaries may offer the opportunity to permit beneficial owners to participate in householding. If you want to participate in householding and eliminate duplicate mailings in the future, you must contact your broker, bank, nominee or other intermediary directly. Alternatively, if you want to revoke your consent to householding and receive separate annual reports and proxy statements for each beneficial owner sharing your address, you must contact your broker, bank, nominee or other intermediary to revoke your consent.

Supplemental Executive Retirement Plan

We provide a supplemental executive retirement plan for eligible employees. The Board of Directors determines which employees are eligible to participate in the plan. Currently, only certain executive officers participate in the plan. Pursuant to the plan, we establish an account for each plan participant. Each October 1, we credit the account of each participant by an amount equal to 15% of the participant's base salary. In addition, each calendar quarter we credit each account by an amount equal to 2% of the participant's account value as of the first day of the plan year containing such calendar quarter. Each participant vests 20% per year in his account after becoming a participant in the plan, with immediate full vesting occurring upon death, disability or a change in control of the Company.

Pension Plan

Mr. Burel participates in a defined benefit pension plan through Rayovac Europe GmbH. Pursuant to the plan, Mr Burel is eligible to receive a fixed annual retirement payment. The payment has both a fixed component and a variable component that is calculated based on the number of years of service Mr. Burel provides to the Company. Mr. Burel's maximum benefit at retirement is approximately \$40,300 per year (the Maximum Amount).

Pursuant to Mr. Burel's agreement, he is entitled to a base benefit of 30% of the Maximum Amount. Mr. Burel's benefit increases based on the number of years of service that he provides. The percentage of the Maximum Amount that Mr. Burel is entitled to received at retirement, above the base amount of 30%, is increased by (i) 5% for each completed year of service beginning with his sixth and continuing until his tenth year of service, (ii) 2.5% for each completed year of service beginning with his eleventh and continuing until his twentieth year of service and (iii) 2% for each completed year of service beginning with his twenty-first and continuing until his thirtieth year of service (or until his retirement benefit is equal to 100% of the Maximum Amount). The normal retirement age for Mr. Burel's under the plan is 65.

Based on this formula, Mr. Burel is presently entitled to receive a benefit equal to 82% of the Maximum Amount or approximately, \$33,100 upon his retirement. At the normal retirement age, Mr. Burel would be entitled to a retirement benefit equal to 100% of the Maximum Amount or, \$40,300.

Employment Agreements

We entered into amended and restated employment agreements with each of Kent J. Hussey and Kenneth V. Biller effective as of April 1, 2005 and with David A. Jones effective as of October 1, 2005. We entered into an amended and restated employment agreement with John A. Heil effective as of January 16, 2007. One of our German subsidiaries entered into an amended and restated employment agreement with Remy E. Burel effective as of April 1, 2005, which agreement was further amended on June 30, 2005.

The agreements with Messrs. Hussey and Biller expire on September 30, 2008, the agreement with Mr. Jones expires on September 30, 2009 and the agreement with Mr. Heil expires on September 30, 2010. Mr. Burel's agreement has no specified term, but either party may terminate the agreement at any time upon providing six months' notice. Each of these agreements provides that the executive officer has the right to resign and terminate his respective agreement at any time upon at least 60 days' notice (six months' notice in the case of Mr. Burel). Upon such resignation, the Company must pay any unpaid base salary through the date of termination to the resigning executive officer. Mr. Jones has the option to relinquish the Chief Executive Officer position on October 1, 2008 and remain as an employee through September 30, 2009, subject to a reduction in his salary and bonus.

The agreements with Messrs. Heil, Hussey and Biller provide generally that upon our termination of the executive officer's employment without cause or for death or disability, we will pay to the terminated executive officer, or such executive officer's estate, two times the executive officer's base salary and annual bonus, to be paid out over the following 24 months. Mr. Burel is entitled to three times his base salary and annual bonus, to be paid out over the 36 months following such termination. The agreements with Messrs. Heil, Hussey and Biller also provide that if the executive officer resigns upon the occurrence of specified circumstances that would constitute a constructive termination or in the case of Mr. Heil good reason (as defined therein), the executive officer's resignation shall be treated as a termination by us without cause and entitle the executive to the payments specified above.

Table of Contents

The agreement with Mr. Jones provides that upon our termination of employment due to death or disability, we will pay Mr. Jones or his estate, as applicable, (a) his base salary over the following 24 months, (b) double the pro rata portion of the annual bonus payable to Mr. Jones (unless the Board determines to pay a greater amount in its sole discretion) and (c) additional salary of \$18,500 annually for the remainder of the term. Upon our termination of Mr. Jones' employment without cause, we will pay him (a) his base salary for the remainder of the term (or 24 months following such termination, if greater), (b) his annual bonus (provided we achieve our performance goals) for the remainder of the term (or 24 months following such termination, if greater), and (c) additional salary of \$18,500 annually for the remainder of the term (or 24 months following such termination, if longer).

Mr. Jones' employment agreement provides that if his employment is terminated by the Company without cause he will receive the following: (i) his base salary; (ii) his annual bonus, in an amount equal to the bonus paid in the full fiscal year immediately prior to his termination, shall continue to be paid until the first to occur of the remaining period of the term, twenty-four (24) months following his termination, or his breach of certain provisions of the agreement; (iii) his additional salary of \$18,500; and (iv) certain other additional benefits and post-retirement benefits until the first to occur of the remaining period of the term, twenty-four (24) months following his termination, or his breach of certain provisions of the agreement.

The agreements with Messrs. Jones, Hussey and Biller provide each executive with the option to elect to terminate his employment within a certain number of days following a change in control of the Company (as defined in each of their respective agreements). If either Messrs. Jones, Hussey or Biller elect to terminate their employment within the specified period following a change in control, their termination will be deemed to be a termination by the Company without cause and they will receive their respective payments as described above.

Under each agreement, we have the right to terminate the executive officer's employment for cause (as defined therein), in which event we shall be obligated to pay to the terminated executive officer any unpaid base salary accrued through the date of termination. Under each agreement, each executive has the right to terminate his employment upon providing us with sixty (60) days (or six (6) months in the case of Mr. Burel) written notice. A voluntary termination by the executive is treated by each employment agreement as a termination by the Company for cause (except for Messrs. Jones, Hussey and Biller following a change in control, Messrs. Jones and Hussey in the case of a constructive termination or Mr. Burel following a voluntary termination for good reason, each as described above) and entitles the executive to the payments stated earlier in this paragraph. Each agreement also provides that, during the term of the agreement or the period of time served as an employee or director, and for one year thereafter, the executive officer shall not provide services of the same or similar kind that he provides to us, have a significant financial interest in any of our competitors, or solicit any of our customers or employees.

Under their respective agreements, beginning April 1, 2005, Mr. Hussey became entitled to a base salary of \$525,000 per year, Mr. Biller became entitled to a base salary of \$450,000 per year and Mr. Burel became entitled to a base salary of Euro 375,000 per year, beginning October 1, 2005, Mr. Jones became entitled to a base salary of \$900,000 per year plus additional annual salary of \$18,500 for miscellaneous expenses and, beginning January 10, 2007, Mr. Heil became entitled to a base salary of \$450,000 per year. Our Board of Directors will review these base salaries from time to time and may increase them in its discretion. Each executive officer also is entitled to an annual bonus based upon our achieving certain annual performance goals established by the Board of Directors.

Table of Contents

Pursuant to their agreements, Messrs. Jones, Heil, Hussey, Biller and Burel are entitled to participate in the Company's equity-based compensation plans. Messrs. Heil, Hussey, Biller and Burel received restricted stock grants under our 2004 Incentive Plan (the "2004 Plan") which are described in the Summary Compensation table except for a grant of 50,000 shares of restricted Common Stock given to Mr. Heil in connection with Mr. Heil's amended and restated employment agreement on February 1, 2007. The restrictions lapse on all grants in the event of a change in control, as defined in the Plan. Upon the termination of a recipient's employment with us for any reason, such recipient shall forfeit to us all shares granted prior to fiscal 2007 for which restrictions have not lapsed as of the date of such termination. (For additional information about restricted stock awards made to the Named Executive Officers and related vesting periods, please see the Summary Compensation Table and corresponding footnotes above).

Mr. Jones was awarded on October 1, 2006, and will be awarded on October 1, 2007 and October 1, 2008, shares of Common Stock with a Fair Market Value, as defined in the 2004 Plan, equal to the greater of \$2,225,000 or 225% of his base salary then in effect subject to vesting conditions to be based on Company performance objectives established by the Board of Directors. Messrs. Heil, Hussey, Biller and Burel were awarded in fiscal 2006, and will be awarded in fiscal 2007 (or, in the case of Mr. Burel, each succeeding fiscal year for as long as his agreement remains in effect), shares of Common Stock with a Fair Market Value equal to 150%, 125%, 125% and 100%, respectively, of their base salaries then in effect, subject to vesting conditions to be based on Company performance objectives established by the Board of Directors. Also, commencing with fiscal year 2008 and subject to approval by the Board of Directors, Mr. Heil is eligible to receive for fiscal year 2008 and each fiscal year thereafter, a Company stock based award or other consideration, valued at 150% of his base salary, with such award containing vesting conditions to be based on Company performance goals established by the Board of Directors.

All of the shares granted in fiscal 2007 as described in the previous paragraph are subject to the following vesting conditions: (i) if the Company achieves 100% of certain performance goals established by the Board of Directors during the fiscal year in which the grant is made, then the shares granted for that fiscal year will vest in equal installments over the subsequent four years; (ii) if the Company achieves less than 80% of certain performance goals established by the Board of Directors during the fiscal year in which the grant is made, then the shares granted for that fiscal year will be forfeited; (iii) if the Company achieves at least 80% but less than 90% of certain performance goals established by the Board of Directors during the fiscal year in which the grant is made, then the shares granted for that fiscal year will be forfeited unless during the following fiscal year the Company meets 102.5% of certain performance goals, at which point the shares will vest in equal installments over the subsequent four years; and (iv) if the Company achieves at least 90% but less than 100% of certain performance goals established by the Board of Directors during the fiscal year in which the grant is made, then the recipient will receive a portion (beginning with receipt of 50% of the shares granted upon achieving 90% of the designated performance goals and increasing the percentage of the total number of shares in the grant received by 5% for each 1% of the performance goals achieved above 90%, up to 100%) of the shares granted for that fiscal year, which will vest in equal installments over the subsequent four years, and the remaining shares will be forfeited unless during the following fiscal year the Company meets 102.5% of certain performance goals, at which point the remaining shares would vest in equal installments over the subsequent four years.

Restrictions further lapse on all such fiscal 2007 grants in the event of a change in control, as defined in the 2004 Plan. Upon the termination of such recipient for any reason other than death or disability, without cause or in the case of Mr. Heil, for good cause by Mr. Heil, such recipient shall forfeit to us all shares for which restrictions have not lapsed as of the date of his termination.

Mr. Jones was paid a \$2,200,000 retention bonus on October 1, 2005 pursuant to the terms of his employment agreement as in effect immediately prior to the October 1, 2005 amendments to his employment agreement.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board of Directors is comprised of William P. Carmichael, John S. Lupo and Thomas R. Shepherd. Mr. Carmichael was elected to the Compensation Committee in November 2005. No member of our Compensation Committee is currently or has been, at any time since our formation, one of our officers or employees. None of our executive officers serves a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is currently comprised of William P. Carmichael, John S. Lupo and Thomas R. Shepherd. The Compensation Committee determines the compensation of all of the executive officers of Spectrum. The purpose of this report is to inform shareholders of our compensation policies for our executive officers and the rationale for the compensation paid to executive officers in fiscal 2006.

Compensation Procedures and Policies

Our executive compensation philosophy and specific compensation plans tie a significant portion of our executives' compensation to our success in meeting specified profit, growth and performance goals and to appreciation in our stock price. Our compensation objectives include attracting and retaining the best possible executive talent, motivating executive officers to achieve our performance objectives, rewarding individual performance and contributions, and linking executive and shareholder interest through equity based plans.

Our executive compensation consists of three key components: base salary, annual incentive compensation and stock based awards, each of which is intended to complement the others and, taken together, to satisfy our compensation objectives. The Compensation Committee's policies with respect to each of the three components, including the basis for the compensation awarded to our Chief Executive Officer, are discussed below.

Base Salary

Each of our executive officers, including the Named Executive Officers, is party to an employment agreement approved by the Compensation Committee that sets the base salary for each executive officer as well as other terms and conditions of employment. The base salary of each executive officer may be adjusted during the term of the agreement, as approved by the Board of Directors. The Compensation Committee periodically reviews the base salary of the Chief Executive Officer and also considers the recommendation of the Chief Executive Officer with regard to the base salary of all our other executive officers. The Compensation Committee reviews available national survey data regarding salaries of persons holding comparable positions at comparably sized consumer goods companies to establish base salary ranges and then approves, with any modifications it deems appropriate, the base salaries recommended by the Chief Executive Officer for each of the other executive officers.

The amount of base salary paid to each Named Executive Officer in fiscal 2006 is set forth in the summary compensation table on page 20.

Table of Contents

Annual Incentive Compensation

In fiscal 2006, our executive officers were eligible to participate in an incentive bonus plan which would have provided for payments to Mr. Jones based on 125% of his annual salary, to Messrs. Hussey and Biller based on 75% of each of their annual salaries, to Messrs. Heil and Burel based on 60% of their annual salaries and to our other executive officers based on 50% to 60% of their annual salaries as cash bonuses in the event that we reached 100% of our target financial goals. Bonuses could have exceeded that amount (but in no event would bonuses have exceeded 150% of targeted amounts) if we exceeded our target financial goals. If we reached at least 80%, but less than 100%, of our target financial goals, the executive officers would have been eligible to receive between 50% and 100% of the incentive bonus payment they would otherwise have been eligible to receive had we reached 100% of our target financial goals. As the Company did not reach the financial goals necessary to trigger such bonus payments relative to fiscal 2006 performance, no such annual bonuses were paid to any of our executive officers with the exception of Mr. Heil, who was paid an annual bonus for fiscal 2006 based solely upon the performance of our Global Pet division.

In fiscal 2007, our executive officers will also be eligible to participate in an annual bonus program based on the achievement of certain earnings and cash flow goals for fiscal 2007. Mr. Jones will be eligible to receive a bonus of 125% of his annual salary, Mr. Heil will be eligible to receive a bonus of 100% of his annual salary, Messrs. Hussey and Biller will each be eligible to receive a bonus of 75% of their respective annual salary, and Mr. Burel will be eligible to receive a bonus of 60% of his annual salary in the event we reach 100% of our fiscal 2007 financial target goals.

As noted in the summary compensation table, Mr. Jones was paid a \$2,200,000 retention bonus on October 1, 2005 pursuant to the terms of his employment agreement in effect as of immediately prior to the amendment to his employment agreement dated October 1, 2005 and Mr. Heil was paid a bonus of \$176,000 in fiscal 2006 based on fiscal 2005 performance as called for in his employment agreement with United that was in effect at the time Spectrum acquired United.

Stock Based Awards

During fiscal 2006, our executive officers were also eligible to participate in the 1997 Rayovac Incentive Plan (the 1997 Plan), and the 2004 Rayovac Incentive Plan (the 2004 Plan).

Under the 1997 Plan, we may grant to employees and non-employee directors stock options, stock appreciation rights, restricted stock, and other stock based awards, as well as cash-based annual and long-term incentive awards. Accelerated vesting will occur in the event of a change in control, as defined in the 1997 Plan. Up to 5,000,000 shares of Common Stock may be issued under the 1997 Plan. As of February 15, 2007, 509,436 shares of Common Stock underlying stock option grants and unvested restricted stock awards were outstanding under the 1997 Plan. The 1997 Plan expires in August 2007.

In April 2004, the Compensation Committee determined that the 1997 Plan did not have a sufficient number of shares reserved and available for future grants of stock or stock based awards to meet the Company's anticipated needs over the next several years. As a result, the Compensation Committee recommended, and the Board of Directors and shareholders of the Company approved, the adoption of the 2004 Plan in July 2004. The 2004 Plan is substantially similar to the 1997 Plan. The 2004 Plan reserves and makes available for distribution up to 3,500,000 shares of Common Stock for stock and stock based awards similar in kind to those available under the 1997 Plan. As of February 15, 2007, 515,927 shares of Common Stock underlying unvested restricted stock awards were outstanding under the 2004 Plan. The 2004 Plan expires in August 2014.

The restricted stock awards granted to the Named Executive Officers in fiscal 2006 are set forth in the summary compensation table on page 20.

Policy Regarding Deductibility of Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally limits the tax deductibility by a company of compensation in excess of \$1,000,000 paid to its chief executive officer and the four next highest compensated executive officers. This limit does not apply, however, to performance based compensation, as defined in Section 162(m).

The Compensation Committee has not adopted a policy that all compensation must be tax deductible under Section 162(m). In order to maintain ongoing flexibility of the company's compensation programs, the Committee reserves the authority to authorize payments or grant awards that may not be deductible if it believes that it is in the best interests of Spectrum and our shareholders. Certain awards of restricted stock granted under our 1997 Incentive Plan and 2004 Incentive Plan do not constitute performance based compensation for purposes of Section 162(m).

The foregoing report is furnished by the Compensation Committee of the Board of Directors.

AUDIT COMMITTEE REPORT

Our Audit Committee consists of John D. Bowlin, William P. Carmichael and Barbara S. Thomas. The Audit Committee operates under, and has the responsibility and authority set forth in, the written charter adopted by the Board of Directors, which can be viewed at our website at www.spectrumbrands.com under Investor Relations Corporate Governance.

The Board of Directors has adopted a written Audit Committee Charter which incorporates requirements mandated by the Sarbanes-Oxley Act of 2002 and the NYSE listing standards. All members of the Audit Committee are independent as defined by SEC rules and NYSE listing standards. At least one member of the Audit Committee is an audit committee financial expert as defined by SEC rules.

Management is responsible for our internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards in the United States of America, evaluating management's assessment of the effectiveness of the Company's internal control over financial reporting and KPMG's evaluation of the Company's internal control over financial reporting and issuing their reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the committee has reviewed and discussed with management and KPMG the audited financial statements for the fiscal year ended September 30, 2006, management's assessment of the effectiveness of the company's internal control over financial reporting and KPMG's evaluation of the company's internal control over financial reporting. The committee has discussed with KPMG the matters that are required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees). KPMG has provided to the committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the committee has discussed with KPMG that firm's independence. The committee has concluded that KPMG's provision of audit and non-audit services to Spectrum and its affiliates is compatible with KPMG's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the fiscal year ended September 30, 2006 be included in our Annual Report on Form 10-K filed with the SEC for that year. The Audit Committee also recommended to the Board of Directors that KPMG LLP be appointed as our independent registered public accounting firm for fiscal 2007.

The foregoing report is furnished by the Audit Committee of the Board of Directors.

PROPOSAL NO. 1:

ELECTION OF DIRECTORS

At the Annual Meeting, shareholders will elect three Class II directors to hold office until our 2010 annual meeting of shareholders. The directors shall serve until their successors have been duly elected and qualified or until any such director's earlier resignation or removal. If you sign and return the accompanying proxy, your shares will be voted for the election of the three nominees recommended by the Board of Directors, unless you mark the proxy in such a manner as to withhold authority to vote. The named proxies will vote the shares represented by all proxies received for the nominees for these vacancies, except to the extent authority to do so is withheld. Shareholders may withhold authority from the named proxies to vote for the entire slate of directors as nominated or may withhold the authority to vote for any individual nominee by marking the box under the "WITHHOLD" column adjacent to the name(s) of the appropriate director(s) on the proxy card. Withholding authority to vote for one or more of the nominees will result in those nominees receiving fewer votes. If any nominee is or becomes unable or unwilling to serve, all proxies received will be voted for the person, if any, as shall be designated by the Board of Directors to replace the nominee. If any nominee for any reason is unable to serve or will not serve, the proxies may be voted for such substitute nominee as the proxy holder may determine. Please see "Proxies and Voting Procedures" beginning on page 3 of this Proxy Statement for information on how your shares will be voted in the absence of your instructions if you hold shares through a bank, broker or other nominee or the Spectrum Brands 401(k) Retirement Savings Plan. Each nominee has agreed to serve as a director if elected, and the Board of Directors has no reason to believe that any nominee will be unavailable to serve as a director.

Directors

The following incumbent directors are being nominated for re-election to the Board of Directors as Class II directors: Thomas R. Shepherd, Scott A. Schoen and Charles A. Brizius. Please see "Nominees for Re-Election to the Board of Directors" beginning on page 7 of this proxy statement for information concerning each of the nominees for election as Class II directors.

Vote Required

To be elected as a Class II director at the Annual Meeting, each candidate for election must receive a plurality of the votes cast by the shareholders present in person or represented by proxy at the Annual Meeting. A plurality vote means that the director nominee with the most affirmative votes for a particular directorship is elected for that directorship.

The Board of Directors recommends that you vote FOR the election of each of Thomas R. Shepherd, Scott A. Schoen and Charles A. Brizius as Class II directors of the Company.

Table of Contents**PROPOSAL NO. 2:****RATIFICATION OF APPOINTMENT OF****INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2007****General**

Upon recommendation of the Audit Committee, our Board of Directors has appointed KPMG LLP as our independent registered public accounting firm for fiscal 2007. The shareholders are asked to ratify this action of the Board of Directors. Shareholder ratification of the selection of KPMG LLP as our independent registered public accounting firm for fiscal 2007 is not required by our Amended and Restated By-Laws, or otherwise, but is being pursued as a matter of good corporate practice. If shareholders do not ratify the selection of KPMG LLP as our independent registered public accounting firm for fiscal 2007, our Board of Directors will consider the matter at its next meeting. KPMG LLP has audited our financial statements since September 12, 1996.

It is anticipated that one or more representatives of KPMG LLP will be present at the Annual Meeting with an opportunity to make a statement, if desired, and will be available to answer appropriate questions from shareholders who are present.

Independent Auditor Fees

The following table summarizes the fees KPMG LLP, our independent auditor, billed to us for each of the last two fiscal years (in millions):

	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees
2006	\$ 4.7	\$	\$ 0.1	\$
2005	\$ 4.8	\$ 0.5	\$ 0.1	\$

In the above table, in accordance with the SEC's definitions and rules, **Audit Fees** are fees we paid KPMG LLP for professional services for the audit of our consolidated financial statements included in our Form 10-K and the review of our financial statements included in Form 10-Qs or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements, such as statutory audits required for certain of our foreign subsidiaries. **Audit-Related Fees** are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. The majority of Audit-Related Fees in 2005 were attributable to due diligence services related to acquisitions and advice related to the implementation of Section 404 of the Sarbanes-Oxley Act of 2002. **Tax Fees** are fees for tax compliance, tax advice and tax planning, and for both fiscal 2006 and fiscal 2005 such fees were attributable to services for tax-compliance assistance and tax advice. **All Other Fees** are fees, if any, for any services not included in the first three categories.

Pre-Approval of Independent Auditor Services and Fees

The Audit Committee pre-approved the fiscal 2006 audit services engagement performed by KPMG LLP. In accordance with the Audit Committee's Pre-Approval Policy, the Audit Committee has pre-approved other specified audit, non-audit, tax and other services, provided that the fees incurred by KPMG LLP in connection with any individual non-due diligence engagement do not exceed \$100,000 in any 12-month period. The Audit Committee must approve on an engagement by engagement basis any individual non-due diligence engagement

in excess of \$100,000 in any 12-month period or any individual engagement to perform due diligence services pertaining to potential business acquisitions/dispositions and other transactions and events in excess of \$1,000,000 in any 12-month period. The Audit Committee has delegated to its Chairman the authority to pre-approve any other specific audit or specific non-audit service which was not previously pre-approved by the Audit Committee, provided that any decision of the Chairman to pre-approve other audit or non-audit services shall be presented to the Audit Committee at its next scheduled meeting.

Vote Required

PROPOSAL NO. 3:

SHAREHOLDER PROPOSAL REGARDING DECLASSIFICATION OF

OUR BOARD OF DIRECTORS

A shareholder has informed the Company that it intends to present the following proposal for action at the Annual Meeting. The Company will provide its shareholders with the proponent's name and address and the number of shares of Common Stock held by the proponent promptly upon receipt of an oral or written request.

SHAREHOLDER PROPOSAL

REPEAL CLASSIFIED BOARD

BE IT RESOLVED, that the stockholders of Spectrum Brands, Inc. request that the Board of Directors take the necessary steps to declassify the Board of Directors and establish annual elections of directors, whereby directors would be elected annually and not by classes. This policy would take effect immediately, and be applicable to the re-election of any incumbent director whose term, under the current classified system, subsequently expires.

SUPPORTING STATEMENT

We believe that the ability to elect directors is the single most important use of the shareholder franchise. Accordingly, directors should be accountable to shareholders on an annual basis. The election of directors by classes, for three-year terms, in our opinion, minimizes accountability and precludes the full exercise of the rights of shareholders to approve or disapprove annually the performance of a director or directors.

In addition, since only one-third of the Board of Directors is elected annually, we believe that classified boards could frustrate, to the detriment of long-term shareholder interest, the efforts of a bidder to acquire control or a challenger to engage successfully in a proxy contest.

We urge your support for the proposal to repeal the classified board and establish that all directors be elected annually.

COMPANY RESPONSE TO SHAREHOLDER PROPOSAL REGARDING DECLASSIFICATION OF OUR BOARD OF DIRECTORS

In accordance with our Amended and Restated Articles of Incorporation, our Board of Directors is divided into three classes that serve staggered three-year terms, referred to herein as a classified board structure. Our Board of Directors, in conjunction with its Nominating and Corporate Governance Committee evaluates corporate governance issues affecting the Company on a regular basis, including whether to maintain our classified board structure. After careful consideration, the board has determined that it is in the best interests of the Company and our shareholders to maintain the classified structure of the Board of Directors for the reasons set forth below and recommends a vote AGAINST this proposal.

Table of Contents

Commitment to Excellence

We believe that we have an excellent and well-qualified Board of Directors. Our Board of Directors is committed to utilizing effective corporate governance practices and has adopted Corporate Governance Guidelines (a copy of which is available on our website at www.spectrumbrands.com under Investor Relations Corporate Governance) that emphasize this commitment.

Stability and Continuity

Our classified board structure is designed to provide stability, prevent sudden disruptive changes to our Board of Directors' composition, enhance long-term planning and ensure that, at any given time, there are Directors serving on our Board of Directors who are familiar with our Company, our business and our strategic goals. Our classified board structure benefits the Company and our shareholders because it aids the Company in attracting and retaining director candidates who are willing to make long-term commitments of their time and energy. We believe that the in-depth knowledge and experience of our Directors are particularly important now, given the opportunities and challenges that we face as we continue to reshape the Company to further our continuing commitment to enhancing shareholder value. The current classified board structure enables the Directors to build on past experience for more effective long-term strategic planning. We further believe that an experienced and knowledgeable Board of Directors is better equipped to make decisions that are in the best interests of our shareholders.

Independence

Electing Directors to three-year terms enhances the independence of non-management Directors by providing them with a longer assured term of office, thereby insulating them against pressure from management or from special interest groups who might have an agenda contrary to the long-term interests of all shareholders. As a result, independent Directors voice their views without having to continually consider an upcoming nomination for re-election the following year.

Accountability to Shareholders

Our Directors continue to be accountable to the Company and our shareholders under our classified board structure. Every director is required to uphold his or her fiduciary duties to the Company and our shareholders, regardless of how often he or she stands for election. The Board of Directors has implemented broad measures to ensure accountability of the Company's Directors, including the adoption of Corporate Governance Guidelines, which, among other things, provide for annual evaluations of Director independence and an annual self-assessment of the Board's performance sponsored by the Nominating and Corporate Governance Committee.

Enhancement of Shareholder Value

Our classified board structure strongly encourages potential acquirers to deal directly with our Board of Directors if they are interested in acquiring the Company and better positions our Board of Directors to negotiate effectively on behalf of shareholders to realize the greatest possible shareholder value. Our classified board structure is designed to safeguard against a potential acquirer unilaterally and rapidly gaining control of our business and assets without paying fair value for them by removing our Directors at a single annual meeting. Because only one-third of the Directors are elected at any annual meeting of shareholders, it is impossible to elect an entirely new board or even a majority of the Directors serving on our Board of Directors, which provides

Table of Contents

the incumbent Directors at least two annual shareholder meetings to negotiate the best results for our shareholders in a takeover situation. It is important to note that a classified board structure does not preclude a takeover, but it does provide a company with time and leverage to evaluate the adequacy and fairness of any takeover proposal, negotiate on behalf of all shareholders and weigh alternative methods of maximizing shareholder value for all shareholders. It is for these reasons that many S&P 500 and Fortune 500 companies continue to have classified board structures.

Procedural Matters

It is also important to note that shareholder approval of this proposal would not in itself declassify our Board of Directors or provide for the annual election of Directors. Approval of this proposal would advise our Board of Directors that a majority of our shareholders voting at the meeting favor a change and request that the Board take the necessary steps to declassify our Board of Directors and to establish annual elections of all Directors. However, under our Amended and Restated Articles of Incorporation and Wisconsin law, a change in the structure of our Board of Directors would require an amendment to our Articles of Incorporation. Such an amendment would require a resolution from our Board of Directors to adopt the amendment followed by the approval of the holders of a majority of votes entitled to be cast on the amendment.

Conclusion

After careful consideration of this proposal, the Nominating and Corporate Governance Committee and the entire Board of Directors have determined that retention of the classified structure of our Board of Directors remains in the best interests of the Company and our shareholders. We believe that the benefits of the classified structure of our Board of Directors do not come at the cost of our Directors' accountability to shareholders. The Company and the Board of Directors have a long-standing commitment to sound corporate governance practices for the benefit of the Company and its shareholders. The Board of Directors believes that the current classified board structure is entirely consistent with that commitment, is appropriate for the Company, and will continue to serve and protect shareholders' interests as it has for many years.

FOR THESE REASONS, THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE AGAINST PROPOSAL 3.

Vote Required

The affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting is required to approve this Shareholder proposal.
