ITEM 3.02. Unregistered Sales of Equity Securities.

Since January 23, 2007 through April 17, 2007, we issued an aggregate of 607,648 shares of our Class B common stock to certain employees, officers, consultants and directors upon the exercise of options awarded under our 2000 Stock Incentive Plan. We received aggregate proceeds of \$1.1 million as a result of the exercise of these options. We believe these transactions were exempt from the registration requirements of the Securities Act of 1933 in reliance on Rule 701 thereunder as transactions pursuant to compensatory benefit plans and contracts relating to compensation as provided under Rule 701. All option grants made under the 2000 Stock Incentive Plan were made prior to our initial public offering. No further option grants will be made under our 2000 Stock Incentive Plan. None of the foregoing transactions involved any underwriters, underwriting discounts or commissions, or any public offering.

Each share of our Class B common stock is convertible into one share of our Class A common stock at any time at the option of the holder or upon the affirmative vote of the holders of a majority of the shares of Class B common stock. In addition, each share of Class B common stock shall convert automatically into one share of Class A common stock upon any transfer, except for certain transfers described in our amended and restated certificate of incorporation.
