Item 4.01. Changes in Registrant's Certifying Accountant.

Deloitte & Touche LLP (Deloitte) is the independent registered public accountant for Radian Group Inc. (the Company). Deloitte's present engagement with the Company had been expected to terminate on or about the filing of the Company's Quarterly Report on Form 10-Q for the third quarter of 2007 (the Termination Date) had the Company completed its merger with MGIC Investment Corporation (MGIC). As previously disclosed, Radian and MGIC mutually terminated their proposed merger on September 5, 2007. On September 26, 2007, Deloitte declined to stand for reappointment as the Company's independent auditors for the 2007 audit and its engagement will end shortly following the Termination Date.

The Company's Audit and Risk Committee is currently engaged in discussions with audit firms to replace Deloitte and serve as the Company's independent registered public accountant following the Termination Date. The Company expects to announce the appointment of a new audit firm on a Form 8-K in the near future.

The audit reports of Deloitte on the consolidated financial statements of the Company as of December 31, 2005 and 2006 and for each of the three years in the period ended December 31, 2006 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two most recent fiscal years and the subsequent interim periods preceding September 26, 2007: (i) there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K) and (ii) there was no disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and related instructions) between the Company and Deloitte on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of Deloitte, would have caused Deloitte to make reference to the subject matter of the disagreement in connection with its report, except as follows: As previously reported on a Form 10-Q/A dated August 13, 2007 (the 10-Q/A), on August 9, 2007, the Company filed its Quarterly Report on Form 10-Q for the quarter ended June 30, 2007 (the Second Quarter 10-Q), before Deloitte had completed its review of the interim financial statements included in the Second Quarter 10-Q. As reported in the 10-Q/A, Deloitte needed to review additional documentation supporting the conclusion that the impairment charge relating to the Company's interest in Credit-Based Asset Servicing and Securitization LLC occurred after June 30, 2007. Members of the Company's management discussed the events surrounding the filing of the Second Quarter 10-Q with Deloitte on August 9, 2007, and the Chairman of the Company's Audit and Risk Committee discussed these events with Deloitte on August 10, 2007. On August 14, 2007, the Company filed a second amendment to its Second Quarter 10-Q to state that the matters related to the impairment had been resolved without changes or amendments to the interim financial statements included in the Second Quarter 10-Q. The Company has authorized Deloitte to respond fully to the inquiries of any successor accountant concerning this matter or any other matter.

We have provided Deloitte with a copy of the above disclosures and requested that Deloitte furnish us with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with such statements. A copy of this letter dated October 2, 2007 is filed as Exhibit 16.1 to this Current Report on Form 8-K.
