PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

JUNE 4, 2008

INFORMATION CONCERNING SOLICITATION OF PROXIES AND VOTING

The following information is provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of BJ's Restaurants, Inc. in connection with our Annual Meeting of Shareholders and adjournments or postponements thereof to be held on June 4, 2008 at our BJ's Restaurant & Brewhouse located at 13130 Jamboree Road, Irvine, California 92602, at 9:00 a.m., Pacific Daylight Time, for the purposes stated in the Notice of Annual Meeting of Shareholders preceding this Proxy Statement.

SOLICITATION AND REVOCATION OF PROXIES

A form of proxy is being furnished herewith to each shareholder and in each case is solicited on behalf of our Board of Directors for use at the Meeting. We made copies of this Proxy Statement available to shareholders beginning on May 1, 2008. We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others forwarding the solicitation material to beneficial owners of stock. We may reimburse persons holding shares in their names or the names of their nominees for the benefit of others, such as brokerage firms, banks, depositaries, and other fiduciaries, for costs incurred in forwarding soliciting materials to their principals. The costs of such solicitation are not expected to exceed \$5,000. Our directors, officers and regular administrative employees may solicit proxies personally, by telephone or electronic communication but will not be separately compensated for such solicitation services.

Shareholders are requested to complete, date and sign the accompanying proxy and return it promptly to us. Internet and telephone voting is available through 1:00 a.m. (Central time) on June 4, 2008. Any proxy given may be revoked by a shareholder at any time before it is voted at the Annual Meeting and all adjournments thereof by filing with our Secretary a notice in writing revoking it, or by duly executing and submitting a proxy bearing a later date via the internet, by telephone or by mail. Proxies may also be revoked by any shareholder present at the Annual Meeting who expresses a desire to vote their shares in person. Subject to such revocation, all proxies duly executed and received prior to, or at the time of, the Annual Meeting will be voted FOR the election of all nine of the nominee-directors specified herein, and FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2008, unless a contrary choice is specified in the proxy. Where a specification is indicated as provided in the proxy, the shares represented by the proxy will be voted

Edgar Filing: BJ's RESTAURANTS INC - Form DEF 14A

and cast in accordance with the specification made therein. As to other matters, if any, to be voted upon, the persons designated as proxies will take such actions as they, in their discretion, may deem advisable. The persons named as proxies were selected by our Board of Directors and each of them is one of our Directors.

Your execution of the enclosed proxy or submitting your vote by telephone or on the internet will not affect your right as a shareholder to attend the Annual Meeting and to vote in person.

Under our bylaws and California law, shares represented by proxies that reflect abstentions or broker non-votes (i.e., shares held by a broker or nominee which are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger proportion of votes. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) with respect to ratification of the selection of Ernst & Young LLP will have the same effect as votes against such proposal. Broker non-votes will be treated as unvoted for purposes of determining approval of any such proposal and will not be counted as votes for or against such proposal.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some banks, brokers, and other nominee record holders may participate in the practice of householding proxy statements and annual reports. This means that only one copy of this Notice of Annual Meeting and Proxy Statement and the 2007 Annual Report may have been sent to multiple stockholders in your household. If you would like to obtain another copy of either document, please contact our Investor Relations Department at 7755 Center Avenue, Suite 300, Huntington Beach, California 92647, telephone (714) 500-2400. If you want to receive separate copies of the proxy statement and annual report in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact us at the above address or telephone number.

SHAREHOLDERS VOTING RIGHTS

Only holders of record of shares of our Common Stock, no par value, at the close of business on April 17, 2008 (the Record Date) will be entitled to notice of, and to vote at, the Annual Meeting. On the Record Date, there were 26,363,594 shares of Common Stock outstanding, with one vote per share, held by 124 shareholders of record. We estimate that there were approximately 4,700 beneficial shareholders.

With respect to election of directors, assuming a quorum is present, the nine candidates receiving the highest number of votes are elected. See Nomination and Election of Directors. To ratify the appointment of Ernst & Young LLP, assuming a quorum is present, the affirmative vote of shareholders holding a majority of the voting power represented and voting at the meeting (which shares voting affirmatively also constitute at least a majority of the required quorum) is required. A quorum is the presence in person or by proxy of shares representing a majority of the voting power of our Common Stock.

NOMINATION AND ELECTION OF DIRECTORS
(PROPOSAL NO. 1 ON PROXY CARD)

Our directors are elected at each annual meeting of shareholders. At this Annual Meeting, nine directors will be elected to serve until the next annual meeting of shareholders and until their successors are elected and qualify. The nominees for election as directors at this Annual Meeting set forth in the table below all currently serve on our Board of Directors and are all recommended by our Board of Directors for reelection at the Annual Meeting. In the event that any of the nominees for director should become unable to serve if elected, it is intended that shares represented by proxies which are executed and returned will be voted for such substitute nominee(s) as may be recommended by our existing Board of Directors.

The nine nominee-directors receiving the highest number of votes cast at the Annual Meeting will be elected as our directors. Subject to certain exceptions specified below, shareholders of record on the Record Date are entitled to cumulate their votes in the election of our directors (i.e., they are entitled to the number of votes determined by multiplying the number of shares held by them times the number of directors to be elected) and may cast all of their votes so determined for one person, or spread their votes among two or more persons as they see fit. No shareholder shall be entitled to cumulate votes for a given candidate for director unless such candidate's name has been placed in nomination prior to the vote and the shareholder has given notice at the Annual Meeting, prior to the voting, of the shareholder's intention to cumulate his or her votes. If any one shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination. Discretionary authority to cumulate votes is hereby solicited by the Board of Directors if any shareholder gives notice of his or her intention to exercise the right to cumulative voting. In that event, the Board of Directors will instruct the proxy holders to vote all shares represented by proxies in a manner that will result in the approval of the maximum number of directors from the nominees selected by the Board of Directors that may be elected with the votes held by the proxy holders.

The following table sets forth certain information concerning the nominees for election as directors:

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR ALL OF THE NOMINEES ABOVE.

INFORMATION CONCERNING THE BOARD OF DIRECTORS

AND CERTAIN COMMITTEES THEREOF

Determination of Director Independence

In March 2008, the Board undertook its annual review of director independence. During this review, the Board considered transactions and relationships between us and our subsidiaries and affiliates and each of our directors or any members of their immediate family, including those reported under Certain Relationships and Related Transactions. The Board also examined transactions and relationships between our directors or their affiliates and members of our senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent under the definition of independence set forth in Rule 4200(a)(15) of the National Association of Securities Dealers (the NASD Independence Standards).

Edgar Filing: BJs RESTAURANTS INC - Form DEF 14A

As a result of this review, the Board affirmatively determined that all of our directors who are nominated for election at the annual meeting are independent of us and our management under the NASD Independence Standards, with the exception of Messrs. Motenko, Hennessy, Deitchle and Dal Pozzo. Messrs. Motenko, Hennessy and Deitchle are considered inside directors because we employ them as members of our senior management. Mr. Dal Pozzo is considered a non-independent outside director because of the amount of food and supplies that we purchase from The Jacmar Companies for our restaurant operations, which employs Mr. Dal Pozzo as its President.

Board Meetings and Board Committees

The Board met four times during fiscal 2007. Each of our directors attended 75% or more of the aggregate of the total number of meetings of the Board of Directors held during the period in which he was a director. All Directors attended our annual shareholders meeting in May 2007. Each Director is expected to dedicate sufficient time, energy and attention to ensure the diligent performance of his duties, including by attending meetings of our shareholders, the Board and Committees of which he is a member.

The business of our Board of Directors is conducted through full meetings of the Board of Directors, as well as through meetings of its committees. The following provides certain information regarding the committees of the Board of Directors.

Audit Committee

Our Board maintains an Audit Committee which reviews and reports to the Board on various auditing and accounting matters, including the annual audit report from our independent public accountants. Throughout fiscal 2007, the Audit Committee consisted of Mr. Grundhofer, Mr. Bouts and Mr. Bassi, all of whom are independent directors. Mr. Grundhofer is the Chairman of the Audit Committee. The Audit Committee held six meetings during the last fiscal year. See [Report of the Audit Committee](#) for a further description of the functions performed by the Audit Committee. The charter for the Audit Committee is available on our website at www.bjsrestaurants.com.

Compensation Committee

The Compensation Committee determines executive compensation policies, administers compensation plans, reviews programs and policies and monitors the performance and compensation of certain officers and other employees. The Compensation Committee also determines appropriate awards under our 1996 Stock Option Plan and our 2005 Equity Incentive Plan. The Compensation Committee consisted of Mr. King, Mr. Bassi and Mr. Brassfield during the fiscal year 2007, all of whom are independent directors. Mr. King is the Chairman of the Compensation Committee. The Compensation Committee held three meetings during the last fiscal year. See [Compensation Discussion and Analysis](#) for a further description of the functions performed by the Compensation Committee. The charter for the Compensation Committee is available on our website at www.bjsrestaurants.com.

Governance and Nominating Committee

Our Board also maintains a Governance and Nominating Committee that is responsible for developing and implementing and monitoring policies and practices relating to our corporate governance. The Governance and Nominating Committee, in connection with management, implements our Code of Business Conduct, which covers all of our directors, officers and employees and is designed to promote the honest and ethical conduct of our business. In addition, the Committee develops and reviews background information on candidates for the Board and makes recommendations to the Board regarding such candidates. The Committee also prepares and supervises the Board's annual review of directors' independence and the Board's performance self-evaluation. The charter of the Governance and Nominating Committee is available on our website at www.bjsrestaurants.com.

The Governance and Nominating Committee was established in March 2004 and consists of Mr. Grundhofer, Mr. Brassfield and Mr. King, all of whom are independent directors. Mr. Grundhofer serves as Chairman of the Governance and Nominating Committee. The Governance and

Edgar Filing: BJs RESTAURANTS INC - Form DEF 14A

Nominating Committee conducted its business within the context of regularly scheduled Board meetings and also held one separate meeting during the last fiscal year.

The Governance and Nominating Committee considers candidates for Board membership suggested by its members and other Board members, as well as candidates suggested by members of our management and by our shareholders. A shareholder who wishes to recommend a prospective nominee for the Board should notify any member of the Governance and Nominating Committee in writing with whatever supporting material the shareholder considers appropriate. The Governance and Nominating Committee will also consider whether to nominate any person nominated by a shareholder pursuant to the provisions of our bylaws relating to shareholder nominations.

Once the Governance and Nominating Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below. If the Committee determines, in consultation with the Co-Chairmen of the Board and other Board members, as appropriate, that additional consideration is warranted, it may request a third-party search firm to gather additional information about the prospective nominee's background and experience and to report its findings to the Committee. The Committee then evaluates the prospective nominee against the following standards and qualifications:

the ability of the prospective nominee to represent the interests of all of our shareholders;

the prospective nominee's standards of integrity, commitment and independence of thought and judgment;

the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards;

the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board; and

the extent to which the prospective nominee helps the Board reflect the diversity of our shareholders, employees, customers, guests and communities.

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

Shareholder Communications

Any shareholder who wishes to communicate directly with the Board of Directors or one or more specific directors, may send a letter addressed to the Board of Directors or to the specific directors intended to be addressed to our corporate headquarters. We will forward all communications to the Board of Directors or to the specific directors identified by the shareholder. Our current policy is to send every shareholder's communication addressed to the Board of Directors or to one or more specific directors to the identified directors.

Lead Independent Director

In March 2008, our Board of Directors created the position of Lead Independent Director to chair the Board's executive sessions of non-employee directors. The Lead Independent Director also advises the Chairman

or Co-Chairmen of the Board and committee chairs with respect to agendas and information needs relating to Board and committee meetings, and performs such other duties as the Board may from time to time assign to assist the Board in fulfilling its responsibilities. Mr. Bassi currently serves as our Lead Independent Director.

Compensation of Directors

We paid each non-employee director an annual cash retainer of \$30,000 (paid in quarterly installments), plus an annual grant of restricted stock units or stock options valued at \$40,000, with the underlying number of option shares determined using the Black-Scholes option pricing model. The directors' annual equity grant occurs on January 15 each year. Annual equity grants vest over a three year period. Stock options have an exercise price equal to the closing market price of our Common Stock on the grant date. In addition, the Chairmen of our Audit, Compensation and Governance Committees also receive an additional annual cash retainer of \$5,000, paid in quarterly installments.

New non-employee directors receive their quarterly installment of their annual cash retainer at the first meeting upon being elected to the Board of Directors. In addition to the regular annual cash retainer, upon initially joining the Board of Directors, each non-employee director receives options to acquire 25,000 shares of Common Stock at a price equal to the closing market price of our Common Stock on the date of the grant. Such options vest over a two year period. This initial option award will be granted as of the date of the recipient's election to the Board, if the election date is open for trading under our blackout policy for stock trading, or as of the first open trading day after the election date if the election date is not open for trading under our blackout policy.

The following table sets forth information concerning the compensation of our non-employee directors during 2007:

Name (1)	Fees Earned or Paid in	Stock Awards	Option Awards	Non-Equity Incentive Plan Compensation	Change in Pension Value and Nonqualified Deferred Compensation	All Other Compensation	Total
	Cash (\$)	(\$)	\$(2)	(\$)	Earnings	(\$)	(\$)

- (1) Directors who are also our employees receive no additional compensation for serving on the Board of Directors. The compensation of Gerald W. Deitchle, Paul A. Motenko and Jeremiah J. Hennessy is reflected in the Summary Compensation Table.

Director Stock Ownership Guidelines

Effective January 3, 2007, all non-employee directors are required to hold shares of our Common Stock with a value equal to four times the amount of the annual cash retainer paid to directors, calculated using the most current year annual cash retainer adopted by the Board. All non-employee directors are required to achieve these guidelines within four years of joining the Board, or at the time these guidelines were adopted. Shares that count towards satisfaction of these guidelines include:

Stock purchased on the open market;

Stock obtained through stock option exercises;

Restricted stock units;

Deferred stock units; and

Stock beneficially owned in a trust, by spouse and/or minor children.

REPORT OF AUDIT COMMITTEE

The following Audit Committee report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any of our filings under the Securities Act of 1933, as amended or the Securities Exchange Act of 1934, as amended, except to the extent we specifically incorporate this Audit Committee report by reference therein.

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board in overseeing and monitoring our financial reporting practices. The members of the Audit Committee are independent (as such term is defined in NASD Rule 4200(a)(15) which are applicable to us as a result of the listing of our Common Stock on the NASDAQ Global Select Market). In addition, all members of the Audit Committee have been designated as audit committee financial experts (as such term is defined by Item 407(d)(5)(ii) of Regulation S-K).

As more fully described in its charter, the Audit Committee oversees our financial reporting and internal control processes on behalf of the Board of Directors, as well as the independent audit of our consolidated financial statements by our independent auditors. The Audit Committee appointed and the shareholders ratified Ernst & Young LLP (E&Y) as our independent auditors for fiscal year 2007. Management has the primary responsibility for our consolidated financial statements and the financial reporting process, including our system of internal controls. E&Y, as our independent auditors, is responsible for expressing an opinion on the conformity of those audited consolidated financial statements with accounting principles generally accepted in the United States. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of our internal controls, and the overall quality of our

financial reporting. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed our audited consolidated financial statements for fiscal 2007 with management and E&Y. Management and E&Y have represented to the Audit Committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles.

In addition, during the most recent fiscal year, the Audit Committee:

reviewed with E&Y their judgments as to the quality, not just the acceptability, of our consolidated financial statements for fiscal 2007;

discussed with E&Y the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees;

reviewed the written disclosures and the letter from E&Y required by Independence Standards Board Standard No. 1, as amended, Independence Discussions with Audit Committee, and discussed with E&Y its independence, including the compatibility of non-audit services with the auditors' independence; and

discussed with E&Y the overall scope and plans for their respective audits.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors and the Board has approved that our audited consolidated financial statements be included in the Annual Report on Form 10-K for the year ended January 1, 2008 for filing with the Securities and Exchange Commission. The Committee and the Board have also appointed Ernst & Young LLP as our independent auditors for its fiscal year 2008.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS
(PROPOSAL NO. 2 ON PROXY CARD)

The Audit Committee has appointed Ernst & Young LLP as our independent auditors for the fiscal year ending December 30, 2008, and the Board is recommending shareholders ratify that appointment at the Annual Meeting. Ernst & Young LLP does not have, and has not had at any time, any direct or indirect financial interest in us or any of our subsidiaries and does not have, and has not had at any time, any relationship with us or any of our subsidiaries in the capacity of promoter, underwriter, voting trustee, director, officer, or employee. Neither BJs nor any of our officers or directors has or has had any interest in Ernst & Young LLP.

As a matter of good corporate governance, the Board has determined to submit the appointment of Ernst & Young LLP to the shareholders for ratification. In the event that this appointment of Ernst & Young LLP is not ratified by a majority of the shares of Common Stock present or represented at the Annual Meeting and entitled to vote on the matter, the Audit Committee will reconsider its appointment of an independent registered public accounting firm for future periods.

Representatives of Ernst & Young LLP will be present at the Annual Meeting, will have an opportunity to make statements if they so desire, and will be available to respond to appropriate questions.

Notwithstanding the ratification by shareholders of the appointment of Ernst & Young LLP, the Board of Directors or the Audit Committee may, if the circumstances dictate, appoint other independent auditors.

Fees Billed by Ernst & Young LLP

The following table sets forth the aggregate fees billed to us for the fiscal years ended January 1, 2008 (fiscal 2007) and January 2, 2007 (fiscal 2006) by our independent auditors, Ernst & Young LLP:

Pre-Approval Policies and Procedures

The Audit Committee has established policies and procedures for the approval and pre-approval of audit services and permitted non-audit services. The Audit Committee has the responsibility to appoint and terminate our independent auditors, to pre-approve their performance of audit services and permitted non-audit services, to approve all audit and non-audit fees, and to set guidelines for permitted non-audit services and fees. All the fees for fiscal 2007 and 2006 were pre-approved by the Audit Committee or were within pre-approved guidelines for permitted non-audit services and fees established by the Audit Committee, and there were no instances of waiver of approval requirements or guidelines during the same periods.

COMPENSATION DISCUSSION AND ANALYSIS

Role of the Compensation Committee

The Compensation Committee of the Board has the responsibility for establishing, implementing and continually monitoring adherence to our compensation philosophy. The Compensation Committee ensures that the total compensation paid to our executive officers is fair, reasonable and competitive. The Compensation Committee is comprised entirely of independent directors who are also non-employee directors as defined in Rule 16b-3 under the Securities Exchange Act of 1934 (Rule 16b-3) and outside directors as defined under Section 162(m) of the Internal Revenue Code (Section 162(m)). The Compensation Committee reviews the performance of our officers and key employees and reports to the Board of Directors. In such capacity, the Compensation Committee administers our executive compensation plans, reviews our general compensation and benefit programs and policies, and monitors the performance and compensation of executive officers and other key employees. However, the base compensation packages for each of Mr. Motenko, Mr. Hennessy and Mr. Deitchle were originally established under Employment Agreements previously approved by the Compensation Committee and the Board of Directors and described elsewhere in this Proxy Statement. See Compensation of the Chief Executive Officer and the Co-Chairmen. The Compensation Committee also makes recommendations regarding equity awards to executive officers and other employees pursuant to our equity compensation plans, including our 2005 Equity Incentive Plan.

The Compensation Committee's charter establishes the various responsibilities of the Compensation Committee including those described above. The Compensation Committee periodically reviews and revises the charter. In addition, the Compensation Committee regularly receives reports and recommendations from management and, as appropriate, consults with legal, accounting or other advisors in accordance with the authority granted to the Compensation Committee in its charter.

Three independent directors, J. Roger King, Shann M. Brassfield, and Peter A. Bassi, currently serve on the Compensation Committee and served as Compensation Committee members during all of fiscal 2007. Mr. King is the chairman of the Compensation Committee. Each member of the Compensation Committee meets the independence requirements specified by NASDAQ and by Section 162(m) of the Internal Revenue Code (Code), as determined annually by the Board. The Chairman of the Compensation Committee reports the Compensation Committee's actions and recommendations to the Board of Directors following each Compensation Committee meeting.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all decisions regarding the compensation of executive officers, including cash-based and equity-based incentive compensation programs. The Compensation Committee and the Chief Executive Officer annually review the performance of the other executive officers. The Compensation Committee reviews the performance of the Chief Executive Officer.

Overview of Compensation Philosophy and Program

The Compensation Committee believes that executive compensation should be closely aligned with our performance on both a short-term and a long-term basis. In addition, the Compensation Committee believes that compensation should be designed to assist us in attracting and retaining management personnel that are critical to our long-term success. To that end, the Compensation Committee believes that executive compensation should be comprised of three principal components:

annual base salary;

performance-based incentive bonuses, which are dependent on our performance and, for most executives, their individual performance; and

long-term incentive compensation in the form of stock options, restricted stock units or other equity-based awards that are designed to align executive officers' interests with those of shareholders by rewarding outstanding performance and providing long-term incentives.

The Compensation Committee considers a variety of factors when it establishes the amount of total compensation to award to executive officers each year. Among these factors are:

the amount of total compensation paid to our executives compared to amounts paid to similar executives at targeted peer group companies both for the prior year and over a multi-year period;

the value of equity-based compensation awarded in prior years;

internal pay equity considerations; and

broad trends in executive compensation generally and within the restaurant industry.

Determining Executive Compensation

We have structured our annual and long-term incentive-based cash and non-cash executive compensation programs to motivate executives to achieve our business goals and reward them for achieving these goals. The Compensation Committee determines relevant market data and alternatives to consider when making compensation decisions regarding the executive officers. The Compensation Committee generally makes its annual executive compensation decisions at its meeting held in December of each year. Additionally, the Compensation Committee meets after our annual financial results have been audited by our independent accountants to finalize the most recently completed fiscal year's annual incentive calculations for executives and other applicable employees.

In determining executive compensation, the Compensation Committee reviews base pay, bonus and equity awards for the current year and on a cumulative basis. The Compensation Committee also receives information regarding the performance of each executive based upon predetermined individual objectives and other attributes. In setting base salaries for fiscal 2007, the Compensation Committee also used industry data provided by Mercer Human Resource Consulting and HVS International's HCE Hospitality Exchange compensation information. However, the Compensation Committee does not use formulas or specifically set the compensation for our executives based solely on this industry data. Instead, the Compensation Committee uses this information and the executive's level of responsibility and experience, as well as the executive's success in achieving business objectives and their overall leadership qualities, in determining the executive's compensation. The Compensation Committee believes that this approach allows it to take into consideration the executive's overall contribution to us in determining executive compensation rather than relying solely on specific peer group targets. For fiscal 2007, total compensation levels against the HCE Hospitality Exchange compensation data for similarly situated executive officers for restaurant companies with similar size revenues revealed that our total compensation for our executives was generally in the 50th percentile.

The Compensation Committee did not use an outside consultant for its executive officers in setting total compensation for fiscal 2008 except for Mr. Deitchle, Mr. Levin and Mr. Lynds. For these individuals, the Compensation Committee engaged Mercer Human Resource Consulting (Mercer), a global human resource consulting firm, to conduct an executive compensation assessment including comparable companies. Mercer's assessment reflects compensation levels and practices for executives holding comparable positions at targeted comparative companies for Mr. Deitchle, Mr. Levin and Mr. Lynds. The comparable companies consist of restaurant companies that have similar business models and economics for which we compete for talent and shareholder investment. The comparable companies used in the assessment include:

Benihana	Peet's Coffee & Tea
California Pizza Kitchen	PF Chang's China Bistro
CEC Entertainment	Rare Hospitality
Cheesecake Factory	Red Robin Gourmet Burgers
Chipotle Mexican Grill	Ruth's Chris Steakhouse
McCormick & Schmick's Seafood Restaurants	Texas Roadhouse
Mortons Restaurant Group	

The results of Mercer's assessment indicated that Mr. Deitchle's total compensation was near the 25th percentile for comparable companies surveyed. For Mr. Levin and Mr. Lynds, their total compensation was near the 50th percentile for comparable companies surveyed.

A significant percentage of total compensation is allocated to incentives as a result of the philosophy mentioned above. There is no pre-established policy or target for the allocation between either cash and non-cash or short-term and long-term incentive compensation. The Compensation Committee gathers and reviews data from Mercer Human Resource Consulting and the HCE Hospitality Exchange as well as relevant information from industry sources, SEC filings and other publicly available sources to determine the appropriate level and mix of incentive compensation. Income from such incentive compensation is realized as a result of our performance or the individual, depending on the type of award, compared to established goals.

Elements of Executive Compensation

Base Salary. Base salaries for executive officers are generally reviewed on an annual basis and at the time of promotion or other change in responsibilities. Increases in base salary are determined using both objective and subjective factors, such as the level of responsibility, individual performance, level of pay, both of the executive in question and other similarly situated executives, and the comparative group companies' base salary levels.

Annual Incentive Bonus. Each executive officer participates in our annual Performance Incentive Plan (PIP). Annual bonuses under the PIP are generally determined based on a percentage of each officer's base salary, which for 2007, ranged from 25% to 65%. The Compensation Committee approves and recommends to the Board of Directors the objective performance measure or measures, bonus target percentages and all other terms and conditions of awards under the PIP. For fiscal 2007, the principal objective performance measure used by the Compensation Committee for the purposes of the PIP was a targeted amount for our consolidated pre-tax income, as adjusted for the impact of certain non-cash, pre-tax charges related to asset disposals that were considered necessary as a result of the implementation of longer-term strategic initiatives related to the casual plus competitive positioning of our restaurant concept and the expansion of contract brewing operations for our proprietary beer. The Compensation Committee used adjusted pre-tax income as the objective performance measure because it believes that this performance measure gives our executives a more definitive target that is largely within their ability to influence and control.

Under the fiscal 2007 PIP, 67% of the executives' incentive bonus (other than for the Chief Executive Officer, for which 100% of his incentive bonus) was based on the degree of achievement of our consolidated pre-tax income target, as adjusted for the non-cash charges noted above. The remaining 33% of the 2007 PIP

incentive bonus was based on each executive's achievement of certain agreed-upon individual performance objectives. For example, if the executive's base salary was \$100,000 and his/her total PIP incentive bonus was 25% of base salary (or \$25,000), then 67% of the \$25,000 total bonus (or \$16,750) would be driven by the degree of achievement of the pre-tax income target, and 33% of the \$25,000 total bonus (or \$8,250) would be driven by the degree of achievement of individual performance objectives. The specific individual performance objectives established for each executive officer takes into account certain factors including the contributions of these officers to the success of our key strategic initiatives, as well as each officer's personal development. These individual performance objectives usually change each year based on the strategic initiatives for the year and other factors.

Our targeted consolidated pre-tax income for fiscal 2007, as adjusted for the aforementioned non-cash charges, was \$19.3 million. The 2007 PIP also provided for a sliding scale of potential incentive award percentages, starting with a required minimum performance threshold of at least 90% of target for any incentive to be earned under the PIP and capping at 120% of target achievement. For fiscal 2007, our actual consolidated pre-tax income, as adjusted, was \$19.2 million or approximately 99.5% of target. Under the sliding scale in the 2007 PIP, the achievement of 99% of the objective target would result in a 95% payout percentage applied to this portion of each executive's incentive bonus attributable to the achievement of the target. After considering our strong overall performance during fiscal 2007 compared to most of our peers in spite of an increasingly difficult operating environment in general for casual dining restaurants, as well as certain unanticipated and uncontrollable commodity cost pressures (i.e., produce and cheese) experienced by us during the year, the Compensation Committee determined that it was in our best interests to utilize a 100% payout percentage factor for this component of the 2007 PIP for all of our officers.

The Compensation Committee approved the fiscal year 2008 PIP at its December 2007 meeting. The basic terms, conditions, structure and percentage metrics of the fiscal 2008 PIP are substantially the same as that for the 2007 PIP, except that the minimum performance threshold for any incentive to be earned under the PIP has been changed from 90% of target achievement to 80% in light of the increasing volatility and difficulty of the economy and the operating environment in general for casual dining restaurants. Additionally, if we achieve 120% of our targeted consolidated pre-tax income amount for the year, the maximum incentive percentage payout for this component of the 2008 PIP would be 150% of each officer's base salary for fiscal 2008.

Long-Term Equity Compensation. We design our long-term incentive compensation to drive long-term company performance, to align the interests of our executives with those of our shareholders and to retain executives through long-term vesting and wealth accumulation. In fiscal 2007, as in prior years, long-term incentive compensation took the form of stock option awards for executive officers. The fiscal 2007 option grants were based on prior year's performance. However, beginning in 2007 all of our restaurant general managers, executive kitchen managers, regional kitchen operations managers, area/regional directors and certain brewery operations positions were granted restricted stock units in accordance with our Gold Standard Stock Ownership Program under our 2005 Equity Incentive Plan. This program is designed to increase employee retention and to promote long-term wealth building based on ownership of our restricted stock units. Ownership of restricted stock units is dependent on the participant's extended service with us in their respective positions and their achievement of certain agreed-upon performance objectives during that service period (generally 5 years).

Stock Options

In determining the size of stock option grants to executive officers, the Compensation Committee bases its determinations and recommendations to the Board of Directors on such considerations as the value of total direct compensation for comparable positions in comparative group companies, company and individual performance against the strategic plan for the prior fiscal year, the number and value of stock options previously granted to the executive officer, the allocation of overall share awards attributed to executive officers and the relative proportion of long-term incentives within the total compensation mix.

All stock options granted by us during fiscal 2007 were granted as nonqualified stock options with an exercise price equal to the closing price of the Common Stock on the date of grant and, accordingly, will have value only if the market price of the Common Stock increases after that date. Other than the stock options granted to Messrs. Motenko, Hennessy and Deitchle discussed elsewhere in this proxy, stock options granted to our executive officers generally vest in five equal annual installments. Because employees will only realize value from their options if our stock price increases over the exercise price, the vesting schedule is designed to provide our employees with an incentive to work toward increasing the long-term value of our stock.

Restricted Stock and Restricted Stock Units (RSUs)

Restricted stock awards differ from stock options in that the primary purpose of restricted stock awards is to encourage employee retention. Restricted stock awards have immediate value to the recipients because they are generally paid in shares as soon as the award vests and the shares have little or no out-of-pocket cost to the recipient.

The Compensation Committee believes that restricted stock and restricted stock unit awards may also be very effective in attracting, motivating and retaining high quality management talent for all levels of our organization. Beginning in 2007, all of our restaurant general managers, executive kitchen managers, regional kitchen operations managers, area/regional directors and certain brewery operations positions became eligible for the Gold Standard Stock Ownership Program under our 2005 Equity Incentive Plan. This program is a long term wealth building program based on our RSUs that is dependent on the participant's extended service with us in their respective positions and their achievement of certain agreed upon performance objectives during that service period (generally 5 years). Our fiscal 2008 annual equity award grant to officers and other employees (which is determined based on 2007 performance) includes both stock options and RSUs. Moreover, because we do not currently have a pension or a supplemental executive retirement plan, we believe our annual grants of RSUs will assist certain key employees with their retirement planning through the potential wealth accumulation benefits of our annual grants.

Executive Benefit and Perquisites. Pursuant to their employment agreements, each of Mr. Motenko and Mr. Hennessy are entitled to certain fringe benefits including use of a company automobile or automobile allowance of \$1,000 per month, a \$1,000,000 life insurance policy (premiums for which shall not exceed \$7,500 per year) on the life of Mr. Motenko and Mr. Hennessy, as the case may be, with the beneficiaries designated by Mr. Motenko or Mr. Hennessy. In addition, they are entitled to receive customary vacation benefits, family health insurance and the right to participate in our customary executive benefit plans. In addition, pursuant to his employment agreement, Mr. Deitchle is entitled to certain fringe benefits including up to \$3,000 per year for unreimbursed out-of-pocket costs associated with an annual physical examination, use of a company automobile or automobile allowance, family health insurance and the right to participate in our customary executive benefit plans. Other executive officers are entitled to receive customary vacation benefits, automobile allowances, family health insurance and the right to participate in our customary executive benefit plans.

Equity Grant Timing Practices

The Compensation Committee and the Board have adopted guidelines for equity grant timing practices. The guidelines approved by the Board are as follows:

Regular Annual Equity Grant Dates. Annual equity grants are presented and approved at the meeting of the Compensation Committee held in December of each year, before fiscal year-end earnings are released. The regular annual equity grant date for all employees, including executive officers, is the first business day of the new fiscal year and the exercise price for the annual stock option grants is determined using the average of the closing price of our Common Stock for the last five trading days of the fiscal year.

Edgar Filing: BJs RESTAURANTS INC - Form DEF 14A

For annual grants of restricted stock units, the Compensation Committee approves a specific dollar amount to be granted to each recipient and the number of shares is thereafter determined by dividing the dollar amount

approved by the Compensation Committee by the closing market price of our Common Stock on the date of grant, which is the first business day of the new fiscal year.

New Hire Grant Dates. Prior to 2007, stock option grants to newly-hired employees that fall within parameters previously set by the Compensation Committee were approved by written action by the Chief Executive Officer. Beginning in 2007, all new hire grants were approved by the Compensation Committee. These grants occur on the first day of employment as stated in the offer letters for new employees. The option exercise price is generally the closing price of our Common Stock on the date of grant and options granted to new employees generally vest ratably over five years. We currently do not issue restricted stock units to our new hires; however, we may do so in the future if the Compensation Committee determines that grants of restricted stock units to new hires will aid in our retention of qualified management talent. If we decide to issue restricted stock units for new hires, all grants will be approved by the Compensation Committee and the number of shares granted would be determined by dividing the approved dollar amount by the closing market price of our Common Stock on the date of grant, which would generally be the first day of employment as stated in the offer letter to new employees.

Participants in Our Gold Standard Stock Ownership Program (GSSOP). Beginning in 2007, all of our restaurant general managers, executive kitchen managers, regional kitchen operations managers, area/regional directors and certain brewery related positions became eligible for the Gold Standard Stock Ownership Program under our 2005 Equity Incentive Plan. The initial grant of RSUs for each initial participant in the GSSOP was the first business day of fiscal 2007. New participants will receive their grants on the first day of each month subsequent to their acceptance into the program in accordance with the GSSOP documentation. The number of RSUs granted to a participant in the GSSOP is determined by their position and calculated as the dollar amount of their grant, as determined in the GSSOP document, divided by the closing market price of our Common Stock on the date of grant. All RSUs under the GSSOP cliff vest after five years from the date of grant.

All Other Grants. Our general practice is to issue equity grants annually or upon new employment as described above. In those instances when equity grants occur during the year due to promotion or other factors, the equity grants are approved by the Compensation Committee and a future effective date is selected by the Compensation Committee. The exercise price for such awards will be based on the closing price of our Common Stock on the date of grant.

Compensation of the Chief Executive Officer and the Co-Chairmen

Gerald W. Deitchle Employment Agreement

On January 19, 2005, we announced that Gerald W. (Jerry) Deitchle had been appointed as our President and CEO and his employment commenced February 1, 2005. Under the terms of Mr. Deitchle's employment contract, he is entitled to receive annual cash compensation of \$300,000, subject to escalation annually in accordance with the Consumer Price Index and otherwise at the discretion of the Compensation Committee. Effective October 3, 2007, the Board of Directors, upon the recommendation of the Compensation Committee, increased Mr. Deitchle's annual base salary from its then amount of \$360,000 to \$420,000. In addition, the Board agreed to increase his PIP incentive bonus for fiscal 2008 (and the remainder of 2007, on a prorated basis) from 50% to 65% of base salary based on the degree of achievement of our consolidated pre-tax income target for each year. For each 1% by which the targets are exceeded, Mr. Deitchle's target bonus would be increased by 10% up to a maximum of 150% of the original incentive bonus.

Mr. Deitchle's base salary and PIP incentive bonus were increased in 2007 primarily as a result of the Mercer assessment (see *Determining Executive Compensation*) and in recognition of his contributions to our growth and financial performance during 2007. For fiscal 2007, Mr. Deitchle's base salary was \$375,000 and he earned a cash bonus of \$203,250 based on our achievement of 99.5% of our adjusted pre-tax income target for the fiscal year.

Mr. Deitchle is entitled to certain other fringe benefits including up to \$3,000 per year for unreimbursed out-of-pocket costs associated with an annual physical examination, use of a company automobile or automobile allowance, family health insurance and the right to participate in our customary executive benefit plans.

Mr. Deitchle received an initial grant of stock options to purchase 275,000 shares of our Common Stock under our existing stock option plan, of which 100,000 options vested on the date of grant and 87,500 vested on each of the second and third anniversaries of the date of grant. Additionally, Mr. Deitchle received a stock option grant of 25,000 shares upon joining our Board of Directors in November 2004, of which 12,500 options vested on each of the first and second anniversaries of the date of grant. Mr. Deitchle shall be entitled to additional stock options or other equity-based compensation from time to time as determined by our Board of Directors. Per the amendments to Mr. Deitchle's compensation that the Board approved in October 2007, the Board agreed to grant Mr. Deitchle an equity award under our 2005 Equity Incentive Plan having a grant date value of \$600,000. Pursuant to this award, effective on January 2, 2008, Mr. Deitchle received an equity grant of 18,044 shares of our restricted stock units and options to acquire 43,453 shares of Common Stock at an exercise price of \$16.63 per share. Both the restricted stock units and the stock options vest ratably over five years from the date of grant.

Pursuant to the terms of his employment agreement, we have agreed to take all reasonable action within our control to cause Mr. Deitchle to continue to be appointed or elected to the Board of Directors during the term of his agreement. We may terminate Mr. Deitchle's employment at any time. If the termination is by us for Cause (as defined below), as a result of the death or Disability (as defined below) of Mr. Deitchle, or by Mr. Deitchle for other than Good Reason (as defined below), Mr. Deitchle will be entitled to receive all amounts payable by us under his employment agreement to the date of termination (including a prorated portion of any accrued bonuses). In addition, if the termination is by us or Mr. Deitchle as a result of Disability, to the extent that Mr. Deitchle is not covered by any other comprehensive insurance that provides a comparable level of benefits, we will pay Mr. Deitchle an amount equivalent to his COBRA payments for up to 18 months following the termination or the maximum term allowable by then applicable law for coverage of Mr. Deitchle and his eligible dependents. For purposes hereof, Disability shall mean incapacity due to physical or mental illness which results in Mr. Deitchle being absent from the full-time performance of substantially all of his material duties with us for 90 consecutive days or 180 days in any 12 month period.

In the event of termination of employment by us without Cause or by Mr. Deitchle for Good Reason, Mr. Deitchle shall be entitled to receive the following: (i) such base salary, vacation, prorated bonus and other benefits as have been earned through the date of termination and, to the extent that Mr. Deitchle is not covered by any other comprehensive insurance that provides a comparable level of benefits, we will pay Mr. Deitchle an amount equivalent to his COBRA payments for up to 18 months following the termination or the maximum term allowable by then applicable law for coverage of Mr. Deitchle and his eligible dependents, (ii) a lump sum severance equal to the greater of (a) one year's then current base salary, or (b) fifty percent (50%) of the base salary that would be due to him (including annual increases) between the date of termination and the end of the remaining term of his employment contract.

For purposes of Mr. Deitchle's employment agreement, Cause means (i) an act or acts of dishonesty undertaken by Mr. Deitchle and intended to result in material personal gain or enrichment of him or others at our expense; (ii) gross misconduct that is willful or deliberate on Mr. Deitchle's part and that, in either event, is materially injurious to us, (iii) the conviction of Mr. Deitchle of a felony; or (iv) the material breach of any terms and conditions of his employment agreement by Mr. Deitchle, which breach has not been cured within 30 days after written notice thereof from us. The cessation of employment by Mr. Deitchle shall not be deemed to be for Cause unless and until there shall have been delivered to Mr. Deitchle a copy of a resolution, duly adopted by the affirmative vote of not less than a majority of the entire membership of the Board (not including Mr. Deitchle) at a meeting of the Board called and held for such purpose (after reasonable notice to Mr. Deitchle and an opportunity for him, together with his counsel, to be heard before the Board), finding that, in the good faith opinion of the Board, one or more causes for termination exist and specifying the particulars thereof in detail.

For purposes of Mr. Deitchle's employment agreement, "Good Reason" means (i) any removal of Mr. Deitchle from, or any failure to nominate or re-elect Mr. Deitchle to, his current office and/or the Board, except in connection with termination of Mr. Deitchle's employment for death, Disability or Cause, (ii) the failure by us to obtain the assumption of this Agreement by any successor to us, as provided in this Agreement, (iii) our material breach of any terms and conditions of Mr. Deitchle's employment agreement, which breach has not been cured by us within thirty (30) days after written notice thereof to us from Mr. Deitchle, or (iv) in the event of certain events constituting our change in control (a) (1) any reduction in Mr. Deitchle's then-current base salary or any material reduction in Mr. Deitchle's comprehensive benefit package (other than changes, if any, required by group insurance carriers applicable to all persons covered under such plans or changes required under applicable law), (2) the assignment to Mr. Deitchle of duties that represent or constitute a material adverse change in Mr. Deitchle's position, duties, responsibilities and status with us immediately prior to a change in control, or (3) a material adverse change in Mr. Deitchle's reporting responsibilities, titles, offices, or any removal of Mr. Deitchle from, or any failure to re-elect Mr. Deitchle to, any of such positions; except in connection with the termination of Mr. Deitchle's employment for Cause, upon the Disability or death of Mr. Deitchle, or upon the voluntary termination by Mr. Deitchle; (b) the relocation of Mr. Deitchle's place of employment from the location at which Mr. Deitchle was principally employed immediately prior to the date of the change in control to a location more than 50 miles from such location; or (c) the failure of any successor to us to assume and agree to perform its obligations under Mr. Deitchle's employment agreement.

Paul A. Motenko and Jeremiah J. Hennessy Employment Agreements

On June 27, 2005, we entered into Amended and Restated Employment Agreements with each of Paul A. Motenko and Jeremiah J. Hennessy. The forms of employment agreements were substantially identical except that the agreement provides that Mr. Motenko will serve as our Co-Chairman, Secretary and as a Vice President whereas Mr. Hennessy's employment agreement provides that he will serve only as the Co-Chairman.

Unless earlier terminated, the term of Mr. Motenko and Mr. Hennessy's employment shall end on December 31, 2009; provided, however, that their employment term shall be extended for additional one year periods unless and until we or Mr. Motenko or Mr. Hennessy, as the case may be, gives notice of its or his intention not to renew.

Pursuant to the terms of their employment agreements, Mr. Motenko serves as our Co-Chairman as well as a Vice President and Secretary. Mr. Hennessy serves as our Co-Chairman. The employment agreements provide that the position of Co-Chairman shall be an executive office of BJs. During the term of the Agreement, we (and our Board of Directors) are obligated to take such reasonable actions within our control to cause Mr. Motenko and Mr. Hennessy to continue to be appointed or elected to the Board of Directors. In addition, should Gerald W. Deitchle, our President and Chief Executive Officer, resign or be terminated, we have agreed to use our best efforts to cause Mr. Motenko and Mr. Hennessy to each be reinstated as our Co-Chief Executive Officers.

Each of Mr. Motenko and Mr. Hennessy is entitled to receive annual cash compensation of \$300,000, subject to escalation annually in accordance with the Consumer Price Index. In addition, each of Mr. Motenko and Mr. Hennessy received a lump sum payment equal to the amount by which the base salary paid to them from January 1, 2005 through the effective date of their employment agreements was less than the base salary that would have been paid to them under the employment agreements had they been in effect on January 1, 2005. Bonuses shall be determined by the Board in its sole discretion. For fiscal 2007, Mr. Motenko and Mr. Hennessy did not receive a cash bonus.

Each of Mr. Motenko and Mr. Hennessy is entitled to certain fringe benefits including use of a company automobile or automobile allowance of \$1,000 per month, a \$1,000,000 life insurance policy (premiums for which shall not exceed \$7,500 per year) on the life of Mr. Motenko and Mr. Hennessy, as the case may be, with the beneficiaries designated by Mr. Motenko or Mr. Hennessy. In addition, they are entitled to receive customary vacation benefits, family health insurance and the right to participate in our customary executive benefit plans.

Pursuant to the terms of their employment agreements, each of Mr. Motenko and Mr. Hennessy received an initial grant of stock options to purchase 85,000 shares of our Common Stock under our 2005 Equity Incentive Plan. Each of these options vests as follows: (i) 34,000 shares vested upon grant, (ii) 17,000 shares vested on December 31, 2007, (iii) 17,000 shares vest on December 31, 2008 and (iv) 17,000 shares vest on December 31, 2009. The option exercise price was the closing price of our Common Stock on the date of grant.

We may terminate Mr. Motenko and/or Mr. Hennessy's employment at any time. If the termination is by us for Cause (as defined below), as a result of the death or Disability (as defined below) of Mr. Motenko or Mr. Hennessy, or by Mr. Motenko or Mr. Hennessy for reasons other than Good Reason (as defined below), Mr. Motenko and Mr. Hennessy, as the case may be, will be entitled to receive all amounts payable by us under his employment agreement to the date of termination (including a prorated portion of any accrued bonuses). In addition, if the termination is by us or Mr. Motenko or Mr. Hennessy, as the case may be, as a result of Disability, to the extent that Mr. Motenko or Mr. Hennessy is not covered by any other comprehensive insurance that provides a comparable level of benefits, we will pay an amount equivalent to the terminated executive's COBRA payments for up to 18 months following the termination or the maximum term allowable by then applicable law for coverage. For purposes hereof, Disability shall mean incapacity due to physical or mental illness which results in the executive being absent from the full-time performance of substantially all of his material duties with us for 90 consecutive days or 180 days in any 12 month period.

In the event of termination of employment by us without Cause or by Mr. Motenko or Mr. Hennessy for Good Reason, Mr. Motenko or Mr. Hennessy, as the case may be, shall be entitled to receive the following: (i) such Base Salary, vacation, prorated bonus and other benefits as have been earned through the date of termination and, to the extent that the executive is not covered by any other comprehensive insurance that provides a comparable level of benefits, we will pay the executive an amount equivalent to his COBRA payments for up to 18 months following the termination or the maximum term allowable by then applicable law for coverage of the executive and his eligible dependents, (ii) a severance equal to the greater of (a) one year's then current base salary, or (b) one hundred percent (100%) of the base salary that would be due to him (including annual increases) between the date of termination and the end of the remaining term of his employment, payable in accordance with our ordinary payroll practices. In addition, in the event of a termination without Cause or for Good Reason, the Options (as described and defined below) shall continue to vest and remain exercisable through the end of the remaining term of the employment agreement. In addition, in the event there is a Change of Control within 12 months following a termination by us without Cause, Mr. Motenko or Mr. Hennessy, as the case may be, shall be entitled to a cash payment equal to the amount, if any, by which the aggregate fair market value of the shares subject to any unvested options or subsequent stock options exceeds the aggregate exercise price of such options on the effective date of termination.

For purposes of these employment agreements, Cause means (i) an act or acts of dishonesty undertaken by the executive and intended to result in material personal gain or enrichment of him or others at our expense; (ii) gross misconduct that is willful or deliberate on the executive's part and that, in either event, is materially injurious to us, (iii) the conviction of the executive of a felony; or (iv) the material breach of any terms and conditions of his employment agreement by the executive, which breach has not been cured within 30 days after written notice thereof from us. The cessation of employment by Mr. Motenko or Mr. Hennessy, as the case may be, shall not be deemed to be for Cause unless and until there shall have been delivered to the executive in question, a copy of a resolution, duly adopted by the affirmative vote of not less than a majority of the entire membership of the Board (not including the executive in question) at a meeting of the Board called and held for such purpose (after reasonable notice to the executive and an opportunity for him, together with his counsel, to be heard before the Board), finding that, in the good faith opinion of the Board, one or more causes for termination exist and specifying the particulars thereof in detail.

For purposes of Mr. Motenko and Mr. Hennessy's employment agreements, Good Reason means:

(i) any removal of the executive from, or any failure to nominate or re-elect the executive to, his current office and/or the Board, except in connection with termination of executive's employment for death, Disability or Cause,

(ii) our failure to obtain the assumption of the employment agreement by any successor to us, as provided in the employment agreement,

(iii) our material breach of any terms and conditions of the employment agreement, which breach has not been cured by us within thirty (30) days after written notice thereof to us from the executive,

(iv) the assignment to the executive of duties that represent or constitute a material adverse change in the executive's position, duties, responsibilities or status with us;

(v) the appointment of any person other than Gerald W. Deitchle as our Chief Executive Officer (or an office having substantially the same responsibilities); or

(vi) in the event of certain events constituting our change in control:

(a)(1) any reduction in the executive's then-current base salary or any material reduction in Mr. Motenko or Mr. Hennessy's, as the case may be, comprehensive benefit package (other than changes, if any, required by group insurance carriers applicable to all persons covered under such plans or changes required under applicable law), (2) the assignment to the executive of duties that represent or constitute a material adverse change in such executive's position, duties, responsibilities and status with us immediately prior to a change in control, or (3) a material adverse change in the executive's reporting responsibilities, titles, offices, or any removal of such executive from, or any failure to re-elect the executive to, any of such positions; except in connection with the termination of executive's employment for Cause, upon his Disability or death, or upon the voluntary termination by the executive;

(b) the relocation of Mr. Motenko's or Mr. Hennessy's, as the case may be, place of employment from the location at which he was principally employed immediately prior to the date of the change in control to a location more than 50 miles from such location; or

(c) the failure of any successor to us to assume and agree to perform its obligations under the executive's employment agreement.

Agreements with Other Named Executive Officers

In October 2007, the Board, upon the recommendation of the Compensation Committee, amended the employment terms for Gregory S. Levin and Gregory S. Lynds. Mr. Levin's title was changed to Executive Vice President and Chief Financial Officer and his base compensation was increased from \$267,500 to \$300,000 per year. Mr. Levin's bonus target award for 2008 under our Performance Incentive Plan (and the remainder of 2007, on a prorated basis) was increased from 35% to 45% of base salary based on satisfaction of our targeted adjusted net income for fiscal 2008. For each 1% by which performance targets are exceeded, Mr. Levin's target bonus would be increased by 10% up to a maximum of 150% of the original target bonus, in accordance with the 2008 PIP. In addition, the Board agreed to grant Mr. Levin an equity award under our 2005 Equity Incentive Plan having a grant date value of \$350,000. Pursuant to this award, effective on January 2, 2008, Mr. Levin received an equity grant of 10,526 shares of our restricted stock units and options to acquire 25,348 shares of Common Stock at an exercise price of \$16.63 per share. Both the restricted stock unit and the stock option vest ratably over five years from the date of grant. The increases in Mr. Levin's base salary and bonus compensation, as well as equity awards, were designed to compensate him for his increased levels of responsibility with us and to reward him for his contributions to our performance.

Mr. Lynds' title was changed to Executive Vice President and Chief Development Officer and his base compensation was increased from \$242,500 to \$275,000 per year. Mr. Lynds' bonus target award for 2008 under our Performance Incentive Plan (and the remainder of 2007, on a pro-rated basis) was increased from 35% to 45% of base salary based on satisfaction of our targeted adjusted net income for fiscal 2008. For each 1% by which performance targets are exceeded, Mr. Lynds' target bonus would be increased by 10% up to a maximum of 150% of the original target bonus, in accordance with the 2008 PIP. In addition, the Board agreed to grant Mr. Lynds an equity award under our 2005 Equity Incentive Plan having a grant date value of \$250,000.

Pursuant to this award, effective on January 2, 2008, Mr. Lynds received an equity grant of 7,518 shares of our restricted stock units and options to acquire 18,105 shares of Common Stock at an exercise price of \$16.63 per share. Both the restricted stock unit and the stock option vest ratably over five years from the date of grant. As was the case with Mr. Levin, the increases in Mr. Lynd's base salary and bonus compensation, as well as equity awards, were designed to compensate him for his increased levels of responsibility with us and to reward him for his contributions to our performance.

Compensation Committee Interlocks and Insider Participation

During fiscal 2007, Mr. King, Mr. Brassfield and Mr. Bassi served on the Compensation Committee. No member of the Compensation Committee was, during fiscal 2007, an officer or employee of BJs, a former officer of BJs or any of its subsidiaries or had a relationship requiring disclosure by us under Item 404 of Regulation S-K. None of our executive officers has served on the board of directors or compensation committee of any other entity that has or has had one or more executive officers who served as a member of our Board of Directors or the Compensation Committee during fiscal 2007.

Certain of the members of our Board of Directors or their affiliates have entered into transactions or arrangements with us during the past fiscal year which transactions and arrangements are described in "Certain Relationships and Related Transactions" below.

Review of All Components of Executive Compensation

The Compensation Committee and the Board of Directors have reviewed information about all components of the compensation provided to our executive officers, including base salary, annual bonus, equity compensation (including realized gains and accumulated unrealized values on stock options), perquisites and other personal benefits and the effect of retirement and our change in control on stock option vesting. A summary of our compensation programs, practices and internal controls, and tables quantifying the estimated values of these components for each executive, were presented to and reviewed by the Compensation Committee.

Tax and Accounting Implications

Section 162(m) of the Code disallows a federal income tax deduction to publicly held companies for certain compensation paid to our chief executive officer and four other most highly compensated executive officers to the extent that compensation exceeds \$1 million per executive officer covered by Section 162(m) in any fiscal year. The limitation applies only to compensation that is not considered "performance-based" as defined in the Section 162(m) rules.

In designing our compensation programs, the Compensation Committee considers the effect of Section 162(m) together with other factors relevant to our business needs. We have historically taken, and intend to continue taking, appropriate actions, to the extent we believe desirable, to preserve the deductibility of annual incentive and long-term performance awards. However, the Compensation Committee has not adopted a policy that all compensation paid must be tax-deductible and qualified under Section 162(m).

- (2) Reflects annual stock option grants which have an exercise price per share equal to an average of the closing prices for the last five days of the fiscal year.
- (3) The amounts in this column do not reflect amounts paid to or realized by the named individual for fiscal 2007. Instead, these amounts reflect the aggregate compensation cost for financial statement reporting purposes for fiscal 2007 under SFAS 123R for the fair value of stock options and restricted stock units granted in 2007 and prior years. There is no guarantee that, if and when these option awards are ultimately exercised, they will have this or any other value. The fair value of options granted was estimated at the date of grant using a Black-Scholes option pricing model.
