**Item 1.01 Entry into a Material Definitive Agreement.**

On October 19, 2010, we entered into an \$800 million Amended and Restated Credit Agreement (the "Amended Credit Agreement") with Citicorp USA, Inc., as Administrative Agent, Bank of America, N.A., as Syndication Agent, Citigroup Global Markets Inc. and Banc of America Securities LLC, as Joint Lead Arrangers and various other financial institutions. The Amended Credit Agreement amends and restates in its entirety our original credit agreement.

The Amended Credit Agreement provides, subject to borrowing availability, for revolving loans in an aggregate principal amount of up to \$800 million (the "Facility"), with a \$300 million sub-facility for letters of credit. Our borrowing availability under the Facility is calculated by reference to a borrowing base which is determined by specified percentages of eligible accounts receivable, including self-pay accounts. We currently have no outstanding borrowings under the Facility. Letters of credit in the amount of \$185 million are outstanding under the Facility.

The revolving loans and all other obligations under the Amended Credit Agreement are secured by a first priority lien on the accounts receivable of all of our wholly-owned hospital subsidiaries. In addition, each of these subsidiaries has guaranteed the payment of borrowings and all other obligations under the Amended Credit Agreement.

The Amended Credit Agreement will expire on the earliest of (a) October 19, 2015, or (b) 60 business days before the maturity date of either our 9<sup>1</sup>/<sub>4</sub>% senior notes due February 1, 2015, or our 9% senior secured notes due May 1, 2015, unless, prior to that date, the maturity date with respect to 80% of the principal amount of the notes is extended to a date no earlier than one year after the scheduled termination date of the Credit Agreement or 80% of the principal amount of such notes is repaid, defeased or refinanced.

Outstanding revolving loans under the Facility accrue interest during the six-month initial period at the rate of either (i) a base rate plus a margin of 2.00% or (ii) LIBOR plus a margin of 3.00% per annum. Thereafter, outstanding revolving loans under the Facility accrue interest at a base rate plus a margin ranging from 1.75% to 2.25% or LIBOR plus a margin ranging from 2.75% to 3.25% per annum as set forth in a grid based on available credit. The unused commitment fee will be payable on the undrawn portion of the Facility at a six-month initial rate of 0.50% per annum. Thereafter, the unused commitment fee will range from 0.375% to 0.625% per annum as set forth in a pricing grid based on available credit.

The foregoing description of the Amended Credit Agreement is a summary and is qualified in its entirety by the terms and provisions of the Amended Credit Agreement filed as an exhibit to this report, the terms of which are incorporated herein by reference.

Certain of the lenders party to the Amended Credit Agreement and the Administrative Agent, as well as certain of their affiliates, have performed, and may in the future perform, for Tenet and its subsidiaries, various commercial banking, investment banking, underwriting and other financial advisory services, for which they have received and may in the future receive customary fees and expenses.
