Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(e) At the Annual Meeting of Shareholders of Sonic Corp. (the Company) held on January 19, 2012, the Company's shareholders approved the Sonic Corp. Executive Cash Incentive Plan (the Plan). The Plan was adopted by the Company's Compensation Committee (the Committee) on January 5, 2011, subject to shareholder approval. Under the Plan, incentive bonuses, qualifying as performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)), may be provided to certain executive officers. The Plan will be in effect for the fiscal year ending August 31, 2012 and for each of the next four years through the fiscal year ending August 31, 2016. Executive officers and key employees of the Company and its subsidiaries who are chosen by the Committee are eligible to participate in the Plan. The Plan is administered by the Committee or a sub-committee selected by the Committee to administer the Plan and composed of not less than two directors, each of whom is an outside director (within the meaning of Section 162(m)).

Under the Plan, participants will be eligible to receive cash awards each year during the term of the Plan based upon the attainment of the performance objectives established by the Committee for such year. The Committee will, no later than the earlier of (1) 90 days after commencement of the applicable performance period and (2) the expiration of 25% of the performance period, establish the specific performance objectives for that year. Performance objectives may be based on a combination of corporate and individual performance goals. The performance objective may differ for each participant. In no event may a performance objective be established at a time when no substantial uncertainty exists as to its attainment. At the time the performance objectives for a particular year are established, the Committee will also set the annual target bonus potential for each participant based on a percentage of such participant's annual base salary in effect at the end of such year. Awards will be earned by each participant based upon the level of attainment of his or her goals during the applicable performance period; provided that the Committee may reduce the amount of any award in its sole and absolute discretion. As soon as practicable after the end of the applicable performance period, the Committee will determine the level of attainment of the goals for each participant and the award to be made to each participant. Awards earned during any performance period will be paid as soon as practicable following the end of such performance period, and the determination of the amount thereof will be made by the Committee. Payment of bonus awards will be made in the form of cash. The maximum amount of an award under the Plan that is intended to qualify as performance-based compensation for purposes of Section 162(m) to a single participant shall not exceed \$5,000,000.

A more complete description of the terms of the Plan can be found in Proposal No. 2 Approval of Cash Incentive Plan in the Company's definitive proxy statement dated December 5, 2011, and filed with the Securities and Exchange Commission on December 5, 2011, which description is incorporated herein by reference. The foregoing description of the Plan and the description incorporated by reference from the Company's definitive proxy statement are qualified in their entirety by reference to the Plan, a copy of which was previously filed as Exhibit 10.01 to the Company's Report on Form 10-Q filed with the Securities and Exchange Commission on April 8, 2011.
