Item 1.01 Entry into a Material Definitive Agreement

Merger Agreement

On June 29, 2012, Bristol-Myers Squibb Company, a Delaware corporation (Bristol-Myers Squibb), B&R Acquisition Company, a Delaware corporation and a wholly-owned subsidiary of Bristol-Myers Squibb (Merger Sub) and Amylin Pharmaceuticals, Inc., a Delaware corporation (Amylin or the Company), entered into an Agreement and Plan of Merger (the Merger Agreement).

Pursuant to the Merger Agreement, and upon the terms and subject to the conditions thereof, Merger Sub will commence a tender offer (the Offer) to acquire all of the outstanding shares of common stock, par value \$0.001 per share, of Amylin (the Shares) at a price of \$31.00 per Share, net to the seller in cash but subject to any required withholding taxes (the Offer Price).

The Merger Agreement provides that Merger Sub will commence the Offer within 7 business days after June 29, 2012, and that the Offer will remain open for at least 20 business days.

Pursuant to the Merger Agreement, after the consummation of the Offer, and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Merger Sub will merge with and into Amylin (the Merger), with Amylin surviving as a wholly-owned subsidiary of Bristol-Myers Squibb. Upon completion of the Merger, each Share outstanding immediately prior to the effective time of the Merger (the Effective Time) (other than Shares that are held by Bristol-Myers Squibb, Merger Sub, Amylin in treasury or stockholders exercising their appraisal rights under the Delaware General Corporation Law (the DGCL)) will be cancelled and converted into the right to receive the Offer Price in cash (without interest).

On June 29, 2012, concurrently with the execution of the Merger Agreement, each of Daniel M. Bradbury, Mark G. Folleta, Orville G. Kolterman and Mark J. Gergen entered into a Tender and Support Agreement (the Support Agreement) with Bristol-Myers Squibb, Merger Sub and, solely with respect to certain sections thereof, Amylin. Collectively, these stockholders have ownership of an aggregate of 4,823,527 Shares (including Shares represented by vested and unvested options they hold), or approximately 3% of the Shares (taking into account, for purposes of determining the aggregate Shares, Amylin's outstanding Shares and assuming the exercise of only the vested and unvested options held by the stockholders who entered into the Support Agreement).

If Merger Sub holds 90% or more of the outstanding Shares immediately following consummation of the Offer, Amylin, Bristol-Myers Squibb and Merger Sub will take necessary and appropriate actions to effect a short-form merger under the DGCL as promptly as reasonably practicable without additional approval by Amylin's stockholders. Otherwise, Amylin will hold a special stockholders' meeting to obtain stockholder approval of the Merger.

The obligation of Merger Sub to accept for payment and pay for Shares tendered into the Offer is subject to the satisfaction or waiver of a number of conditions, including the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and there being validly tendered into the Offer (and not properly withdrawn prior to any then scheduled expiration of the Offer) a number of Shares that constitutes at least a majority of the total number of the issued and outstanding Shares determined on a fully-diluted basis (such condition, the Minimum Condition). The Minimum Condition may be waived by Bristol-Myers Squibb or Merger Sub only with the prior written consent of the Company. The consummation of the Offer is not subject to any financing condition.

In addition, subject to the terms of the Merger Agreement, Amylin has granted Merger Sub an irrevocable option (the Top-Up Option), exercisable only after Merger Sub has accepted and purchased Shares tendered in the Offer and on the terms and conditions set forth in the Merger Agreement, to purchase from Amylin that number of Shares equal to the number of Shares that, when added to the number of Shares held by Bristol-Myers Squibb and Merger Sub at the time of the exercise of the Top-Up Option, will constitute one Share more than 90% of the total Shares then outstanding (determined after giving effect to the issuance of the Shares pursuant to the Top-Up Option).

The Merger Agreement includes customary representations, warranties and covenants of Amylin, Bristol-Myers Squibb and Merger Sub. The Company has agreed to operate its business in the ordinary course until the earlier of the termination of the Merger Agreement and the Effective Time. The Company has also agreed not to solicit or initiate discussions with third parties regarding other proposals to acquire Amylin and to certain restrictions on its ability to respond to any such proposals.

The Merger Agreement also includes customary termination provisions for both Amylin and Bristol-Myers Squibb and provides that, in connection with the termination of the Merger Agreement, under certain circumstances, Amylin must pay Bristol-Myers Squibb a termination fee of \$160,000,000.

The Merger Agreement also provides that either party may specifically enforce the other party's obligations under the Merger Agreement.

Pursuant to the Merger Agreement, Bristol-Myers Squibb has entered into an Assumption Agreement pursuant to which it has agreed to assume certain of Amylin's payments relating to a revenue sharing obligation under the Settlement and Termination Agreement entered into on November 7, 2011 with Eli Lilly and Company. The Assumption Agreement is described below under Item 8.01.

The Company's 3.00% Convertible Senior Notes due 2014 will be treated in accordance with the terms of its Indenture and holders of these Notes will be notified of their repurchase and other rights pursuant to its terms.

The representations, warranties and covenants contained in the Merger Agreement were made only for the purposes of the Merger Agreement, were made as of specific dates, were made solely for the benefit of the parties to the Merger Agreement and may not have been intended to be statements of fact but, rather, as a method of allocating risk and governing the contractual rights and relationships among the parties to the Merger Agreement. In addition, such representations, warranties and covenants may have been qualified by certain disclosures not reflected in the text of the Merger Agreement and may apply standards of materiality and other qualifications and limitations in a way that is different from what may be viewed as material by Bristol-Myers Squibb's stockholders. None of Bristol-Myers Squibb's stockholders or any other third parties should rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or conditions of Amylin, Bristol-Myers Squibb, Merger Sub or any of their respective subsidiaries or affiliates.

The Merger Agreement and this summary are not intended to modify or supplement any factual disclosures about Amylin or Bristol-Myers Squibb. The foregoing description of the Offer, the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

Following completion of the Merger, AstraZeneca will make a payment to Amylin, as a wholly-owned subsidiary of Bristol-Myers Squibb, in the amount of approximately \$3.4 billion in cash. Profits and losses arising from the collaboration will be shared equally. In addition, AstraZeneca has the option, exercisable at its sole discretion following the closing of the acquisition, to establish equal governance rights over key strategic and financial decisions regarding the collaboration, upon the payment to Bristol-Myers Squibb of an additional \$135 million.
