**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

As previously announced by General Dynamics Corporation (the Company) on February 12, 2013, Gerard J. DeMuro, Executive Vice President, Information Systems and Technology, informed the Company of his intent to retire. The Company and Mr. DeMuro have entered into a Retirement Agreement dated March 19, 2013, pursuant to which Mr. DeMuro will retire from the Company effective March 31, 2013. The principal terms of the agreement provide that:

Mr. DeMuro will be paid at his current salary through March 31, 2013.

Mr. DeMuro will remain eligible to continue his group term life insurance under the Company's policies by paying the appropriate premiums.

Mr. DeMuro's coverage under the personal excess liability insurance made available to officers will continue through the current policy period ending June 5, 2013. Thereafter, he may continue such coverage by paying the appropriate premiums unless he has commenced employment with a new employer or allowed coverage to lapse.

The Company will pay to Mr. DeMuro a retirement payment equal to \$710,000.

Mr. DeMuro received a cash bonus of \$500,000 under the Company's executive compensation program for service during 2012, paid in accordance with the Company's executive compensation program (and disclosed in the Company's current report on Form 8-K filed with the Securities and Exchange Commission on March 11, 2013).

For purposes of calculating Mr. DeMuro's early retirement reductions under the Company's pension plans, his retirement benefit will be increased to reflect the additional value had he deferred commencement of his pension benefit until the first day of the month following his 62<sup>nd</sup> birthday.

Mr. DeMuro and his eligible dependents may continue to participate in the Company's medical, dental and vision insurance at active employee rates until December 31, 2013.

Unvested grants of restricted stock, performance restricted stock units and stock options held by Mr. DeMuro will not be forfeited and will otherwise remain subject to the terms of the applicable equity compensation plan and award agreement.

The Company will provide Mr. DeMuro with financial and tax counseling until April 15, 2014, with an approximate value of \$17,000.

Mr. DeMuro may obtain outplacement services from the Company's outplacement services vendor. In consideration for the benefits under the agreement, Mr. DeMuro agreed to a general release of claims against the Company and customary confidentiality provisions. He has also agreed to remain available to the Company in connection with the investigation or litigation of matters about which he had personal knowledge during his employment and to consult with the Company concerning proposals, contracts and programs over which he had oversight in his position as Executive Vice President, in each case on an hourly basis, subject to limitations.

The foregoing summary of the terms and conditions of the Retirement Agreement is qualified in its entirety by reference to the full text of the agreement, which is attached hereto as Exhibit 10.1.
