Item 1.01. Entry Into a Material Definitive Agreement.

Underwriting Agreement

On September 15, 2014, Viper Energy Partners LP (the Partnership) entered into an Underwriting Agreement (the Underwriting Agreement), by and among the Partnership, Viper Energy Partners GP LLC (the General Partner), Viper Energy Partners LLC (OpCo) and Diamondback Energy, Inc. (the Sponsor, and together with the Partnership, the General Partner and OpCo, the Partnership Parties) and Barclays Capital Inc., Credit Suisse Securities (USA) LLC and Wells Fargo Securities, LLC, as representatives of the several underwriters named therein (the Underwriters), providing for the offer and sale by the Partnership (the Offering) and purchase by the Underwriters, of 3,500,000 common units representing limited partner interests in the Partnership (the Firm Units) at a price to the public of \$28.50 per common unit. Pursuant to the Underwriting Agreement, the Partnership also granted the Underwriters an option for a period of 30 days to purchase up to an additional 525,000 common units to cover over-allotments on the same terms.

The material terms of the Offering are described in the prospectus, dated September 15, 2014 (the Prospectus), filed by the Partnership with the United States Securities and Exchange Commission (the Commission) pursuant to Rule 424(b) under the Securities Act of 1933, as amended (the Securities Act). The Offering is registered with the Commission pursuant to a Registration Statement on Form S-1, as amended (File No. 333-198129) (the Registration Statement).

The Underwriting Agreement contains customary representations, warranties and agreements of the Partnership Parties, and customary conditions to closing, obligations of the parties and termination provisions. The Partnership Parties have agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act.

The Offering of the Firm Units closed on September 19, 2014. At closing, the Partnership received proceeds from the Offering (net of the underwriting discount and after deducting certain offering expenses) of approximately \$95.4 million. The Partnership will use the net proceeds from the sale of the common units to repay borrowings under the Partnership's credit agreement and for general partnership purposes, primarily to fund pending and future acquisitions. An affiliate of Wells Fargo Securities, LLC is a lender under the Partnership's credit agreement and therefore will receive a portion of the proceeds from the Offering.

As more fully described under the caption Underwriting in the Prospectus, the underwriters and certain of their affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities. The underwriters and certain of their affiliates have, from time to time, performed, and may in the future perform, various commercial and investment banking and financial advisory services for the Partnership and its affiliates, for which they received or may in the future receive customary fees and expenses.

The foregoing description is not complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated in this Item 1.01 by reference.
