## SCHEDULE TO

This Amendment No. 3 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO originally filed with the Securities and Exchange Commission (the SEC) by Motorola Solutions, Inc., a Delaware Corporation (MSI or the Company), on August 7, 2015 (together with any subsequent amendments and supplements thereto, the Schedule TO) relating to the offer by the Company to purchase for cash up to \$2.0 billion of its common stock, \$0.01 par value per share (the shares), at a price per share of not less than \$61.00 and not more than \$66.50 in cash, without interest and subject to any applicable withholding taxes. The Company's Offer is being made upon the terms and subject to the conditions set forth in the Offer to Purchase, dated August 7, 2015, a copy of which was filed as Exhibit (a)(1)(A) to the Schedule TO (the Offer to Purchase), and in the related Letter of Transmittal, a copy of which was filed as Exhibit (a)(1)(B) to the Schedule TO (the Letter of Transmittal), which together constitute the tender offer (the Tender Offer).

The purpose of this Amendment is to amend and supplement the Schedule TO and the Offer to Purchase. Only those items amended are reported in this Amendment. Except as specifically provided herein, the information contained in this Schedule TO, the Offer to Purchase and the Letter of Transmittal remains unchanged. This Amendment should be read in conjunction with the Schedule TO, the Offer to Purchase and the Letter of Transmittal.

### Items 1 and 4 Summary Term Sheet; Terms of the Transaction

The information set forth in the Offer to Purchase under Summary Term Sheet Are there any conditions to the tender offer? is amended by replacing August 5 with August 4 in the fifth bullet to correct the day that was the last trading day prior to the announcement by the Company of its intention to make the tender offer, so that the fifth bullet reads in its entirety:

No decline shall have occurred in the market price for our shares or in the Dow Jones Industrial Average, New York Stock Exchange Index, NASDAQ Composite Index or the Standard and Poor's 500 Composite Index by more than 10% from the close of business on August 4, 2015, the trading day prior to the announcement by the Company of its intention to make the tender offer;

The information set forth in the Offer to Purchase under Section Conditions to the Tender Offer is amended by replacing August 5 with August 4 in sub-paragraph (4) to correct the day that was the last trading day prior to the announcement by the Company of its intention to make the tender offer, so that sub-paragraph (4) reads in its entirety:

- (4) there shall have been a decrease of more than 10% in the market price for the shares or in the Dow Jones Industrial Average, the New York Stock Exchange Index, the NASDAQ Composite Index or the Standard and Poor's 500 Composite Index measured from the close of trading on August 4, 2015, the last trading day prior to the announcement by the Company of its intention to make the tender offer;

### Items 1 and 6 Summary Term Sheet; Purposes of the Transaction and Plans or Proposals

The information set forth in the Offer to Purchase under Summary Term Sheet How will the Company pay for the shares? is amended and restated to account for the closing of the Silver Lake Transactions, so that it reads in its entirety as follows:

**The tender offer is not subject to a financing condition.** The Company will fund the tender offer with a combination of existing cash on the Company's balance sheet and a portion of the proceeds from the \$1 billion investment by Silver Lake (as defined below), which is described below.

On August 4, 2015, the Company entered into an investment agreement (the "Investment Agreement") with Silver Lake Partners IV, L.P. and Silver Lake Partners IV Cayman (AIV II), L.P. (collectively, "Silver Lake"), relating to the issuance to one of the Silver Lake entities of \$1 billion principal amount of convertible 2.0% unsecured notes, due 2020 (the "Notes"). The transactions contemplated by the Investment Agreement (including the issuance of the Notes, the "Silver Lake Transactions") closed on August 25, 2015 (the "Closing").

The Notes are governed by an indenture (the "Indenture") between the Company and The Bank of New York Mellon Trust Company, N.A. (the "Trustee"), and bear interest at a rate of 2.0% per annum, payable semiannually in cash. The notes will mature in September 2020, subject to earlier conversion.

The Notes will be convertible into cash and, at the Company's option, shares of the Company's common stock, based on a conversion rate of 14.5985 per \$1,000 principal amount of the Notes (which is equal to an initial conversion price of \$68.50 per share), in each case subject to customary anti-dilution and other adjustments, including a make-whole adjustment in connection with certain extraordinary transactions.

With certain exceptions, upon a change of control of the Company or the failure of the common stock to be listed on certain stock exchanges (a Fundamental Change), the holders of the Notes may require that the Company repurchase all or part of the principal amount of the Notes at purchase price of par plus accrued and unpaid interest.

The Indenture includes customary events of default, which may result in the acceleration of the maturity of the Notes under the Indenture. The Indenture also includes customary covenants for convertible notes of this type.

See Have there been any recent developments of which I should be aware? in this Summary Term Sheet for more information concerning the Silver Lake Transactions.

Assuming the tender offer is fully subscribed, we expect the aggregate cost of the purchases, including all fees and expenses related to the tender offer, to be approximately \$2.0 billion.

The information set forth in the Offer to Purchase under Summary Term Sheet Have there been any recent developments of which I should be aware? is amended to account for the closing of the Silver Lake Transactions by amending and restating the first two paragraphs thereof to read in their entirety as follows:

On August 4, 2015, the Company entered into the Investment Agreement with Silver Lake, relating to the issuance to one of the Silver Lake entities of \$1 billion principal amount of the Notes. The Silver Lake Transactions closed on August 25, 2015. The Notes will be convertible into cash and, at the Company's option, shares of the Company's common stock, based on a conversion rate of 14.5985 per \$1,000 principal amount of the Notes (which is equal to an initial conversion price of \$68.50 per share), in each case subject to customary anti-dilution and other adjustments, including a make-whole adjustment in connection with certain extraordinary transactions.

#### *Board Representation*

In connection with the Closing, the Company expanded the size of the Company's Board of Directors and appointed two Silver Lake managing partners, Egon Durban and Greg Mondre, to the Board of Directors.

#### **Items 4 and 6 Terms of the Transaction; Purposes of the Transaction and Plans or Proposals**

The information set forth in the Offer to Purchase under Section 2 Purpose of the Tender Offer; Certain Effects of the Tender Offer is amended to account for the closing of the Silver Lake Transactions by amending and restating the ninth paragraph thereof to read in its entirety as follows:

On August 4, 2015, the Company entered into the Investment Agreement with Silver Lake, relating to the issuance to one of the Silver Lake entities of \$1 billion principal amount of Notes. The transactions contemplated by the Investment Agreement (including the issuance of the Notes) closed on August 25, 2015. The Notes will be convertible into cash and, at the Company option, shares of the Company's common stock, based on a conversion rate of 14.5985 per \$1,000 principal amount of the Notes (which is equal to an initial conversion price of \$68.50 per share), in each case subject to customary anti-dilution and other adjustments, including a make whole adjustment in connection with certain extraordinary transactions. The Investment Agreement restricts Silver Lake's ability to transfer or convert the Notes into common stock, subject to certain exceptions. In connection with the Closing, the Company expanded the size of its Board of Directors and appointed two Silver Lake managing partners, Egon Durban and Greg Mondre, to the Board of Directors. See Have there been any recent developments of which I should be aware? in the Summary Term Sheet above for more information about the Silver Lake Transactions.

**Item 7                      Source and Amount of Funds or Other Consideration**

The information set forth in the Offer to Purchase under   Section 9   Source and Amount of Funds   is amended and restated to read in its entirety as follows:

The tender offer is not subject to a financing condition. Assuming the tender offer is fully subscribed, we expect that the aggregate cost of the purchases, including all fees and expenses related to the tender offer, will be approximately \$2.0 billion. The Company will fund the tender offer with a combination of existing cash on the Company's balance sheet and a portion of the proceeds from the \$1 billion investment by Silver Lake.

On August 4, 2015, the Company entered into the Investment Agreement with Silver Lake, relating to the issuance to one of the Silver Lake entities of \$1 billion principal amount of Notes. The Notes were issued on August 25, 2015.

The Notes are governed by the Indenture, and bear interest at a rate of 2.0% per annum, payable semiannually in cash. The Notes will mature in September 2020, subject to earlier conversion.

The Notes will be convertible into cash and, at the Company's option, shares of the Company's common stock, based on a conversion rate of 14.5985 per \$1,000 principal amount of the Notes (which is equal to an initial conversion price of \$68.50 per share), in each case subject to customary anti-dilution and other adjustments, including a make-whole adjustment in connection with certain extraordinary transactions.

With certain exceptions, upon a Fundamental Change, the holders of the Notes may require that the Company repurchase all or part of the principal amount of the Notes at purchase price of par plus accrued and unpaid interest.

The Indenture includes customary events of default, which may result in the acceleration of the maturity of the Notes under the Indenture. The Indenture also includes customary covenants for convertible notes of this type. See "Have there been any recent developments of which I should be aware?" in this Summary Term Sheet for more information concerning the Silver Lake Transactions.

The Company will incur increased indebtedness in connection with the tender offer and the Silver Lake Transactions and, as a result, will be more leveraged. Increased leverage could have certain material adverse effects on the Company, including, but not limited to, causing rating agencies to downgrade, place on negative watch or change their outlook on our debt credit rating generally. Any such downgrade, placement on negative watch or change in outlook could also adversely affect our cost of borrowing, limit our access to the capital markets or result in more restrictive covenants in future debt agreements.

#### **Item 9      Persons/Assets Retains, Employed Compensated or Used**

The information set forth in the Offer to Purchase under "Section 15 Fees and Expenses; Information Agent; Dealer managers; Depositary" is amended by amending and restating the third paragraph thereof to read in its entirety as follows:

The Dealer Managers and their affiliates have provided, and may in the future provide, various investment banking and other services to us for which they have received, or we expect they will receive, customary compensation from us. Goldman, Sachs & Co. and J.P. Morgan Securities LLC are providing certain financial advisory services to the Company in connection with the Silver Lake Transactions and certain affiliates of J.P. Morgan Securities LLC provided financing in connection with the Silver Lake Transactions.

#### **Items 3 and 8   Identity and Background of Filing Person; Interest in Securities of the Subject Company**

The information set forth in the Offer to Purchase under "Section 11 Interest of Directors and Executive Officers; Transactions and Arrangements Concerning the Shares" is supplemented to account for the appointment of Egon Durban and Greg Mondre to the Board of Directors, by adding the following sub-section after the sub-section entitled "Recent Securities Transactions" :

*Silver Lake Transactions*

On August 25, 2015, in connection with the Closing, the Company expanded the size of its Board of Directors and appointed two Silver Lake managing partners, Egon Durban and Greg Mondre, to the Board of Directors. Messrs. Durban and Mondre will receive the standard compensation received by non-employee directors. This compensation arrangement was described in the Company's definitive proxy statement on Schedule 14A filed on March 31, 2015 with the SEC. As disclosed in the definitive proxy statement, a non-employee director will be granted deferred stock units, pro-rated based on the number of full months that a director will serve until the next election with a value of \$11,666.67 per month, divided by the closing price of Company Stock on the date the election of directors occurs. Messrs. Durban and Mondre will receive deferred stock unit awards based on 8 months of anticipated tenure until the next election of directors occurs.

The information set forth in the Offer to Purchase under Section 11 Interest of Directors and Executive Officers; Transactions and Arrangements Concerning the Shares Company Policies Regarding Stock 2015 Omnibus Incentive Plan is amended and restated to read in its entirety as follows:

**2015 Omnibus Incentive Plan.** Under the 2015 Omnibus Incentive Plan, the Compensation and Leadership Committee of the Board of Directors (or such other committee delegated by the Board of Directors) has the authority to grant, from time to time, awards of options, stock appreciation rights, restricted stock, RSUs, DSUs, performance shares, performance cash awards, annual management incentive awards and other stock- or cash-based award to employees of the Company and its subsidiaries and non-employee directors of the Company.

The Company approved a one-time grant under the Omnibus Incentive Plan of performance-contingent stock options (the PCSOs), which may be earned and vest, if at all, based on the Company's stock price appreciation, to certain officers, including certain named executive officers, on August 24, 2015 and to Gregory Q. Brown, the Company's Chief Executive Officer, on August 25, 2015. The total number of PCSOs granted is designed to represent approximately 1% of the fully-diluted equity of the Company assuming the Company's previously announced tender offer is completed and fully subscribed. The named executive officers received grants of PCSOs with respect to the following number of shares of Common Stock: Mr. Brown 787,498; Mr. Bonanotte 160,417; Mr. Hacker 160,417; and Mr. Schassler 160,417. The PCSOs have a seven-year term and a per share exercise price of \$68.50. The PCSOs would vest upon satisfaction of the following Company stock price hurdles which must be maintained for 10-consecutive trading days during the three-year period following the grant date: 20% of the total award would vest at an \$85 stock price; an additional 30% of the total award would vest at a \$102.50 stock price; and the final 50% of the total award would vest at a \$120 stock price. If any stock price hurdles are not met during the three-year period, the corresponding portion of the PCSOs would not vest and would be forfeited. PCSOs are generally not exercisable prior to the end of the three-year performance period. For additional information, see the Company's Current Report on Form 8-K filed on August 26, 2015.

#### **Item 11 Additional Information**

The information set forth in the Offer to Purchase under Section 10 Certain Information Concerning Us is supplemented by adding the Company's Current Report on Form 8-K filed on August 26, 2015 to the list of Current Reports on Form 8-K that incorporated by reference in the Offer to Purchase.
