Notice Concerning Acquisition of Toshiba Medical Finance Co., Ltd. Shares and

Making it a Subsidiary

Canon Inc. (Canon) gives notice that as of today, it has decided to acquire the shares of Toshiba Medical Finance Co., Ltd. (TMF) from Toshiba Corporation (Toshiba) and make TMF a subsidiary.

1. Reason for Acquisition

Under Phase V of its Excellent Global Corporation Plan, a five-year initiative launched in 2016, Canon aims to embrace the challenge of new growth through a grand strategic transformation. With regard to reinforcing and expanding new businesses in particular, which represents one of the important strategies to be carried out during this phase, Canon intends to cultivate its health care business within the safety and security sector as a next-generation pillar of growth.

As part of this initiative, Canon acquired the shares of Toshiba Medical Systems Corporation (TMSC) on December 19, 2016 and made TMSC a subsidiary. TMSC holds 35% of the share of TMF, a company that is involved in the leasing of medical and other equipment. By acquiring the remaining 65% and making TMF a subsidiary, Canon plans to accelerate growth of its medical equipment business, building a collaborative organization from a TMSC and TMF marketing perspective.

2. Overview of Transaction

- 1) Overview of Subsidiary That is Being Sold
- (1) Name Toshiba Medical Finance Co., Ltd.

(2) Address 14-10 Ningyo-cho 2-chome, Nihombashi, Chuo-ku, Tokyo

This notice contains forward-looking statements with respect to future results, performance and achievements that are subject to risk and uncertainties and reflect management s views and assumptions formed by available information. All statements other than statements of historical fact are statements that could be considered forward-looking statements. When used in this document, words such as anticipate, believe, estimate, expect, intend, may, plan, and similar expressions, as they relate to Canon, are intended to identify forward-looking statements. Many factors could cause the actual results, performance or achievements of Canon to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements,

7

pr

including, among others, changes in general economic and business conditions, changes in currency exchange rates and interest rates, introduction of competing products by other companies, lack of acceptance of new products or services by Canon s targeted customers, inability to meet efficiency and cost-reduction objectives, changes in business strategy and various other factors, both referenced and not referenced in this notice. A detailed description of these and other risk factors is included in Canon s annual report on Form 20-F, which is on file with the United States Securities and Exchange Commission. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described herein. Canon does not intend or assume any obligation to update these forward-looking statements.
