Dear INSERT,

I am pleased to share some exciting news regarding Jacobs. Today we announced an agreement to acquire CH2M HILL Companies Ltd., a world-renowned design, engineering and program management firm, to create a premier \$15 billion global solutions provider.

This transaction marks a major milestone for our company and our industry as we unite two leading, innovative companies with complementary capabilities, cultures and relationships. Together, we expect to set a new benchmark for client service and increase Jacobs' reach and presence around the world.

At Jacobs, people are at the heart of the business, and at its foundation, this combination is fundamentally about people. Both companies have talented, engaged teams centered on similar values that emphasize safety, sustainability, integrity and profitable growth. By bringing these teams together and leveraging the strengths of both organizations, we expect to bring more solutions to our clients, give more opportunity to our employees, and position Jacobs for even greater levels of success well into the future.

Both Jacobs and CH2M are very aware of the importance of our companies in the communities where we operate, and we intend to maintain a strong workforce to ensure we continue providing our clients with the level of service and quality that they have come to expect. Our priorities for the integration are retaining and attracting the best talent, building on the strong culture foundations of both companies, ensuring base business performance, and developing and delivering cost and growth synergies.

The acquisition of CH2M addresses many aspects within our strategy. It provides Jacobs with a leading position in key high-growth infrastructure and government services sectors we have previously targeted, including water, transportation, environmental and nuclear. We expect to complete the transaction in Jacobs' fiscal 2018 first quarter ending in December 2017, subject to the satisfaction of customary closing conditions, including regulatory approvals and approval by CH2M stockholders. Until that time, Jacobs and CH2M must continue to operate as separate

companies, and it remains business as usual.

We appreciate the support that you have extended to Jacobs and will continue to keep you posted on our progress.

As always, if you have any questions, please feel free to reach out to [me personally/your relationship manager] at XXX-XXX-XXXX or EMAIL.

Sincerely,

INSERT NAME
