### **Discussion of Forward-Looking Statements**

Statements in this document and the attached press release contain forward-looking statements that are subject to substantial risks and uncertainties. Any statements contained herein or therein that are not statements of historical fact may be deemed to be forward-looking statements. For example, words such as may, will, should, estimates, predictions, potential, continue, strategy, believes, anticipates, plans, expects, intends and similar expressions are intended to identify forward-looking statements.

Actual results and the outcome and timing of certain events may differ significantly from the expectations discussed in the forward-looking statements. Factors that might cause or contribute to such a discrepancy include, but are not limited to: the possibility that the IPO may disrupt or have an adverse effect on BGC's or Newmark's businesses; the expected timetable for completing the IPO and any potential distribution to BGC's stockholders of shares of Newmark common stock (the Distribution ); the possibility that the IPO or the Distribution will not be consummated within the anticipated timetable or at all, including as the result of regulatory, market and other conditions; the potential that BGC and Newmark will not realize all or any of the expected benefits of the separation of Newmark from BGC and the IPO; and the possibility that changes in interest rates, commercial real estate values, the regulatory environment, the effects of weather events or natural disasters, pricing or other competitive pressures, and other market conditions or factors could cause the results of BGC or Newmark to differ from the forward-looking statements contained or incorporated by reference herein. For a discussion of additional risks and uncertainties, which could cause actual results to differ from those contained in the forward-looking statements, see BGC's and Newmark's filings with the U.S. Securities and Exchange Commission.
