The following constitutes Amendment No. 6 ("Amendment No. 6") to the Schedule 13D filed by the undersigned. This Amendment No. 6 amends the Schedule 13D as specifically set forth.

The final paragraph of Item 2(a) is hereby amended and restated as follows:

As of January 12, 2007, the Reporting Persons were the beneficial owners of, in the aggregate, 3,502,941 Shares, representing approximately 13.7% of the Shares presently outstanding.

Item 4 is hereby amended to add the following:

On January 16, 2007, Admiral Advisors delivered a letter (the "Letter") to the Board of Directors of the Issuer submitting a revised offer to acquire all of the Shares of the Issuer it does not already own, for \$5.25 per Share in cash (the "Offer"). The Letter, including the terms of the proposed Offer, is attached as an exhibit hereto and incorporated herein by reference.

On January 16, 2007, Ramius Capital issued a press release (the "Press Release") relating to the Offer. The Press Release also announced that Starboard has filed preliminary proxy material with the Securities and Exchange Commission (the "SEC") seeking to elect an alternate slate of candidates to the Board of Directors of the Issuer. The Press Release, including certain information concerning the participants and the proxy materials, is attached as an exhibit hereto and incorporated herein by reference. Upon finalization of its proxy materials and the filing of definitive proxy material with the SEC, Ramius Capital intends to solicit proxies from the stockholders of the Issuer in order to elect John Mutch and Philip Moyer (the "Nominees") as Class II directors of the Issuer.

On January 16, 2007, Starboard, in response to the Issuer's reduction of the size of the Issuer's Board of Directors from seven to six and the number of Class II directors from three to two, delivered a supplement to the Nomination Letter (the "Nomination Letter Supplement") withdrawing Jeffrey C. Smith as a nominee for election as a Class II director at the 2007 Annual Meeting. The Nomination Letter Supplement further provided that Messrs. Mutch and Moyer are Starboard's two Nominees for election as Class II directors at the Annual Meeting. The Nomination Letter Supplement is attached as an exhibit hereto and incorporated herein by reference.

Item 5 is hereby amended and restated as follows:

The aggregate percentage of Shares reported owned by each person named herein is based upon 25,574,579 Shares outstanding as of January 10, 2007, which is the total number of Shares outstanding as reported in the Issuer's Preliminary Proxy Statement on Schedule 14A, filed with the Securities and

ADMIRAL ADVISORS, LLC LETTERHEAD

January 16, 2007

Board of Directors
Phoenix Technologies Ltd.
915 Murphy Ranch Road
Milpitas, CA 95035

Dear Board Members,

As you know, Admiral Advisors, LLC, a subsidiary of Ramius Capital Group, L.L.C. (together, "Ramius"), remains seriously committed to purchasing the outstanding capital stock of Phoenix Technologies Ltd. ("Phoenix" or the "Company"). Therefore, we are resubmitting our revised offer to purchase for \$5.25 per share, in cash, all of the outstanding shares of Phoenix that we do not already own. We have structured our offer to promptly bring value and liquidity to all of the Company's shareholders on the terms and conditions set forth below.

While we respect Woody, his new team, and the hardworking employees of the Company, we believe Phoenix faces a difficult and risky operational turnaround. We believe that Phoenix should not attempt this turnaround as a public company. History has shown that this board of directors (the "Board"), when faced with the pressures of being a public company, has responded with poor business decisions that have had disastrous consequences for Phoenix and its stockholders. We believe our \$5.25 all-cash offer for all of the outstanding shares is in the best interest of the Company's shareholders.

In addition, we believe that Phoenix is too small to bear the costs and to handle the demands associated with operating as a public company. The market demands that public companies demonstrate revenue growth, and we believe that this expectation will pressure the Company to gain scale - potentially through

Edgar Filing: PHOENIX TECHNOLOGIES LTD - Form SC 13D/A

acquisitions - and to drive top-line growth. Phoenix's Board has already shown its susceptibility to these pressures, as evidenced by its willingness to allow management to diversify into an enterprise software business, organically build the enterprise sales channel, and sell products on a fully paid-up license basis. These decisions temporarily increased revenue, but proved to be major mistakes ultimately damaging the core business and resulting in significant destruction of shareholder value.

Executing a turnaround is difficult. Executing a turnaround in the public spotlight is even more challenging. In a public turnaround, management will disclose elements of its strategic plan, which, we believe will likely put the Company at a competitive disadvantage and possibly interfere with its effectiveness.

CUSIP No. 719153108

13D

Page 19 of 28 Pages

Ramius is the Company's largest shareholder. Given the Company's poor track record, we believe that this Board should not be trusted to evaluate acquisition opportunities, growth investments, and product expansions while overseeing a turnaround plan in the public spotlight.

We are committed to our \$5.25 all-cash offer and are ready, willing and able to immediately enter into negotiations for a definitive acquisition agreement. The shareholders deserve to receive a full and fair price for their shares now.

Our \$5.25 all-cash offer is full and fair and represents a premium of approximately 13.4% over the January 12, 2007 closing price of \$4.63 per share, and a premium of approximately 31.3% over the June 22, 2006 closing price of \$4.00, which was the closing price of the stock the day after the Company announced the shift in its Core System Software pricing strategy. Given the Board's refusal, to date, to negotiate with us in good faith, we have decided to disclose our offer publicly and to proceed with our plans to elect an alternate slate of board members at the Company's annual meeting of stockholders. While we believe it would be in everyone's best interest to expeditiously complete this transaction on a friendly basis, our candidates, subject to their fiduciary duties, are committed to facilitating the negotiation of a mutually beneficial transaction. We also reserve the right to make an offer directly to the Company's shareholders if this Board continues to ignore the best interests of its shareholders.

TRANSACTION TERMS

Based upon our review of the materials made available, Admiral Advisors, LLC, a subsidiary of Ramius Capital Group, L.L.C. proposes, through a merger with an appropriate newly formed acquisition entity (the "Purchaser"), to acquire the Company (the "Transaction") on the following terms:

1. PURCHASE PRICE: \$5.25 PER SHARE IN CASH.
2. CLOSING CONDITIONS: The Transaction is subject to the following limited conditions:
 - (a) approval by the board of directors of the Company and stockholders pursuant to the requirements of applicable law;
 - (b) receipt of any material governmental and third party approvals (including expiration of all applicable waiting periods under

Edgar Filing: PHOENIX TECHNOLOGIES LTD - Form SC 13D/A

Hart-Scott Rodino, to the extent required);

- (c) completion of customary confirmatory business, accounting, financial, environmental and legal due diligence;

CUSIP No. 719153108

13D

Page 20 of 28 Pages

- (d) the waiver of any Company anti-takeover provisions including redemption of the Company's shareholder rights plan and waiver of Delaware General Corporate Law Section 203; and
 - (e) the negotiation and execution of a mutually satisfactory definitive merger agreement and the receipt of disclosure schedules related thereto in a form reasonably acceptable to us.
3. FUNDING SOURCES: The Purchaser has sufficient committed capital to finance the Transaction. The Transaction is not subject to financing.
 4. TIMING: The Purchaser is committed to allocating a sufficient amount of resources and is confident that it will be able to close the Transaction on an expedited basis. We require no external approvals.
 5. CONDUCT OF BUSINESS: We expect that the Company will continue to operate in the ordinary course of business and consistent with past practices and that there will be no material adverse change to the Company's financial condition or results of operation.
 6. DUE DILIGENCE: The proposed Transaction is subject to completion to our satisfaction of customary confirmatory business, accounting, financial, environmental, and legal due diligence. With the full cooperation of the Company and based upon information known to us, we would expect to complete this process in no more than four weeks, if not earlier. Our required due diligence will be limited to confirmation of information generally known to us on the assumption that there is no material and adverse information that the Company has not publicly disclosed.
 7. NON-BINDING STATEMENT OF INTENT: This proposal is a statement of intention only. A legally binding obligation with respect to the proposed Transaction will arise only upon execution and delivery of definitive agreements (acceptable to the Company and us), and then only on the terms and conditions contained therein. We are committed to immediately negotiating and executing a definitive merger agreement.
 8. MANAGEMENT: We are receptive to discussions with senior management about their future involvement in the business. We intend to speak with senior management regarding their participation in this Transaction, and would encourage and welcome their participation, although their participation is not a condition to closing the Transaction. We are committed to preserving the relationship of the Company with its employees.

We look forward to working with you to successfully and expeditiously complete this transaction.

RAMIUS CAPITAL SUBMITS REVISED OFFER TO ACQUIRE OUTSTANDING SHARES OF PHOENIX TECHNOLOGIES FOR \$5.25 IN CASH

FILES PRELIMINARY PROXY MATERIALS SEEKING TO ELECT ALTERNATE SLATE OF CANDIDATES TO PHOENIX BOARD OF DIRECTORS

NEW YORK - JANUARY 16, 2007 - Admiral Advisors, LLC, a subsidiary of Ramius Capital Group, L.L.C. (together, "Ramius") today announced that it has submitted a revised offer to acquire for \$5.25, in cash, all of the outstanding shares of Phoenix Technologies Ltd. ("Phoenix" or the "Company") (NASDAQ: PTEC) that it does not already own.

In a letter delivered to Phoenix's Board of Directors and filed with the U.S. Securities and Exchange Commission ("SEC") in an amendment to its Schedule 13D, Ramius, Phoenix's largest shareholder, stated that it remains seriously committed to purchasing the outstanding capital stock of Phoenix and that Phoenix shareholders will benefit from an immediate all-cash transaction that offers an attractive premium.

Ramius Executive Managing Director Jeffrey C. Smith, stated in the letter: "While we respect Woody, his new team, and the hardworking employees of the Company, we believe Phoenix faces a difficult and risky operational turnaround. We believe that Phoenix should not attempt this turnaround as a public company. History has shown that this board of directors (the "Board"), when faced with the pressures of being a public company, has responded with poor business decisions that have had disastrous consequences for Phoenix and its stockholders."

Smith continued, "Given the Company's poor track record, we believe that this Board should not be trusted to evaluate acquisition opportunities, growth investments, and product expansions while overseeing a turnaround plan in the public spotlight."

The non-binding offer is not subject to financing, but is subject to a number of other conditions including the completion of due diligence, and represents a 13.4% premium to Phoenix's closing share price on January 12, 2007.

In addition, Starboard Value and Opportunity Master Fund Ltd., an affiliate of Ramius, today filed preliminary proxy materials with the SEC seeking to elect an alternate slate of candidates to the Board of Directors of Phoenix. The nominees identified in Starboard's preliminary proxy materials look to replace the two current Class II directors whose terms will expire at the 2007 Annual Meeting of Shareholders, which has been scheduled for February 14, 2007. Ramius stated that the proposed nominees, John Mutch and Philip Moyer, subject to their fiduciary duties, are committed to facilitating the negotiation of a mutually beneficial transaction.

Board of Directors
Phoenix Technologies Ltd.

Milpitas, CA 95035

Dear Board Members,

As you know, Admiral Advisors, LLC, a subsidiary of Ramius Capital Group, L.L.C. (together, "Ramius"), remains seriously committed to purchasing the outstanding capital stock of Phoenix Technologies Ltd. ("Phoenix" or the "Company"). Therefore, we are resubmitting our revised offer to purchase for \$5.25 per share, in cash, all of the outstanding shares of Phoenix that we do not already own. We have structured our offer to promptly bring value and liquidity to all of the Company's shareholders on the terms and conditions set forth below.

While we respect Woody, his new team, and the hardworking employees of the Company, we believe Phoenix faces a difficult and risky operational turnaround. We believe that Phoenix should not attempt this turnaround as a public company. History has shown that this board of directors (the "Board"), when faced with the pressures of being a public company, has responded with poor business decisions that have had disastrous consequences for Phoenix and its stockholders. We believe our \$5.25 all-cash offer for all of the outstanding shares is in the best interest of the Company's shareholders.

In addition, we believe that Phoenix is too small to bear the costs and to handle the demands associated with operating as a public company. The market demands that public companies demonstrate revenue growth, and we believe that this expectation will pressure the Company to gain scale - potentially through acquisitions - and to drive top-line growth. Phoenix's Board has already shown its susceptibility to these pressures, as evidenced by its willingness to allow management to diversify into an enterprise software business, organically build the enterprise sales channel, and sell products on a fully paid-up license basis. These decisions temporarily increased revenue, but proved to be major mistakes ultimately damaging the core business and resulting in significant destruction of shareholder value.

Executing a turnaround is difficult. Executing a turnaround in the public

Edgar Filing: PHOENIX TECHNOLOGIES LTD - Form SC 13D/A

spotlight is even more challenging. In a public turnaround, management will disclose elements of its strategic plan, which, we believe will likely put the Company at a competitive disadvantage and possibly interfere with its effectiveness.

Ramius is the Company's largest shareholder. Given the Company's poor track record, we believe that this Board should not be trusted to evaluate acquisition opportunities, growth investments, and product expansions while overseeing a turnaround plan in the public spotlight.

We are committed to our \$5.25 all-cash offer and are ready, willing and able to immediately enter into negotiations for a definitive acquisition agreement. The shareholders deserve to receive a full and fair price for their shares now.

Our \$5.25 all-cash offer is full and fair and represents a premium of approximately 13.4% over the January 12, 2007 closing price of \$4.63 per share, and a premium of approximately 31.3% over the June 22, 2006 closing price of \$4.00, which was the closing price of the stock the day after the Company announced the shift in its Core System Software pricing strategy. Given the Board's refusal, to date, to negotiate with us in good faith, we have decided to disclose our offer publicly and to proceed with our plans to elect an alternate slate of board members at the Company's annual meeting of stockholders. While we believe it would be in everyone's best interest to expeditiously complete this transaction on a friendly basis, our candidates, subject to their fiduciary duties, are committed to facilitating the negotiation of a mutually beneficial transaction. We also reserve the right to make an offer directly to the Company's shareholders if this Board continues to ignore the best interests of its shareholders.

Transaction Terms

Based upon our review of the materials made available, Admiral Advisors, LLC, a subsidiary of Ramius Capital Group, L.L.C. proposes, through a merger with an appropriate newly formed acquisition entity (the "Purchaser"), to acquire the Company (the "Transaction") on the following terms:

1. PURCHASE PRICE: \$5.25 PER SHARE IN CASH.
2. CLOSING CONDITIONS: The Transaction is subject to the following limited conditions:
 - (a) approval by the board of directors of the Company and stockholders pursuant to the requirements of applicable law;
 - (b) receipt of any material governmental and third party approvals (including expiration of all applicable waiting periods under Hart-Scott Rodino, to the extent required);
 - (c) completion of customary confirmatory business, accounting, financial, environmental and legal due diligence;
 - (d) the waiver of any Company anti-takeover provisions including redemption of the Company's shareholder rights plan and waiver of Delaware General Corporate Law Section 203; and

- (e) the negotiation and execution of a mutually satisfactory

definitive merger agreement and the receipt of disclosure schedules related thereto in a form reasonably acceptable to us.

3. FUNDING SOURCES: The Purchaser has sufficient committed capital to finance the Transaction. The Transaction is not subject to financing.
4. TIMING: The Purchaser is committed to allocating a sufficient amount of resources and is confident that it will be able to close the Transaction on an expedited basis. We require no external approvals.
5. CONDUCT OF BUSINESS: We expect that the Company will continue to operate in the ordinary course of business and consistent with past practices and that there will be no material adverse change to the Company's financial condition or results of operation.
6. DUE DILIGENCE: The proposed Transaction is subject to completion to our satisfaction of customary confirmatory business, accounting, financial, environmental, and legal due diligence. With the full cooperation of the Company and based upon information known to us, we would expect to complete this process in no more than four weeks, if not earlier. Our required due diligence will be limited to confirmation of information generally known to us on the assumption that there is no material and adverse information that the Company has not publicly disclosed.
7. NON-BINDING STATEMENT OF INTENT: This proposal is a statement of intention only. A legally binding obligation with respect to the proposed Transaction will arise only upon execution and delivery of definitive agreements (acceptable to the Company and us), and then only on the terms and conditions contained therein. We are committed to immediately negotiating and executing a definitive merger agreement.
8. MANAGEMENT: We are receptive to discussions with senior management about their future involvement in the business. We intend to speak with senior management regarding their participation in this Transaction, and would encourage and welcome their participation, although their participation is not a condition to closing the Transaction. We are committed to preserving the relationship of the Company with its employees.

We look forward to working with you to successfully and expeditiously complete this transaction.

Very truly yours,

/s/ Jeffrey C. Smith

Re: SUPPLEMENT TO NOTICE OF SHAREHOLDER NOMINATION FOR ELECTION OF DIRECTORS FOR THE 2007 ANNUAL MEETING OF SHAREHOLDERS OF PHOENIX TECHNOLOGIES LTD.

Dear Sir:

This letter shall serve as a supplement to our letter to Phoenix Technologies Ltd. ("PTEC" or the "Company"), dated December 27, 2006 (the "Nomination Letter"), and hereby incorporates herein by reference the defined terms set forth in the Nomination Letter. Except as specifically modified or supplemented by the information contained in this supplemental notice, all information set forth in the Nomination Letter remains applicable, including the Exhibits thereto.

The Nomination Letter served to satisfy the advance notice requirements of Article I, Section 11 of the Bylaws of PTEC as to the nomination by Starboard of three nominees for election to Class II of the PTEC Board at the 2007 Annual Meeting.

As of the date we submitted the Nomination Letter, the Company had not publicly announced that the PTEC Board had earlier adopted a resolution on December 19, 2006 reducing the number of authorized directors of the Company from seven to six and the number of Class II Directors from three to two, effective immediately prior to the commencement of the 2007 Annual Meeting. This reduction in the size of the PTEC Board and in the number of Class II directors was not made publicly available until the filing of the Company's preliminary proxy materials on January 12, 2007. Having no knowledge that the size of the PTEC Board had been reduced, we submitted our Nomination Letter for the nomination and election of three nominees as Class II directors at the 2007 Annual Meeting. We hereby provide notice to the Company of the withdrawal of Jeffrey C. Smith as a nominee for election as a Class II director at the 2007 Annual Meeting. Therefore, John Mutch and Philip Moyer are Starboard's nominees for election as Class II directors at the 2007 Annual Meeting.

Starboard continues to reserve the right to nominate additional nominees for election as directors at the 2007 Annual Meeting to the extent that there are in excess of two (2) vacancies on the PTEC Board to be filled by election at the 2007 Annual Meeting or PTEC increases the size of the PTEC Board above its existing size. Additional nominations made pursuant to the preceding sentence are without prejudice to the position of Starboard that any attempt to increase

the size of the current PTEC Board or to reconstitute or reconfigure the classes on which the current directors serve constitutes an unlawful manipulation of PTEC's corporate machinery.
