PROXY STATEMENT

2016 Annual Meeting of Stockholders

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of ImmuCell Corporation (the Company), a Delaware corporation, of proxies to be voted at the Annual Meeting of Stockholders of the Company to be held at 8:00 a.m. on Wednesday, June 15, 2016 at the Company's principal place of business at 56 Evergreen Drive in Portland, Maine, and any and all adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This Proxy Statement and the enclosed proxy card are first being given or sent to stockholders on or about April 28, 2016. Stockholders who execute proxies may revoke them at any time before exercise thereof.

VOTING OF OUTSTANDING COMMON STOCK

Only stockholders of record at the close of business on Tuesday, April 19, 2016, the record date, are entitled to notice of, and to vote at, the Annual Meeting of Stockholders and at any adjournments thereof. As of such date, there were 4,178,844 shares of common stock of the Company issued and outstanding. Each share is entitled to one vote with respect to all matters to be acted upon at the meeting. The holders of one-third of the shares of the Company's common stock outstanding and entitled to vote, represented at the meeting in person or by proxy, shall constitute a quorum for the transaction of business. Votes cast in person or by proxy at the meeting will be tabulated by the voting inspector appointed for the meeting.

Our Board of Directors is asking for your proxy. Giving us your proxy means that you authorize the persons named in this proxy to vote your shares at the Annual Meeting in the manner that you direct, or if you do not direct us, in the manner as recommended by the Board of Directors in this proxy statement. You can vote for the director nominees or

withhold your vote for one or all nominees. You also can vote for or against the other proposals or abstain from voting. If you request a proxy card, and return your signed proxy card, but do not give voting instructions, the shares represented by that proxy will be voted **FOR** each proposal.

With regard to the election of directors (Proposal One), votes may be cast in favor or withheld. The nominees for director receiving a plurality of the votes cast by the holders of the common stock represented at the meeting in person or by proxy will be elected. This means that the seven nominees receiving the largest number of votes cast will be elected.

With respect to Proposal Two, we are providing you with the opportunity to vote to approve, on an advisory, nonbinding basis, the compensation of the three executive officers named in the “**SUMMARY COMPENSATION TABLE**” under “**EXECUTIVE COMPENSATION**”, as disclosed in this Proxy Statement in accordance with the rules of the Securities and Exchange Commission (SEC). This proposal, which is commonly referred to as “say-on-pay”, is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, which added Section 14A to the Securities Exchange Act of 1934 (Exchange Act). Proposal Two is nonbinding.

The affirmative vote of the holders of a majority of the outstanding common stock of the Company is required in order to effectuate the proposed amendment to the Company’s Certificate of Incorporation to increase the number of authorized shares of common stock of the Company (Proposal Three). Abstentions and votes against may be specified on the proposal to amend the Company’s Certificate of Incorporation to increase the number of authorized shares of common stock of the Company. Since approval of this amendment requires approval of the holders of a majority of the outstanding shares of the Company’s common stock abstentions, votes against and broker non-votes will have the effect of a negative vote. Proposal Three is binding.

Approximately half of our stockholders hold their shares through a stockbroker, bank, trustee, or other nominee (Beneficial Owner) rather than directly in their own name (Stockholder of Record). As summarized below, there are some distinctions between shares held beneficially and those owned of record.

Beneficial Owner: If your shares are held in a stock brokerage account, by a bank, broker, trustee, or other nominee, you are considered the beneficial owner of shares held in street name and these proxy materials are being made available to you through your bank, broker, trustee, or nominee, who is considered the stockholder of record of those shares. As the beneficial owner, you have the right to direct your bank, broker, trustee, or nominee on how to vote and you are also invited to attend the meeting. Your bank, broker, trustee, or nominee is obligated to provide you with voting instructions for use in instructing the bank, broker, trustee, or nominee how to vote these shares. However, since you are not the stockholder of record, you may not vote these shares in person at the meeting unless you have a proxy from the bank, broker, trustee or nominee that holds the shares giving you the right as beneficial owner to vote your shares at the meeting. If you do not give instructions to your bank or brokerage firm, it will not be allowed to vote your shares with respect to certain “non-discretionary” proposals, but it will be able to vote your shares with respect to certain “discretionary” proposals. For example, the election of directors (Proposal One), the advisory vote to approve executive compensation (Proposal Two) and the vote to amend the Company’s Certificate of Incorporation (Proposal Three) are considered to be “non-discretionary” proposals on which banks and brokerage firms may not vote without instructions from the beneficial owner. “Broker nonvotes” for “non-discretionary” proposals are votes with respect to shares that are held in “street name” by a bank or brokerage firm that indicates on its proxy that it does not have discretionary authority to vote on a particular matter.

Stockholder of Record: If your shares are registered directly in your name with ImmuCell’s transfer agent, American Stock Transfer & Trust Company, you are considered the stockholder of record of those shares and these proxy materials are being made available directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the meeting.

The preliminary voting results will be announced at the meeting. The final voting results will be tallied by the voting inspector and reported in a Current Report on Form 8-K, which will be filed with the SEC within four business days after the meeting.

EXPENSES AND SOLICITATION

The cost of preparing, assembling, and mailing the proxy material and of reimbursing brokers, nominees and fiduciaries for the out-of-pocket and clerical expenses of transmitting copies of the proxy material to the beneficial owners of shares held of record by such persons will be borne by the Company. Although the Company reserves the right to do so, the Company does not currently intend to solicit proxies otherwise than by use of the mail, but certain officers and employees and advisors of the Company, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies.

STOCKHOLDER PROPOSALS, DIRECTOR NOMINATIONS AND COMMUNICATIONS

Proposals (other than director nominations, which are addressed in the following paragraph) of stockholders of the Company intended to be presented at the 2017 Annual Meeting of Stockholders must be received by the Company at its principal place of business no later than December 30, 2016 (which date is 120 days prior to the first anniversary of when the 2016 Proxy Statement is first mailed to stockholders) to be eligible for possible inclusion in the Company's Proxy Statement and form of proxy relating to the 2017 meeting. Certified mail addressed to the Secretary of the Company is advised. No such proposals were received by the Company by December 26, 2015 for inclusion in the Company's Proxy Statement and form of proxy relating to the 2016 Annual Meeting of Stockholders.

The Nominating Committee of the Board of Directors will consider nominees for director recommended by stockholders, applying the same evaluation standards as it would apply to candidates identified by management, other members of the Board of Directors or the Nominating Committee. Recommendations for director nominees may be sent to the Nominating Committee through the Secretary of the Company. Under the advance notice provisions in the Company's By-laws, stockholders intending to formally nominate a person for election as a director at the Annual Meeting, as distinguished from recommending a candidate to the Nominating Committee, must notify the Secretary of the Company in writing of this intent not less than 60 nor more than 90 days prior to the first anniversary of the preceding year's Annual Meeting. If the date of the Annual Meeting is changed by more than 30 days from such anniversary date, the notice from the stockholder must be received not later than the close of business on the tenth day following the day on which notice of the date of such Annual Meeting was mailed to stockholders. Such notice must comply with the provisions set forth in the By-laws.

For nominations of candidates recommended by stockholders for election as directors to have been considered at the 2016 Annual Meeting of Stockholders, notice must have been received by the Secretary of the Company no earlier than March 14, 2016 and no later than April 13, 2016, and meet other requirements set forth in the By-laws. No such nominations were received. A copy of the relevant provisions of the By-laws will be sent to any stockholder who requests these in writing. Such requests should be addressed to the Secretary of the Company.

Stockholders that wish to send communications to the Board of Directors for any reason may do so by mail sent to ImmuCell Corporation, 56 Evergreen Drive, Portland, Maine 04103, Attention: Secretary. The Secretary is responsible for bringing any such communications to the attention of the full Board of Directors at its next regularly scheduled meeting, which is generally quarterly. Additionally, after adjournment of the formal business matters at each year's Annual Meeting, there is an opportunity for stockholders to communicate directly with the Company's management and directors. The Company encourages its directors to attend the Annual Meeting of Stockholders in person. All directors did attend the 2015 Annual Meeting of Stockholders.

All shares represented by proxies in the form enclosed herewith will be voted at the meeting and adjournments thereof in accordance with the terms of such proxies and the pertinent statements included herein relative to the exercise of the power granted by said proxies, provided such proxies appear to be valid and executed by stockholders of record entitled to vote thereat and have not previously been revoked. A proxy may be revoked at any time prior to its exercise by the filing with the Secretary of the Company of an instrument revoking such proxy or a duly executed proxy bearing a later date. A stockholder's proxy will not be voted if the stockholder attends the meeting and elects to vote in person. Where the person solicited specifies in his, her or its proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specification so made. If a stockholder fails to so specify with respect to such proposals, the proxy will be voted **FOR** the election of the nominees listed in Proposal One, **FOR** the advisory vote to approve executive compensation outlined in Proposal Two and **FOR** the amendment to the Company's Certificate of Incorporation increasing its authorized common stock outlined in Proposal Three.

LEADERSHIP STRUCTURE OF THE BOARD OF DIRECTORS

With approval from the Board of Directors, the Compensation and Stock Option Committee determined that the title of President and CEO should be given to an individual not being the same person holding the title of Chair. The objective of this policy is to avoid a concentration of authority in any one person. Mr. Michael F. Brigham has served as President and CEO since February 2000. Dr. Joseph H. Crabb has served as Vice President and Chief Scientific Officer since December 1998, and he also served as Chair of the Board of Directors from June 2009 to February 2013. Effective February 2013 with compensation retroactive to January 1, 2013, Dr. David S. Tomsche has served as Chair of the Board of Directors. Before June 2009, the position of Chair had been vacant. It is the policy of the Board of Directors to have a meeting without the presence of the executive officers each time that the board or any of its committees meets to assure that candid discussions of business matters are conducted with and without the influence of the executive officers.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

During the year ended December 31, 2015, the Board of Directors of the Company held four regular meetings and three special meetings, and took action by unanimous written consent four times. The committees of the Board of

Directors are the Audit Committee, the Compensation and Stock Option Committee and the Nominating Committee. During the year ended December 31, 2015, each director attended at least 75 percent of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the board on which he or she served (during the periods that he or she served). The board has not set a formal policy for required meeting attendance. A high level of attendance and participation is expected, and to date directors have fulfilled this expectation. At the first meeting of the board following this year's Annual Meeting, directors will be elected to serve on the various board committees until the next Annual Meeting and until their successors are elected.

The board has established an Audit Committee for the purpose of overseeing the accounting and financial reporting processes of the Company and the audits and reviews of its financial statements. The Audit Committee engages the Company's Independent Registered Public Accounting Firm, consults with such auditors with regard to audit plans, reviews the annual reports of the independent auditors, oversees the adequacy of the Company's internal operating procedures and controls, meets with management and the auditors to review quarterly and annual financial results, authorizes the public release of press releases covering financial results, reviews and authorizes quarterly and annual reports filed with the SEC and otherwise oversees compliance with certain legal, ethical and regulatory matters. The development and manufacture of products with scientifically-proven efficacy and with and without regulatory approval is subject to considerable risk. The Audit Committee takes the lead on oversight of credit, liquidity and operational risk, but the entire board, in conjunction with the executive officers, is very involved with reviewing Audit Committee recommendations and making independent assessments of risks in all areas of the Company's business. The Company does not have a specific risk management department, but the Company's Director of Finance and Administration and its President and CEO manage and contract for the Company's insurance coverages in consultation with outside experts, in addition to identifying, managing and monitoring risk in areas not specifically covered by insurance. The Director of Finance and Administration reports to the President and CEO, who reports to the board. The Committee's members are Mr. Cunningham, Mr. Rothschild and Mr. Wainman. Mr. Wainman serves as Chair of the Audit Committee. All members of the Audit Committee meet the heightened independence requirements for audit committees under applicable NASDAQ Stock Market rules. The Audit Committee held six meetings during 2015. The Audit Committee Report can be found beginning on page 14 of this Proxy Statement, and the "Charter and Powers of the Audit Committee" has been posted on the Company's web-site (<http://immucell.com/wp-content/uploads/charter.pdf>).

The board has established a Compensation and Stock Option Committee (Compensation Committee) for the purpose of reviewing and recommending salary, bonus and other benefits for executive officers and directors of the Company. The Compensation Committee is responsible for administering the Company's 2000 Stock Option and Incentive Plan and the 2010 Stock Option and Incentive Plan. The Compensation Committee's members are Dr. Rhodes and Mr. Rothschild, both of whom are independent directors. Dr. Rhodes serves as Chair of the Compensation Committee. The Compensation Committee held three meetings during 2015. The Compensation Committee does not have a charter but instead operates within the authority provided by the Company's By-laws and authorizing resolutions adopted by the board. Its recommendations on executive and director compensation are subject to review and final approval by the Board of Directors, a majority of whose members are independent directors. The Company's President and CEO provides the Compensation Committee with recommendations relevant to a determination of executive and director compensation, but he does not participate in votes of the Compensation Committee in this regard. In recent years, the Compensation Committee has not retained or relied upon outside consultants to assist in its determination of executive or director compensation.

The board has established a Nominating Committee for the purpose of recommending to the full board the number of directors to serve on the board, criteria for board membership and nominees for election to the board. In doing so, the Nominating Committee considers the integrity and relevant business experience of each nominee. All nominees included on this year's proxy card were recommended by the Nominating Committee and then approved by a vote of the board. The Nominating Committee values diversity, believing that the Company benefits from decision making that includes a range of opinions, viewpoints and experience. For instance, the Nominating Committee would not want a board comprised only of directors having principally financial expertise or only of directors whose principal experience is in the dairy industry. Likewise, the Nominating Committee believes that a board consisting of all men or all women would not be as strong as a gender-diverse board. While there is always room for improvement, the Nominating Committee believes that it has made substantial progress towards achieving these goals. The Committee's members are Mr. Cunningham and Dr. Tomsche, both of whom are independent directors. Mr. Cunningham serves as Chair of the Nominating Committee. The Nominating Committee held one meeting during 2015. Provisions for stockholders to nominate candidates for election as directors are described above under the caption, **"STOCKHOLDER PROPOSALS, DIRECTOR NOMINATIONS AND COMMUNICATIONS"**. Upon recommendation of the Nominating Committee, the Board of Directors adopted a charter for the Nominating Committee in December 2012. This charter sets forth the policy to be utilized by the Nominating Committee in considering nominees identified by management to serve as directors for the Company. The Nominating Committee applies the same evaluation standards in considering nominees for director recommended by stockholders.

DIRECTOR COMPENSATION

The following table contains information as to the compensation paid by the Company to its non-executive directors for services rendered during the year ended December 31, 2015.

	Earned or Paid in Cash	Option Awards	All Other Compensation	
David S. Cunningham	\$ 18,000	\$ 0	\$ 0	\$ 18,000
Linda Rhodes, V.M.D., Ph.D.	\$ 18,000	\$ 0	\$ 0	\$ 18,000

Paul R. Wainman	\$ 18,000	\$ 0	\$ 0	\$ 18,000

Officers of the Company who are also directors do not receive additional compensation for attendance at Board of Directors' meetings or committee meetings. Through June 30, 2011, the Company paid non-employee directors an annual retainer of \$4,000 (payable in two equal installments in January and July) plus a fee of \$1,000 for each of the four regularly scheduled board meetings per year. Effective July 1, 2011, the annual retainer was increased from \$4,000 to \$12,000 (payable in four equal installments in advance to each individual serving as director as of the first day of each quarter) and the \$1,000 per meeting fee was discontinued. Effective July 1, 2014, the annual fee was increased from \$12,000 to \$16,000 (payable in four equal installments in advance to each individual serving as director as of the first day of each quarter). Effective July 1, 2015, the annual fee was increased from \$16,000 to \$20,000 (payable in four equal installments in advance to each individual serving as director as of the first day of each quarter). Effective July 1, 2016, the annual fee is expected to increase from \$20,000 to \$24,000 (payable in four equal installments in advance to each individual serving as a director as of the first day of each quarter). Effective January 1, 2013, the additional compensation for the Chair of the Board of Directors was set at \$12,000 per year (payable in four equal installments in advance as of the first day of each quarter).

At the time first appointed to the board, Mr. Cunningham and Mr. Wainman were each granted a non-qualified stock option to purchase 15,000 shares of common stock under the 2010 Stock Option and Incentive Plan. The options were granted on terms similar to those previously granted to other directors under the 2000 Outside Director Plan, which plan expired in June 2005. Mr. Cunningham's option has an exercise price equal to the fair market value of the common stock on the grant date, October 12, 2011 (\$5.75 per share), and vested on October 12, 2014. This option expires if not exercised by October 11, 2016 or, if earlier, within one month (twelve months in the case of death or disability) after termination of service as a director. Mr. Wainman's option has an exercise price equal to the fair market value of the common stock on the grant date, March 31, 2014 (\$4.80 per share), and vests on March 31, 2017.

This option expires if not exercised by March 30, 2019 or, if earlier, within one month (twelve months in the case of death or disability) after termination of service as a director.

INDEMNIFICATION AGREEMENTS

The Company has entered into indemnification agreements with its directors and executive officers in substantially the form approved by the stockholders at the 1989 Annual Meeting, as recently updated. The agreements include procedures for reimbursement by the Company of certain liabilities and expenses which may be incurred in connection with service as a director or executive officer. The Company expects to enter into indemnification agreements with individuals who become directors in the future, as well as such executive officers of the Company as the Board of Directors may from time to time determine.

EXECUTIVE COMPENSATION

Under the By-laws, executive officers are elected by the Board of Directors at its first meeting following each Annual Meeting of Stockholders of the Company, and each serves for a one-year term and until his or her successor is chosen and qualified. The Company has four executive officers, as follows:

For Ms. Brockmann, this amount also includes the personal use of a Company-owned vehicle.

Generally effective on or about February 1st of each year, annual salaries and bonuses for these named executive officers are determined in the discretion of the Compensation and Stock Option Committee. Effective February 8, 2014, this annual salary amount for Mr. Brigham was increased by 8.3% to \$260,000. Effective February 7, 2015, the annual salary for Mr. Brigham was increased by 5% to \$273,000. Effective February 6, 2016, this annual salary for Mr. Brigham was increased by 5% to \$286,650. Effective December 28, 2013, this annual salary for Dr. Crabb was decreased to \$72,000, reflecting Dr. Crabb's decision to reduce his time commitment to the Company. Effective January 10, 2015, this annual salary for Dr. Crabb was increased to \$90,000. Effective February 6, 2016, this annual salary for Dr. Crabb was decreased to \$50,000. Effective December 1, 2015 through November 30, 2016, the Company contributes \$14,045 per year towards the cost of family coverage for all full-time employees electing this coverage. Mr. Brigham has elected this option. Ms. Brockmann has elected a cash payment of \$2,800 per year that is available to all employees that opt to obtain coverage elsewhere. The Company makes no contribution towards the cost of health insurance coverage for part-time employees, although all part-time employees working at least 10 hours per week may buy into the Company's group coverage on a pre-tax basis. Dr. Crabb elects this option.

EMPLOYMENT AGREEMENTS

Effective March 26, 2010, both Mr. Brigham and Dr. Crabb entered into amendments to their employment agreements that superseded and replaced in their entirety previous employment agreements. By waiving rights to contractual employment, these named executive officers agreed to serve the Company in “at will” capacities on such terms as the Board of Directors may from time to time determine, subject to termination by the Board of Directors at any time with or without cause and without a contractual right to severance compensation. Under these contract amendments, Mr. Brigham continues to serve the Company as President and CEO, and Dr. Crabb continues to serve the Company as Vice President and Chief Scientific Officer.

business strategy and financial consultant specializing in the paper and greeting card industry. Except for Mr. Brigham and Dr. Crabb (both of whom are Company employees), each of the Company's existing directors or nominees qualifies as an "independent director" as defined under applicable NASDAQ Stock Market rules. In evaluating the independence of directors, the board did consider the matters described above under the caption "**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**". If any of the individuals named above should not be available for election as contemplated, it is the intention of the persons named in the proxy to vote for such other person or persons as management may recommend. Management has no reason to believe any nominees will be unavailable. Any vacancies that may occur during the year may be filled by the Board of Directors to serve until the next Annual Meeting.

The Board of Directors recommends that you vote **FOR** the election of the seven nominees listed above.

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION (Proposal Two)

As required by Section 14A of the Exchange Act, which was enacted pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, we are asking our stockholders to approve, on an advisory (nonbinding) basis, the compensation of our named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC. This proposal is commonly referred to as "say-on-pay." We currently present such proposal to our stockholders on an annual basis.

We maintain a simple executive compensation program that consists almost entirely of base salary and periodic stock option grants, with the possibility of annual discretionary bonuses. No annual discretionary bonus has been awarded to these named executive officers by the Company since 2007. These elements of compensation have been selected by the Compensation and Stock Option Committee (Compensation Committee) because the Compensation Committee believes that they effectively achieve the fundamental goals of our compensation program, which are to attract,

motivate, retain and reward exceptionally talented executives; to align executive interests and stockholder interests through an appropriate mix of long-term and short-term incentives; and to maximize the financial efficiency of the program from risk, tax, accounting, and cash flow perspectives.

The Company does not provide any compensation or benefit plans to these named executive officers that are not also available to other employees. The Company differentiates among key employees primarily based on size of base salary. Annual compensation decisions for the named executive officers are made by the Compensation Committee based on performance and market-related factors.

Features of our compensation program for the named executive officers include the following:

A majority of total compensation is fixed, but is regularly reviewed and evaluated based on both long-term and short-term corporate performance.

Equity awards, which consist of stock options, generally vest after a three-year period. The Compensation Committee believes that this aligns interests of key employees and stockholders.

From time to time, the Compensation Committee reviews compensation against a peer group (companies of similar size and structure) to ensure that our total compensation is both competitive and appropriate.

The Compensation Committee annually reviews risk associated with our compensation program to ensure that our program does not create incentives that would encourage subjecting the Company to risks that are reasonably likely to have a material adverse effect on the Company.

We are asking our stockholders to indicate their support for the compensation as described in this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers and the philosophy, policies and practices described in this proxy statement. Our Board of Directors is asking stockholders to approve a nonbinding advisory vote on the following resolution:

RESOLVED, that the compensation paid to the named executive officers of the Company, as disclosed pursuant to Item 402 of Regulation S-K, including the “**SUMMARY COMPENSATION TABLE**” and “**OUTSTANDING EQUITY AWARDS**” table, is hereby approved.

As an advisory vote, this proposal is not binding. The outcome of this advisory vote does not overrule any decision by the Company or the Board of Directors (or any committee thereof), create or imply any change to the fiduciary duties of the Company or the Board of Directors (or any committee thereof), or create or imply any additional fiduciary duties for the Company or the Board of Directors (or any committee thereof). However, our Compensation Committee and Board of Directors value the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for these key employees.

The Board of Directors recommends that you vote **FOR** the approval of the advisory resolution on compensation for the named executive officers.

VOTE TO APPROVE INCREASE IN AUTHORIZED COMMON STOCK (Proposal Three)

The Company’s Board of Directors has unanimously approved an amendment to the Company’s Certificate of Incorporation to increase the number of shares of common stock authorized for issuance from 8,000,000 to 10,000,000. The primary purpose of the proposed increase in the number of authorized shares of common stock is to provide the Company with the flexibility to issue additional shares of stock in private or public offerings to raise additional capital, or to have available additional shares for issuance in stock-based compensation plans for employees or directors of the Company. These shares could also be used to make more difficult a change in control of the Company, and in certain circumstances, such shares could be used to dilute the stock ownership of a person or entity seeking to obtain control of the Company. Such shares could also be privately placed with purchasers who might side with the Board in opposing a hostile takeover bid or efforts to elect alternative candidates to the Board. No such issuances, however, are presently planned for the near term.

The Board of Directors recommends that you vote **FOR** the proposed amendment to our Certificate of Incorporation.

Pre-Approval Policy

In accordance with the procedures set forth in its charter, the Audit Committee pre-approves all auditing services and permitted non-audit services (including the fees and terms of those services) to be performed for the Company by its Independent Registered Public Accounting Firm. Such approval may be accomplished by approving the terms of the engagement prior to the engagement of the Independent Registered Public Accounting Firm with respect to such services or by establishing detailed pre-approval policies and procedures to govern such engagement. The Audit Committee authorizes management to spend up to \$5,000 per year for services that are not anticipated at the time of the engagement, provided that the Audit Committee is promptly informed of such services.

OTHER BUSINESS

The management of the Company does not know of any business not specifically referred to above as to which any action is expected to be taken at the meeting. However, if any business other than those items referred to above properly comes before the meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxy in accordance with their judgment on such matters.

Audit Committee Financial Expert

Pursuant to Section 306 of the Sarbanes-Oxley Act of 2002 and Item 407 of Regulation S-K promulgated by the SEC, the Company is required to disclose whether it has at least one “Financial Expert” serving on its Audit Committee and if so, the name of the expert and whether the expert is independent of management. A company that does not have an Audit Committee Financial Expert must disclose this fact and explain why it has no such expert. Mr. Paul Wainman, who joined our Board of Directors on March 31, 2014 and currently serves as Chair of the Audit Committee, meets the SEC’s definition of a financial expert. It is the opinion of the Company’s Board of Directors that the Company addresses its audit functions with a depth of penetration and rigor that meets the intent of the requirements of the Sarbanes-Oxley Act for the following reasons:

All members of the Audit Committee of the Company are independent Directors, as defined by the SEC and NASDAQ.

The three members of the Audit Committee have knowledge of accounting for both their own businesses as well as for the Company. The three members of the Audit Committee have considerable experience operating a publicly-held animal health company, his own vitamin and nutrition company and a for-profit, privately-held commercial enterprise, respectively.

Internal audit work of the Company is performed by its Director of Finance and Administration, Accounting Associate and Office Manager.

The Company also continuously reviews, at its own initiative, the expertise of the members of its Board of Directors and its Audit Committee.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors reviews the financial reporting process, the system of internal controls, the audit process and the process for monitoring compliance with certain applicable laws and regulations. The Audit Committee is responsible for selecting and hiring the Independent Registered Public Accounting Firm and meets with those accountants (in person or by telephone) before each quarterly press release concerning the Company’s financial results. The Audit Committee approves the public disclosure and filing with the SEC of the related press releases. After reviewing the quarterly and annual reports that are prepared by management, the Audit Committee authorizes the filing of such reports with the SEC. All members of the Audit Committee meet the heightened independence requirements for audit committees under applicable NASDAQ Stock Market rules. Mr. Rothschild has served as a member of the Audit Committee since 2008. Mr. Wainman joined the Audit Committee effective March 31, 2014 and serves as its Chair. Mr. Cunningham joined the Audit Committee as of July 2014. The Audit Committee currently operates under a charter adopted by the board in 2004. The Company has a January 1st to December 31st fiscal year. The Audit Committee met six times during 2015.

The Audit Committee has reviewed the Company's audited financial statements for the year ended December 31, 2015 and discussed such statements with management and Baker Newman & Noyes, LLC, the Company's independent registered public accounting firm for 2015 and for the first quarter of 2016. The Audit Committee has discussed with Baker Newman & Noyes, LLC various communications that Baker Newman & Noyes, LLC is required to provide to the Audit Committee including the matters required to be discussed by Public Company Accounting Oversight Board (PCAOB) Auditing Standards No. 16 (Communication with Audit Committees).

The Audit Committee received from Baker Newman & Noyes, LLC the written disclosures and the letter required by applicable requirements of the PCAOB concerning independence and has discussed the auditor's independence with them.

Based on the review and discussions noted above, the Audit Committee recommended to the board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015 and be filed with the SEC.

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating this proxy statement by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference and shall not otherwise be deemed filed under such Acts.

Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file. To the best of the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the year ended December 31, 2015, the Company's directors, executive officers and greater than ten percent beneficial owners complied on a timely basis with all applicable Section 16(a) filing requirements.
