ITEM 5.02. Compensatory Arrangements of Certain Officers.

On June 30, 2009, Bimini Capital Management, Inc. (the “Company”), entered into agreements with its Chairman and Chief Executive Officer, Robert E. Cauley, and its President, CIO, and CFO, G. Hunter Haas IV (the “Agreements”). Each Agreement provides for termination benefits in the event Mr. Cauley or Mr. Haas (each an “Executive”) is terminated without Cause, resigns for Good Reason, or dies or becomes disabled during the term of his Agreement, all in accordance with the terms of the Agreement.

The termination benefits include payment of accrued but unpaid salary and bonuses, reimbursement of business expenses incurred during the term of employment, and continued health plan coverage through the remaining term of the Agreement.

If the Company terminates an Executive without Cause within six months of a Change of Control, or if an Executive resigns for Good Reason within six months after a Change of Control, then the termination benefits shall include an amount equal to three times the Executive’s Current Cash Compensation. If in the absence of a Change of Control, (i) the Company terminates an Executive without Cause, (ii) an Executive resigns for Good Reason or (iii) an Executive dies or is disabled, then in each case the termination benefits shall include an amount equal to the amount of Current Cash Compensation that would have been paid to the Executive over the remaining term of his Agreement.

Current Cash Compensation is defined as annual base salary in effect for the Executive at the time of termination plus the average of annual cash bonuses for the two preceding years. The Agreements have an initial term of three years, and each Agreement will continue to renew for additional one year terms, unless sooner terminated.

Also in June 2009, Mr. Cauley and Mr. Haas each received 500,000 Phantom Shares under the Company’s 2003 Long Term Incentive Compensation Plan. All of the Phantom Shares will vest on June 16, 2014. Mr. Cauley and Mr. Haas each filed a Form 4 disclosing his Phantom Share award.

The Agreements and Phantom Share awards described above are intended to ensure the continued employment of Mr. Cauley and Mr. Haas without increasing the Company’s cash compensation expense. In particular, the five year vesting requirement on the Phantom Shares and the three year term of the Agreements are designed to incentivize the Executives and ensure their continued employment.
