Item 1.01. Entry into a Material Definitive Agreement.

On October 7, 2004, Bowne & Co., Inc. (the "Company"), Williams Lea Group Limited ("Williams Lea"), and Williams Lea Holdings Inc., a wholly-owned subsidiary of Williams Lea (the "Acquisition Vehicle"), entered into a Purchase and Sale Agreement (the "Agreement"), pursuant to which the Company will sell Bowne Business Solutions, Inc. ("BBS"), a wholly-owned subsidiary of the Company, (but not its litigation services business) to Williams Lea and the Acquisition Vehicle. The Company concurrently issued a press release announcing the execution and delivery of the Agreement, a copy of which is attached to this report as Exhibit 99.1.

The Company, through BBS, and Williams Lea are currently engaged in a joint venture called Bowne Williams Lea Asia, Limited. After the consummation of the transaction, the Company's involvement in such joint venture will be terminated.

Pursuant to the Agreement, the Company will receive cash consideration, in the aggregate, of \$180 million, subject to certain post-closing purchase price adjustments and other adjustments. Consummation of the transaction is subject to a number of conditions, including the receipt of required regulatory approvals and other consents. A copy of the Agreement is attached to this report as Exhibit 2.1. The descriptions contained herein of the transactions contemplated by the Agreement are not complete and are qualified in their entirety by reference to the Agreement and the press release described above, each of which are incorporated herein by reference.

Some of the statements contained in this report are "forward-looking" statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are subject to inherent risks and uncertainties that may cause actual results or events to differ materially from those contemplated by such statements. Such risks and uncertainties include, among others, the timing (including any possible delays) and receipt of regulatory approvals (including any conditions, limitations or restrictions placed thereon), as well as the risk that one or more governmental agencies may deny approval of the transaction and other factors that may be referred to in the Company's reports filed with the Securities and Exchange Commission from time to time.
