ITEM 5.02: DEPARTURE OF DIRECTORS OR PRINCIPAL OFFICERS; ELECTION OF DIRECTORS;  
APPOINTMENT OF PRINCIPAL OFFICERS.

On December 13, 2004, Cobalis Corp., a Nevada corporation (the "Registrant"),  
appointed Dr. Lawrence May and Mr. Ernest Armstrong to its Board of Directors.

Dr. May, age 56, brings extensive medical and entrepreneurial experience to the  
Registrant. He served as the medical director for Physician Therapeutics since  
2003. From 1997 to 2003, Dr. May served as an executive vice president for  
Herbalife, and was the chairman of its medical advisory board. Prior to that,  
Dr. May was in private medical practice since 1979. Dr. May earned his M.D.

degree in 1974, and his Bachelor's degree in Economics in 1970, both at Harvard University. Dr. May was also licensed by the National Board of Medical Examiners in 1977. Dr. May is anticipated to be issued 100,000 shares of the Registrant's \$.001 par value common stock and options to purchase 250,000 shares of that common stock in conjunction with his service on the Registrant's board. Dr. May is not an officer or director of any other reporting company.

Mr. Armstrong, age 45, is currently the Registrant's Vice President of Business Development. As CEO of Gene Pharmaceuticals, LLC, Mr. Armstrong has overseen clinical research on allergic rhinitis products and out-licensed medical technology for the Registrant. From 1991 through 1996, Mr. Armstrong was Founder and President of Broncorp, Inc., a research-based pharmaceutical company focused on drug-delivery technologies and on developing treatments for asthma and allergy. He was an Associate Professor of International Business at Dai-Ichi Economics College, Fukuoka, Japan 1988-1991. Mr. Armstrong speaks seven languages and previously lived in Canada, France, Guatemala, Italy, Japan and Switzerland. His education includes: BA-International Marketing and core courses for BS in Biology, Humboldt State University, Arcata, California; BA-French, University of Aix-en-Provence, France; MBA-San Francisco State University. Mr. Armstrong owns 100,000 shares of the Registrant's common stock individually, and is a majority owner of Gene Pharmaceuticals, LLC, which owns 2,012,056 shares of the Registrant's common stock. Mr. Armstrong receives a salary of \$100,000 annually, and, as the principal owner of Gene Pharmaceuticals, LLC is entitled to certain royalties and other compensation. In February 2004, the Registrant agreed to grant Mr. Armstrong 1,200,000 options to purchase shares of its common stock. In addition, Mr. Armstrong has the option to purchase 1,000,000 of the Registrant's common shares, from St. Petka, the Registrant's majority shareholder (with no additional dilution to existing shareholders), at a strike price of \$2.00 per share, valid for seven (7) years from February 20, 2004. Mr. Armstrong is not an officer or director of any other reporting company.
