**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing**

On April 16, 2014, Altair Nanotechnologies Inc. (the “Company”) received a letter from The Nasdaq Stock Market (“Nasdaq”) indicating that the Company was not in compliance with the audit committee requirements in Nasdaq Marketplace Rule 5605. Among other things, Rule 5605 requires that the Company have an audit committee composed of at least three independent directors. Eqbal Al Yousuf, a member of the Company's audit committee, was appointed to the Board of Directors and the Audit Committee on August 26, 2013 and resigned on March 20, 2014. According to the letter, pursuant to Rule 5605(c)(4), the Company has been provided a cure period in order to regain compliance, which cure period shall survive until the earlier of the Company's next annual shareholders meeting or March 20, 2015.

Other than directors who are already serving on the audit committee, none of the Company's existing directors satisfy the independence requirements associated with the audit committee. The Company is reviewing potential director candidates that it believes would be qualified to serve on the audit committee and expects to regain compliance as soon as practical, but in no event later than the deadline.

On April 16, 2014, the Company received a second letter from Nasdaq indicating that the Company was not in compliance with the continuous listing rules due to its failure to file its Annual Report on Form 10-K for the year ended December 31, 2013 (the “Annual Report”) on a timely basis. Under the rules, the Company has 60 days to submit a plan to regain compliance and if the plan is accepted, the Company could be granted up to 180 calendar days from the Annual Report's due date, or until October 13, 2014, to regain compliance. The Company will also be added to Nasdaq's list of non-compliant companies.

The Company expects to file its Annual Report as soon as practical and expects to submit a plan to regain compliance within the timelines prescribed by the letter and Nasdaq rules.
