Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On October 24, 2014, the Board of Directors of Littelfuse, Inc. (the "Company") adopted the First Amendment to Bylaws of Littelfuse, Inc. (the "Bylaws Amendment") to provide for majority voting in uncontested director elections. The Bylaws Amendment was effective October 24, 2014.

Under the Bylaws Amendment, in an uncontested election at which a quorum is present, a director will be elected if the number of shares voted "for" the director's election exceeds the number of votes "withheld" or "against" that director's election. In addition, the Company enacted a resignation policy, which requires an incumbent director who receives more "withhold" or "against" votes than votes "for" his or her election to tender his or her letter of resignation for consideration by the Company's Nominating and Corporate Governance Committee and Board of Directors.

In contested elections, directors will continue to be elected by plurality vote. For purposes of the Bylaws Amendment, a "contested election" is an election in which the number of nominees for director is greater than the number of directors to be elected.

The Company's Bylaws previously provided for a plurality voting standard in all director elections.

The foregoing description of the Bylaws Amendment is qualified in its entirety by reference to the First Amendment to Bylaws of Littelfuse, Inc., which are filed as Exhibit 3.1 hereto and incorporated herein by reference. Article II, Section 8 of the Company's Bylaws (as amended by the Bylaws Amendment) reflects the changes described above.
