Item 4.

Ownership.

Provide the following information regarding the aggregate number and percentage of the class of securities of the issuer identified in Item 1.

- (a) Amount beneficially owned: The ESOP holds an aggregate of 638,400 shares (14.2% of the outstanding shares of the class) of the Corporation and has the voting rights as described below.
- (b) Percent of class: 14.2%.
- (c) Number of shares as to which the person has:

 - (ii) Shared power to vote or to direct the vote 334,277.
 - (iii) Sole power to dispose or to direct the disposition of 304,123.

The ESOP has sole dispositive power for all such shares subject to the terms of the Employee Stock Ownership Plan, which requires that participant accounts be primarily invested in common stock of the Corporation.

First Bankers Trust Services, Inc., the Trustee of the ESOP, may be deemed under applicable regulations to "beneficially" own the shares held by the ESOP. However, the Trustee expressly disclaims beneficial ownership of the shares held by the ESOP.

Pursuant to the terms of the ESOP, participants in the ESOP are entitled to instruct the Trustee of the ESOP as to the voting of the shares allocated to their accounts. The provisions of the ESOP require the Trustee to vote the shares held by the ESOP which have not been allocated to specific accounts (or with respect to allocated accounts for which no instructions are timely received) on each issue with respect to which shareholders are

entitled to vote in the proportion that the participant had voted the shares allocated to their accounts with respect to such issue. As of December 31, 2015 a total of 334,277 shares of Corporation common stock have been allocated to participants' accounts.

The Trustee has the right to sell allocated shares held by the ESOP, the proceeds from which are allocated to the accounts of individual participants. The Trustee also may sell unallocated shares, to the extent such shares are not pledged to secure borrowed funds.

(iv) Shared power to dispose or to direct the disposition of 334,277.

Instruction. For computations regarding securities which represent a right to acquire an underlying security *see* §240.13d3(d)(1).

Not applicable.

Item 6.

Ownership of More than Five Percent on Behalf of Another Person.

If any other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, such securities, a statement to that effect should be included in response to this

item and, if such interest relates to more than five percent of the class, such person should be identified. A listing of the shareholders of an investment company registered under the Investment Company Act of 1940 or the beneficiaries of employee benefit plan, pension fund or endowment fund is not required.

The ESOP shares are held on behalf of the ESOP participants pursuant to the terms of the HMN Financial, Inc. Employee Stock Ownership Plan and Trust Agreement. See Item 4. above for details.

Pursuant to the terms of the ESOP, dividends paid with respect to shares are allocated to participants' accounts in the ESOP as of the record date for the dividend payment and may be paid in cash to the participants, pursuant to the directions of the

Board of Directors of the Corporation. Absent such direction by the Board of Directors, cash from the payment of dividends is retained in the accounts of participants or, to the extent permitted by law, may be used to repay the ESOP loan. With respect to unallocated shares, cash received from the sale of shares or payment of dividends is retained in the ESOP trust and may be used to purchase additional shares or to repay the ESOP loan.
