**Item 3. Source and Amount of Funds or Other Consideration.**

On August 14, 2014, AC Midwest, the Issuer and the Issuer's wholly-owned subsidiary, MES, Inc., a North Dakota corporation ("MES"), entered into a certain Financing Agreement (the "**Financing Agreement**"), pursuant to the terms of which AC Midwest purchased a 12% senior secured convertible note in the aggregate principal amount of \$10 million, due July 31, 2018 (the "**Note**"), and a five year warrant (the "**Warrant**") to purchase up to an additional 12,500,000 shares of Common Stock. AC Midwest acquired the Note and Warrant for an aggregate purchase price of \$10 million.

The source of funding for such transaction was derived from capital contributed to Fund II and borrowings under a capital call facility with Silicon Valley Bank.

**Item 4. Purpose of Transaction.**

(a)-(j) The Note and Warrant were acquired for investment purposes.

Pursuant to, and in accordance with the terms of the Financing Agreement, the indebtedness evidenced by the Note is convertible at any time and from time to time into shares of the Issuer's Common Stock at an initial conversion price of \$1.00 per share, subject to automatic adjustment, to \$0.75 per share, if the Issuer's EBITDA for the twelve-month period ended December 31, 2015 is less than \$2,500,000, and further subject to weighted average anti-dilution protection (except with respect to certain excluded issuances). Interest on the Note is payable in kind for the first year, at a rate of 2% in cash and 10% in kind for the second year and thereafter entirely in cash. Interest is calculated on the basis of a 360-day year and actual days elapsed, and it accrues or is payable, as applicable, monthly in arrears on or before the last day of each calendar month.

The Warrant is exercisable at any time and from time to time for up to 12,500,000 shares of Common Stock at an initial exercise price of \$1.00 per share, subject to automatic adjustment, to \$0.75 per share, if the Issuer's EBITDA for the twelve-month period ended December 31, 2015 is less than \$2,500,000, and further subject to weighted average anti-dilution protection (except with respect to certain excluded issuances). In addition the Warrant contains percentage based anti-dilution protection, requiring that the aggregate number of shares of Common Stock purchasable upon initial exercise of the Warrant not be less than an amount equal to 15% of the Issuer's then outstanding shares of capital stock on a fully diluted basis. The Warrant may also be exercised on a cashless basis.

In connection with the Financing Agreement AC Midwest, the Issuer, MES and Richard Galterio, as agent to the holders of an aggregate of \$1,795,000 in outstanding principal amount of certain of the Issuer's 10% secured convertible notes (as modified by that certain Allonge, dated as of August 14, 2014, the "**2013 Secured Notes**"), which 2013 Secured Notes are convertible into shares of the Issuer's Common Stock at a conversion price of \$0.50 per share, subject to weighted average anti-dilution protection, entered into a certain Intercreditor Agreement, dated as of August 14, 2014, pursuant to the terms of which AC Midwest has the right, but not the obligation, upon an event of default under the terms of the Financing Agreement or the 2013 Secured Notes, to acquire the outstanding 2013 Secured Notes for an amount equal to the then unpaid indebtedness evidenced by such notes.

Also in connection with the Financing Agreement, AC Midwest and the Issuer entered into a certain Investor/Registration Rights Agreement, dated as of August 14, 2014, pursuant to the terms of which the AC Midwest has the right to demand registration of all of the shares of Common Stock issuable upon conversion of the Note, exercise of the Warrant and conversion of any of the 2013 Secured Notes acquired by AC Midwest.

The foregoing description of the Note, Warrant, Allonge to the 2013 Secured Notes, Intercreditor Agreement and Investor/Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the Financing Agreement, the Form of Warrant, Form of Allonge, Intercreditor Agreement and Investor/Registration Rights Agreement, which are filed herewith as Exhibits 99.2, 99.3, 99.4, 99.5 and 99.6, respectively, and incorporated herein by reference.

The Reporting Persons will continuously evaluate the Issuer's operations, prospects, business development, management, competitive and strategic matters, capital structure, liquidity requirements, prevailing market conditions, alternative investment opportunities and all other factors deemed relevant in determining whether to convert the Note or exercise the Warrant. Consistent with their investment research methods and evaluation criteria, the Reporting Persons may discuss such matters with the Issuer's management, board of directors, other shareholders, industry analysts, existing or potential strategic partners or competitors, investment and financing professionals, sources of credit and other investors.

In addition, the Reporting Persons may, at any time and from time to time, acquire additional shares of Common Stock or other equity, debt, notes, instruments or securities of the Issuer or dispose of any or all of such securities, in either case in the open market, in privately negotiated transactions or otherwise.

Other than as described in this Schedule 13D, none of the Reporting Persons have any current plans or proposals that would be related to or would result in any of the matters described in Items 4(a)-(j) of Schedule 13D; however, as part of their ongoing evaluation of this investment and investment alternatives, the Reporting Persons may consider such matters in the future and, subject to applicable law, may formulate a plan with respect to such matters, and, from time to time, the Reporting Persons may hold discussions with or make formal proposals to management or the board of directors of the Issuer, other shareholders of the Issuer or other third parties regarding such matters.
