Item 8.01. Other Matters

On April 24, 2018, Magellan Health, Inc. (the “Company”) announced that it was notified by the Florida Agency for Health Care Administration (“ACHA”) that Florida MHS, Inc. (“FL MHS”) d/b/a Magellan Complete Care of Florida was not selected to negotiate a new contract to serve as a vendor for its Medicaid managed care program. The contract is for the management of the publicly funded program that delivers fully integrated healthcare services to Medicaid recipients with Serious Mental Illness. The Company’s existing contract to provide these services began on February 4, 2014 and extends through December 31, 2018; such contract generated net revenues of \$605.9 million for the year ended December 31, 2017. The Company currently serves all of the members in Regions 2, 4, 5, 6, 7, 9, 10 and 11. The Company filed a protest with AHCA on May 7, 2018. On August 27, 2018, the Company announced that it has verbally agreed to a settlement in principle with AHCA in regards to the Company’s protest, and stated that once the settlement is executed it will withdraw its protest. Pursuant to the preliminary terms of the settlement, FL MHS will be awarded a contract extending through September 30, 2023 to serve Medicaid members with Serious Mental Illness in Regions 4, 5, and 7 alongside another vendor. The Company will no longer serve members in Regions 2, 6, 9, 10, and 11, which represents approximately 60% of the total current membership the Company serves under the existing contract. The Company does not expect this contract to have a material contribution to earnings in 2019. The settlement and contract award are subject to final negotiation of a definitive settlement agreement and execution of a contract with AHCA for the provision of services referred to herein. There can be no assurance that final agreement on the settlement or the contract for services will be reached. The settlement is also subject to protest from the other successful bidder.
