ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

FIVE-YEAR FACILITY CREDIT AGREEMENT DATED AS OF JUNE 10, 2005.

On June 10, 2005, Franklin Resources, Inc. (the "Company" or "Franklin") entered

## Edgar Filing: FRANKLIN RESOURCES INC - Form 8-K

into a \$420 million Five-Year Facility Credit Agreement with certain banks and a financial institution (collectively, the "Bank Parties"), Bank of America, N.A. and The Bank of New York, as Co-Syndication Agents, Citibank, N.A. and BNP Paribas, as Co-Documentation Agents, JP Morgan Chase Bank, N.A., as Administrative Agent, and J.P. Morgan Securities Inc., as Sole Bookrunner and Sole Lead Arranger (the "Five-Year Credit Agreement"). The Five-Year Credit Agreement replaces Franklin's \$210 million 364-Day revolving credit facility, which matured by its terms on June 2, 2005 and Franklin's \$210 million five year revolving credit facility, which was terminated on June 10, 2005, prior to its scheduled expiration date of June 6, 2007. The Company desired to replace both the former 364-Day and five-year credit facilities with a single \$420 million five-year credit facility. There were no amounts outstanding under either the former 364-Day or the five-year credit facilities on the respective dates of termination and no early termination penalties were incurred by Franklin.

The Five-Year Credit Agreement provides for a \$420 million revolving credit facility, of which the entire amount is currently undrawn and available. Under the Five-Year Credit Agreement, the Bank Parties are required to make revolving credit loans to Franklin and Franklin may borrow, repay and re-borrow such amounts from time to time until the maturity of the Five-Year Credit Agreement on June 10, 2010. Franklin may also, at its discretion, borrow amounts under bid loans, where the Bank Parties, at their discretion, can offer to bid on short term loans requested by Franklin based on a competitive auction procedure (the "Bid Loans"). Except for Bid Loans, prepayments and commitment reductions are permitted without premium or penalty upon proper notice and subject to a minimum dollar requirement. Loans under the Five-Year Credit Agreement shall bear interest, depending on the type of loan requested by Franklin, at a rate based on LIBOR plus a margin, at a rate based on an alternate base rate (as such term is defined in the Five-Year Credit Agreement) plus a margin, or an absolute or fixed rate to be determined at the time that Franklin requests a loan under the Five-Year Credit Agreement.

The Five-Year Credit Agreement contains affirmative, negative and financial covenants customary for financings of this type and substantially similar to the prior financing arrangements, including, among other things, limits on the incurrence of additional debts and liens, a minimum limit on the ratio of earnings to interest expense, a maximum limit on the ratio of debt in relation to liabilities and capital, and maintenance of a minimum level of working capital. The Five-Year Credit Agreement includes customary events of default for facilities of this type (with customary grace periods, as applicable) and provides that, upon the occurrence of an event of default, payment of all outstanding loans under the Five-Year Credit Agreement may be accelerated and/or the lenders' commitments may be terminated. In addition, upon the occurrence of certain insolvency or bankruptcy related events of default, all amounts payable under the Five-Year Credit Agreement automatically become immediately due and payable, and the lenders' commitments automatically terminate.

Some of the Bank Parties have or may have had various relationships with the Company and its affiliates involving the provision of a variety of financial services, including cash management, investment banking, and the issuance of letters of credit and bank guarantees. In addition, the Company and certain affiliates have entered into interest rate and foreign exchange derivative arrangements with some of the financial institutions.

The foregoing does not constitute a complete summary of the terms of the Five-Year Credit Agreement, and reference is made to the complete text of the agreement, which is attached hereto as Exhibit 10.1
