## Edgar Filing: LABARGE INC - Form 8-K

On November 25, 2008, Eclipse Aviation Corporation (“Eclipse”), a customer of LaBarge, Inc. (the “Company”) announced that it filed a petition for relief under Chapter 11 of the United States Bankruptcy Code. Based on motions filed with the bankruptcy court, it appears that a major shareholder of Eclipse may seek to acquire the assets of Eclipse out of the bankruptcy estate and continue operations. As noted in its prior filings with the Securities and Exchange Commission, the Company faces exposure relating to the collection of trade receivables from Eclipse and the recovery of the full value of inventory for orders related to the Eclipse very light jet program. The Company estimates its current exposure in the Eclipse bankruptcy proceeding to be approximately \$3.8 million in trade receivables and approximately \$4.0 million in inventory, for an aggregate estimated exposure of approximately \$7.8 million. In addition, the Company’s current backlog related to this program of approximately \$39.6 million may be substantially reduced.

In the event that Eclipse is able to continue operations, the Company believes that there is a reasonable likelihood its exposure in the Eclipse bankruptcy may be reduced. The Company also anticipates that in the event of a continuation of Eclipse’s operations, if any, there will likely be significant further delays in the Company’s shipments on the Eclipse program, which have been on hold since August, 2008. If Eclipse is unable to continue its operations, the Company may not collect the trade receivables or recover the full value of the inventory related to this program, which could result in a charge to earnings of approximately \$7.8 million.

The information set forth in this Current Report on Form 8-K is being furnished pursuant to Item 2.02 and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as expressly set forth by specific reference in such filing.
