This registration statement relates to the previously filed registration statements discussed below and is being filed under General Instruction E. to Form S-8 in order to register additional shares of the same class as other securities for which registration statements filed on this form relating to the same employee benefit plan are effective.

On January 30, 2004, the registrant filed a registration statement on Form S-8 (File No. 333-112374) to register 2,100,000 shares of Class A common stock, which included 1,000,000 shares of Class A common stock issuable under the Nelnet, Inc. Restricted Stock Plan (the "Plan"). On July 23, 2007, the registrant filed a registration statement on Form S-8 (File No. 333-144790) to register an additional 1,000,000 shares of Class A common stock issuable under the Plan. The contents of the above registration statements are incorporated by reference into this registration statement.
