Item 8.01. Other Events.

On May 19, 2009, ISCO International, Inc. (the “Company”) received a letter from its transfer agent, Mellon Investor Services LLC (“Mellon”), indicating that Mellon will be terminating the Transfer Agent Agreement dated July 12, 2008 (the “Agreement”) between the Company and Mellon. In Mellon’s letter, it indicates that the Agreement will be terminated because the Company has not provided certain requested documentation to Mellon. As a result of the acquisition of substantially all of the assets of the Company by its secured lenders and the resulting cessation of its business operations, the Company has determined that it does not have the capabilities or resources necessary to cure the default under the Agreement and it does not intend to do so. Therefore, according to the terms of the letter, the Agreement will be terminated as of July 20, 2009. Upon such termination, the Company will no longer have an independent transfer agent. The Company has not yet made any arrangements regarding the transfer of its shares after July 20, 2009, but plans to disclose additional arrangements in a subsequent Form 8-K filing.

On June 9, 2009, the Company received an Answer and Counterclaim from TAA Group, Inc. (“TAA”) with respect to the lawsuit filed by the Company in March 2009 against TAA in connection with TAA’s purchase of the Company’s former subsidiary, Clarity Communication Systems Inc. In the Answer, TAA denies any liability to the Company and in the Counterclaim, TAA seeks \$10 million in lost profits for its alleged lost contract opportunities. The Company believes that the Counterclaim is without merit. The Company is currently evaluating the Counterclaim to determine how it intends to proceed.

The Company has no assets with which to conduct its prior, normal business operations and anticipates that, within a very short time, it will implement some procedure to formally wind-up its business. Because of the continued liability of approximately \$15 million to its secured lenders, the Company does not anticipate, as it has stated previously, that any funds will be available for distribution to unsecured creditors or stockholders.
