Annual Meeting of Stockholders
June 22, 2004

PROXY STATEMENT

This Proxy Statement is furnished by the Board of Directors of The Central Europe and Russia Fund, Inc. (the "Board of Directors" or "Board"), a Maryland corporation (the "Fund"), in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders (the "Meeting") to be held at 3:30 P.M., New York time, on June 22, 2004 at 280 Park Avenue, 40th Floor West, New York, New York 10017. The purpose of the Meeting and the matters to be considered are set forth in the accompanying Notice of Annual Meeting of Stockholders.

If the accompanying form of proxy is executed properly and returned, shares represented by it will be voted at the Meeting in accordance with the instructions on the proxy. However, if no instructions are specified, shares will be voted FOR the election of four (4) directors of the Fund ("Directors") (Proposal 1), FOR the ratification of the appointment by the Audit Committee and the Board of PricewaterhouseCoopers LLP as independent auditors for the Fund (Proposal 2) and AGAINST the stockholder proposal (Proposal 3). A proxy may be revoked at any time prior to the time it is voted by written notice to the Secretary of the Fund, by submitting a subsequently executed proxy or by attendance at the Meeting and voting in person.

The close of business on April 30, 2004 has been fixed as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting. On that date, the Fund had 10,197,209 shares of Common Stock outstanding and entitled to vote. Each share will be entitled to one vote on each matter that comes before the Meeting. It is expected that the Notice of Annual Meeting, this Proxy Statement and the form of proxy will first be mailed to stockholders on or about May 26, 2004.

A quorum is necessary to hold a valid meeting. If stockholders entitled to cast one-third of all votes entitled to be cast at the Meeting are present in person or by proxy, a quorum will be established. The Fund intends to treat properly executed proxies that are marked "abstain" and broker non-votes (defined below) as present for the purposes of determining whether a quorum has been achieved at the Meeting. Under Maryland law, abstentions do not constitute a vote "for" or "against" a matter and will be disregarded in determining the "votes cast" on an issue. A "broker non-vote" occurs when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner.

Edgar Filing: CENTRAL EUROPE & RUSSIA FUND INC - Form DEF 14A

The Fund's charter (the "Charter") provides that the Board of Directors be divided into three classes of Directors serving staggered three-year terms and until their successors are elected and qualify. The term of office for Directors in Class I expires at the 2004 Annual Meeting, Class II at the next succeeding annual meeting and Class III at the following succeeding annual meeting. Three Class I nominees and one Class II nominee are proposed in this Proxy Statement for election.

Should any vacancy occur on the Board of Directors, the remaining Directors would be able to fill such vacancy by the affirmative vote of a majority of the remaining Directors in office, even if the remaining Directors do not constitute a quorum. Any Director elected by the Board to fill a vacancy would hold office until the remainder of the full term of the class of Directors in which the vacancy occurred and until a successor is elected and qualifies. If the size of the Board is increased, additional Directors will be apportioned among the three classes to make all classes as nearly equal as possible.

Unless authority is withheld, it is the intention of the persons named in the accompanying form of proxy to vote each proxy for the election of the nominees listed below. Each nominee has indicated that he will serve as a Director if elected, but if any nominee should be unable to serve, proxies will be voted for any other person determined by the persons named in the form of proxy in accordance with their discretion.

Information Regarding Directors and Officers

The following table shows certain information about the nominees for election as Directors and about Directors whose terms will continue, including beneficial ownership of Common Stock of the Fund. Each has served as a Director of the Fund since the Fund's inception in 1990, except for Ambassador Burt, who was elected to the Board on June 30, 2000, Mr. Langhammer, who was elected to the Board on May 9, 2003, Mr. Cannon, who was elected to the Board on April 23, 2004, and Dr. Bock, who was elected to the Board on May 5, 2004.

the same investment adviser and manager and hold themselves out as related companies.

The Board of Directors presently has four standing committees including an audit committee (the "Audit Committee"), an advisory committee (the "Advisory Committee"), an executive committee (the "Executive Committee") and a nominating committee (the "Nominating Committee").

The Audit Committee, comprising Messrs. Burt, Cannon, Wadsworth and Walbrol, operates pursuant to a written charter which is attached hereto as Exhibit A. The Audit Committee's organization and responsibilities are contained in the Audit Committee Report, which is included in this Proxy Statement, and in its written charter. The members of the Audit Committee are "independent" as required by the independence standards of Rule 10A-3 under the Securities Exchange Act of 1934. The Board of Directors has determined that each member of the Audit Committee is financially literate and has determined that each of Messrs. Cannon and Wadsworth meets the requirements for an audit committee financial expert under the rules of the Securities and Exchange Commission ("SEC"). Although the Board has determined that these individuals meet the requirements for an audit committee financial expert, their responsibilities are the same as those of the other audit committee members. They are not auditors or accountants, do not perform "field work" and are not full-time employees. The SEC has determined that an audit committee member who is designated as an audit committee financial expert will not be deemed to be an "expert" for any purpose as a result of being identified as an audit committee financial expert. The Audit Committee met four times during the fiscal year ended October 31, 2003.

The Advisory Committee, comprising Messrs. Bierbaum, Burt, Wadsworth and Walbrol, makes recommendations to the full Board with respect to the Management Agreement between the Fund and Deutsche Bank Securities Inc. ("DBSI") and the Investment Advisory Agreement between the Fund and Deutsche Asset Management International GmbH ("DeAM"). The Advisory Committee met once during the past fiscal year.

The Executive Committee, comprising Messrs. Burt, Strenger, Wadsworth and Walbrol, has the authority to act for the Board on all matters between meetings of the Board subject to any limitations under applicable state law. During the past fiscal year the Executive Committee did not meet.

9

The Nominating Committee, comprising Messrs. Burt, Wadsworth and Walbrol, operates pursuant to a written charter which is attached hereto as Exhibit B. The Board has determined that each of the members is not an "interested person" as the term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended. The Nominating Committee's organization and responsibilities are set forth in the Nominating Committee Charter. Generally, the Nominating Committee identifies, evaluates and selects and nominates, or recommends to the Board of Directors, candidates for the Board or any committee of the Board. To be eligible for nomination as a Director a person must, at the time of such person's nomination, have Relevant Experience and Country Knowledge and must not have any Conflict of Interest, as those terms are defined in the Fund's By-laws. The relevant portions of the Fund's By-laws describing these requirements are included as Exhibit C. The Nominating Committee may also take into account additional factors listed in the Nominating Committee Charter, which generally relate to the nominee's industry knowledge, business experience, education, ethical reputation, special skills, ability to work well in group settings and the ability to qualify as an "independent director."

The Nominating Committee will consider nominee candidates properly

Edgar Filing: CENTRAL EUROPE & RUSSIA FUND INC - Form DEF 14A

submitted by stockholders in accordance with applicable law, the Fund's Articles of Incorporation or By-laws, resolutions of the Board and the qualifications and procedures set forth in the Nominating Committee Charter and this proxy statement. A stockholder or group of stockholders seeking to submit a nominee candidate (i) must have beneficially owned at least 5% of the Fund's common stock for at least two years, (ii) may submit only one nominee candidate for any particular meeting of stockholders, and (iii) may submit a nominee candidate for only an annual meeting or other meeting of stockholders at which directors will be elected. The stockholder or group of stockholders must provide notice of the proposed nominee pursuant to the requirements found in the Fund's By-laws. Generally, this notice must be received not less than 90 days nor more than 120 days prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting. Such notice shall include the specific information required by the Fund's By-laws. The relevant portions describing these requirements are included as Exhibit C. The Nominating Committee will evaluate nominee candidates properly submitted by stockholders on the same basis as it considers and evaluates candidates recommended by other sources. The Nominating Committee met twice during the past fiscal year.

All members on each of the four committees of the Board are non-interested persons (except that Mr. Strenger, an interested person, is a member of the Executive Committee, and Mr. Bierbaum, an interested person, is a member of the Advisory Committee).

During the past fiscal year, the Board of Directors had four regular meetings, and each incumbent Director that served as a Director during the past fiscal year attended at least 75% of the aggregate number of meetings of the Board and meetings of Board Committees on which that Director served. The Board has a policy that encourages Directors to attend the Annual Meeting of Stockholders, to the extent travel to the Annual Meeting of Stockholders is reasonable for that Director. Two Directors attended the 2003 Annual Meeting of Stockholders.

To communicate with the Board of Directors or an individual Director of the Fund, a stockholder must send a written communication to the Fund's principal office at the address listed in the Notice of Annual Meeting of Stockholders accompanying this Proxy Statement, addressed to the Board of Directors of the Fund or an individual Director and the Secretary of the Fund. The Secretary of the Fund will direct the correspondence to the appropriate parties.

The Fund pays each of its Directors who is not an interested person of the Fund, the investment adviser or the manager an annual fee of \$7,500 plus \$750 for each Board and Committee meeting attended. Each such Director who is also a Director of The Germany Fund, Inc. or The New Germany Fund, Inc. also receives the same annual and per-meeting fees for services as a Director of each such fund. Effective as of April 24, 2002, no Director of all

three funds is paid for attending more than two funds' board and committee meetings when meetings of the three funds are held concurrently, and, effective as of January 1, 2002, no such Director receives more than the annual fee of two funds. Each of the Fund, The Germany Fund, Inc. and The New Germany Fund, Inc. reimburses the Directors (except for those employed by the Deutsche Bank Group) for travel expenses in connection with Board meetings. These three funds, together with 201 other open- and closed-end funds advised by wholly-owned entities of the Deutsche Bank Group in the United States, represent the entire Fund Complex within the meaning of the applicable rules and regulations of the SEC. The following table sets forth (a) the aggregate compensation from the Fund for the fiscal year ended October 31, 2003, and (b) the total compensation from

 (1) Mr. Voscherau resigned as a Director of the Fund, effective May 5, 2004.

No compensation is paid by the Fund to Directors or officers who are interested persons of the Fund or of any entity of the Deutsche Bank Group.

The Board unanimously recommends a vote FOR Proposal 1.

Required Vote. Provided a quorum has been established, the affirmative vote of a plurality of the votes cast at the Meeting is required for the election of each Director. For purposes of the election of Directors, abstentions will have no effect on the result of the vote.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has approved PricewaterhouseCoopers LLP (the "Firm" or "PwC") as independent auditors for the Fund for the fiscal year ending October 31, 2004. A majority of members of the Board of Directors, including a majority of the members of the Board of Directors who are not "interested" Directors (as defined in the 1940 Act) of the Fund, have ratified the appointment of PwC as the Fund's independent auditors for that fiscal year. Based principally on representations from the Firm, the Fund knows of no direct financial or material indirect financial interest of such Firm in the Fund. That Firm, or a predecessor firm, has served as the independent auditors for the Fund since inception.

Neither our charter nor By-laws requires that the stockholders ratify the appointment of PwC as our independent auditors. We are doing so because we believe it is a matter of good corporate practice. If the stockholders do not ratify the appointment, the Audit Committee and the Board of Directors will reconsider whether or not to retain PwC, but may retain such independent auditors. Even if the appointment is ratified, the Audit Committee and the Board of Directors in their discretion may change the appointment at any time during the year if they determine that such change would be in the best interests of the Fund and its stockholders. It is

Edgar Filing: CENTRAL EUROPE & RUSSIA FUND INC - Form DEF 14A

intended that the persons named in the accompanying form of proxy will vote for PwC. A representative of PwC will be present at the Meeting and will have the opportunity to make a statement and is expected to be available to answer appropriate questions concerning the Fund's financial statements.

The Board unanimously recommends a vote FOR Proposal 2.

Required Vote. Provided a quorum has been established, the affirmative vote of a majority of the votes cast at the Meeting is required for the ratification of the appointment by the Audit Committee and the Board of Directors of PwC as independent auditors for the Fund for the fiscal year ending October 31, 2004. For purposes of Proposal 2, abstentions will have no effect on the result of the vote.

INFORMATION WITH RESPECT TO THE FUND'S INDEPENDENT AUDITORS

The following table shows fees paid to PwC by the Fund during the Fund's two most recent fiscal years: (i) for audit and non-audit services provided to the Fund, and (ii) for engagements for non-audit services pre-approved by the Audit Committee for the Fund's manager and investment adviser and certain entities controlling, controlled by, or under common control with the manager and investment adviser that provide ongoing services to the Fund (collectively, the "Adviser Entities"), which engagements relate directly to the operations and financial reporting of the Fund. The Audit Committee of each Board will review, at least annually, whether PwC's receipt of non-audit fees from the Fund, the Fund's manager, the Fund's investment adviser and all Adviser Entities is compatible with maintaining PwC's independence.

	Audit Fees(1) -----	Audit Related Fees(2) -----	Tax Fees(3) -----	All -----

-
- (1) "Audit Fees" are the aggregate fees billed for professional services for the audit of the Fund's annual financial statements and services provided in connection with statutory and regulatory filings or engagements.
 - (2) "Audit Related Fees" are the aggregate fees billed for assurance and related services reasonably related to the performance of the audit or review of financial statements and are not reported under "Audit Fees."
 - (3) "Tax Fees" are the aggregate fees billed for professional services for tax advice, tax compliance and tax planning.
 - (4) "All Other Fees" are the aggregate fees billed for products and services other than "Audit Fees," "Audit Related Fees" and "Tax Fees."

Audit Committee Pre Approval Policies and Procedures. Generally, the Audit Committee must pre-approve (i) all services to be performed for the Fund by the Fund's independent auditors and (ii) all non-audit services to be performed by the Fund's independent auditors for the Fund's investment adviser or any Adviser Entities with respect to operations and financial reporting of the Fund. The Chair of the Audit Committee may approve or deny the request to engage the auditors to provide any fund services or fund-related services that are not listed on the pre-approved list if the cost associated with the request is \$50,000 or less, or at the Chair's discretion, determine to call a special meeting of the Audit Committee for the purpose of considering the proposal.

Edgar Filing: CENTRAL EUROPE & RUSSIA FUND INC - Form DEF 14A

Should the Chair of the Audit Committee be unavailable, any other member of the Audit Committee may serve as an alternate for the purpose of approving or denying the request. The auditors shall report to the Audit Committee at each of its regular meetings all audit or non-audit services to the Fund and all non-audit services to the Adviser Entities that relate directly to the Fund's operations and financial reporting initiated since the last such report was rendered, including a general description of the services and projected fees and the means by which such services were approved by the Audit Committee. The engagement of the auditors to provide certain services customarily required by a Fund

12

in the ordinary course of its operation or by an Adviser Entity in the ordinary course of its operation is approved by the Audit Committee subject to pre-determined dollar limits. In all cases where an Adviser Entity engages the auditors to provide audit or non-audit services not previously described here and the projected fees for such engagement exceed \$25,000, the auditors will notify the Audit Committee not later than their next meeting.

All Non-Audit Fees. The table below shows the aggregate non-audit fees billed by PwC for services rendered to the Fund and to the Advisor Entities that provide ongoing services to the Fund, whether or not such engagements relate directly to the operations and financial reporting of the Fund, for the two most recent fiscal years for the Fund.

Fiscal Year	Aggregate Non-Audit Fees
2003	\$1,255,167
2002	\$ 378,792

AUDIT COMMITTEE REPORT

The purposes of the Audit Committee are to 1) assist the Board of Directors in its oversight of (i) the integrity of the Fund's financial statements; (ii) the Fund's compliance with legal and regulatory requirements; (iii) the independent auditors' qualifications and independence; and (iv) the performance of the independent auditors; and 2) to prepare this report. Each member of the Audit Committee is "independent," as required by the independence standards of Rule 10A-3 under the Securities Exchange Act of 1934. The Audit Committee operates pursuant to a written charter, a copy of which is attached as Exhibit A to this Proxy Statement. As set forth in the Audit Committee Charter, management of the Fund and applicable service providers are responsible for the preparation, presentation and integrity of the Fund's financial statements and for the effectiveness of internal control over financial reporting. Management and applicable service providers are responsible for maintaining appropriate accounting and financial reporting principles and policies and internal control over financial reporting and other procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of the Fund's annual financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with Management and the independent auditors of the Fund. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The Audit Committee has also considered whether the provision of any non-audit services not pre-approved by the Audit Committee provided by the

Edgar Filing: CENTRAL EUROPE & RUSSIA FUND INC - Form DEF 14A

Fund's independent auditors to the Fund's investment adviser, manager or to any entity controlling, controlled by or under common control with the Fund's investment adviser or manager that provides ongoing services to the Fund is compatible with maintaining the auditors' independence. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the auditors their independence.

The members of the Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. The Audit Committee's considerations and discussions referred to above do not assure

13

that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's auditors are in fact "independent."

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Audit Committee recommended to the Board of Directors of the Fund that the audited financial statements of the Fund be included in the Fund's annual report to stockholders for the fiscal year ended October 31, 2003.

Manager

The Fund entered into a management agreement with DBSI, with principal offices located at 60 Wall Street, New York, New York (at the time of execution of the agreement, Deutsche Bank Capital Corporation) on March 6, 1990. This agreement continues in effect for successive twelve-month periods from its initial term, but only if the agreement is approved for continuance annually by the Fund's Board of Directors in accordance with the requirements of the Investment Company Act. Pursuant to the Management Agreement, DBSI is the corporate manager and administrator of the Fund and, subject to the supervision of the Board of Directors and pursuant to recommendations made by DeAM, determines suitable securities for investment by the Fund. It (i) handles the Fund's relationships with its stockholders, including stockholder inquiries relating to the Fund, (ii) is responsible for, arranges and monitors compliance with regulatory requirements and NYSE listing requirements and (iii) negotiates contractual arrangements with third-party service providers, including, but not limited to, custodians, transfer agents, auditors and printers. DBSI provides office facilities and personnel to carry out these services, together with clerical and bookkeeping services which are not being furnished by the Fund's custodian or transfer and dividend-paying agent. In addition, DBSI (i) determines and publishes the Fund's net asset value in accordance with its policy as adopted from time to time by the Board of Directors, (ii) establishes the Fund's operating expense budgets and authorizes the payment of actual operating expenses incurred, (iii) calculates the amounts of dividends and distributions to be declared and paid to the Fund's stockholders, (iv) provides the board of directors with financial analyses and reports necessary for the board to fulfill its fiduciary responsibilities, (v) maintains the books and records of the Fund required by the Investment Company Act (other than those being maintained by the Fund's custodian and transfer and dividend-paying agent and registrar, as to which DBSI oversees such maintenance), (vi) prepares the Fund's United States federal, state and local income tax returns, (vii) prepares financial information for the Fund's proxy statements and quarterly and annual reports to stockholders and (viii) prepares the Fund's reports to the SEC. The Management Agreement was last submitted to a vote of the Fund's stockholders for approval on June 21, 1991. The Board of Directors, at its meeting on April 23, 2004, resolved to continue the Management Agreement.

DBSI is a wholly-owned subsidiary of DB U.S. Financial Markets Holding Corporation ("DBUSH"). DBUSH is a wholly-owned subsidiary of Taunus Corporation ("Taunus"), which is a wholly-owned subsidiary of Deutsche Bank AG. DBUSH and Taunus each have principal corporate offices at 60 Wall Street, New York, New York 10005. DBSI is engaged in the securities underwriting, investment advisory and securities brokerage business, and is a member of the NYSE and other

Investment Advisory Agreement, Management Agreement and Fees

Each year, the Board of Directors calls and holds a meeting to decide whether to renew the Investment Advisory Agreement and the Management Agreement (copies of which are attached hereto as Exhibits D and E, respectively). In preparation for the meeting, the Advisory Committee of the Board (consisting exclusively of non-interested directors) requests and reviews a wide variety of materials provided by DeAM and DBSI, as well as extensive data provided by third parties, and the Advisory Committee receives advice from counsel to the non-interested directors. Upon completion of its review, the Advisory Committee makes a recommendation to the Board of Directors regarding continuation of the Investment Advisory Agreement and the Management Agreement. At its meeting on April 22, 2004, the Advisory Committee recommended continuation of these Agreements. At its meeting on April 23, 2004, the Board of Directors, including all non-interested members, approved the continuation of the Investment Advisory Agreement and the Management Agreement. The Advisory Committee's recommendation and the Board's approval were made after careful consideration of many different factors including: (i) the performance of the Fund versus the performance of other funds in the Fund's peer group and in comparison to relevant market indices, (ii) the investment objective and policies of the Fund, (iii) the nature, extent and quality of the service provided by DeAM and DBSI, (iv) the qualifications and experience of investment personnel of DeAM and DBSI, (v) the excellent reputation and overall financial condition of DeAM and DBSI, (vi) the access to the extensive research and other resources of Deutsche Bank Group, (vii) the investment advisory fee and management fee and the fees paid to other advisors and managers, (viii) other expenses of the Fund and the comparative expense ratios of other similar closed-end funds, (ix) the profitability of DeAM and DBSI with respect to the Fund, (x) indirect benefits to affiliates of DeAM and DBSI, such as brokerage, (xi) the extent to which DeAM and DBSI have realized or will realize economies of scale as the Fund grows, and (xii) the benefits of continuity in services to be provided by DeAM and DBSI. After evaluating the investment advisory relationship and management relationship under such factors, the Advisory Committee recommended, and the Board, including the non-interested members, determined that it was satisfied with the nature and quality of services provided by DBSI and DeAM, and that the fees charged for these services were reasonable. Accordingly, the Advisory Committee voted unanimously to recommend continuation of, and the Board voted unanimously to continue, the Investment Advisory Agreement and the Management Agreement.

Summarized below is information about the advisory fees of DeAM and the management fees of DBSI with respect to the Fund, The Germany Fund, Inc. and The New Germany Fund, Inc.:

Annual rate of 0.65% of the Fund's average weekly net assets up to \$100 million and 0.55% of such assets in excess of \$100 million, computed in each case on the basis of net asset value at the end of each week and payable at the end of each calendar month.

(1) Neither DeAM nor DBSI waived, reduced, or otherwise agreed to reduce its compensation under any applicable contract.

During the fiscal year ended October 31, 2003, the Fund paid aggregate amounts of \$469,148 and \$911,794 to DeAM and DBSI, respectively, in respect of fees. In addition, during such period, the Fund paid an aggregate amount of \$5,665 in brokerage commissions to Deutsche Bank AG or its affiliates, which constituted approximately 3.49% of the Fund's aggregate brokerage commissions of \$162,271.

Subject to best price together with efficient execution, orders are placed with brokers and dealers who supply research, market and statistical information ("research" as defined in Section 28(e) of the Exchange Act) to the Fund, its manager and investment adviser. The Fund's commissions to such brokers may not represent the lowest obtainable commission rates, although they must be reasonable in relation to the benefits received. The research may be used by the Fund's manager and investment adviser in advising other clients. Conversely, the information provided to our manager and investment adviser by brokers and dealers through whom their other clients effect securities transactions may be useful to them in providing investment advice to the Fund. Although research from brokers and dealers may be useful to the Fund's manager and investment adviser, it is only supplementary to their own efforts. For the fiscal year ended October 31, 2003, transactions in the Fund's portfolio securities with associated brokerage commissions of approximately \$162,271 were allocated to persons or firms supplying research to the Fund, its manager or its investment adviser.

Neither DeAM nor DBSI is liable for any error of judgment or for any loss suffered by the Fund in connection with the matters to which the Investment Advisory Agreement or the Management Agreement, respectively, relates, except for any loss resulting from willful misfeasance, bad faith or gross negligence in the performance of, or from

reckless disregard of, its obligations and duties under the Investment Advisory Agreement or the Management Agreement, respectively, or a loss resulting from a

Edgar Filing: CENTRAL EUROPE & RUSSIA FUND INC - Form DEF 14A

breach of fiduciary duty with respect to receipt of compensation for services (in which case any award of damages shall be limited to the period and the amount set forth in Section 36(b)(3) of the 1940 Act).

The Investment Advisory Agreement and the Management Agreement provide that DeAM and DBSI, respectively, each bears all expenses of all employees and overhead incurred by it in connection with its duties thereunder. DBSI pays all salaries and fees of the Fund's directors and officers who are "interested persons" (as such term is defined in the 1940 Act) of DBSI. The Fund bears all of its own expenses, including, but not limited to, the following: expenses of organizing the Fund, fees and out-of-pocket travel expenses of the Fund's directors who are not "interested persons" (as such term is defined in the 1940 Act) of any other party and other expenses incurred by the Fund in connection with directors' meetings, interest expense, taxes and governmental fees, brokerage commissions incurred in acquiring or disposing of the Fund's portfolio securities, membership dues to professional organizations, premiums allocable to fidelity bond insurance coverage, expenses of preparing stock certificates, expenses of registering and qualifying the Fund's shares for sale with the SEC and in various states and foreign jurisdictions, charges and expenses of the Fund's legal counsel and independent auditors, Custodian and Transfer and Dividend-Paying Agent, expenses of obtaining and maintaining stock exchange listings of the Fund's shares, and the expenses of shareholders' meetings and preparing and distributing proxies and reports to shareholders.

The services of DeAM and DBSI under the Investment Advisory Agreement and Management Agreement, respectively, are not deemed to be exclusive, and nothing in the Investment Advisory Agreement or the Management Agreement prevents any party, or any affiliate thereof, from providing similar services to other investment companies and other clients (whether or not their investment objectives and policies are similar to those of the Fund) or from engaging in other activities. When other clients of DeAM or DBSI desire to purchase or sell a security at the same time the security is purchased for or sold by the Fund, such purchases and sales will, to the extent feasible, be allocated among such clients and the Fund in a manner believed by DeAM or DBSI, respectively, to be equitable to such clients. The allocation of securities may adversely affect the price and quantity of purchases and sales of securities by the Fund.

PROPOSAL 3: STOCKHOLDER PROPOSAL

A beneficial owner (the "proponent") of Common Stock of the Fund has informed the Fund that he intends to present a proposal for action at the Meeting. The proponent's name and address and the number of shares owned by him will be furnished by the Secretary of the Fund upon request.

RESOLVED: The investment advisory agreement between Deutsche Asset Management International GmbH and the Fund shall be terminated.

SUPPORTING STATEMENT

My goal is to enable all stockholders of the Fund to realize net asset value ("NAV") for their shares. The surest way to achieve this is to convert the Fund to an open-end fund (or to merge it into an existing open-end fund). If the Fund is open-ended, every shareholder will be able to redeem his shares at NAV.

I believe that the current investment advisor, Deutsche Asset Management International GmbH, is the main impediment to open-ending because of its fear that its management fees may decline if we are able to redeem our shares at NAV. We need to remove this impediment to increase the value of our shares. Passage of this proposal would not result in the immediate open-ending of the Fund but would give the Board of Directors the chance to

quickly hire a new investment advisor who is amenable to open-ending the fund or to do whatever is necessary to enhance shareholder value even if that means diminished fees. In the UK, Austria, Germany or even the United States there are a lot of investment advisers available with a better track record that would be glad to advise this fund.

The meager measures like buy-backs meant to narrow the Fund's persistent discount have not accomplished much. The Fund is still trading at a discount above the average of World Equity Funds. The planned capital increase will increase the discount if it is not connected with provisions that the funds market price will not be allowed to be less than a certain percentage of the funds NAV. We deserve an investment advisor who is more concerned with increasing shareholder value than its own fees.

OPPOSING STATEMENT OF YOUR BOARD OF DIRECTORS

For the reasons discussed below, your Board of Directors unanimously recommends that you vote AGAINST this stockholder proposal.

Your Board of Directors believes that this proposal is misleading. The "main impediment" to open-ending the Fund is not its investment adviser. That decision rests entirely with your independent Directors, subject to approval by stockholders owning a majority of the outstanding shares. By law, your independent Directors must apply their business judgment to look solely after your interests as stockholders. Your Directors believe the Fund is most effectively continued in its original, closed-end format. It is improper to suggest the investment adviser controls the decision. We urge you to keep this important fact in mind in considering our reasons for voting against the proposal below.

Wrong Means to the Wrong End. This proposal wrongly states that terminating the investment adviser will lead to open-ending the Fund. It will not do that, but it could harm your investment. Here are the facts.

If approved by stockholders, this proposal would directly terminate the investment advisory agreement with your Fund's investment adviser. Your Fund's investment process would therefore be disrupted since a new adviser would have to be hired and may have a different investment approach. The Fund would incur expenses because under the Investment Company Act, a new agreement would require another stockholder approval.

Furthermore, open-ending the Fund could frustrate its basic investment objective. Open-end funds often must make involuntary portfolio sales to meet redemption requests. In Central Europe and Russia, where the Fund primarily invests, the markets are not as liquid as the more mature markets of Western Europe. The Fund's current closed-end format gives stockholders their liquidity through the ability to sell their shares on the NYSE rather than through redemptions, and is better suited to investing in less liquid markets. The Fund can invest for the long term and not worry about raising short-term cash to meet redemptions. For the fiscal year ended October 31, 2003, the Fund's total return based on net asset value rose 44.9% and its total return based on its share price rose by 60.4%. Over the same period, the Fund's benchmark rose by only 40.7%.

The person behind this proposal is seeking to make use of a stockholder right under the Investment Company Act of 1940 -- the right to terminate an investment advisory agreement -- to achieve the completely unrelated goal of open-ending your Fund for short-term gain at the expense of remaining stockholders.

Edgar Filing: CENTRAL EUROPE & RUSSIA FUND INC - Form DEF 14A

The proposal is the wrong means to the wrong end. It will not cause open-ending, but it could disrupt your Fund's investment program.

Your Board unanimously recommends a vote AGAINST Proposal 3.

EXHIBIT A

THE CENTRAL EUROPE AND RUSSIA FUND, INC. (the "Company")

AUDIT COMMITTEE CHARTER (Amended and Restated as of October 31, 2003; and further amended on April 23, 2004)

- I. Composition of the Audit Committee: The Audit Committee shall be comprised of at least three directors, each of whom shall satisfy the independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934.(1)

Edgar Filing: CENTRAL EUROPE & RUSSIA FUND INC - Form DEF 14A

The Board of Directors (the "Board") shall determine that each member is "financially literate," and that at least one member of the Audit Committee has "accounting or related financial management expertise," as such qualifications are interpreted by the Board in its business judgment, and whether any member of the Audit Committee is an "audit committee financial expert," as defined by the Securities and Exchange Commission (the "SEC"). If the Board has determined that a member of the Audit Committee is an audit committee financial expert, it may presume that such member has accounting or related financial management expertise.

No director may serve as a member of the Audit Committee if such director serves on the audit committees of more than two other public companies unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Audit Committee. The Board has determined that simultaneous service on the audit committees of The New Germany Fund, Inc. and The Germany Fund, Inc. (the "Related Funds") would not impair a director's ability to effectively serve on the Audit Committee because, among other reasons, the boards of directors and audit committees of all three closed-end funds generally meet concurrently, have substantial director overlaps, have common service providers, and have many operating, financial reporting and accounting issues in common. The Board has further determined that service on the Audit Committee of the Company and the audit committees of the Related Funds should be considered service on a single public company audit committee for purposes of the three-audit committee limitation.

Members shall be appointed by the Board, and shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

The Board shall designate one member of the Audit Committee as its chairperson.

II. Purposes of the Audit Committee: The purposes of the Audit Committee are to:

1. assist Board oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence, and (iv) the performance of the independent auditors; and
2. prepare the report required to be prepared by the Audit Committee pursuant to the rules of the SEC for inclusion in the Company's annual proxy statement.

-
- (1) In order to satisfy Rule 10A-3 of the 1934 Act, a member of the Audit Committee may not (1) accept directly or indirectly any consulting, advisory or other compensatory fee from the Company other than (a) director's fees and (b) any other regular benefits that other directors receive, or (2) be an "interested person" of the Company as such term is defined in Section 2(a)(19) of the Investment Company Act of 1940.

A-1

The function of the Audit Committee is oversight. The management of the Company, including the service providers so contractually obligated, is responsible for the preparation, presentation and integrity of the Company's financial statements and for the effectiveness of internal control over financial reporting. Management and applicable service providers are responsible for maintaining appropriate accounting and financial reporting principles and policies and internal control over financial reporting and other procedures that provide for compliance with

Edgar Filing: CENTRAL EUROPE & RUSSIA FUND INC - Form DEF 14A

accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of the Company's annual financial statements and other procedures. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Company and are not, and do not represent themselves to be, performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from which it receives information, (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors), and (iii) representations made by management as to any non-audit services provided by the auditors to the Company, to the Company's investment manager or investment adviser or any entity in a control relationship with the investment manager or investment adviser, or to the Company's custodian (including sub-custodians).

The independent auditors shall submit to the Audit Committee annually a formal written statement (the "Auditors' Statement") describing: the auditors' internal quality-control procedures; any material issues raised by the most recent internal quality-control review or peer review of the auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditors, and any steps taken to deal with any such issues; and (to assess the auditors' independence) all relationships between the independent auditors and the (a) Company, (b) the Company's investment manager or investment adviser, and (c) any entity in a control relationship with the investment manager or investment adviser, whether or not it provides services to the Company, and including at least the matters set forth in Independence Standards Board No. 1. The description of relationships should include a description of the non-audit services, including the fees associated therewith, that were not pre-approved by the Company's Audit Committee.

The independent auditors shall submit to the Audit Committee annually a formal written statement of the fees billed in each of the last two fiscal years for each of the following categories of services rendered by the independent auditors: (i) the audit of the Company's annual financial statements or services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements; (ii) assurance and related services not included in clause (i) that are reasonably related to the performance of the audit or review of the Company's financial statements, in the aggregate and by each service; (iii) tax compliance, tax advice and tax planning services, in the aggregate and by each service; and (iv) all other products and services rendered by the independent auditors, in the aggregate and by each service. The statement as to (ii), (iii) and (iv) should include (and separately disclose) fees billed in each of the last two fiscal years for the indicated services to (a) the Company, (b) the Company's investment manager and investment adviser, and (c) any entity in a control relationship with the investment manager or investment adviser that provides ongoing services to the Company.

A-2

Edgar Filing: CENTRAL EUROPE & RUSSIA FUND INC - Form DEF 14A

The Audit Committee should meet separately at least annually with each of management and the independent auditors to discuss any matters that the Audit Committee or any of these persons or firms believe should be discussed privately. The Audit Committee may request any officer or employee of the Company or any service provider, outside counsel to the Company or the independent directors or the Company's independent auditors to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.

IV. Duties and Powers of the Audit Committee: To carry out its purposes, the Audit Committee shall have the following duties and powers:

1. with respect to the independent auditors,
 - (i) to be directly responsible for the appointment, retention, compensation, and oversight of the work of the independent auditors (including the resolution of disagreements between management and the independent auditors regarding financial reporting), who shall report directly to the Audit Committee; provided that the auditor appointment shall be subject to ratification by the Board;
