PART I

ITEM 1. BUSINESS

GENERAL

Investors Title Company ("the Company") is a holding company which was incorporated in the State of North Carolina on February 13, 1973. The Company became operational June 24, 1976 when it acquired as a wholly owned subsidiary Investors Title Insurance Company, a North Carolina corporation ("ITIC"), under a plan of exchange of shares of common stock. On September 30, 1983, the Company acquired as a wholly owned subsidiary Northeast Investors Title Insurance Company ("NE-ITIC"), formerly Investors Title Insurance Company of South Carolina, a South Carolina corporation, under a plan of exchange of shares of common stock. In 1988, the Company established Investors Title Exchange Corporation, a wholly owned subsidiary ("ITEC.") In 1994, the Company established South Carolina Document Preparation Company, a wholly owned subsidiary ("SCDP.") In the first quarter of 2001, SCDP was renamed Investors Title Accommodation Corporation ("ITAC.") The Company's executive offices are at 121 North Columbia Street, Chapel Hill, North Carolina 27514. The Company's telephone number is (919) 968-2200.

The Company engages primarily in two segments of business. The main business activity is the issuance of title insurance through two title insurance subsidiaries, ITIC and NE-ITIC. The second segment provides tax-free exchange services through the Company's two subsidiaries, ITEC and ITAC. See Management's Discussion and Analysis of Financial Condition and Results of Operations and Note 13 of Notes to Consolidated Financial Statements in the 2000 Annual Report to Shareholders incorporated by reference in this Form 10-K Annual Report for additional information related to the Company's operating segments.

Title Insurance

Through its two wholly owned title insurance subsidiaries, ITIC and NE-ITIC, the Company underwrites land title insurance for owners and mortgagees as a primary insurer and as a reinsurer for other title insurance companies.

ITIC was incorporated in the State of North Carolina on January 28, 1972, and became licensed to write title insurance in the State of North Carolina on February 1, 1972. Since that date it has primarily written land title insurance as a primary insurer and as a reinsurer in the States of North Carolina and South Carolina. ITIC is the leading title insurer of North Carolina property and has held this position for seventeen years. In addition, the Company writes title insurance through issuing agents or branch offices in the States of Alabama, Arkansas, Florida, Georgia, Indiana, Kentucky, Maryland, Michigan, Minnesota, Mississippi, Nebraska, Ohio, Pennsylvania, Tennessee, Virginia, West Virginia and Wisconsin. Agents issue policies for ITIC and may also perform other services such as acting as escrow agents.

ITIC is also licensed to write title insurance in the District of Columbia and the States of Arizona, Colorado, Connecticut, Delaware, Idaho, Illinois, Kansas, Louisiana, Maine, Massachusetts, Missouri, Montana, Nevada, New Jersey,

Edgar Filing: INVESTORS TITLE CO - Form 10-K405

North Dakota, Oklahoma, Rhode Island, Texas, Utah, Vermont and Wyoming.

2

NE-ITIC was incorporated in the State of South Carolina on February 23, 1973, and became licensed to write title insurance in that State on November 1, 1973. It currently writes title insurance as a primary insurer and as a reinsurer in the State of New York.

Title insurance guarantees owners, mortgagees, and others with a lawful interest in real property against loss by reason of encumbrances and defective title to such property. The commitments and policies issued are the standard American Land Title Association approved forms. Title insurance policies do not insure against future risks. Most other types of insurance protect against losses and events in the future.

In the State of North Carolina, title insurance commitments and policies are issued by the home office and branch offices. ITIC has 28 branch offices in North Carolina.

In the ordinary course of business, ITIC and NE-ITIC reinsure certain risks with other title insurers for the purpose of limiting their exposure and also assume reinsurance for certain risks of other title insurers for which they receive additional income. For the last three years, reinsurance activities accounted for less than 1% of total premium volume.

ITIC currently assumes primary risks up to \$1,500,000, reinsures the next \$250,000 of risk with NE-ITIC, and all risks above \$1,750,000 are then reinsured with a non-related reinsurer.

NE-ITIC currently assumes primary risks up to \$250,000, reinsures the next \$1,500,000 of risk with ITIC, and reinsures all amounts above \$1,750,000 with a non-related reinsurer.

Both ITIC and NE-ITIC have self-imposed risk retention limits that are more conservative than state insurance regulations require. ITIC's self-imposed retention of \$1,500,000 is only 14.7% of its statutorily permitted retention of \$10,191,492. NE-ITIC's self-imposed retention of \$250,000 is only 17.2% of its statutorily permitted retention of \$1,455,844.

ITIC's financial stability has been recognized by two Fannie Mae approved actuarial firms with rating categories of "A Double Prime - unsurpassed financial stability" and "A - strong overall financial condition."

NE-ITIC's financial stability has been recognized by two Fannie Mae approved actuarial firms with rating categories of "A Prime - unsurpassed financial stability" and "A - strong overall financial condition."

Exchange Services

In 1988, the Company established Investors Title Exchange Corporation, a wholly owned subsidiary ("ITEC"), to provide services in connection with tax-free exchanges of like-

3

kind property. ITEC acts as an intermediary in tax-free exchanges of property held for productive use in a trade or business or for investments, and its income is derived from fees for handling exchange transactions.

Edgar Filing: INVESTORS TITLE CO - Form 10-K405

In the first quarter of 2001, South Carolina Document Preparation Company, a wholly owned subsidiary, changed its name to Investors Title Accommodation Corporation ("ITAC"). ITAC serves as exchange accommodation titleholder, offering a vehicle for accomplishing a reverse exchange when a taxpayer must acquire replacement property before selling the relinquished property.

OPERATIONS OF SUBSIDIARIES

For a description of Net Premiums Written geographically, refer to the Management's Discussion and Analysis of Financial Condition and Results of Operations in the 2000 Annual Report to Shareholders incorporated by reference in this Form 10-K Annual Report.

Title Insurance

ITIC and NE-ITIC offer primary title insurance coverage to owners and mortgagees of real estate and reinsurance of title insurance risks to other title insurance companies. Title insurance premiums written are for a one-time initial payment, with no recurring premiums. See Note 13 of Notes to Consolidated Financial Statements in the 2000 Annual Report to Shareholders incorporated by reference in this Form 10-K Annual Report for additional information related to the Company's operating segments.

Exchange Services

ITEC and ITAC offer services in connection with tax-free exchanges. See Note 13 of Notes to Consolidated Financial Statements in the 2000 Annual Report to Shareholders incorporated by reference in this Form 10-K Annual Report for additional information related to the Company's operating segments.

SEASONALITY

Title Insurance

Title insurance premiums are closely related to the level of real estate activity and the average price of real estate sales. The availability of funds to finance purchases directly affects real estate sales. Other factors include consumer confidence, economic conditions, supply and demand, mortgage interest rates and family income levels. Historically, the first quarter has the least real estate activity, while the remaining quarters are more active. Fluctuations in mortgage interest rates can cause shifts in real estate activity outside of the normal seasonal pattern.

4

Exchange Services

Seasonal factors affecting the level of real estate activity and the volume of title premiums written will also affect the demand for exchange services.

MARKETING

Title Insurance

Edgar Filing: INVESTORS TITLE CO - Form 10-K405

ITIC's marketing plan is based upon providing fast and efficient service in the delivery of title insurance coverage through a home office, branch offices, and issuing agents. In North Carolina, ITIC operates through a home office and 28 branch offices. In South Carolina, ITIC operates through a branch office and issuing agents located conveniently to customers throughout the State. ITIC also writes title insurance policies through issuing agents in Alabama, Arkansas, Florida, Georgia, Indiana, Kentucky, Maryland, Michigan, Minnesota, Mississippi, Nebraska, Ohio, Pennsylvania, Tennessee, Virginia, West Virginia and Wisconsin.

NE-ITIC currently operates through agency offices in the State of New York.

ITIC and NE-ITIC strive to provide superior service to their customers and consider this an important factor in attracting and retaining customers. Branch and corporate personnel strive to develop new business relationships to increase market share. The Company's marketing efforts are also enhanced through advertising.

Exchange Services

Marketing of exchange services offered by ITEC and ITAC has been increasingly incorporated into the marketing of the core title products offered by ITIC and NE-ITIC. A Commercial Services Division was established in the first quarter of 2001 in order to better service commercial clients. ITEC and ITAC are also promoted through the marketing efforts of this division.

CUSTOMERS

The segments are not dependent upon any single customer, the loss of which could have a material effect on the Company.

RESERVES

The reserves for claims for financial reporting purposes are established based on criteria discussed in Notes 1 and 6 of Notes to Consolidated Financial Statements in the 2000 Annual

5

Report to Shareholders incorporated by reference in this Form 10-K Annual Report.

REGULATIONS

Title insurance companies are extensively regulated under applicable state laws. The regulatory authorities possess broad powers with respect to the licensing of title insurers and agents, rates, investments, policy forms, financial reporting, reserve requirements, dividend restrictions as well as examinations and audits of title insurers. The Company's two insurance subsidiaries are subject to examination at any time by the insurance regulators in the states where they are licensed.

ITIC is domiciled in North Carolina and subject to North Carolina state insurance regulations. Financial examinations are scheduled every five years by the North Carolina Department of Insurance. ITIC is currently being examined for the period January 1, 1995 through December 31, 1999. Typically, a report is

Edgar Filing: INVESTORS TITLE CO - Form 10-K405

issued six months following the completion of an examination.

NE-ITIC is domiciled in South Carolina and subject to South Carolina state insurance regulations. Financial examinations are scheduled periodically by the South Carolina Department of Insurance. NE-ITIC was last examined by the South Carolina Department of Insurance commencing on June 22, 1998 for the period January 1, 1994 through December 31, 1997 with no material deficiencies noted.

In addition to financial examinations, both ITIC and NE-ITIC are subject to market conduct examinations. These audits examine domiciled state activity. ITIC's last market conduct examination commenced on April 19, 1999 for the period January 1, 1996 through December 31, 1998 with no material deficiencies noted. NE-ITIC's last market conduct examination coincided with the financial examination, which commenced on June 22, 1998 for the period January 1, 1994 through December 31, 1997. No material deficiencies were noted for NE-ITIC by the market conduct examiners.

In accordance with the insurance laws and regulations applicable to title insurance in the State of North Carolina, ITIC has established and maintains a statutory premium reserve for the protection of policyholders. For years prior to 1999, ITIC reserved an amount equal to 10% of current year premiums written and reduced such amounts annually by 5%. For years after 1998, 10% of direct premiums written plus premiums for reinsurance assumed less premiums for reinsurance ceded is reserved and reduced annually, over a period of 20 years, as follows: 20% the first year, 10% the second and third year, 5% for years four through ten, 3% for years eleven through fifteen, and 2% for years sixteen through twenty.

NE-ITIC has established and maintains a statutory premium reserve as required by the insurance laws and regulations of the State of New York. A \$1.50 for each risk assumed under a

6

policy or commitment plus one-eightieth of one percent of the face amount of each commitment or policy, reduced by that portion of the reserve established 15 years earlier are accumulated in a statutory premium reserve for years up to 1985. In subsequent years, the addition to the reserve is calculated in the same manner but is reduced annually by 5%.

These statutory premium reserve additions are not charged to operations for financial reporting purposes and changes in the statutory premium reserve have no effect on net income of the Company or its subsidiaries for financial reporting purposes.

The Company is an insurance holding company, and is also subject to regulation in the states in which its insurance subsidiaries do business. These regulations, among other things, require insurance holding companies to register and file certain reports and require prior regulatory approval of intercorporate transfers including, in some instances, the payment of shareholders' dividends by the insurance subsidiaries. All states set requirements for admission to do business, including minimum levels of capital and surplus. State insurance departments have broad administrative powers and monitor the stability and service of insurance companies.

In addition to the financial statements which are required to be filed as part of this report and are prepared on the basis of generally accepted accounting principles, the Company's insurance subsidiaries also prepare financial statements in accordance with statutory accounting principles prescribed or permitted by state regulations. Based upon the latter principles, as of December 31, 2000, ITIC reported \$25,478,730 of capital and surplus, and

Edgar Filing: INVESTORS TITLE CO - Form 10-K405

net income of \$3,195,801; and NE-ITIC reported \$2,911,687 of capital and surplus, and net income of \$9,589.

ITIC and NE-ITIC both meet the minimum capital and surplus requirements of the states in which they are licensed.

COMPETITION

Title Insurance

ITIC currently operates primarily in Michigan, North Carolina, South Carolina and Virginia. ITIC's major competitors are Chicago Title Insurance Company, Commonwealth Land Title Insurance Company, Fidelity National Title Insurance Company, First American Title Insurance Company, Lawyers Title Insurance Corporation, Old Republic National Title Insurance Company and Stewart Title Guaranty Company. Key elements that affect competition are price, expertise, timeliness and quality of service and the financial strength and size of the insurer.

Exchange Services

Competition for ITEC and ITAC comes from other title insurance companies as well as

7

some major banks that offer exchange services.

INVESTMENTS

The Company and its subsidiaries derive a substantial portion of their income from investments in bonds (municipal and corporate) and equity securities. The investment policy is designed to maintain a high quality portfolio and maximize income. Some state laws impose certain restrictions upon the types and amounts of investments that can be made by the Company's insurance subsidiaries.

See Note 3 of Notes to Consolidated Financial Statements in the 2000 Annual Report to Shareholders incorporated by reference in this Form 10-K Annual Report for the major categories of investments, earnings by investment categories, scheduled maturities, amortized cost, and market values of investment securities.

EMPLOYEES

The Company has no paid employees. NE-ITIC had two full-time paid employees as of December 31, 2000. Officers of the Company are full-time paid employees of ITIC, which had 165 full-time employees and 14 part-time employees as of December 31, 2000.

TRADEMARK

The Company's subsidiary, ITIC, registered its logo with the U.S. Patent-Trademark Office in February, 1987. The loss of said registration, in the Company's opinion, would not materially affect its business.

Edgar Filing: INVESTORS TITLE CO - Form 10-K405

ITEM 2. PROPERTIES

The Company owns the office building and property located on the corner of North Columbia and West Rosemary Streets in Chapel Hill, North Carolina, which serves as the Company's corporate headquarters. The building contains approximately 23,000 square feet. The Company's principal subsidiary, ITIC, leases office space in 31 locations throughout North Carolina, South Carolina, Michigan and Virginia. NE-ITIC leases office space in 2 locations in New York. These properties are used by the title insurance and exchange services segments.

The Company also owns several parcels and one building adjacent to the Company's facility.

See Note 9 of Notes to Consolidated Financial Statements in the 2000 Annual Report to Shareholders incorporated by reference in this Form 10-K Annual Report for the amounts of

8

future minimum lease payments. Each of the office facilities occupied by the Company and its subsidiaries are in good condition and adequate for present operations.
