The Compensation Committee (currently consisting of Messrs. Francisco and Gauvin) meets as necessary to determine Dr. Landon's compensation. Dr. Landon determines the compensation of the Company's other employees. The members of the Committee are not employees of the Company and are independent directors. The Compensation Committee had one formal meeting during fiscal year 2001.

There is unrestricted access between the Audit Committee and the independent public accountants.

- . The Audit Committee Report is set forth in Appendix A hereto.
- . Audit fees paid to the independent public accountants are set forth in Appendix B hereto.
- . The full text of the Audit Committee charter is set forth in Appendix C hereto.

The responsibilities of the Audit Committee (currently consisting of Messrs. The members of the Committee are not employees of the Company and are independent directors. There were two formal meetings of the Audit Committee in fiscal year 2001.

Messrs. Francisco, August and Gauvin have agreements with the Company extending through the term of their election. The agreements for Messrs. The agreement with Dr. August also provides payments of \$2,500 per quarter for services rendered to the Company as Scientific Adviser. Dr. August had a separate agreement providing payment of \$300 per hour for acting as Interim Scientific Director of the Department of Discovery Research. This latter agreement expired on June 27, 2001. The Company also reimburses Company related travel expenses incurred by any of the Directors.

Employment Contracts and Termination of Employment and Change-in-Control

Arrangements

Dr. Landon has an employment agreement with the Company, extending through July 13, 2002. Pursuant to this agreement, Dr. Landon's base compensation is \$275,000 per year. The agreement provides for various additional incentive compensations dependent upon the results of the Company's

operation each year through the term of employment. The Compensation Committee of the Board of Directors determines the amount of incentive compensation for Dr. Landon.

Dr. Landon's Employment Agreement has the following compensation upon termination provisions: 1. If Dr. Landon's employment is terminated due to his death, the Company shall pay his estate bi-weekly amounts equal to his base annual salary for the twelve month period following his death; 2. If Dr. Landon becomes disabled, he will receive base salary compensation up to six months after becoming disabled and at the end of the six-month period his employment will be terminated; 3. If, during the five-year term of Dr. Landon's agreement, there is a change-in-control of the Company, the Agreement shall remain in effect for the remainder of the five-year term or an additional two and one-half years, whichever is greater; 4. If Dr. Landon is terminated for cause, or if the Company and Dr. Landon mutually agree to terminate Dr. Landon's employment, the Company shall have no further obligation to Dr. Landon under the Agreement.

Michael O'Flaherty and David Newcomer have severance agreements with the Company. The terms of the severance agreements provide that in the event the Company terminates the executive's employment with the Company for other than the following reasons, termination for cause, voluntary resignation, disability or death, the executive is entitled to receive severance pay equal to one year of compensation, based on the base annual salary in effect at the time of termination.

Annual Incentives

Annual incentives for the executive officers named in the above table, excluding the CEO, provide cash compensation opportunity for achieving various performance objectives. These objectives include but are not limited to the following: financial performance measures such as profit, sales, indirect cost controls, contract renewal and contract award. Certain objectives have minimum and maximum levels of performance set. No payment is made if performance fails to meet the minimum level for a particular objective.

Transactions With Management

On June 1, 1988, the Company and Dr. Landon agreed to consolidate the previous loan facilities available to Dr. Landon into a single loan of \$100,000. The loan had a five year term with repayment of principal deferred for three years. The loan bore interest at the six month certificate of deposit rate paid by Signet Bank, Maryland, and the rate was adjusted quarterly. On September 29, 1989, the Company agreed to increase the loan to \$125,000. On September 21, 1990, the Company agreed to increase the loan to \$150,000. Pursuant to Dr. Landon's previous employment agreement, the loan was to be repaid in five installments of \$30,000 plus interest within six weeks after the end of each of the next five fiscal years beginning with fiscal year 1992.

On July 1, 1994, Dr. Landon made a payment of \$2,745 on accrued interest. On June 6, 1994, the Company agreed to defer Dr. Landon's third \$30,000 repayment and make the payment due as two \$15,000 installments paid with the fourth and fifth \$30,000 repayments respectively. On October 11,

Edgar Filing: BIOQUAL INC - Form DEF 14A

1995, the Company's shareholders affirmatively voted to approve the purchase of Company stock from Dr. Landon at market value to fund the repayment by Dr. Landon of the remainder of the Company loan. On October 16, 1996, the Board of Directors affirmatively voted to extend the due date of the loan, maintaining all other terms and conditions, until October 31, 1998.

On October 28, 1998, the Compensation Committee of the Board of Directors agreed to extend the repayment period of the Company loan to Dr. Landon from October 31, 1998 to April 30, 2000. In accordance with the shareholders' prior approval of the Company's plan to purchase shares of stock from Dr. Landon at market value, the Company purchased, on a quarterly basis for four quarters, 9,000 shares, and for one quarter, 2,039 shares of Company stock from Dr. Landon at market value. Dr. Landon made a cash payment of \$20,000 on accrued interest in December, 1999. Dr. Landon paid the remaining balance of \$753 of accrued interest on June 23, 2000. During fiscal year 1999, Dr. Landon made repayments totaling \$57,094. During fiscal year 2000, Dr. Landon repaid the balance (\$32,906) of the note. The largest amount owed by Dr. Landon during the fiscal year ended May 31, 2000 in respect to his loan facilities was \$32,906, excluding accrued interest of \$753. There was no addition to the loan during this fiscal year.

ITEM 2 - RATIFICATION OF INDEPENDENT AUDITORS

The Board of Directors recommends the ratification of the appointment of the firm of Aronson, Fettridge & Weigle as independent auditors for fiscal year 2002. A representative of Aronson, Fettridge & Weigle will be present at the Annual Meeting with the opportunity to make a statement if the representative desires to do so and will be available to respond to appropriate questions raised at the meeting.

Services provided in connection with the audit function by Aronson, Fettridge & Weigle for the fiscal year 2001 included primarily the examination of BIOQUAL's consolidated financial statements, and the review of filings with the Securities and Exchange Commission.

As reported in an 8-K filed by the Company on November 13, 2000, effective November 7, 2000, the Company terminated the engagement of Deloitte & Touche LLP as its independent public accountants. On the same day, the Company retained Aronson, Fettridge & Weigle as its public accountants. The engagement of Aronson, Fettridge & Weigle was recommended by the Audit Committee of the Company's Board of Directors and approved by the Board of Directors. Aronson, Fettridge & Weigle audited the Company's financial statements for the year ended May 31, 2001.

The audit reports by Deloitte & Touche LLP on the Company's financial statements for each of the last two fiscal years ended May 31, 1999 and May 31, 2000, respectively, did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

In connection with the audits of the Company's financial statements for each of the two fiscal

years ended May 31, 1999 and May 31, 2000, respectively, and in the subsequent interim period, there have been no disagreements between the Company and

Edgar Filing: BIOQUAL INC - Form DEF 14A

Deloitte & Touche LLP on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of Deloitte & Touche LLP would have caused it to make reference to the subject matter of the disagreement in connection with its reports on the audited financial statements.

Audit Fees paid to Deloitte & Touche LLP and to Aronson, Fetridge & Weigle are -----
presented in Appendix B attached hereto.

Financial Information Systems Design and Implementation Fees were not paid to -----
the independent accounting firms.

All Other Fees (for preparation of tax returns and expenses related to the -----
change in independent auditors) are presented in Appendix B attached hereto.

The Board of Directors recommends a vote FOR the approval of Aronson, Fetridge & Weigle as independent auditors for the fiscal year 2002. Proxies solicited by the Board will be so voted unless shareholders specify a contrary choice on the proxy card. The affirmative vote of a majority of the shares entitled to vote and present at the meeting, in person or by proxy, is required to approve the appointment of Aronson, Fetridge & Weigle.

SHAREHOLDER PROPOSALS

Shareholders who wish to submit proposals at the next Annual Meeting of Shareholders should submit such proposals to the Company at its headquarters at 9600 Medical Center Drive, Rockville, Maryland 20850. Such proposals must be received by the Company by June 1, 2002.

The Company will not be required to include in its Proxy Statement or form of proxy, a shareholder proposal which is received after that date or which otherwise fails to meet requirements for shareholder proposals established by regulations of the Securities and Exchange Commission. Shareholders who wish to submit a proposal at the 2002 annual meeting (but do not wish to seek inclusion of the proposal in the Company's proxy material) must submit their notice to the Company on or before August 7, 2002.

10

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers, among others, to file with the Securities and Exchange Commission (the "SEC") and the Chicago Stock Exchange an initial report of ownership of the Company's stock on Form 3 and reports of changes in ownership on a Form 4 or a Form 5. Persons subject to Section 16 are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms that they file. Under SEC rules, certain forms of indirect ownership and ownership of Company stock by certain family members are covered by these reporting rules. As a matter of practice, the Company's administrative staff assists the Company's executive officers and directors in preparing initial reports of ownership and reports of changes in ownership and in filing these

Edgar Filing: BIOQUAL INC - Form DEF 14A

reports on their behalf. Based solely on a review of the copies of such forms furnished to the Company, and on written representation from certain reporting persons, the Company believes that during fiscal year 2001, all of its executive officers and directors filed the required reports on timely basis under Section 16(a).

Proxy Preparation

The expense of preparing, assembling, printing, and mailing the form of proxy material used for the solicitation of proxies will be borne by the Company. The Company has not retained any firm to solicit proxies on behalf of the Company. Company directors and officers of the Company may solicit proxies in person or by telephone and will request brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to beneficial owners of Common Stock. So far as the Board of Directors is aware, only the aforementioned matters will be acted upon at the meeting. If any other matters properly come before the meeting, it is intended that the accompanying proxy may be voted on such matters in accordance with the best judgment of the person or persons voting said proxy.

THE COMPANY'S REPORT ON FORM 10-KSB FOR ITS FISCAL YEAR ENDED MAY 31, 2001, ACCOMPANIES THIS PROXY STATEMENT. UPON THE WRITTEN REQUEST OF A SHAREHOLDER OF THE COMPANY ADDRESSED TO MICHAEL P. O'FLAHERTY, SECRETARY OF THE COMPANY, AT 9600 MEDICAL CENTER DRIVE, ROCKVILLE, MARYLAND 20850, THE COMPANY WILL PROVIDE WITHOUT CHARGE TO SUCH SHAREHOLDER A COPY OF THE COMPANY'S ANNUAL REPORT ON FORM 10-KSB FOR ITS FISCAL YEAR ENDED MAY 31, 2001, INCLUDING THE FINANCIAL STATEMENTS AND FINANCIAL STATEMENT SCHEDULES REQUIRED TO BE FILED WITH THE SECURITIES AND EXCHANGE COMMISSION PURSUANT TO RULE 13a-1 UNDER THE SECURITIES EXCHANGE ACT OF 1934.

APPENDIX A

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted accounting principles and to issue a report thereon. The Committee monitors these processes.

In this context, the Committee met and held discussions with management and the independent auditors. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Committee reviewed and discussed the consolidated financial statements with management and the independent auditors. The Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards

Edgar Filing: BIOQUAL INC - Form DEF 14A

No. 61 (Codification of Statements on Auditing Standards, AU 380), as amended.

In addition, the Committee discussed with the independent auditors the auditor's independence from the Company and its management, and the independent auditors provided to the Committee the written disclosures and letter required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees).

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Committee met with the independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee did not consider whether the provision of the services rendered by the auditors, other than audit services, is compatible with maintaining the principal accountant's independence. Fees for services other than audit services consisted of fees for preparing corporate tax returns and fees related to the change in independent auditors.

Based on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended May 31, 2001, for filing with the Securities and Exchange Commission. The Committee and the Board also have recommended, subject to shareholder approval, the selection of the Company's independent auditors for fiscal year 2002.
