Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(e) As previously reported, the long-term incentive compensation performance goals for the Company's 2010-2011 performance period are based on a combination of the Company's two-year average after-tax income and return-on-invested capital. Provided the performance goals are achieved, the payout structure of the Company's named executive officers' long-term awards is as follows: (a) 50 percent of the award would be payable in cash under the Long-Term Incentive Compensation Plan, (b) 50 percent of the award would be payable in restricted stock units under the 2007 Stock Incentive Plan, as amended and restated as of May 19, 2010, and (c) both the cash portion and the restricted stock unit portion of the payout would be subject to a time-based, one-year holding period following the end of the performance period before payout to the executives. On November 5, 2010, the Company entered into Restricted Stock Unit Award Agreements with its current named executive officers in the form attached hereto as Exhibit 10.1, with regard to the restricted stock unit portion of such long-term awards.
